

# Captiva

Together  
let's drive™

# A sharp look.

Designed to wear its attitude at every outing, Captiva steps out in style with front and rear fascias, available LED auto headlamps and wheel designs.

\* 5 years or 150,000 KM, whichever comes first.

# Stunning design.

Features and specifications may vary by country or market. Contact your local dealer for details.

# All the space you need.

With its expansive interior tailored for family comfort, the Captiva thoughtfully accommodates up to seven passengers across three spacious rows of seats — ensuring everyone travels in style and comfort.

Features and specifications may vary by country or market. Contact your local dealer for details.

PREMIER

Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Safety features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Owner’s Manual for more important safety information. Due to global Semi-Conductor supply shortages, GM vehicles may not have some standard features and options. Please check with your local Chevrolet dealer to confirm the vehicle’s specifications prior to purchase. Vehicles not equipped with Auto-matic Stop/Start will be less fuel efficient.

# Driving technology

With practical technology, the Captiva is designed for a smooth and confident drive.

- Cruise Control<sup>1</sup>
- Engine Start/Stop button
- Remote Keyless entry

1- Safety features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Read the Owner's Manual for more important safety information.

# Always drive safely

Captiva is designed from the wheels up to help keep the whole family safe.

- 360 Degree Video Park Assist
- Tire Pressure Monitoring System
- Tire Temperature Monitoring System
- ISOFIX Lock for child seat
- 4 Airbags only in LT<sup>1</sup>
- ABS + EBD brakes
- Stability Control
- Traction Control
- Hill Start Assist

<sup>1</sup> Always use safety belts and the correct child restraint for your child's age and size, even with air bags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal air bag. See the Owner's Manual and the child safety seat instructions for more safety information.

Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.
