

 **CITROËN C2**

CITROËN

C2

CITROËN

Definitely full of character! With its sporty style, striking WRC Sport Red paint, 16" alloy wheels, low profile tyres, aluminium pedals and chromed gear knob, C2 VTS is not ashamed of showing its potential. Under the bonnet, it has plenty of power with its resolutely sporty 125hp engine.

Citroën C2 VTS

Citroën C2 VTS

1.6 litres, 16 valves, 125hp... C2 VTS' engine is the perfect expression of the car's character: responsive, dynamic, full-blooded. The spontaneity of acceleration, coupled with the engine's flexibility will satisfy the needs of even the most passionately sporty driver.

With its height and reach adjustable leather steering wheel, C2 VTS offers you the optimum driving position and gives your hands a lot of grip. Variable power assisted steering allows you to manoeuvre with ease and firm control, even at high speeds.

Sporty down to the last detail! The expression of the VTS' spirited personality extends to the pedals under your feet, designed to enhance the dynamism of the driving experience while matching the high quality interior of the C2 VTS.

Aesthetics counts as much as performance – broad Suzuka alloy wheels with low profile tyres complete the C2 VTS' sporty look and maximise road holding.

The stylish chrome-finish gear knob ensures excellent driving sensations, worthy of competition!

Citroën C2

Effective simplicity at last! The Citroën C2 caters to your every need with an innovative split opening tailgate. The boot is easily accessible even when space is at a premium. Ideal for loading up on those shopping trips to town.

The upper tailgate opens in a single movement to give complete access. And the minimum clearance needed is just 15 cm – very handy when parking conditions are tight.

When open, the lower tailgate provides a platform on which to place heavy objects (up to 100 kilos) or to sit down.

Citroën C2

Let there be light. The interior styling of the Citroën C2 breaks the rules and capitalises on contrasts in reflections and transparencies. Harmonies, colours, the patterns of light... the world of the Citroën C2 is unique and unlike any other. Welcome to another way.

Playing with colour tones ... the translucent gear knob[†] and door handles[†], available in blue, crystal or amber, are matched with the trim.

Citroën C2

Modularity doesn't come close to describing the flexibility that the Citroën C2 rear seating[†] can offer. It can be simply adapted to any requirement. The seats are independent of each other and so can slide, fold and be moulded to your every need.

The two rear seats slide independently, creating additional boot storage when necessary.

When just three people are on board, either of the rear seats can be folded down to make space for suitcases or other large objects.

The seat can then also swing up 90°, assisted by gas struts creating a massive 879 litres of storage space when both rear seats are folded.

[†]Refer to specification note on Page 27.

The lines and transparency of the generous headlamps convey the Citroën C2's distinctive character.

The front fog lights[†] provide that extra peace of mind in fog-bound driving conditions.

In the event of rapid deceleration, the hazard warning lights are automatically activated to alert other drivers.

The ESP[†] delivers optimum road holding on bends by helping to re-establish the trajectory in the event of over or under steer.

ABS with Electronic Brakeforce Distribution (EBD) and Emergency Braking Assistance (EBA) comes as standard on all versions. EBD controls brake pressure individually for each wheel, while EBA reduces stopping distances under emergency braking.

Rain sensors[†] automatically trigger the wipers at the first drop of rain.

The central locking button instantly locks or unlocks the doors and boot. At speeds greater than 6 mph, the central locking operates automatically.

The high frequency remote control allows you to lock or unlock the Citroën C2 from a distance or to locate it by simultaneously triggering the indicators and courtesy light.

A clever control[†] located on the central console enables you to register a maximum speed. In the event of exceeding this pre-programmed limit, an audible warning will alert you.

The 16" Cheetah alloy wheels on the VTR deliver the kind of road holding required for dynamic driving whilst giving a sporty look.

The Citroën C2 boasts driver's and front passenger's airbags. In addition, the front lateral airbags[†] and side window airbags[†] provide further passenger protection. The front passenger airbag can be de-activated to allow a baby seat to be installed.

A light and sound indicator gives a warning if the driver seat-belt is not fastened once under way.

[†]Refer to specification note on Page 27.

The Citroën C2 steering wheel is both height and reach adjustable for the ideal grip and optimum driving position. In addition all models feature variable power assisted steering.

The semi-raised driving position ensures a clear view of the road. The height adjustable driver's seat¹ allows you to select your most comfortable driving position.

The front electric windows¹ with one touch (driver side) and non-sequential (passenger side) operation are fitted with an anti-pinch system.

