MALIBU

Show your eye for design.

Sometimes there's no substitute for a sophisticated, well-tailored sedan. Malibu fits the bill perfectly with its sleek lines and confident stance.

You can choose the Malibu that's right for you with four models available, including the sporty RS. All models receive a responsive 1.5L turbocharged engine connected to a Continuously Variable Transmission (CVT) that generates smooth and linear acceleration. Even better, all models now include Chevy Safety Assist, a group of six driver assistance features[1].

It all adds up to exceptional value with everything you'd expect in a premium sedan and more.

Malibu RS in Radiant Red Tintcoat (extra-cost color).

1 Chevy Safety Assist includes Automatic Emergency Braking, Front Pedestrian Braking, Lane Keep Assist with Lane Departure Warning, Forward Collision Alert, IntelliBeam and Following Distance Indicator. Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information.

1 Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information. *2 A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.* *3 When you select a monthly plan within 15 days of activating your 1-month trial, you'll receive the next 2 months of the plan you select at no additional charge when you associate an approved payment method on file to your account and authorize recurring payments for your service plan. The amount and frequency of each recurring payment is based upon the service(s) and payment interval(s) you select from the options provided. After the trial expires, OnStar will automatically bill your payment method monthly at then-current standard monthly rates. Plans containing 4G LTE data will be billed every 30 days by AT&T. You may cancel at any time by pushing your blue OnStar button or calling 1-888-466-7827. May not be combined with other offers or retroactively applied. Offer subject to change.*
