

2025 CHEVROLET TAHOE & SUBURBAN

Specifications shown do not come standard on all models. Please refer to the local Dealer for details

Together
let's drive™

ELEVATE YOUR GAME.

The New Tahoe and Suburban is designed to help you make your presence felt everywhere you go. Together Tahoe and Suburban have competed in the segment for over 45 years and established themselves as cultural icons. Chevrolet's full-size SUVs are truly designed and engineered for its customers. The New 2025 Tahoe and Suburban are no exception. You can experience better drives with OnStar^{®1} Connected Services, which come standard.

¹ OnStar[®] Connected Services are currently available in Kuwait, UAE, KSA and Bahrain. Wi-Fi plans are available in Kuwait and UAE only. Services vary by country. See onstararabia.com for equipped vehicles, service availability, and system limitations.

EXTERIOR HIGHLIGHTS

The New Tahoe and Suburban is a large SUV that's designed to stand out wherever you go.

- Redesigned Unique Grille Patterns
- New Animated Headlamps
- New Front & Rear Fascia Design
- Redesigned Wheels
- New Exhaust Outlet

INTERIOR HIGHLIGHTS

This refreshed interior is quiet and refined to help you escape it all, even when you're in the middle of it all. The New Tahoe and Suburban features a 17.7-inch diagonal center touchscreen¹ display that puts everything at your fingertips, with standard Google² built-in powered by OnStar^{®3}, Apple CarPlay^{®4} and Android Auto^{®5}, available.

- All-new Dashboard Design
- 17.7" Diagonal Infotainment Screen¹
- 11" Driver Information Center
- Electronic Precision Column Shifter
- New Steering Wheel Design
- New Interior Colors

1 Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

2 Google built-in services are subject to limitations, and availability may vary by vehicle, infotainment system and location. Certain Google actions and functionalities may require account linking. User terms and privacy statement apply. Google, Google Play and Google Maps are trademarks of Google LLC.

3 OnStar[®] Connected Services are currently available in Kuwait, UAE, KSA and Bahrain. Wi-Fi plans are available in Kuwait and UAE only. Services vary by country. See onstararabia.com for equipped vehicles, service availability, and system limitations.

4 Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. Apple CarPlay, iPhone, Siri and Apple Music are trademarks of Apple Inc., registered in the U.S. and other countries.

5 Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements

SAFETY & DRIVER ASSISTANCE FEATURES

• BLIND ZONE STEERING ASSIST

Can detect a potential crash with a moving vehicle in the lane you're entering. It can provide a visual side-mirror alert and a brief, firm turn of the steering wheel to alert you so you can take further action to avoid a collision.

• INTERSECTION AUTOMATIC EMERGENCY BRAKING

Can help you avoid or reduce the severity of an intersection collision with a detected cross-traffic vehicle. It provides alerts and can even automatically provide hard emergency braking or enhance the driver's hard braking.

• REAR CROSS TRAFFIC BRAKING

When you're in reverse, Rear Cross Traffic Braking alerts you or automatically provides hard emergency braking to help prevent a collision with detected vehicles crossing behind you.

• ENHANCED AUTOMATIC PARKING ASSIST

Aids in tight parking spaces through semi-automatic steering, braking and shifting gears.

Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Owner's Manual for more important safety information.

1 OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Check onstararabia.com for details and limitations

2 Roadside service provided by Mapfre Roadside Services for covered vehicles only. Mapfre Services limitations and restrictions apply. Check onstararabia.com for details and limitations.

3 Requires equipped vehicle, active OnStar plan, and Wi-Fi data plan with carrier. OnStar plans and Wi-Fi data plans not available in all countries. See onstararabia.com for equipped vehicles, service availability and system limitations.

Connected by

Connected to the road ahead with OnStar®¹

Experience the amazing in-vehicle connected technology of OnStar®¹ in the Tahoe and Suburban, with a 3-year OnStar®¹ Connect Plan² now standard.

OnStar® Connected Services² will elevate your driving and ownership experience with your Tahoe and Suburban. It's technology backed by the human touch that adds simplicity, safety and excitement and makes every driver better over time with the myChevroletApp⁴, Google Built-In⁵ and more.

[Explore More](#)

With over 25 years experience in delivering in-vehicle services, OnStar®¹ gives you added peace of mind knowing that a trained Advisor³ is ready to help 24/7.

Take the same connectivity and entertainment that you love and enjoy at home with you on your travels, thanks to a robust built-in 4G LTE Wi-Fi⁶ that delivers a fast and dependable experience, making it utterly seamless.

* Requires paid OnStar® subscription. Services are subject to user terms and limitations. Remote start requires GM factory-installed and enabled remote start system. Lock/unlock feature requires automatic locks. The Connect Plan does not include emergency or security services. See <https://www.onstararabia.com/en/connected-services> for details. ¹ Requires equipped vehicle, active OnStar® plan, and Wi-Fi data plan with carrier. OnStar® plans and Wi-Fi data plans not available in all countries. See onstararabia.com for equipped vehicles, service availability and system limitations. ² Requires OnStar equipped and activated vehicle. OnStar plans not available in all countries. See FAQs for equipped vehicles, service availability and system limitations. Standard Connect does not include emergency or security services. Click to learn more. ³ Calls may be monitored or recorded for quality assurance purposes. OnStar® Middle East Advisors are not trained medics. ⁴ Available on select Apple and Android devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. Terms apply. Device data connection required. Actual images and features may vary and are subject to change. ⁵ Google built-in services are subject to limitations, and availability may vary by vehicle, infotainment system and location. Certain Google actions and functionalities may require account linking. User terms and privacy statement apply. Google, Google Play and Google Maps are trademarks of Google LLC. ⁶ Service varies with conditions and location. Requires active service plan and paid data plan. To check for phone or other device compatibility, see chevroletarabia.com or consult your carrier.
