MULTISPACE
FREEDOM
WITHOUT
COMPROMISE

THE NEW BERLINGO MULTISPACE: FREEDOM WITHOUT COMPROMISE.

LOOK AT THE NEW BERLINGO MULTISPACE AND YOU'LL KNOW. THIS IS A CAR FOR ENJOYING LIFE; FOR DOING RATHER THAN THINKING ABOUT IT. THOROUGHLY MODERN AND DYNAMIC, FROM ITS BOLD CHEVRON GRILLE AND FLOWING PROFILE, TO ITS BROAD WINDSCREEN AND MODUTOP®, BERLINGO MULTISPACE IS A MODEL OF FLEXIBLE, AIRY AND SPACIOUS PRACTICALITY.

Look inside and you will discover a place with cutting edge ergonomics, ingenious modular storage options and sheer high quality comfort for everyone. This is freedom without compromise defined.

AT HOME, EVERYWHERE. COMFORTABLE, BRIGHT AND BEAUTIFULLY DESIGNED, THE NEW BERLINGO MULTISPACE IS A LIVING SPACE FOR THOSE WHO LIKE TO REALLY LIVE.

WITH A HUGE WINDSCREEN, MODUTOP® AND DEEP SIDE WINDOWS, THIS INTERIOR MAXIMISES LIGHT AND SPACE. IN OTHER WORDS, IT'S A GREAT PLACE TO BE FOR PEOPLE OF ALL AGES: YOUR HOME FROM HOME.

SAFE HOUSE

Thanks to its secure tilt opening rear windows, children can enjoy plenty of fresh air in safety.

BERLINGO
MULTISPACE
EXTERIOR
VERSATILITY

Berlingo

CREATED FOR LIFE AND WHERE IT TAKES YOU, THE NEW BERLINGO MULTISPACE THINKS OF EVERYTHING. THERE ARE USEFUL, EASY ACCESS STORAGE SPACES EVERYWHERE, SO NOTHING USEFUL GETS LEFT OUT AND YOU CAN RELAX – WE'VE DONE THE HARD WORK FOR YOU!

EASY LOADING

The roof bars that come with the optional Modutop® are really easy to use and can quickly be changed from transversal to longitudinal. Carry what you want without hassle.

SPACE INNOVATION.

Pure original thinking: the split opening tailgate window gives you access to the cabin roofbox. You can also get at this easily from the second row seats.

INSIDE STORY

Clever interior roof bars are perfect for carrying light but long loads. Safe and practical, the rack also improves fuel efficiency, because there's nothing on the roof. A securing strap is also provided.

SLIDING DOORS

Two sliding doors make getting into the new Berlingo Multispace a breeze.

PACKED WITH TECHNOLOGY. STEP INTO THE NEW BERLINGO MULTISPACE AND YOU'LL FIND ALL KINDS OF USEFUL TECHNOLOGY...

NOT FOR ITS OWN SAKE BUT FOR YOURS. EVERY FEATURE IS EASY TO USE AND PART OF THE NEW BERLINGO MULTISPACE'S ETHOS – FREEDOM WITHOUT COMPROMISE.

A multi-function on-board trip computer, air conditioning, an MP3 compatible CD player and a speed limiter function are all designed to make life enjoyable and safe for everyone on board.

A GENEROUS BOOT

A low threshold means loading the cavernous boot is effortless. Everything is then safely concealed under the rigid parcel shelf.

ALL HOBBIES WELCOME

If your leisure pursuits involve awkward or bulky gear, relax. By using one of the new Berlingo Multispace's seat folding combinations, you can free up the right space for your free time. A rechargeable boot torch, available as part of the Modularity Pack on XTR sheds light on your loadspace after dark.

Please note: Trim shown is not available in the UK.

HAVE A GOOD TRIP

The multi-function on-board trip computer feeds you vital information such as distance travelled and average fuel consumption. Scrolling through the computer menu is really easy, thanks to the control beneath the steering wheel.

SET SPEED

An effective safety feature, the optional speed limiter keeps the new Berlingo Multispace at a set speed. Press the accelerator down to return to normal driving.

