## Irresistible good looks

As soon as you take your first look at the Citroën C4, you'll know you're dealing with something very special. Whether it's the hatchback or the Coupé, the C4 has the kind of good looks that will make your heart beat just that little bit faster. From the sleek flowing body contours to the 'boomerang' front headlamps and the signature chevrons mounted in the chrome front grille, the C4 makes all the right first impressions.

This could be the start of a beautiful friendship...

# Outstanding vigilance

## LANE DEPARTURE WARNING SYSTEM (LDWS)

This remarkable piece of equipment makes long tedious journeys on motorways or major roads so much safer. Operating at speeds over 50mph, the system detects any crossing of white lines through infra-red sensors located under the front bumper. If no indicator is being used, the driver is warned by vibrations that emanate from either the left or the right side of the driving seat, depending in which direction the drift is taking place. Corrective action can then be immediately taken to rectify the drift.

LDWS is available as an option on Exclusive/VTS models specified with the Mistral dashboard ambience.

The C4's headlamps activate automatically in fading light or rainfall. Standard on COOL/VTR+/Exclusive/VTS.

The sophisticated Xenon dual function directional headlamps operate on full and dipped beam. The directional functionality means they also follow the turn of the steering wheel for an incredibly wide field of vision. Any dangers lurking in those dark corners on bends are now fully exposed. Standard on Exclusive/VTS.

# Best of both worlds

## THE NEW EGS GEAR BOX

The new Electronic Gearbox System (E.G.S) brings two gearboxes together into one, to give the best of both worlds.

It gives a fast and precise manual gearbox controlled by paddles or a gear lever alongside a smooth and efficient automatic transmission. When in manual mode, the driver remains in full control of gear changes but without the hassle of clutch pedal operation. The result is dynamic and precise, yet undemanding, so the driver can experience maximum driving enjoyment with minimum effort. When the driver wishes to relax completely, they can choose the automatic mode, where the gear changes are made by the E.G.S, seamlessly and effortlessly.

The E.G.S gearbox has been developed as a completely new gearbox, cleverly designed to deliver the key benefits of a quick and smooth transmission, fuel efficiency and a reduction in emissions. The use of paddles brings important safety benefits too, as the drivers hands never have to leave the steering wheel.

## CITROËN E.G.S KEY BENEFITS

- **Flexibility** with choice and ease of use
- **Smoothness** of operation
- **Fast** and **precise** gear changes
- A choice of **6 Speeds**
- **Improved** fuel consumption and **Reduced emissions**
- **Easy hill starts** and manoeuvrability
- **Auto-adaptive response** to all driving styles
- **Enhanced safety**

Please note: the leather trim depicted above is not available in the UK C4 range.

# Superb sounds and so much more

The quality stereo radio/CD player is located in the centre of the dashboard with an off-set display that is clearly visible from every seat. The sound system volume automatically adjusts according to the C4's speed for an optimum listening experience.

The optional JBL Hi-fi system has been especially designed for the C4 cabin resulting in a superb made-to-measure sound performance.

Its sub-woofer gives exceptional depth and quality of sound and is situated in the boot.

Working with voice-recognition technology, the Bluetooth® system means that as long as your mobile phone is compatible, you can use it easily, safely and legally.

It works by the C4 taking over the functionality of the phone. Please note that this feature is not compatible with NaviDrive.

Hands-free calls are now a cinch. Just use the controls at the base of the steering wheel (part of the optional NaviDrive) and your voice is picked up by the microphone built into the courtesy light console. And the voice-recognition system feature means you can make hands-free outbound calls too.

Whether automatic or manually operated, the air-conditioning system boasts an advanced filter together with an air recycling feature. The automatic system also features dual-zone functionality so that driver and front passenger can enjoy their own temperature settings.

So you can travel in comfort without compromising your safety.

Bluetooth® is available as an option from SX/VTR models up excluding COOL.

# Sit back in comfort and take in the air.

Sit back in comfort and take in the air. The pleasant scented air of the innovative air freshener that's stylishly integrated into the dashboard design. So now, you have the option of indulging yet another one of your senses in the C4. All models except LX/VT.

