

WE'LL TAKE YOU EXACTLY WHERE YOU WANT TO GO.

You demand more from a vehicle than ever before. Exactly the same can be said of Chevrolet. For starters, you're looking for greener driving choices – Chevrolet offers more models that get better than 7 L/100 km highway fuel efficiency than any other manufacturer. Chevrolet also offers a range of vehicles powered by hybrid technology or alternative fuels. And just around the corner comes the arrival of the revolutionary Chevrolet Volt plug-in Extended-Range Electric Vehicle that can travel up to 64 km purely on electric power. Down the road, there are Hydrogen Fuel Cell Vehicles that point the way to a future of zero-emissions driving.

At Chevrolet, we take pride in more than the quality of our vehicles. We are also proud to be the Official Vehicle Supplier of the Vancouver 2010 Olympic and Paralympic Winter Games and of Canada's Olympic and Paralympic Teams. Chevrolet also demonstrates its enthusiastic support for Canada's athletes and coaches through its Making Dreams Possible and Chevrolet Safe & Fun Hockey initiatives. Share the passion.

crash rating

CHEVROLET

"IMPALA WILL THOROUGHLY MEET YOUR NEEDS AND PROBABLY EXCEED YOUR EXPECTATIONS." - *Kelley Blue Book's kb.com*

There are some vehicles that make their presence known simply through their flashiness - by way of contrast, Chevrolet Impala has earned its reputation and its enduring popularity the hard way. By building a car that delivers in areas that really matter. With a standard 3.5L V-6 engine that delivers better highway fuel efficiency than Chrysler 300, Ford Taurus or Toyota Avalon* - and the enhanced driver control of StabiliTrak®. The spacious interior provides available seating for up to six and the enhanced versatility of a segment-exclusive available flip-and-fold rear seat.** But peace of mind takes no back seat thanks to OnStar® and the highest U.S. government frontal crash ratings - five stars! Take your expectations to the next level in Chevrolet's premium mid-size sedan: the 2010 Chevrolet Impala.

*2010 Impala data based on GM testing in accordance with approved Transport Canada test methods. Competitive information based on Natural Resources Canada's 2009 Fuel Consumption Guide and published information available at time of printing. Your actual fuel consumption may vary.

**Based on GM Large Car segment and latest competitive information available at time of printing.

†Five-star frontal crash rating is for driver and front-passenger seating positions in the frontal crash test. U.S. government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (NCAP) (safercar.gov).

Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.

CONFIDENTLY IN CONTROL.

Impala has a poised look, the product of its substantial form and strong stance. Get behind the wheel and you'll discover how its advanced technology adds to your assurance by enhancing your control. For 2010, the StabiliTrak electronic stability control system is standard on all models. This sophisticated system intervenes to correct for oversteer and understeer, by adjusting brake pressure and engine power to help keep you on your intended driving line. Every Impala also features standard four-wheel disc brakes with a four-wheel anti-lock braking system (ABS) and full-function traction control. Impala: It looks confident – and drives that way.

GIVE YOURSELF SOMETHING EXTRA TO CHEER ABOUT.

It's not only one of the Official Vehicles of Canada's Olympic and Paralympic teams – it can be yours too. So while you eagerly applaud the remarkable dedication and world-beating achievements of Canada's athletes, you can also congratulate yourself on earning special rewards that are all your own – with the Impala Team Canada Edition. This package is available on LT and LTZ models, taking them up a notch with a power sliding glass sunroof, Bose® 8-speaker sound system, XM Satellite Radio™,* heated leather-appointed front bucket seats, plus a power six-way front-passenger seat. Fuel your competitive instincts – in the ultimate Impala: the Team Canada Edition.

* Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period.

Team Canada Edition badging distinguishes this special package, available on Impala LT and LTZ models.

IMPALA COMFORT – HAVE IT YOUR OWN WAY.

Comfort is something that is very personal – no two people have identical preferences. That's why every Impala is equipped with a series of customization features that enhance your comfort. A power six-way driver's seat and Driver Information Centre with personalization features are standard. So are dual-zone climate controls that allow the driver and front passenger to select their own temperature settings. Impala also gives you the option of increasing passenger capacity with an available six-passenger configuration. And you can customize the interior to maximize passenger or cargo capacity with the available flip-and-fold-flat rear seats. Impala – just the way you want it.

