

# Silverado LD

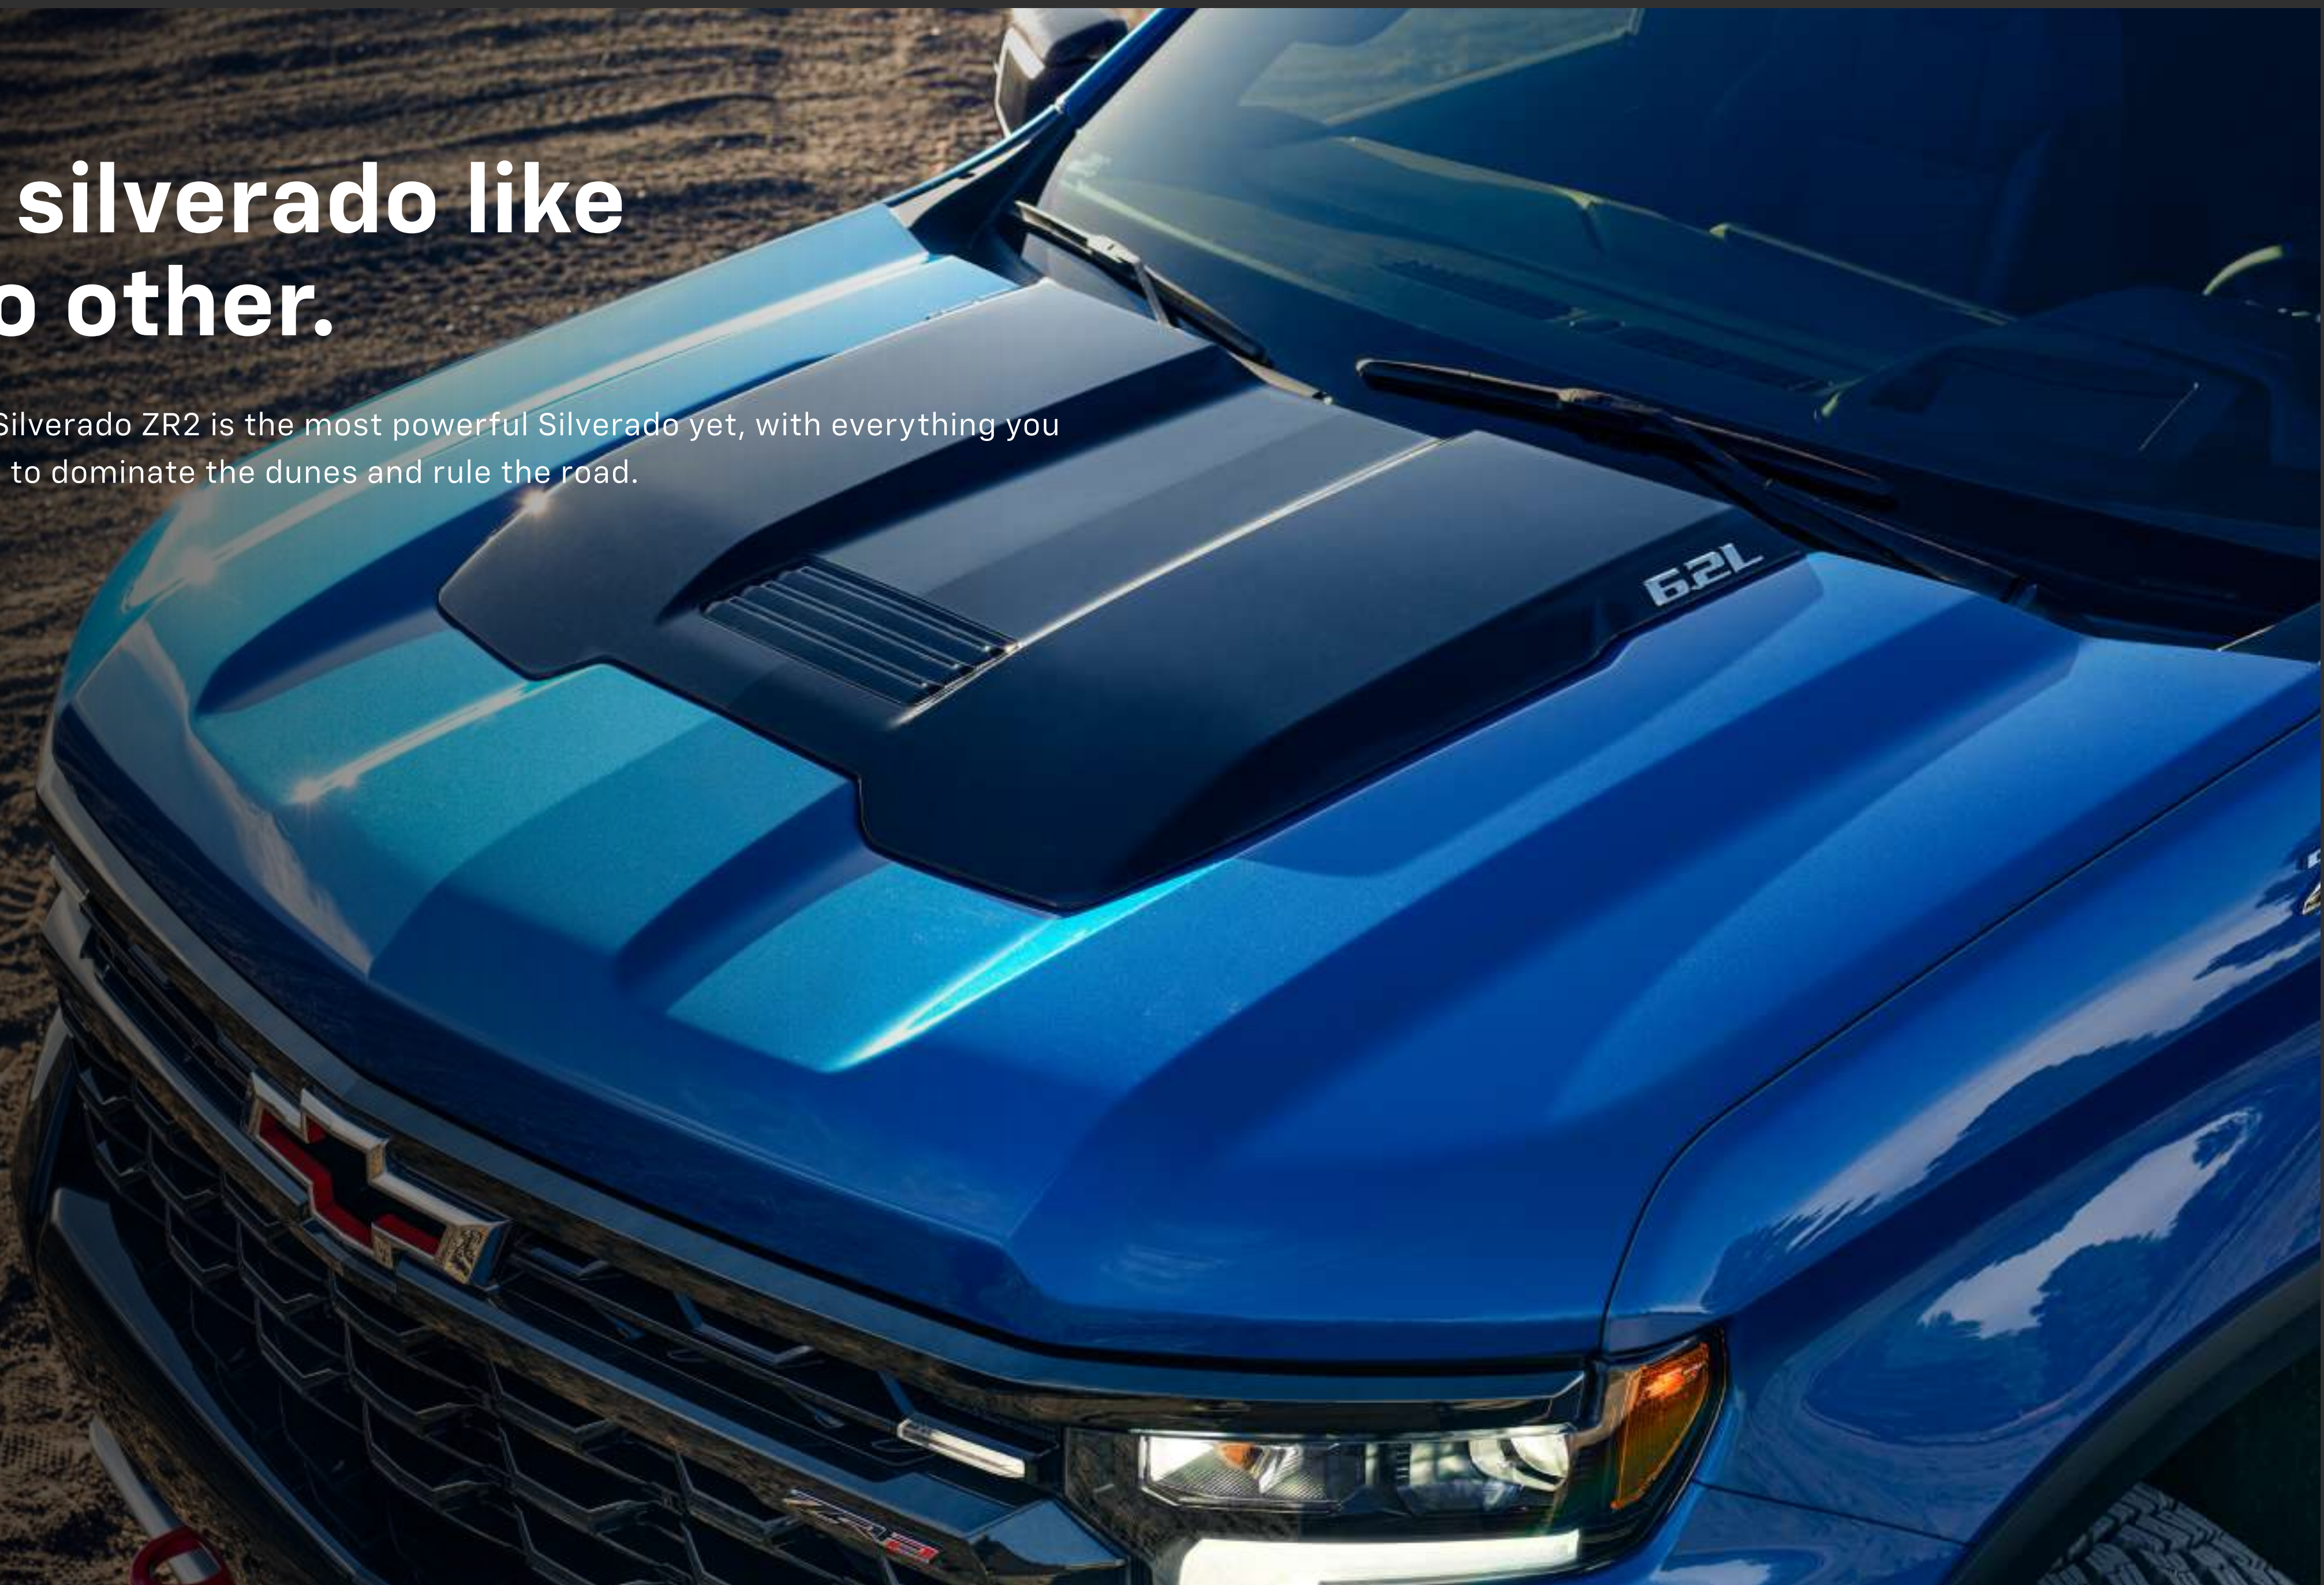

Together  
let's drive™

# A silverado like no other.

The Silverado ZR2 is the most powerful Silverado yet, with everything you need to dominate the dunes and rule the road.

Features and specifications may vary by country or market. Contact your local dealer for details. Due to global Semi-Conductor supply shortages and software issues, GM vehicles may not have some standard features and options. Please check with your local Chevrolet dealer to confirm the vehicle's specifications prior to purchase. Vehicles not equipped with Automatic Stop/Start will be less fuel efficient.

# SILVERADO

## STANDARD FEATURES:

- 2.7L Turbo engine with 310 HP and 583 Nm of Torque with Noise Control

The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Owner's Manual for more important safety information. <sup>10</sup> Requires equipped vehicle, active OnStar<sup>®</sup> plan, and Wi-Fi data plan