MOVING MUSIC

The optional auxiliary socket lets you connect other equipment to the audio system.

ONE OF THE FAMILY. INSIDE THE NEW BERLINGO MULTISPACE, EVERYONE CAN CLAIM THEIR OWN SPACE, THANKS TO GENEROUS DIMENSIONS AND CLEVER FEATURES.

ALL THOSE EASILY ACCESSIBLE STORAGE PLACES SUCH AS THE OVERHEAD PARCEL SHELF, POCKETS, THE MODUTOP® AND EVEN UNDER-FLOOR STOWAGE SPACES WILL SOON BE HOME TO THE THINGS THAT OTHER CARS SIMPLY LEAVE BEHIND.

MODUTOP®

The optional Modutop® is a perfect example of how the new Berlingo Multispace is special. Clever, useful and easy to use, it's also elegantly designed, with flowing lines that compliment the whole cabin.

STORE AND SEE

The full-length overhead parcel shelf at the front is roomy and accessible. There's also a handy mirror that lets you keep an eye on back seat 'drivers' while you're stowing things...

PERSONAL AIRSPACE

Air conditioning enables the whole family to stay chilled and a heat-reflecting windscreen can cool the interior further still.

FRESH THINKING

An air freshener is built into the Modutop® and works with the vents to spread a subtly scented atmosphere.

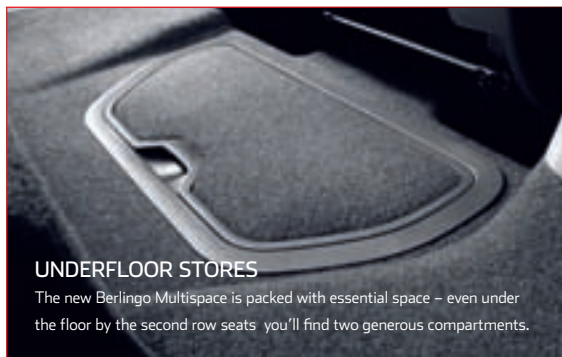

DRIVER'S GLOVE BOX

Who decided that one glove box was enough for everyone? The new Berlingo Multispace gives the driver a roomy one too, located cleverly behind the steering wheel.

OVERHEAD INSPIRATION

New-generation Modutop® lets in more light but brings more intelligent storage options too. As well as the overhead parcel shelf and central compartments, it now has 60 litres of rear compartment that you can access from the second row seats and the boot.

UNDERFLOOR STORES

The new Berlingo Multispace is packed with essential space – even under the floor by the second row seats you'll find two generous compartments.

BERLINGO
MULTISPACE
INTERIOR
VERSATILITY

PRACTICAL IS COMFORTABLE IS FLEXIBLE.

THERE'S NO 'EITHER OR' WITH THE NEW BERLINGO MULTISPACE. THERE'S REAL SPACE FOR REAL PEOPLE AND THEIR BELONGINGS.

COMFORTABLE, HIGH QUALITY SEATS, WITH FRONT ARMRESTS ON VTR AND XTR MODELS, A REMOVABLE STORAGE BOX BETWEEN THE FRONT SEATS, ENDLESS FOLDING COMBINATIONS... IT ALL ADDS UP TO A NO-COMPROMISE CAR THAT HAPPILY ACCOMMODATES FAMILY, FRIENDS OR SERIOUS LOADS. IT'S UP TO YOU.

MAKE ROOM FOR SPACE

The individual, folding back seats on XTR models can be removed one by one to reveal up to 3m³ of useful load space.

The choices on offer make everything possible. Modular seating means the back bench can be completely folded, two thirds folded or one third folded, or become three independently folded seats on XTR models. The backs also recline. The new Berlingo Multispace has an interior that shifts as your priorities shift. It's endlessly adaptable. Naturally this comfort zone is also highly practical. From the glove box to an under seat drawer, you'll find there's a place for everything.

MORE THAN JUST SEATS

The three independent rear seats on XTR models offer so many configurations. For example the backrest can be tilted and the centre backrest folds forward to form a table with two cup holders.