The versatile flip-and-fold-flat rear seats fold down to create an extended loading floor that is 1905 mm (75 in.) in length – more than long enough for oversized items, such as skis. Standard on LTZ, available on other models.

An available Bose amplified 8-speaker sound system includes proprietary digital signal processing and six channels of custom equalization.

The available Bluetooth® wireless connectivity enables you to make, answer and end calls on compatible mobile phones, using Impala's available steering-wheel-mounted controls.

"A FINE BALANCE BETWEEN PERFORMANCE AND FUEL EFFICIENCY." - *Edmunds.com*

You will be pleased to learn of the power outputs of the 233 horsepower 3.9L V6 engine on Impala LTZ and the 211 horsepower 3.5L V6 on LS and LT. But in today's world, power alone is not enough. Just as important - Variable Valve Timing (VVT) is used to boost both output and fuel efficiency. As a result, Impala equipped with the 3.5L V6 achieved a 6.7 L/100 km highway rating - that's superior to Chrysler 300, Ford Taurus and Toyota Avalon.* Fuel efficiency isn't the only way that Impala reduces its environmental impact. Both Impala V6 engines are FlexFuel capable, enabling them to run on E85 ethanol - a cleaner burning, mostly renewable fuel. A fine balance of priorities indeed.

* 2010 Impala data based on GM testing in accordance with approved Transport Canada test methods. Competitive information based on Natural Resources Canada's 2009 Fuel Consumption Guide and published information available at time of printing. Your actual fuel consumption may vary.

FUEL EFFICIENCY

Both the 3.5L and 3.9L V6 engines feature Variable Valve Timing (VVT) technology. VVT automatically adjusts the timing of the valve operation to optimize the use of fuel and increase power output.

THE HIGHEST PRIORITY AND THE HIGHEST CRASH TEST RATING.

There is no doubt that safety is a top priority for you, just as it is for our engineers. So you will be reassured by Impala's comprehensive standard safety package that includes a wealth of occupant protection features, from its safety cage construction to six air bags.* As a result, Impala earned the highest possible U.S. government frontal crash ratings: five stars.** You demand a high level of safety from your next car. That is exactly what you'll get from the 2010 Chevrolet Impala.

* A NOTE ON CHILD SAFETY: Always use safety belts and proper child restraints, even in vehicles equipped with air bags. Refer to the vehicle Owner's Manual and child safety seat instructions for more information.

** Five-star frontal crash rating is for driver and front-passenger seating positions in the frontal crash test. U.S. government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (NCAP) (safercar.gov).

Every Impala is equipped with six standard air bags,* including the thorax side-impact air bags shown here, in addition to dual-stage frontal air bags and front-to-rear head curtain side-impact air bags.

ALUMINUM ENGINE CRADLE

The very stiff, yet exceedingly lightweight engine cradle reduces the amount of vibration that may penetrate Impala's interior.

GM OIL LIFE MONITORING SYSTEM

The GM Oil Life Monitoring System alerts you when it's time to change the engine oil. The system could extend the distance between oil changes up to 12,000 km (7200 mi).† The result can be fewer oil changes, reducing service requirements and the consumption of non-renewable resources.

SIX STANDARD AIR BAGS

Standard dual-stage frontal air bags are complemented by a Passenger Sensing System that deactivates the front-passenger air bag when the passenger seat is not being used, or when it is occupied by a child or small adult. Every Impala also includes the added protection provided by head curtain side-impact air bags, and front seat-mounted side-impact air bags.

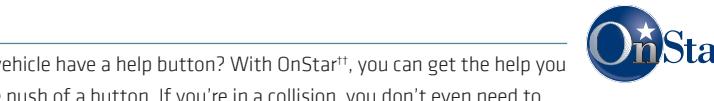

ELECTRONIC TRACTION CONTROL

Helping reduce wheelspin when accelerating on slippery surfaces, the standard full-function traction control system monitors wheelspin and then responds by either reducing engine power, applying the brakes or both simultaneously.

