C1
CODE

With its gleaming alloy wheels and impeccable black metallic finish, the Citroën C1 Code might be modest in length at just 3.43 metres, but it certainly makes a statement in design. Available with three or five doors, its compact shape makes it highly manoeuvrable – the ideal choice for bustling city life.

Inside, there's style in every detail. The chrome interior kit adds a touch of class and the rev counter a hint of sportiness, while the leather and Alcantara® seats cushion every passenger in total comfort. In addition a glove box with lid comes as standard.

The 68hp, 1.0i petrol engine is exceptionally economical, capable of 61.4mpg on combined cycle, and allows excellent driving performance on all road surfaces. And with emissions of 109g/km CO₂, it's environmentally friendly too.

A CLASSIC DYNAMO. THE CITROËN C2 CODE IS THE ULTIMATE URBAN-SPORTS CAR. THERE'S NO NEED TO CLOCK THE SPECIAL EDITION BADGE TO KNOW THIS IS NO ORDINARY MODEL.

C2