IN-FLIGHT

For long trips or short concentration spans, the front seat backs on XTR models are equipped with aircraft-style tables and cup holders.

MORE DRAWERS

With family travel, there always seems to be something else that needs storing. That's where the new Berlingo Multispace's two 8.5 litre under seat drawers come to the rescue.

BERLINGO
MULTISPACE
ENVIRONMENTAL

THE ENGINE ROOM.
THE NEW BERLINGO
MULTISPACE HAS A
FITTINGLY WIDE CHOICE
OF THOROUGHLY
MODERN ENGINES.

THERE ARE TWO PETROL OPTIONS, THE 1.6i 16V 90HP, AND THE 1.6i 16V 110HP. COMPLIMENTING THEM ARE THREE DIESELS OF 75HP, 90HP AND 110HP. THE LATTER ENGINE IS EQUIPPED WITH A DIESEL PARTICULATE FILTER SYSTEM (DPFS) FOR REDUCED ENVIRONMENTAL IMPACT. WHICHEVER YOU CHOOSE, YOU CAN EXPECT BENCHMARK RELIABILITY.

SAFETY WITHOUT COMPROMISE. VERSATILE, COMFORTABLE AND DISTINCTIVE IT MAY BE, BUT FIRST AND FOREMOST, THE NEW BERLINGO MULTISPACE IS A MODEL OF ADVANCED SAFETY.

BERLINGO
MULTISPACE
SAFETY

IT STARTS WITH THE TECHNOLOGY THAT GIVES YOU SECURE HANDLING AND ROADHOLDING. ANTI-LOCK BRAKING SYSTEM (ABS), EMERGENCY BRAKING ASSISTANCE (EBA), ELECTRONIC BRAKEFORCE DISTRIBUTION (EBD) AND UP TO 6 AIRBAGS ARE ALL DESIGNED TO KEEP YOU AND YOUR PRECIOUS CARGO SAFE AT EVERY TURN. IT'S THE KIND OF ENGINEERING THAT INSPIRES CONFIDENCE AND HELPS YOU ENJOY THE RIDE.

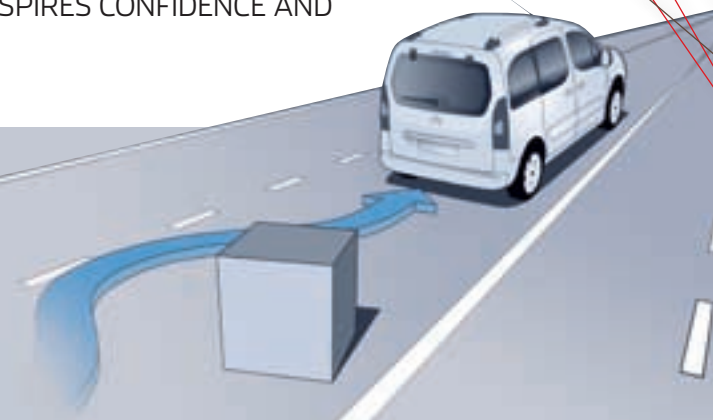

TYRE PRESSURE MONITOR

A major innovation in this class, the tyre pressure monitor regularly measures tyre pressures on all four wheels to ensure your safety. Available on VTR and XTR models as an option with the 16" 'Tikehau' alloy wheels.

NO MORE HILL STARTS!

Now you needn't use the handbrake to restart on hills. The Hill Start Assist function that's linked to the optional Electronic Stability Programme (ESP), maintains drive to the wheels just long enough for the driver to move his or her foot from the brake to the accelerator. It's another innovation that simply makes life easier.

UP TO SIX AIRBAGS

Two front, two side and two curtain airbags mean that the new Berlingo Multispace's occupants are thoroughly protected from every angle.

With car-like roadholding and Anti-lock Braking System (ABS) as standard, the new Berlingo Multispace is designed to keep you out of danger in all conditions.

ABS

BERLINGO
MULTISPACE
RANGE OVERVIEW

**WHICH NEW BERLINGO
MULTISPACE?** THERE ARE
THREE MODELS TO CHOOSE
BETWEEN. FROM VT TO VTR TO
XTR YOU WILL FIND SUPERB LEVELS
OF EQUIPMENT AND DESIGN DETAIL.