ONSTAR

Does your vehicle have a help button? With OnStar, you can get the help you need at the push of a button. If you're in a collision, you don't even need to ask for help – sensors around your vehicle can automatically alert an OnStar Advisor. If your vehicle is stolen, we can use GPS technology to help police find it. OnStar and 1 year of the Safe & Sound Plan is included on all Impala models. The available Directions & Connections Plan also includes Turn-by-Turn Navigation – the simplest and smartest navigation system available. Just push the OnStar button and tell the Advisor where you want to go, then turn-by-turn directions are downloaded to your vehicle. No one offers more ways to help you on the road. Learn more at onstar.ca

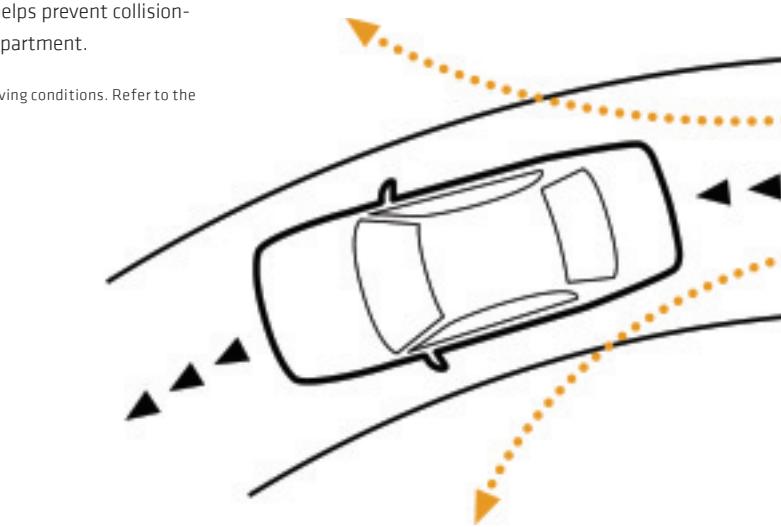

† OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency service providers. Subscription Service Agreement required. Ability to locate stolen vehicles varies with conditions. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.ca for OnStar's Terms and Conditions, Privacy Statement and details and system limitations.

FRONT-SEAT STRUCTURE

STABILITRAX

The standard StabiliTrak electronic stability control system continuously monitors steering angle, wheel speed, lateral pressure and lateral acceleration. If the system detects a lateral skid, it intervenes by adjusting brake pressure and engine power to help return your vehicle to its intended driving line.

XM SATELLITE RADIO

Your listening preferences are very personal. XM Satellite Radio gives you access to the largest playlist on the planet and the most commercial-free music in digital-quality sound. That's on top of news, talk, comedy and sports channels – including more than 1000 NHL games. It all adds up to 130 channels to choose from, coast to coast. Why offer so much choice? XM Satellite Radio has to appeal to a wide range of tastes, with more than 9 million subscribers. And it's available on all Impala models. Ask your dealer for more information.

IMPALA MODEL OVERVIEW

IMPALA LS

Impala LS includes these standard features:

- 211 hp 3.5L FlexFuel V6 engine with Variable Valve Timing (VVT)
- GM Oil Life Monitoring System
- 4-wheel disc brakes with ABS
- StabiliTrak electronic stability control system
- Traction control
- 4-wheel independent suspension
- 16-in. steel wheels with bolt-on covers
- Power exterior mirrors
- Remote keyless entry system
- Six air bags
- Driver Information Centre
- Dual-zone climate controls
- Power windows and door locks
- Tilt adjustable steering column
- Cruise control
- Power 6-way driver's seat adjuster
- 6-speaker sound system with CD player, MP3 playback and auxiliary audio input jack
- OnStar with 1 year of the Safe & Sound Plan.

CENTURY
AUTO.CA

IMPALA LT

Impala LT enhances LS features with:

- 16-in. 5-spoke styled aluminum wheels
- Remote vehicle starter system
- Leather-wrapped steering wheel with sound system controls
- Deluxe Driver Information Centre with compass and exterior temperature readouts
- Bluetooth phone connectivity.

IMPALA LTZ

Impala LTZ enhances LT features with:

- 233 hp 3.9L FlexFuel V6 engine with Variable Valve Timing (VVT)
- Sport suspension
- 18-in. machined-face aluminum wheels
- Fog lights
- Chrome door handles
- Heated power exterior mirrors
- Auto-dimming interior rear-view mirror
- Dual exhaust outlets
- Rear spoiler
- Content theft alarm
- Flip-and-fold-flat rear seats
- Universal home remote transmitter.

