

2026 Chevrolet Spark EUV

Together
let's drive™

Introduction

The All-New Electric Spark.

An urban thrill like no other. Spark EUV turns every drive into your own personalized adventure.

Bold, fun, and built to match your style, it's your signature on every street.

Full overview

SPARK EUV

With the Spark EUV, dive into your next urban adventure and steer it with your self-expression.

- 4 seats
- 42 kWh LFP (liquid cooled)
- 360 km (NEDC)¹ on a full charge
- Performance: 180NM and 75Kw
- LED headlamps
- Keyless entry
- Hands-free driving system
- 10.1" Infotainment Display Touchscreen²
- 8.8" Cluster Apple CarPlay^{®3} & Android Auto^{™4}
- 6 Speakers
- 6-way power driver seat / 4-way manual passenger seat

^{1.} NEDC-estimated 360 km EV range on a full charge with FWD. Actual range may vary based on several factors, including temperature, terrain, battery age, and how you use and maintain your vehicle. ^{2.} Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ^{3.} Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. Apple CarPlay, iPhone, Siri and Apple Music are trademarks of Apple Inc., registered in the U.S. and other countries. ^{4.} Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements.

Design

Bold on the outside. Sleek and modern on the inside.

Stand out with the Spark EUV's bold, head-turning design that's all about showing off your style. Inside, there's plenty of space for you, your friends, and all your gear, making every trip as practical as it is fun.

A detailed view of the interior of a Chevrolet Spark EUV. The image shows the driver's perspective, featuring a black leather-wrapped steering wheel with the Chevrolet bowtie logo in the center. Behind the wheel is a digital instrument cluster displaying 'Power' and '0 km/h'. To the right of the wheel is a large infotainment screen showing a music player interface with '101.30' and 'Unknown Radio'. The dashboard and center console are finished with a light beige leatherette material. The background shows a blurred view of a modern building with large glass windows.

Interior

Highlights

- **Modern Interior**

Look forward to the luxury of a sleek and refined interior within the Spark EUV. There are four, spacious seats with a leatherette finish, as well as plenty of cargo for all your wants. Bold, striking and uniquely-you decals and limitless accessories are available for you to personalize, externally. So, are you ready to spark your style?

Personalization Spark your style.

The Spark EUV allows drivers to fully personalize their ride with a variety of exclusive accessories. They include Ground Effects for the front and rear, Side Moldings, Assist Steps, and practical Side and Rear Storage Boxes to enhance both style and functionality. A wide selection of personalization themes are available, catering to different interests such as adventure, gaming, music, sports, and pop culture. These customization choices ensure your Spark EUV not only reflects your unique personality but also fits seamlessly into your lifestyle, making it truly one of a kind on the road¹. Explore the full portfolio with your dealer.

¹ Prototype accessories are shown. Check with your local dealership on the availability of accessories. It's strongly encouraged that the accessories installation be carried out by an authorized GM dealer for optimal results.

Performance

Feel the rush with near-instant torque.

Experience the power of the FWD Single Motor, delivering 180Nm of instant torque and 75 kW.

From Eco to Sports mode, driving the Spark EUV will up your EV game.

Select “Eco” for maximum efficiency. “Normal” offers a balance between efficiency and performance. And switch to “Sports” mode to enjoy faster acceleration and zippiness on the road.

NEDC-estimated 360 km EV range, your actual range may vary based on several factors, including temperature, terrain, battery age, and how you use and maintain your vehicle.

Safety and convenience

Safety and comfort in every drive.

• **360° camera¹**

Have complete visibility of the Spark EUV when you can see your car from any and every angle.

• **Front & Side Airbags²**

The four built-in airbags protect your head and chest from unforeseeable objects.

• **Front & Rear Sensors¹**

These help you and the driver to detect objects that are within close proximity to the vehicle.

¹ Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Owner's Manual for more important safety information.
² Air bag inflation can cause severe injury or death to anyone too close to the air bag when it deploys. Be sure every occupant is properly restrained with seat belts. See the Owner's Manual for more airbag information.

Battery and range

Maximize your vehicle with regenerative braking.

The Spark EUV features a lithium-ion battery with a capacity of 42 kWh. The battery is liquid-cooled, which helps maintain optimal performance and longevity by regulating temperatures during charging and discharging.

Drivers can choose from 3 Energy Recovery Modes i.e. (Strong, Normal and Weak), which will help you to maximize your vehicle range when using the regenerative braking option.

Boasting 360 km Range NEDC¹, you'll get more than you bargained for on your daily drives. So, potentially, you could go several days without needing to recharge, depending on your driving habits and conditions.

on a full charge with FWD. Actual range may vary based on several factors, including temperature, terrain, battery age, and how you use and maintain your vehicle.

Battery and range

Stay in Charge.

Charging up your Spark EUV is as simple as charging your phone.

Enjoy peace of mind with:

- 8 years or 160,000km battery limited warranty.
- 3-year vehicle warranty available.

Home Charging:

Plug in at home with the standard Level 1 or standard 7kW home charger¹ for overnight full charge².

- **Level 1:** Fully charged (from 20% to 100%) within 13.5 hours (2.5 kW)²
- **Level 2:** 7kW wall box fully charged (from 20% to 100%) within 7 hours (6.6kW)

¹ The 7kW wall box charger is included with the purchase; however, installation fees are separate and not included. Check with your local dealer for more details on installation and warranty.
² Charging times are estimates and can vary based on factors such as the charger type, vehicle model, battery condition, environmental conditions, and the current state of charge.

Stay in Charge.

Enjoy peace of mind with:

- 8 years or 160,000km battery limited warranty.
- 3-year vehicle warranty available.

Plug into one of the hundreds of DC Fast Charge stations across the region to get 50 km of range every 10 mins of charging (30%–80% of range in 35 mins)².

With AC public charging, you can add up to 41 km of range per hour. Charging from 20% to 80% in 7 hours at 6.6kW².

1. The 7kW wall box charger is included with the purchase; however, installation fees are separate and not included. Check with your local dealer for more details on installation and warranty.
2. Charging times are estimates and can vary based on factors such as the charger type, vehicle model, battery condition, environmental conditions, and the current state of charge.