IN KEEPING WITH THE SPIRIT OF A SPACIOUS, FLEXIBLE CAR, NOTHING USEFUL OR ENJOYABLE HAS BEEN LEFT OUT.

RAISING THE STANDARD. WITH SUCH A GENEROUS SPECIFICATION, YOU COULD SAY THAT THERE'S NO SUCH THING AS 'STANDARD' WITH THE NEW BERLINGO MULTISPACE.

BERLINGO
MULTISPACE
VT

CREATE YOUR CAR. STORAGE OPTIONS THAT MEET YOUR NEEDS TO THE MILLIMETRE. MORE SAFETY AND SECURITY. ADDED COMFORT...

THE NEW BERLINGO MULTISPACE OFFERS A WEALTH OF CHOICES. YOU CAN DECIDE WHAT GOES INTO YOURS.

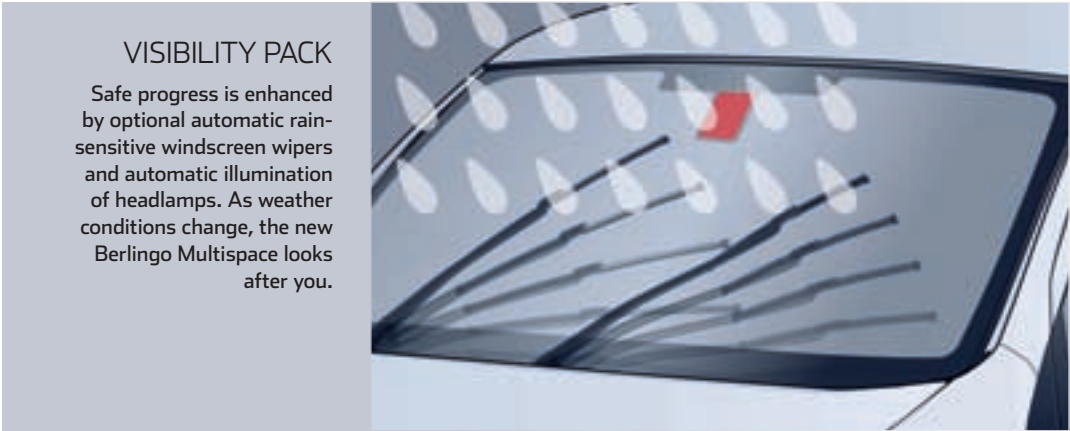

MODUTOP®

The optional Modutop® not only adds longitudinal and transversal roof bars, a scented air freshener, 12 volt socket and rechargeable torch to your new Berlingo Multispace but incorporates numerous, intelligent storage options and allows in more natural light thanks to the glass roof sections. The new-generation Modutop® includes an overhead parcel shelf and features a 60 litre rear compartment that is accessible from the second row seats and the boot.

SPLIT OPENING TAILGATE

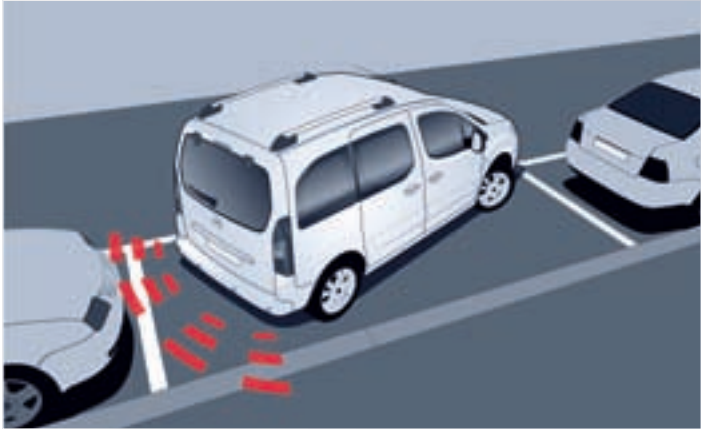

A genuine innovation on the new Berlingo Multispace, the optional split opening tailgate allows access to its cabin roofbox. It also offers access to the boot above and below the parcel shelf and allows for easy access even when space is at a premium.

