

# DATSUN RANGE 1981

# Before you take a look at the Cars, take a look at Datsun

On the following pages you'll see the full range of Datsun cars. You'll find facts and figures, and all the ingredients that go to make up a Datsun.

But, on these pages, we'd like to tell you a little about the story behind each Datsun, and the people who engineer them with such fine quality, the Nissan Motor Company Limited.

Nissan was formed in Japan some 48 years ago, in 1933, and within two years Datsuns were being mass-produced and exported in small numbers.

In the early 1950's, the factory was still relatively small when Nissan began building Austins under Licence . . . and investing in a future that was to take it to the top of vehicle manufacturing to become the 4th largest vehicle manufacturer in the world.

Since the early days, over 8 million Datsuns have been exported to more than 130 countries.

In 1971, Datsun U.K. Limited was formed to bring Datsuns into Britain. Over the years more than 400 Datsun dealerships have been established in this country and a vast computerised parts and service network has been put into operation. A new headquarters complex with a parts warehouse carrying £15m. worth of spares has been built at Worthing in Sussex. Port facilities have been established and developed at Middlesbrough and Southampton.

And over 700,000 Datsuns have been sold.

DATSUN U.K. HEADQUARTERS AT WORTHING, SUSSEX.

As you'll see in this booklet, there are many kinds of Datsun cars.

What you'll not see is the other side of Nissan. The company has nine modern manufacturing plants throughout Japan. Last year they built over 2,300,000 vehicles.

Nissan built the rocket that launched Japan's first scientific satellite into orbit. Nissan build mini-buses to transport visitors around Kenya's national parks, and develop futuristic vehicles that can travel on ordinary roads and computer controlled guideways.

Nissan produce "jet looms" for the textile industries of the world; Nissan make boats for pleasure use and marine engines for multi-purpose application. So you can see that Nissan does a lot of things.

What Nissan does for the motorist is to make some of the best, most carefully produced cars in the world, using the latest technology to produce vehicles that are safe and rewarding to drive, and have a reliability that is second to none.

We invite you to turn the pages and see the cars for yourself.

# New Cherry 3 & 5 door GL Hatchbacks

Versatile economy cars with distinctive new styling, combining low running costs with comfort, space and luxury equipment. Light and easy to handle with front wheel drive, fully independent suspension and power assisted brakes.

There are 3 and 5 door hatchbacks with fold down rear seats both luxuriously equipped with soft-touch cloth upholstery, wall-to-wall carpets, quartz clock, interior boot release, choke and handbrake warning lights, tinted glass, cigar lighter, heated rear window and much more.

## Specification:

**Engine:** 3dr - 4-cyl. OHV 988cc. Max. power 45bhp (DIN) at 6000rpm.  
or - 4-cyl. OHV 1171cc. Max. power 52bhp (DIN) at 5600 rpm.  
5dr - 4-cyl. OHV 1171cc. Max. power 52bhp (DIN) at 5600rpm.

**Gearbox:** Manual 4-speed, all synchromesh.

**Steering:** Rack and pinion.

**Suspension:** Fully independent coil spring.

**Brakes:** Power assisted, disc front, drum rear.

**Wheels/Tyres:** 4½J styled/155SR radials.

## Government Fuel Consumption Tests - MPG (litres per 100 kilometres).

	Constant 56mph (90km/h)	Town Driving Cycle	Constant 75mph (120km/h)
1.0 litre	44.8 (6.3)	32.8 (8.6)	30.7 (9.2)
1.2 litre	44.8 (6.3)	30.4 (9.3)	32.8 (8.6)

## New Cherry Estate

Designed for the motorist who wants economy with extra space. Even with the rear seat in position you have a really substantial luggage area 52 inches wide and 39 inches long. A one-touch control lets you fold the rear seat down for even more space! An exceptionally low floor height makes it ideal for loading heavy or awkward objects. Unusually for an estate car of this size, the Cherry has five doors including the high-lift tailgate. Luxury equipment includes cloth upholstery, fitted carpets, tinted glass, quartz clock, heated rear window, cigar lighter and much more.

### Specification:

**Engine:** 4-cyl. OHV 1171cc. Max power 52bhp (DIN) at 5600rpm.

**Gearbox:** Manual 4-speed, all synchromesh.

**Suspension:** Front independent coil springs, rear-independent torsion springs.

**Brakes:** Power assisted, disc front, drum rear.

**Wheels/Tyres:** 4½J styled/155SR 13 radials.

### Government Fuel Consumption Tests – MPG (litres per 100 kilometres)

	Constant 56mph (90km/h)	Town Driving Cycle	Constant 75mph (120km/h)
1.2 litre	46.3 (6.1)	30.4 (9.3)	32.8 (8.6)

# New Cherry Coupe

Exciting hatchback coupe with bold attractive styling that really makes it stand out from the crowd. An 1171cc engine gives the coupe a top speed of up to 93mph and a five speed, close ratio gearbox makes the most of the performance and gives economical cruising.

Luxury interior features some of the latest Datsun equipment with variable intermittent wipers, rear screen wiper and washer, interior fuel lid and tail-gate release, walk-in device etc. Split rear seats fold individually to give 'multispace' carrying capacity.

