

CITROËN C3 Pluriel

CITROËN C3 PLURIEL.

Be inspired and take a step out of the ordinary. Let your imagination fly to a place where your dreams really do come true. To a magical place away from the daily grind where almost anything is possible. Where the only rule is ... that there are no rules.

The Citroën C3 Pluriel is born of such dreams. Dreams of complete freedom to be anyone you want to be and to achieve anything you want to do. There are no limits and there's absolutely nothing to hold you back. Don't just look at the new C3 Pluriel. Feel it. Sense it. Dream it. As you draw closer the dream becomes a reality, but with a real touch of magic. Because, amazingly, the C3 Pluriel can transform at will into what you want it to be. From a 3 door Saloon into a Panoramic Saloon ... or a Cabriolet ... or a Spider ... or a Spider Pick-up. You choose. Dream your dream and create your own reality. With the new C3 Pluriel from Citroën you can practise magic every day.

■ The variable power assisted steering reacts according to the speed of the engine. This, together with the height and tilt adjustable steering wheel, comes as standard.

■ The elevated front seats give a clear view of the road ahead and a feeling of safety. The driver's seat can be height-adjusted. Front passengers also enjoy generous elbow-room – amongst the best in class.

■ Electric door mirrors come as standard. There's also an optional automatic pack available with the 1.6i 16V SensoDrive, which includes heated door mirrors.

■ A speed limiter coupled with the cruise control prevents you from going beyond your set speed unless you deliberately "kick-down" the throttle.

■ Originality and practicality? No problem. The rear seats can be folded down for an extensive, completely flat floor extending from the back of the front seats to the tailgate. The tailgate opens downwards for easy loading and boasts an impressive 100kg capacity.

■ Body colour inserts on the back of the front seats further outline C3 Pluriel's unique and individual styling (1.6i 16V SensoDrive only).

■ With a large glazed area, electric rear windows that can be completely retracted, and no central pillars, C3 Pluriel opens up wide to the outside world.

■ Stylish door handles with leather finish standard on the 1.6i 16V SensoDrive, 1.4i Exclusive and also available as part of the optional Elegance Pack.

■ The C3 Pluriel transforms at the touch of a button from a Saloon into a Panoramic Saloon. There are no less than 8 pre-programmed positions for the full-length retractable roof. The sun is shining, the mood is right. The roof easily slides back over the rear window to form a 'cartridge' with the rear window. This then retracts beneath the boot floor. Jump in, rev up and cruise in the Cabriolet. Really want to feel the wind in your hair? Simply remove the lightweight roof arches (just one person and no tools needed!) and it's chill-out time with the C3 Pluriel Spider. And whether it's the Cabriolet or the Spider, the boot security cover, which comes as standard, means your valuables stay yours.

■ Whether it's out on the open road or city driving, the right blend of performance and economy is assured. Choose between two petrol and one Diesel engine options. The C3 Pluriel 1.4i offers an attractive combination of performance and economy. Pump it up a level with the C3 Pluriel 1.6i 16V SensoDrive. The high level of torque and power of 110hp together with the SensoDrive gearbox deliver resolutely dynamic performance to bring a smile to your face. But if keeping your running cost as low as possible is your priority, the C3 Pluriel 1.6HDI is for you as it offers great driving pleasure while returning an impressive 62.8mpg on the combined cycle.

■ Enjoy the sensation of fingertip gear changes with the SensoDrive gearbox. This new paddle-shift, five-speed sequential gearbox combines the driving pleasure of a manual with the convenience of an automatic. It leaves you free to choose between automatic gear changes and manual operation via either the steering mounted paddles or the traditional floor mounted gear lever.

■ Air conditioning can be just as useful in the Cabriolet and Spider modes. Bask in the sun while enjoying a cooling breeze. On the 1.6i 16V SensoDrive, the optional automatic digital air conditioning pack brings the benefits of electronic climate control, digital display and air conditioned glove box.

■ Responsive road holding plays an important part in active safety. The C3 Pluriel's long wheel base combines with wide tyres, 185/65 (alloy wheels 1.6i 16V SensoDrive) and a strong, reinforced body shell to optimise handling.

■ Less visual glare while driving at night comes courtesy of the 'black panel' instrument lighting.

■ Decelerate suddenly and the hazard warning lights are automatically activated.

■ Electronic Stability Programme (ESP) monitors the car's progress and, if oversteer or understeer is detected, automatically modifies the engine's torque and applies one or more of the brakes to maintain stability and control (Available as an option on 1.6 16V SensoDrive and 1.4 HDi).

■ Safety as standard. ABS with Electronic Brakeforce Distribution (EBD) and Emergency Braking Assistance (EBA) give you valuable peace of mind.

■ The RDS radio and CD player with 6 speakers is standard and a 5 CD autochanger is also available as an optional dealer fitted extra.

■ The useful pre-programmable over-speed warning comes as standard.

■ The stylish headlamps can switch on automatically when the light intensity is not strong enough. Automatic illumination of driving lights is available as part of the optional automatic digital air conditioning pack.

■ The extensive, elevated windscreen gives superb visibility of the road ahead. Clever automatic rain sensitive wipers are on offer as part of the optional automatic pack (1.6i 16V SensoDrive only).

■ Remote control locking comes as standard with a high-frequency plip. Security comes first with the automatic door and boot locking function above 3 mph.

■ Dashboard mounted central locking controls all doors and electric windows.

■ Four protective airbags come as standard. For front seat occupants, the two front airbags are adaptive according to the severity of the impact. In addition, two lateral airbags provide protection to the upper body of the driver and front passenger.

Body colours

Express your personality with your choice of C3 Pluriel body colour. Perhaps you'd prefer classic chic or maybe something more neo-retro, the choice is yours. Whichever you select, the colour flows inside too for a contemporary look and feel with matching inserts to the front doors, rear panels and the back of the front seat (1.6i 16V SensoDrive only). And the roof arches match too in either an 'anthracite' or 'aluminium' finish according to your choice of body colour.[†]

[†]Please see C3 Pluriel Technical Specification for details of roof arches/body colour combination.

Poseidon Blue (M)

Whether it's Geo (standard on the 1.4i and the 1.4HDI), 3D Apicula (standard on the 1.6i 16V SensoDrive) or leather (option), there will be a perfect match with the cabin body colour inserts giving a stylish effect both inside and outside.

Elegance Pack

The elegance pack which combines the leather pack and the aluminium pack is available as an option. The leather pack makes the interior more exclusive than ever, while the aluminium pack enhances C3 Pluriel's stylish look with its aluminium bumper inserts, rubbing strips, door handles and roof arches.
