## Safety

The Traverse boasts over 15 safety features, so you can count on your next adventure being a safe one too. Features include:

### Rear Seat Reminder

When your trip is over, this feature reminds you to check the back seats using chimes and a message in the Driver Information Center. This gets activated when a second-row door is opened and closed before you start your drive.

### Adaptive Cruise Control

Seamlessly maintain a safe following distance while on and off-road.

### HD Surround Vision

Use the selectable digital views around your vehicle to park and safely navigate the road with ease.

### Enhanced Automatic Emergency Braking

Even in the face of the most thrilling adventure, your safety is never compromised with our elevated emergency brake.

Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Owner's Manual for more important safety