## Cabin comforts

With the standards having been set by the curvaceously elegant good looks and impressive performance, the C4's interior has a lot to live up to. And it does it with ease. The attractive cabin living space combines comfort together with all the equipment and practicalities that are needed to make the travelling experience a real pleasure. Comfort like the outstandingly generous rear passenger legroom that prevails even when the front seats are pushed right back. And when it comes to pragmatics, check out the myriad of storage spaces. There's no fewer than 32 (maximum configuration) situated throughout the cabin together with an ample boot that on some models can be compartmentalised into 4 sections to create flexible storage solutions.

Push/pull drawers situated either side of the dashboard are home to the loose change that comes in so handy for parking. All models except LX/VT.

The front doors feature two storage areas including one large enough to store a 0.5L bottle of water.

The drawer located beneath the front passenger seat provides a discreet and accessible place to stow items away from prying eyes.

# Citroën Care for Car and Driver

A network of Citroën New Car Dealers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today's Citroën customer.

Dealers can offer advice on vehicle funding; via Citroën Contract Motoring with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Hire Purchase or Elect 3 Personal Contract Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products.

## Citroën Elect 3

With the Elect 3 Personal Contract Purchase Scheme, you decide on the model which best suits your motoring needs, then set your preferred contract period and anticipated annual mileage. At the end of the contract period you have the added flexibility of part exchanging the car for another new Citroën, purchasing the vehicle or simply returning it.

**Citroën DRIVENOW Personal Lease**  
DRIVENOW Personal Lease is an innovative new way to enjoy a new Citroën without the cost of ownership. With Citroën Assistance, Replacement of Wear & Tear Parts and Extended Warranty as standard for the full term of the agreement, most unforeseen costs that can prove difficult to budget for are taken care of. With leasing which can be arranged for a period of up to 4 years, DRIVENOW Personal Lease offers you a hassle free motoring solution.

**Citroën Fleet and Business Sales**  
All Citroën New Car Dealers are dedicated to meeting the specialist needs of both the fleet and business buyer. Their comprehensive service can include advice on important business vehicle

decisions, such as alternative acquisition methods, disposal of existing cars and vans, priority servicing and much more. In short, their expertise aims to provide a 'total transport solution' for all your fleet or business vehicle needs. If you would like to contact Citroën direct for further information, please call Citroën Fleet Connect on 08457 940 940. Or look us up at: <http://www.citroen.co.uk/fleet>

## Citroën ADVANTAGE

Whether you intend to keep your new Citroën for more than 3 years or simply plan to drive more than 60,000 miles during its first three years, Citroën ADVANTAGE is an extended warranty which offers a similar level of cover to Citroën's new vehicle warranty. For more information, please contact your Citroën Dealer or call 0800 587 9808.

Citroën ADVANTAGE is underwritten by Pinnacle Insurance plc. Conditions apply.

## Citroën MAINTENANCE

What if you could relax, safe in the knowledge that for a small one off fee or a low monthly payment, you could benefit from routine servicing, replacement of wear & tear items and roadside assistance? With Citroën MAINTENANCE you can. Simply choose the period & select the mileage and you too could benefit from peace of mind motoring on your terms. For information, contact your Citroën New Vehicle Dealer or Citroën Authorised Repairer.

## Citroën ASSISTANCE

In response to a free telephone call, Citroën ASSISTANCE brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service,

replacement vehicle, hotel accommodation and vehicle storage if required. Citroën ASSISTANCE applies to all vehicles registered from 01/01/05. Please note, Citroën ASSISTANCE only applies to incidents covered by the new vehicle warranty. Full details are available on request from Citroën UK via [cukcustomer\\_relations@citroen.com](mailto:cukcustomer_relations@citroen.com)

## Comprehensive Warranty

Every new Citroën car offers the benefit of a 3 year\* warranty package, plus a 12 year anti-corrosion\*\* warranty and a 3 year paint warranty.

## Citroën INSURANCE

Citroën INSURANCE\*\*\* is the only motor insurance designed exclusively for Citroën drivers and offers tailored cover at a competitive price. When the time comes to renew your insurance cover, call Citroën Insurance on 0870 024 2725. Lines open 8am – 8pm weekdays, 9am–5pm Saturdays. Calls may be recorded.

## Internet

The Citroën Website contains full information on all Citroën products and offers available in the UK, together with details of our environmental and recycling policies.