VISIBILITY PACK

Safe progress is enhanced by optional automatic rain-sensitive windscreen wipers and automatic illumination of headlamps. As weather conditions change, the new Berlingo Multispace looks after you.

REAR PARKING SENSORS

Parking your Berlingo Multispace shouldn't add to the burden of a busy day. Optional rear parking sensors as part of Detection Pack let you manoeuvre safely and quickly into the tightest spots, fully aware of hidden obstacles.

FREEDOM OF CHOICE. THE NEW BERLINGO MULTISPACE ACCESSORIES SET YOU FREE TO ENHANCE THE CORE QUALITIES OF AN EXTRAORDINARY CAR.

FROM TOMTOM TO TOWBALLS, FROM LUXURY TOUCHES TO PRACTICAL EQUIPMENT, YOU'LL FIND THE SOLUTIONS YOU'RE LOOKING FOR.

Visit www.accessories.citroen.co.uk to view the full range of Berlingo Multispace accessories.

BERLINGO
MULTISPACE
ACCESSORIES

TOMTOM SATELLITE NAVIGATION

TomTom satellite navigation devices to suit any budget and ensure you and your new Berlingo Multispace stay on the right road.

USB CONNECTOR BOX

Enjoy music from your own MP3 player and control your song selection through the dashboard stereo thanks to this clever little USB connector.

REVERSE PARKING SENSOR KIT

Parking becomes stress-free with Citroën's reverse parking sensor kit, which is subtly integrated into your Berlingo Multispace's rear bumper.

OPTIMAT CARPET SET (FRONT & REAR)

A set of high-quality mats protects your Berlingo Multispace's floor from muddy boots or wear and tear.

FIXED SWAN NECK TOWBALL

Designed to deliver the highest standards of safety and strength, this towing system expands your Berlingo Multispace's legendary versatility.

FRONT MUDFLAPS

Made to measure mudflaps protect bodywork and enhance safety in poor weather.

ROOF BOXES

Add up to 430 litres of extra storage to your new Berlingo Multispace with a specially designed roof box.

GREEN EFFICIENCY. CITROËN HAS BEEN PIONEERING CLEANER, MORE FUEL-EFFICIENT MOTORING, SUCH AS THE COMMON RAIL HDi ENGINES NOW FITTED IN ALL NEW CITROËN DIESELS, LONG BEFORE ALL THE HYPE...

CITROËN HAS ALWAYS BEEN AT THE FOREFRONT OF GREEN TECHNOLOGY AND THE NEW BERLINGO MULTISPACE MAINTAINS THE TRADITION. IT'S WHY WE HAVE WON THE GREENFLEET AWARD OF CAR MANUFACTURER OF THE YEAR FOR THE LAST TWO YEARS AND WHY WE'VE BEEN AWARDED WHATDIESEL MAGAZINE'S GREEN MANUFACTURER AWARD FOR 2008. TODAY, WE HAVE ONE OF THE UK'S WIDEST RANGES OF LOW EMISSION VEHICLES. WE ALSO PRODUCE ONE OF THE UK'S MOST ECONOMICAL LIGHT COMMERCIAL VEHICLES, THE C2 ENTERPRISE VAN.

airdream[®]

AIRDREAM - A BENCHMARK

When it comes to the environment we wanted to show our genuine commitment as well as our profound expertise, so we have devised a benchmarking scheme with the signature 'Airdream' reserved exclusively for the cleanest vehicles in our range. To qualify for the AIRDREAM signature, vehicles must meet three standards: 1. Stop & Start, Natural Gas or CO₂ emissions must be less than 120g/km, 158g/km for DPFS diesel engines or bio-diesel compatible vehicles and 200g/km for vehicles running on E85 fuel. 2. Manufacturing quality of ISO14001. 3. 95% of recoverable materials.