## Specification:

**Engine:** 4-cyl. OHV 1171cc. Max power 52bhp (DIN) at 5600rpm.

**Gearbox:** Manual 5-speed all synchromesh.

**Steering:** Rack and pinion.

**Suspension:** Fully independent coil spring.

**Brakes:** Power assisted, disc front, drum rear.

**Wheels/Tyres:** 4½J styled/155SR 13 radials.

## Government Fuel Consumption Tests – MPG (litres per 100 kilometres).

Constant 56mph (90km/h)  
46.3 (6.1)

Town Driving Cycle  
32.8 (8.6)

Constant 75mph (120km/h)  
32.1 (8.8)

# New Sunny Saloons and Estate

Britain's best selling imported range with saloons now featuring a 1.5 litre engine giving lively performance with exceptional economy. Fully equipped for family motoring in style with a push button radio, quartz clock, three speed wipers with intermittent wipe, side window demisters, choke and handbrake warning lights and so on.

There are 2 and 4 door saloons and a 5 door estate car with wide lift-up tailgate and fold down rear seat giving a really spacious load area over five feet long.

## Specification:

**Engine:** 2dr - 4-cyl. OHV 1171cc. Max. power 52bhp (DIN) at 5600rpm.  
 4dr - 4-cyl. OHV 1171cc. Max. power 52bhp (DIN) at 5600rpm.  
 or - 4-cyl. OHV 1488cc. Max. power 70bhp (DIN) at 5200rpm.  
 2dr & 4dr auto - 4-cyl. OHV 1488cc. Max. power 70bhp (DIN) at 5200rpm.  
 Est - 4-cyl. OHV 1171cc. Max. power 52bhp (DIN) at 5600rpm.

**Gearbox:** Manual 4-speed, all synchromesh. Automatic (saloons) - 3-speed, floor shift.

**Steering:** Recirculating ball.

**Suspension:** Saloons - Front independent, rear 4-link coil spring. Estate - Front independent, rear leaf spring.

**Brakes:** Power assisted, disc front, drum rear.

**Wheels/Tyres:** 4½J steel/155SR 13 radials.

## Government Fuel Consumption Tests - MPG (litres per 100 kilometres)

	Constant 56mph (90km/h)	Town Driving Cycle	Constant 75mph (120km/h)

## New Sunny Van

Compact, hardworking van powered by world famous 1171cc engine, giving reliable, economical performance. Low, flat cargo area is five feet long and a high-lift tailgate provides easy access to the load area. Light responsive controls and well equipped, comfortable interior make driving easy and enjoyable.

### Specification:

**Engine:** 4-cyl. OHV 1171cc 52bhp (DIN) at 6000rpm.

**Gearbox:** Manual 4-speed all synchromesh.

**Suspension:** Front independent coil spring, rear rigid axle leaf spring.

**Brakes:** Power assisted, disc front, drum rear.

**Wheels/Tyres:** 4½J steel/6.15, 13 crossply.

## New 1 Ton Pick-Up

Successor to world famous Datsun 1 ton pick-up now more spacious with new styling, larger engine and more comfortable interior. Powerful 1.8 litre engine, heavy duty suspension and power assisted front disc brakes cope with the toughest working conditions. Sturdy pick-up load area takes a full 20cwt. Modern cab is fully equipped with two speed wipers, electric washers, cigar lighter and much more.

### Specification:

**Engine:** 4-cyl. OHC 1770cc. Max. power 80bhp (DIN) at 5000rpm.

**Gearbox:** Manual 4-speed, all synchromesh.

**Suspension:** Front independent torsion bar, rear semi-floating axle leaf spring.

**Brakes:** Power assisted disc front, drum rear.

**Wheels/Tyres:** 5J steel/185R 14 radial.

## Cabstar Hi-Deck Pick-Up

Long wheelbase pick-up with drop sides for easy loading. Cargo area is more than 10ft. long and has a payload of up to 29cwt. Powerful 2 litre engine and sturdy suspension make light work of heavy loads. Modern cab is spacious and fully equipped with push button radio, two speed wipers, electric washers, cigar lighter and so on.

### Specification:

**Engine:** 4-cyl. OHV 1982cc. Max. power 75bhp (DIN) at 4400rpm.

**Gearbox:** Manual 4-speed all synchromesh.

**Suspension:** Front independent torsion bar, rear rigid axle leaf spring.

**Brakes:** Power assisted, drum front and rear.

**Wheels/Tyres:** 5½J steel/7.00 15 crossply.

## E20 Panel Van

Spacious new commercial vehicle with outstanding load capacity and a modern, well equipped cab. Cargo area is almost 10ft. long and 5ft. wide and takes loads of up to 19.7cwt. Large sliding side door and high-lift tailgate with gas strut supports make loading easy. Well equipped cab comfortably accommodates three. Equipment includes push button radio, cigar lighter, handbrake warning light, two-speed wipers with electric washers etc.

### Specification:

**Engine:** 4-cyl. OHV 1982cc. Max. power 75bhp (DIN) at 4400rpm.

**Gearbox:** Manual 4-speed all synchromesh.

**Suspension:** Front independent torsion bar, rear rigid axle leaf spring.

**Brakes:** Power assisted drum front and rear. **Wheels/Tyres:** 5½J steel/185 14 radials.
