

TRAILBLAZER 2021

CHEVROLET

# LIVE LIFE BIGGER.

There's a whole world outside your front door. Explore it with the newest member of the Chevrolet SUV family — the 2021 Trailblazer. Available in FWD or AWD, this all-new small SUV will carry you over life's obstacles and let you experience crisp blue skies and the smell of the pines. Rugged looks come with abundant, flexible space inside and numerous standard active safety technologies. If you're looking to expand your boundaries, Chevy Trailblazer is well within reach.

## FIND NEW ROADS™

Trailblazer ACTIV in Zeus Bronze Metallic with Summit White roof and available features.

## MODELS

### LS

The capability and space to chase any horizon are yours in Trailblazer LS. This versatile and affordable SUV features a flat-folding front passenger seat and a 40/60 split-folding second-row seat so you can accommodate items up to 8.5 feet long.

Peace of mind comes with a surprising number of standard safety and driver assistance features, including Automatic Emergency Braking<sup>1</sup> and Forward Collision Alert<sup>1</sup>.

### LT

LT is a nice step up, with features that will make people think you spent a lot more than you did. It starts off with Silver-painted front and rear fascias and roof rails, LED fog lamps, and 17-inch high-gloss Black machined-aluminum wheels.

Inside, there are standard heated driver and front passenger seats, deep-tinted rear windows, remote start and passive entry with push-button start. A 10-way power driver seat includes 2-way lumbar support.

<sup>1</sup> Read the vehicle Owner's Manual for important feature limitations and information.

## MODELS

### ACTIV

ACTIV lives up to its name. An ECOTEC® 1.3L Turbo engine, special shocks and sport terrain tires mounted to 17-inch high-gloss Black machined-aluminum wheels add credentials to venture where the pavement ends.

ACTIV also looks the part with bold side cladding, a functional skid plate, a contrasting roof color and leatherette seats.

### RS

Not all adventures happen on a muddy two-track. Sometimes, you go to town. Trailblazer RS provides a Camaro-inspired front grille plus a contrasting roof color. A Black Chevrolet bowtie emblem complements 18-inch high-gloss Black machined-aluminum wheels. An ECOTEC 1.3L Turbo engine is standard, as are polished round dual-outlet exhaust tips.

Adding a sporty touch are cloth and leatherette seats with Red accents, a leather-wrapped flat-bottom steering wheel and a leather-wrapped shift knob.

## EXTERIOR DESIGN

# GO TO TOWN.

- Camaro-inspired front grille and special 18-inch aluminum RS wheels.
- Sporty interior featuring cloth and leatherette seats and a flat-bottom steering wheel.
- Standard ECOTEC 1.3L Turbo engine.
- Polished round dual-outlet exhaust tips.

Trailblazer RS in Scarlet Red Metallic with Mosaic Black Metallic roof and available features.

Standard signature LED daytime running lamps and available LED headlamps.

Available dual-pane panoramic sunroof<sup>1</sup>

18-inch high-gloss Black machined-aluminum wheels. Standard on RS.

LED taillamps. Standard on ACTIV and RS.

<sup>1</sup> Requires available Sun and Liftgate Package.

## PERFORMANCE

### READY TO ROAM.

Trailblazer can handle almost anything the real world can dish out. Two engines are available: a 137-horsepower ECOTEC 1.2L Turbo or a 155-horsepower ECOTEC 1.3L Turbo. FWD models get a Continuously Variable Transmission, and AWD models get a 9-speed automatic transmission.

### GET IN THE MODE.

With the available ECOTEC 1.3L Turbo engine, you get three drive modes. **Normal Mode** on FWD or AWD models is ideal for everyday driving. **Sport Mode** on FWD or AWD models modifies steering effort and transmission shifting for a sportier feel and response. **Snow Mode** on FWD models helps to provide progressive throttle input for more controlled acceleration on snow or ice. And on available AWD models, **AWD Mode** provides torque to all four wheels and helps improve traction.

# HIT THE DIRT.

Trailblazer ACTIV doesn't need roads to be happy. Special shocks and sport terrain tires combine with bold side cladding and a functional skid plate to give you the confidence to follow the trail.

Trailblazer ACTIV in Zeus Bronze Metallic with Summit White roof and available features.

A detailed view of the front interior of a Chevrolet Trailblazer ACTIV. The dashboard is dark with brown leather-like accents and stitching. The steering wheel is black with a silver Chevrolet bowtie in the center and silver trim at the bottom. Behind the wheel is a 3.5-inch digital Driver Information Center showing speed, fuel economy, and other metrics. To the right is an 8-inch diagonal touchscreen infotainment system displaying various app icons like Audio, Phone, Wi-Fi, and Users. Below the screen are physical buttons for volume and other functions. The center console features a gear shifter and two cup holders. The seats are black with brown stitching. The background shows a scenic view of a lake and trees through the windshield.