IMPALA TEAM CANADA EDITION

The available Impala Team Canada Edition Package enhances LT and LTZ models with:

- Team Canada Edition badging
- Power sliding glass sunroof
- Heated front bucket seats with leather-appointed seating surfaces
- Power 6-way front-passenger seat adjuster
- Bose 8-speaker premium sound system
- XM Satellite Radio
- Universal home remote transmitter (LT model, standard on LTZ).

ACCESSORIES

ACCESSORIES

If you believe your vehicle represents an important expression of your individuality, take Impala's style and functionality to the next level with the addition of Chevrolet Accessories. They were part of Impala's development process to ensure they offer the same quality of fit, finish and function as the rest of the vehicle. They are backed by the 3-year/60,000 km New Vehicle Limited Warranty* and can be included in your finance agreement through GMAC. Ask your dealer for a complete list of the Chevrolet Accessories available for Impala, or visit gm.ca

* Whichever comes first, when permanently installed by the dealer at the time you purchased your new vehicle, or for the remainder of the New Vehicle Limited Warranty if installed after the time of vehicle purchase, but no less than 12 months.

Some Chevrolet Accessories available for Impala include:

- Remote vehicle starter system
- Chrome tip exhaust outlets
- Cargo organizer
- Accessory wheels
- Moulded splash guards
- Rear spoiler
- Cable for portable music player
- Premium all-weather floor mats.

* OnStar services require vehicle electrical system (including battery), wireless service and GPS satellite signals to be available and operating for features to function properly. OnStar acts as a link to existing emergency services providers. Subscription Service Agreement required. Ability to locate stolen vehicles varies with conditions. Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.ca for OnStar's Terms and Conditions, Privacy Statement and details and system limitations.

** All-season tires may not satisfy winter tire requirements in all regions of the country. Tires specifically designed for severe winter conditions and marked with the "winter tire" symbol  may be required during certain months or in certain regions. Contact your Provincial, Municipal or local road authority for information regarding which tires are required in your particular area.

† Available in 10 Canadian provinces and the 48 contiguous United States. Subscription sold separately after trial period.

TOWING

3.5L V6 VVT 2.86 final drive ratio; 454 kg (1000 lb.) maximum gross trailer weight ^{††}	
3.9L V6 VVT 3.29 final drive ratio; 454 kg (1000 lb.) maximum gross trailer weight ^{††}	
††When properly equipped, includes weight of trailer, cargo, passengers and equipment. All towing recommendations are subject to change. Trailer tongue load should be 10% of the maximum trailer weight, but should not exceed the load rating specified for that vehicle, engine or hitch combinations. See your dealer or refer to the Impala Owner's Manual for details.	

BACKED THE WAY THEY ARE BUILT

First we build our vehicles to achieve world-class quality standards and to offer the dependability Chevrolet is famous for. Then we stand behind our vehicles with the backing of the best coverage in Canada:

- 3-year/60,000 km New Vehicle Limited Warranty*
- 5-year/160,000 km Powertrain Component Limited Warranty, with \$0 deductible on repairs and the warranty is fully transferable at no charge*
- 5-year/160,000 km Courtesy Transportation*
- 5-year/160,000 km 24/7 Roadside Assistance*
- 6-year/160,000 km rust-through perforation coverage*
- 8-year/130,000 km coverage on catalytic converters and powertrain control modules (PCMs).*

*Whichever comes first. Conditions and limitations apply, see dealer for details.

(1-800-463-7483 or 1-800-263-3830 for TDD users)
- For information about GMAC visit gmac.ca or call **1-800-616-4622**.

A WORD ABOUT THIS BROCHURE

Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximated based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been adapted since the time of the printing, please check with your GM dealer for complete details. General Motors of Canada Limited reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times.

A WORD ABOUT ASSEMBLY

GM vehicles are equipped with engines and components produced and assembled by different operating units of General Motors, its subsidiaries and suppliers and these engines and components may change or be obtained from different sources from time to time. All such engines and components are approved for use in GM vehicles. Certain equipment ordered may be unavailable at the time of assembly and we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

TRADEMARKS

The marks appearing in this brochure including, but not limited to: General Motors, GM, the GM emblem, Chevrolet, the Chevrolet emblem, Impala, and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Solar-Ray and StabiliTrak are trademarks of General Motors and/or General Motors of Canada Limited, its subsidiaries, affiliates or licensors.