INTRODUCING THE ECOLOGICAL CAR

The Citroën C-Cactus concept (above), a car designed on ecological principles. It includes a significant proportion of recycled or recyclable materials and, like the plant it is named after, it is low on liquid consumption. At the same time, C-Cactus is designed to be no more expensive than a mid-range family car. This can be attributed to the use of new materials and to a rational design process using a smaller number of parts. C-Cactus is an essential vehicle reflecting a new vision of the car, many of its thoughts and themes will appear in modern Citroën vehicles to come.

EMISSION CONTROL TECHNOLOGY

C2 and C3 Stop & Start models reduce CO₂ emissions and fuel consumption by as much as 27%*.

*According to independent Autocar magazine tests

Citroën is always a leader in the manufacture of low CO₂ emission vehicles

All Citroën vehicles are designed to be 85% recyclable

ESSENTIAL CARE.

CITROËNS ARE RENOWNED FOR THEIR RELIABILITY – AND THE NEW CITROËN BERLINGO MULTISPACE IS NO EXCEPTION. WITH THE ADDED REASSURANCE OF A WARRANTY, ROUTINE SERVICING AND MAINTENANCE, AS WELL AS 24-HOUR ROADSIDE ASSISTANCE, YOU ARE PROTECTED AT EVERY TURN.

CITROËN ADVANTAGE

Enjoy your Citroën for years to come with Citroën Advantage. This extended warranty gives you long-term cover if you're planning to keep your new Citroën for more than three years, or anticipate your mileage to be more than 60,000 miles over this time.

To find out more, contact your Citroën Dealer or call Customer Contact Centre on 0844 463 3500.

CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens.

To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

CITROËN ASSISTANCE

For all models except C6: In response to a free telephone call, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both van and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. C6: Citroën Assistance covers all incidents and for a period of 3 years. Full details are available on request from Citroën UK via cuk_contactcentre@citroen.com

CITROËN WARRANTY

Every new Citroën van has the benefit of a 3 year* warranty package, plus a 12 year anti-perforation** warranty and a 3 year paint warranty.

DRIVE YOUR WAY.

And you have the confidence of knowing it's all backed up by the brand you know and love, Citroën!

HIGH-PRESSURE DIRECT INJECTION DIESEL ENGINE

Our HDi diesel engines operate with the fuel under extremely high pressure, enabling microscopically precise injection control. With this level of management it's possible to inject at different times during the same engine stroke allowing total control over the combustion process. This has allowed our engineers to reduce carbon monoxide emissions by 40%, unburned hydrocarbons by 50% and engine particulates by 60%. Fuel consumption is 20% lower than a prechamber diesel engine, resulting in an equivalent reduction in CO₂ emissions and thanks to the torque available at low engine speed it could be argued that driveability is now better than in petrol engined cars.

DIESEL PARTICULATE FILTER SYSTEM (DPFS)

Our unique DPFS collects exhaust particulates (soot) that would have been bound for the air around us and burns them off at 550 degrees C. This means that 'black smoke' is eliminated completely. And because the filter is constantly burning the particulates it is self-cleaning and requires no maintenance.

MYWAY COLOUR SATELLITE NAVIGATION

MYWAY is completely integrated into the vehicle which avoids the risk of theft. The design has been created for ease of use and with steering wheel controls, navigating from your phone to the satellite navigation couldn't be any easier.

MYWAY allows you to define routes, stops and places of interest with the added benefit of vocal instruction. MYWAY also provides live traffic updates of any congestion spots or delays.

A GPS integrated aerial is built into the vehicle, to maximize the reception of satellite information; therefore permitting an accurate location of the car.

ANTI-LOCK BRAKING SYSTEM (ABS)

Computer-controlled braking assistance designed to prevent the wheels from locking under extreme braking. This enables the vehicle to continue being steered and therefore controlled during this braking incident.

ELECTRONIC BRAKEFORCE DISTRIBUTION (EBD)

A conventional ABS system cannot account for any of the four wheels wanting to lock more quickly than the others (for example, two of the wheels may be on snow and two on tarmac). EBD reads the deceleration rate of each wheel individually and applies the ABS principles accordingly.

EMERGENCY BRAKING ASSISTANCE (EBA)

As drivers we find it difficult to instinctively brake very hard, but this is often what is needed in those rare emergency situations. The EBA system recognises our 'attempt' to brake hard and in combination with the ABS and EBD systems instantly applies the maximum stopping power possible.