## INTERIOR DESIGN

# GREAT DESTINATIONS BEGIN HERE.

Buckle up, pick your destination and take off. High-quality finishes – and customized stitching on ACTIV and RS – allow for different appearances at every trim level. Infotainment is easy to navigate with a standard 7-inch or available 8-inch diagonal touch-screen. A 3.5-inch diagonal Driver Information Center is standard, while a 4.2-inch diagonal screen is available on LT, RS and ACTIV. Standard steering wheel controls handle audio favorites and call management. Two cup holders are located in the center console, with an integrated phone slot inserted between them.

Trailblazer ACTIV interior in  
Jet Black with Almond Butter  
accents and available features.

## CARGO MANAGEMENT

## TOTAL STORAGE FLEXIBILITY.

Whether you're zipping around the city or venturing farther out, Trailblazer features a versatile, flexible system that helps make cargo management, and carrying passengers, a breeze.

Adaptability is key with an available flat-folding front passenger seat that allows you to accommodate items up to 8.5 feet long. You can do this while still comfortably accommodating one rear passenger, thanks to a **40/60 split-folding second-row seat**.

And since outdoor gear can sometimes get dirty, the **two-tier cargo floor** is reversible, with one side carpeted and the other side a durable surface for easy cleaning. It's also adjustable by 2.7 inches up or down to help carry taller items. Additionally, the cargo area features a gate on each side that can securely hold smaller items such as a gallon of milk. Removing the gates allows you to accommodate slightly wider items across the back such as a set of golf clubs.

## TECHNOLOGY

A 4.2-inch diagonal multi-color Driver Information Center is available on LT, ACTIV and RS.

Your smartphone fits between two cup holders.

Chevrolet Infotainment 3 system<sup>1</sup> with an available 8-inch diagonal color touch-screen display.

<sup>1</sup> Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices.

## CONNECTED WHEN YOU WANT TO BE.

- Bluetooth® audio streaming<sup>1</sup> for two active devices with voice command pass-through to your smartphone.
- Wireless Apple CarPlay<sup>®2</sup> compatibility.
- Wireless Android Auto<sup>™3</sup> compatibility.
- USB ports<sup>4</sup> – one Type-A and one Type-C – are located in the center stack.
- Available Technology Package<sup>5</sup> includes Chevrolet Infotainment 3 Plus system<sup>6</sup>, HD Radio<sup>7</sup>, SiriusXM<sup>®</sup> with 360L<sup>7</sup> (3-month trial to SiriusXM All Access), Bose premium 7-speaker audio system, SD card reader, wireless charging<sup>8</sup>, Adaptive Cruise Control<sup>9</sup>, HD Rear Vision Camera<sup>9</sup>, 4.2-inch diagonal Driver Information Center and LED headlamps.

<sup>1</sup> Go to [my.chevrolet.com/learnAbout/bluetooth](http://my.chevrolet.com/learnAbout/bluetooth) to find out which phones are compatible with the vehicle. Full Bluetooth feature functionality varies by device, model, and software version. <sup>2</sup> Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. <sup>3</sup> Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates apply. <sup>4</sup> Not compatible with all devices. <sup>5</sup> Available on ACTIV and RS. Requires available Convenience Package and Driver Confidence Package. <sup>6</sup> Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. <sup>7</sup> If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. See the SiriusXM Customer Agreement at [siriusxm.com](http://siriusxm.com) for complete terms and how to cancel. All fees, content, features and availability are subject to change. Certain features require a SiriusXM subscription and the Chevrolet Connected Access plan. See [siriusxm.com](http://siriusxm.com) and [onstar.com](http://onstar.com) for details and limitations. <sup>8</sup> The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adaptor/back cover. To check for phone or other device compatibility, see [my.chevrolet.com/learn](http://my.chevrolet.com/learn) or consult your carrier. <sup>9</sup> Read the vehicle Owner's Manual for important feature limitations and information.

# TECHNOLOGY DESIGNED TO HELP PREVENT AND PROTECT.

**Adaptive Cruise Control.** While you steer, this feature can automatically maintain a driver-selected gap time from the detected vehicle you're following. Available on LT, ACTIV and RS.

**Front Pedestrian Braking.** At speeds below 50 mph, this feature can help you avoid or reduce the severity of a front-end collision with a pedestrian it detects directly in front of you. It provides pedestrian alerts and can even automatically provide hard emergency braking or enhance the driver's hard braking. Limited nighttime and low-visibility performance. Standard on all models.