with carrier. OnStar<sup>®</sup> plans and Wi-Fi data plans not available in all countries. See [onstararabia.com](https://onstararabia.com) for equipped vehicles, service availability and system limitations. Wi-Fi services available in UAE and Kuwait only. <sup>11</sup> OnStar<sup>®</sup> Connected Services are currently available in Kuwait, UAE, KSA and Bahrain. Wi-Fi plans are available in Kuwait and UAE only. Services vary by country. See [onstarabia.com](https://onstarabia.com) for equipped vehicles, service availability and system limitations. <sup>12</sup> Requires paid OnStar<sup>®</sup> subscription. Services are subject to user terms and limitations. Remote start requires GM factory-installed and enabled remote start system. Lock/unlock feature requires automatic locks. The Connect Plan does not include emergency or security services. See Plans and Pricing for details. Due to global Semi-Conductor supply shortages and software issues, GM vehicles may not have some standard features and options. Please check with your local Chevrolet dealer to confirm the vehicle's specifications prior to purchase. Vehicles not equipped with Automatic Stop/Start will be less fuel efficient.

OnStar® Middle East Advisors are not trained medics. <sup>3</sup> Service varies with conditions and location. Requires active service plan and paid data plan. To check for phone or other device compatibility, see [chevroletarabia.com](https://www.chevroletarabia.com) or consult your carrier.

## MULTI-FLEX TAILGATE

The Multi-Flex Tailgate offers Silverado customers six unique functions, allowing for easier access to bed cargo, enhanced loading solutions and a standing workstation. With a weight capacity of 170kg, different configurations for the Multi-Flex Tailgate activate using a key fob or two Tailgate-mounted buttons, one for the full gate and another for the second-tier loading and storage options.
