

 **CITROËN C3**

+ STYLE

Viewed from the front, the radiator grille with curved edges and solid slats combined with bold chevrons gives the C3 its imposing look. From the rear, the striking new clear crystal effect of the lights makes them instantly recognisable.

It's clear to see how the Citroën C3 will make your life brighter!

DRIVING SENSATIONS

With the Citroën C3, you can enjoy driving with fingertip control. The SensoDrive gearbox, variable power-assisted steering, electric windows and door mirrors†: the C3 reacts to the lightest touch...

SENSODRIVE GEARBOX†

Automatic or manual mode with sequential gear lever - whichever mode you choose, all it takes is one quick move.

SENSODRIVE PADDLES†

In sequential mode, the paddles on either side of the steering wheel mean you can change gear with the flick of a switch! On the right-hand side, change up a gear. On the left-hand side, change down...easy!

POWER ASSISTED STEERING

Smoother to drive, becoming firmer as the speed increases, the C3 variable power assisted steering adapts with precision to your driving requirements.

DRIVING COMFORT

SEAT HEIGHT ADJUSTMENT

The front seats are reclinable, height adjustable and have sliding functionality (depending on model).

PLIP

High frequency remote control with two separate buttons to lock and unlock the C3 remotely.

ELECTRIC FRONT WINDOWS

For driver comfort: The electric front windows with one touch (driver side) and non-sequential operation (passenger side) have an anti-pinch safety feature.

FOLDING AND HEATED DOOR MIRRORS

Electric heated door mirrors fold automatically when the vehicle is locked with the high frequency plip (Exclusive models only).

DASHBOARD

The multi-function screen and liquid crystal display are perfectly integrated into the dashboard and the central console to give a robust and contemporary feel.

TECHNOLOGY

With the Citroën C3, the technology is as sophisticated as it is simple to use: now even easier to drive, making the experience even more enjoyable!

COLOUR NAVIDRIVE†

The NaviDrive colour screen system pinpoints your car's exact position and provides the optimum itinerary to reach your destination (option only).

AUDIO SYSTEM†

With its controls fitted behind the steering wheel, all functions of the RDS stereo radio/CD are easily accessible without your eyes ever having to leave the road.

NEW ON-BOARD TRIP COMPUTER

The C3 multi-function on-board trip computer allows you to select the information you wish to display on the screen: current fuel consumption, average fuel consumption and speed, distance travelled or distance remaining.

PARKING SENSORS†

Making your parking manoeuvres so much easier, four sensors are located at the rear of the C3.

†Refer to specification note on Page 27

+ COMFORT

Just as the Citroën C3 does its utmost to bring pleasure to the life of the driver, the passengers have not been forgotten - with a variety of fittings and equipment to make all the difference...

12V SOCKET†

12V Socket is accessible to passengers from the rear seats for use with compatible electronic equipment (L and Desire models only).

AUTOMATIC AIR CONDITIONING†

Using controlled air flow distribution, the automatic air-conditioning system continuously maintains the desired temperature setting.

PANORAMIC ROOF†

The full-size glass sunroof has no less than nine different opening positions. Two blinds, at the front and rear, protect from the sun.

†Refer to specification note on Page 27

COMFORT

DRAWERS UNDER SEATS

An easily accessible drawer under each front seat is ideal for tucking away the likes of CDs, maps, guides and books (excluding L, Desire and Stop and Start models on passenger side).

STORAGE BIN

To keep everything you need conveniently close to hand, front and rear doors are equipped with large capacity storage bins.

MODUBOARD

With the Moduboard shelving you can efficiently compartmentalise the boot to cater for various types of luggage (Exclusive models).

2/3-1/3 REAR SEATS

To enjoy a bigger boot capacity the rear seats can be partially or totally folded.

FRONT SEAT BACK POCKETS

To make your on-board life easier, the Citroën C3 offers handy and ingenious storage spaces, like the pockets on the back of the front seats (depending on model).