**Automatic Emergency Braking.** At speeds below 50 mph, this feature works with Forward Collision Alert to help you avoid or reduce the severity of a front-end collision with a detected vehicle you're following by automatically providing hard emergency braking or enhancing the driver's hard braking. Standard on all models.

**Forward Collision Alert.** Can warn you if it detects a potential front-end collision with a vehicle you're following. It can also provide a tailgating alert if you're following much too closely. Standard on all models.

**Following Distance Indicator.** This feature can display the gap time in seconds between your vehicle and a detected vehicle you're following. Standard on all models.

**Lane Keep Assist with Lane Departure Warning.** Uses a brief, gentle steering wheel turn to alert you when you may be unintentionally drifting out of detected lane lines, so you can steer to stay safely in your lane. If needed, you may receive additional Lane Departure Warning alerts. System alerts do not occur if you are using your turn signal or it detects that you may be intentionally leaving your lane. Standard on all models.

**Lane Change Alert with Side Blind Zone Alert.** This feature can provide side mirror visual alerts when a detected moving vehicle is quickly approaching or is in your side blind zone. Available on LS, LT, ACTIV and RS.

**StabiliTrak® Electronic Stability Control.** This standard system detects the difference between the path being steered and the direction the vehicle is actually traveling. It then uses the brakes and, if necessary, adjusts propulsion torque to help you keep your Trailblazer on track.

**Rear Cross Traffic Alert.** This feature can warn you of detected left or right cross traffic behind your Trailblazer when in Reverse. Available on LS, LT, ACTIV and RS.

**Rear Vision Camera.** This feature provides an image of the area directly behind your vehicle when traveling in Reverse at low speeds. Standard on all models.

**Rear Park Assist.** Can provide distance alerts to nearby detected objects behind your vehicle to help you park and avoid collisions when traveling in Reverse at low speeds. Available on LS, LT, ACTIV and RS.

**IntelliBeam®** Can automatically turn the vehicle's high beam headlamps on and off according to surrounding traffic conditions. Standard on all models.

**10 standard airbags!** Every Trailblazer includes frontal and knee airbags for driver and front passenger and head-curtain and seat-mounted side-impact airbags for all outboard seating positions.

Available features shown.

**Safety starts with you.** Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

<sup>1</sup> A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. <sup>2</sup> Read the vehicle Owner's Manual for important feature limitations and information. <sup>3</sup> When you select a monthly plan within 30 days of activating your 1-month trial, you'll receive the first 2 months of the plan you select at no additional charge when you associate an approved payment method on file to your account and authorize recurring payments for your service plan. The amount and frequency of each recurring payment is based upon the service(s) and payment interval(s) you select from the options provided. After the trial expires, OnStar will automatically bill your payment method monthly at then-current standard monthly rates. Plans containing 4G LTE data will be billed every 30 days by AT&T. You may cancel at any time by pushing your blue OnStar button or calling 1-888-466-7827. May not be combined with other offers or retroactively applied. Offer subject to change. <sup>4</sup> Advisor-based Turn-by-Turn Navigation is subject to User Terms and limitations, and varies by vehicle model. Map coverage available in the United States, Puerto Rico and Canada.

<sup>1</sup> Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Map coverage available in the United States, Puerto Rico and Canada. <sup>2</sup> Go to [my.chevrolet.com/learnAbout/bluetooth](http://my.chevrolet.com/learnAbout/bluetooth) to find out which phones are compatible with the vehicle. Full Bluetooth feature functionality varies by device, model and software version. <sup>3</sup> Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. <sup>4</sup> Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates apply. <sup>5</sup> Functionality is subject to limitations and varies by vehicle, infotainment system and location. Select service plan required. Certain Alexa Skills require account linking to use. Visit [onstar.com](http://onstar.com) for additional details. <sup>6</sup> Requires active service plan and paid AT&T vehicle data plan or compatible device with 3G/4G LTE tethering data plan. Visit [onstar.com](http://onstar.com) for details and limitations. <sup>7</sup> Not compatible with all devices. <sup>8</sup> If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. See the SiriusXM Customer Agreement at [siriusxm.com](http://siriusxm.com) for complete terms and how to cancel. All fees, content, features and availability are subject to change. <sup>9</sup> Certain features require a SiriusXM subscription and the Chevrolet Connected Access plan. See [siriusxm.com](http://siriusxm.com) and [onstar.com](http://onstar.com) for details and limitations. <sup>10</sup> Service varies with conditions and location. Requires active service and paid AT&T data plan. Visit [onstar.com](http://onstar.com) for details and limitations. Availability subject to change. <sup>11</sup> Standard connectivity available only to original purchaser for 10 years. Connected Access services are subject to change. Does not include emergency or security services. Diagnostic capabilities vary by model and service plan. Message and data rates may apply. Requires contact method on file and enrollment to receive alerts. Not all issues will deliver alerts. Visit [onstar.com](http://onstar.com) for details and limitations. <sup>12</sup> Read the vehicle Owner's Manual for important feature limitations and information. <sup>13</sup> The system wirelessly charges one compatible mobile device. Some phones have built-in wireless charging technology and others require a special adaptor/back cover. To check for phone or other device compatibility, see [my.chevrolet.com/learn](http://my.chevrolet.com/learn) or consult your carrier.