ISOFIX

A standardised and more simple method for installing child seats, each seat is 'clicked' into place via a three point system. On the new Berlingo Multispace, Isofix is installed on the two outer rear seats and the front passenger seat.

ELECTRONIC STABILITY PROGRAMME (ESP)

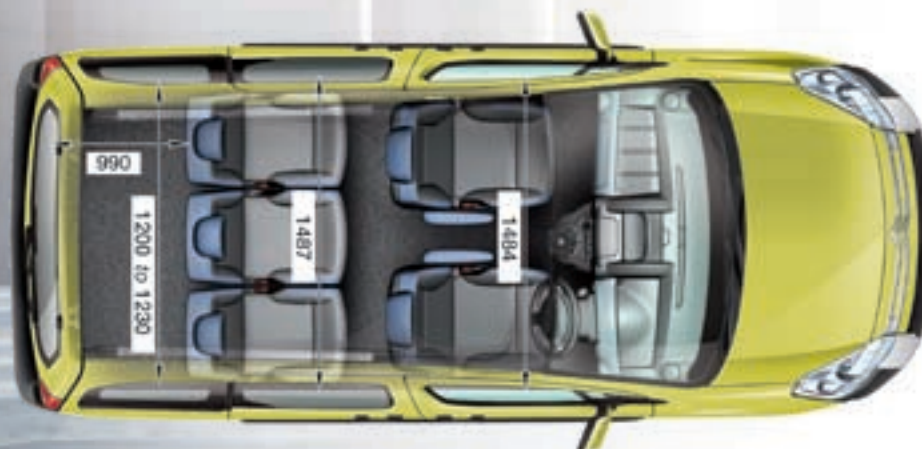

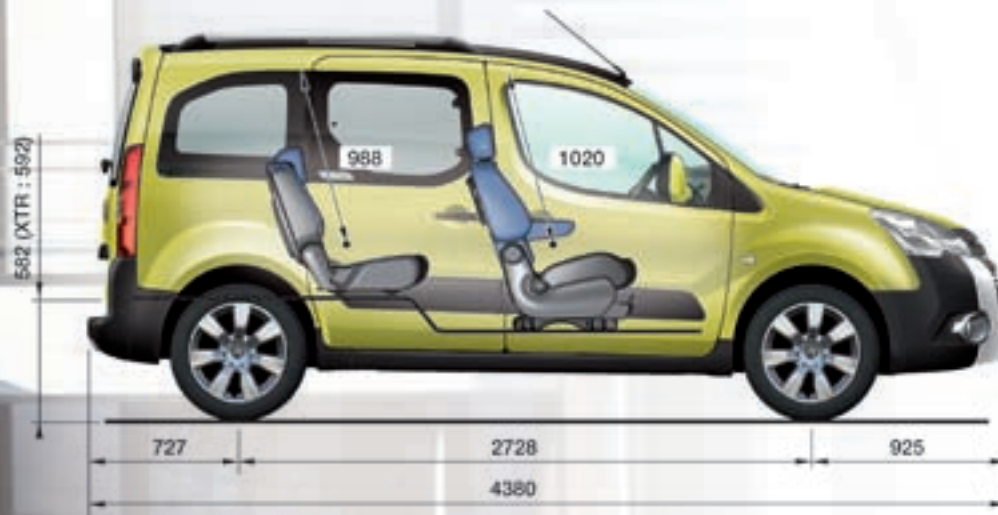

This is computer-controlled traction assistance and is provided primarily through the braking systems. The ESP's control unit constantly compares where the driver intends going (through the position of the steering wheel) with where the vehicle is actually going and, if necessary, makes speed corrections to each wheel individually through braking or engine torque to keep the vehicle 'in line'.

ON-BOARD TRIP COMPUTER

Berlingo's multi-function on-board trip computer provides you with information at your fingertips. At the touch of a button you can view a range of data like fuel consumption, average speed and mileage possible at your current fuel level.

BERLINGO MULTISPACE DIMENSIONS

All measurements are in millimetres.