SAFETY

You can rely on the Citroën C3 with its host of safety features and maximum protection for all your passengers.

ESP†, ABS WITH EBD, EBA

ESP (Electronic Stability Program) monitors the C3's progress and, if oversteer or understeer is detected, automatically modifies the engine's torque and applies one or more of the brakes to maintain stability and control.

ABS (Anti-lock Braking System) regulates the braking pressure to prevent the wheels locking, while EBD (Electronic Brakeforce Distribution) adjusts the braking pressure between each wheel, to give more effective braking efficiency in all circumstances.

EBA (Emergency Braking Assistance) improves the braking pressure instantaneously when emergency braking occurs and automatically controls the illumination of hazard warning lights to alert other road users.

†Refer to specification note on Page 27

CRUISE CONTROL/ SPEED LIMITER

Controlled by the driver, the cruise control enables a consistent speed to be maintained. The speed limiter memorises a maximum speed and prevents the C3 from going beyond the set speed unless deactivated by a 'kick-down' on the accelerator if driving conditions demand it (Exclusive models only).

AUTOMATIC ILLUMINATION OF HEADLAMPS†

The headlamps are automatically illuminated as soon as the natural light fades (including in tunnels) or when it is raining.

AUTOMATIC RAIN-SENSITIVE WINDSCREEN WIPERS†

The rain sensor function automatically activates the wipers the moment it begins to rain, and adapts the wiping speed according to the intensity of the rain.

DRIVER'S AND FRONT PASSENGER, FRONT LATERAL, AND SIDE WINDOW AIRBAGS

With up to 6 airbags available, the Citroën C3 guarantees maximum protection for all passengers in the event of front or side impact. Two front airbags that are integrated in the wheel and the dashboard protect both the driver and the front passenger, assisted by two front lateral airbags, located in the back of the seats. The passenger airbag can be deactivated using the key to accommodate a child seat with its back facing the road. Two side window airbags built into the roof are also activated in the event of a side impact to protect the heads of front and rear passengers (side window airbags optional on VTR & Exclusive only).

†Refer to specification note on Page 27

SAFETY

'UNFASTENED' DRIVER SEATBELT WARNING LIGHT

When the ignition is turned on, a warning light comes on if the driver seatbelt is not fastened. Below 20km/h the warning light flickers with a sound signal for two minutes and then remains illuminated until the seatbelt is fastened.

OVER-SPEED WARNING

Your maximum preferred speed can be programmed with an audible signal alerting you if this speed is then exceeded (excluding Exclusive models).

ISOFIX SEAT

The two outer rear seats are equipped with Isofix anchor points to quickly install a child seat.

CHILD LOCK CONTROL

For child safety, a dashboard-mounted switch prevents the rear doors from being opened from inside of the vehicle.

ADDITIONAL REAR VIEW MIRROR

An additional folding rear view mirror is an invaluable aid to keep tabs on the rear seats occupants without having to turn around (Exclusive models only).

ECOLOGY

The Citroën C3 range of engines has been designed to reduce environmental impact. All petrol and diesel engines meet the Euro IV emission standard regulations.

1.6HDi 110 DPFS*

With optimum power/consumption in town or on the motorway, the 1.6HDi 110hp diesel engine is extremely responsive and dynamic whilst preserving the environment thanks to its Particulate Filter (DPFS*). This eliminates 'black smoke' emissions by burning off particulates.

STOP & START

Available on 1.4i 16V, the Stop & Start technology cleverly places the engine in standby when the vehicle is stopped for as long as the brake pedal is pressed, without affecting other functions (radio, air conditioning etc.). When the brake pedal is released, the engine automatically starts up again. So polluting emissions and fuel consumption are reduced and a calming silence prevails...

*Diesel Particulate Filter System.

COLOURS

Life looks better in colour! That's why the Citroën C3 offers 8 different body colours, and 9 upholstery colour options. Both appealing to the eye and comfortable to use... Alloy wheels are available on the Citroën C3 range as standard or an option depending on the model.