## NEW VEHICLE LIMITED WARRANTY

### Chevrolet will warrant each 2021 Trailblazer with:

3-year/36,000-mile<sup>8</sup> Bumper-to-Bumper Limited Warranty.

6 years/100,000 miles<sup>9</sup> of Rust-Through Protection.

5-year/60,000-mile<sup>8</sup> Powertrain Limited Warranty.

5 years/60,000 miles<sup>8</sup> of Roadside Assistance<sup>9</sup> and Courtesy Transportation.

<sup>1</sup> Cargo and load capacity limited by weight and distribution. <sup>2</sup> Must be 18 years or older. Points may be earned and redeemed only at participating GM entities, dealers or third party retailers in the United States (excluding Puerto Rico, the U.S. Virgin Islands or Guam). Points are not earned on taxes or certain fees, and expire 5 years from when points are earned. Some restrictions apply. For more information, please view full program Terms & Conditions. <sup>3</sup> Members may use the voucher on eligible Chevrolet, Buick, GMC and Cadillac Accessories purchased through a participating dealership. Voucher must be used by expiration date noted. Any unused amount of the voucher will be forfeited. <sup>4</sup> Excludes taxes, fees and body shop repair orders. It could take up to 15 days for points to post to your account. <sup>5</sup> Connected vehicle services vary by vehicle model and require working electrical system, cell reception and GPS signal. Requires active service plan. OnStar links to emergency services. Visit [onstar.com](http://onstar.com) for details and limitations. <sup>6</sup> Not compatible with some other offers, including the GM Employee Discount programs. Excludes 2020 Chevrolet Corvette. Dealer contribution may affect final consumer cost. <sup>7</sup> Maintenance visit must occur within first year of vehicle delivery. Service visit consists of ACDelco dexos1™ Full Synthetic Oil and Filter Change/Tire Rotation/MPVI. Does not include air filters. See participating dealer for other restrictions and complete details. <sup>8</sup> Whichever comes first. See dealer for details. <sup>9</sup> Roadside service provided by Allstate Roadside Services. Limitations apply.

## IMPORTANT INFORMATION

**Chevrolet Owner Center (my.chevrolet.com).** Everything you need to know. Anything you need to do. Your Chevrolet Owner Center makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Center today to register or take a tour.

**Engines.** Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

**Assembly.** Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

**Chevrolet Connected Services and OnStar.** Connected vehicle services vary by vehicle model and require an active service plan, working electrical system, cell reception and GPS signal. OnStar links to emergency services. Visit onstar.com for details and limitations.

**A note on child safety.** Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

**Important words about this catalog.** We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this catalog

and other printed materials provided at the dealership or affixed to vehicles are approximations based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. Chevrolet reserves the right to lengthen or shorten the model year for any product for any reason or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on GM Small SUV segment and latest available competitive information. Excludes other GM vehicles.

**Fleet orders.** Some standard content may be deleted on fleet orders. See dealer for details.

**Chevrolet ownership experience.** Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.com to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

**Chevrolet.com/safety.** Chevrolet is committed to helping keep you and your family safe — from the start of your journey to your destination. That's why Chevrolet vehicles offer standard and available safety and security features to help give you peace of mind.

**GMmobility.com (1-800-323-9935).** GM Mobility<sup>SM</sup> offers financial assistance for eligible adaptive equipment to make automotive travel easier for persons with disabilities or special transportation needs. To learn more about special GM Mobility offers, visit gmmobility.com.

**The BuyPower Card.** The Chevrolet BuyPower Card — Every purchase you make with the BuyPower Card from Capital One\* helps you earn toward an eligible new Chevrolet, Buick, GMC or Cadillac vehicle. There's no limit on the amount you can earn or redeem, and your Earnings don't expire. Visit chevroletbuypowercard.com/catalogs.

\* Capital One, N.A. is the issuer of the BuyPower Card. General Motors ("GM") is responsible for the operation and administration of the Earnings program.