Door mirrors¹ are electrically adjustable, heated and can be automatically folded in tight conditions.

The RDS stereo radio/CD player has dual controls both on the dashboard and on the steering wheel so that you can change radio station or adjust the volume while keeping your eyes on the road.

The Citroën C2's sophisticated automatic air conditioning system¹ simultaneously adjusts the flow of air, its distribution together with temperature to maintain passenger comfort.

The manual air conditioning system¹ can deliver an ideal temperature in any season, even in the height of summer.

The lockable glove box has 7 litres of storage space at your disposal.

The Citroën C2 is available with 4 types of petrol engine - 1.1i 61hp, 1.4i 75hp, 1.6i 16V 110hp and 1.6i 16V 125hp. And as a Diesel option, the 1.4HDi 70hp provides an excellent fuel economy/performance ratio.

SensoDrive gearbox¹ allows you a choice of driving style – manual or fully automatic. Reacting faster than the most experienced of drivers in just a fraction of a second, manual gear change can be operated either by fixed column mounted paddles located behind the steering wheel or by the floor mounted gear lever with a forward and back movement.

The cruise control¹ allows you to select a speed to be maintained regardless of variations of incline. And the leather steering wheel¹ provides an extra touch of driving comfort.

With front door pockets, rear storage pockets, front seat back pockets¹ and bottle holder recesses, there is ample space to keep everything you need conveniently to hand. The useful memorising front seat sliders mean the seats can be easily returned to their original setting after having been folded forward for access to the rear seats.

The rear parking sensor¹ alerts you to rear obstacles, invaluable in today's crowded streets.

¹Refer to specification note on Page 27.

Colours

The range of Citroën C2 colours comprises a palette of 7 colours that have been carefully selected to harmonise with the interior trim.

Citroën care for car and driver

A network of Citroën New Car Dealers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today's Citroën customer.

Dealers can offer advice on vehicle funding; via Citroën Contract Motoring with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Hire Purchase or Elect 3 Personal Contract Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products.

Citroën Elect 3
With the Elect 3 Personal Contract Purchase Scheme, you decide on the model which best suits your motoring needs, then set your preferred contract period and anticipated annual mileage. At the end of the contract period you have the added flexibility of part exchanging the car for another new Citroën, purchasing the vehicle or simply returning it.

Citroën DRIVENOW Personal Lease
DRIVENOW Personal Lease is an innovative way to drive a new Citroën based on usage rather than ownership. Simply choose the right car for you and arrange to lease the vehicle over a four year period. With Citroën Assistance, Wear and Tear and Extended Warranty included as standard for the full term of the agreement, most unforeseen costs, that can prove difficult to predict and budget for, are taken care of. DRIVENOW Personal Lease is the hassle free motoring solution.

Citroën Fleet and Business Sales
All Citroën New Car Dealers are dedicated to meeting the specialist needs of both the fleet and business buyer. Their comprehensive service can include advice on important business vehicle decisions, such as alternative acquisition methods, disposal of existing cars and vans, priority servicing and much more. In short, their expertise aims to provide a 'total transport solution' for all your fleet or business vehicle needs. If you would like to contact Citroën direct for further information, please call Citroën Fleet Connect on 08457 940 940. Or look us up at: <http://www.citroen.co.uk/fleet>

Citroën Advantage
Whether you intend to keep your new Citroën for more than 3 years or simply plan to drive more than 60,000 miles during its first three years, Citroën Advantage represents a superb solution to protect your investment. Citroën Advantage is an extended warranty that offers a very similar level of cover to the manufacturer's warranty and can be paid for by a single upfront payment. For more information, please contact your Citroën dealer or call 0800 587 9808.

Citroën Advantage is underwritten by Pinnacle Insurance plc. Conditions apply.

Citroën Maintenance
What if you could relax, safe in the knowledge that for a small one off fee or low monthly payment, Citroën Maintenance will cover all of your routine servicing, replace wear and tear items and provide you with roadside assistance cover to keep you moving. You pick the period and specify the mileage. This is complete motoring peace of mind on your terms... For more information, contact your Citroën New Vehicle Dealer or Authorised Repairer.

Citroën Assistance
In response to a free telephone call, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Citroën Assistance applies to all vehicles registered from 01/01/05. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty. Full details are available on request from Citroën UK via cukcustomer_relations@citroen.com

Comprehensive Warranty
Every new Citroën car offers the benefit of a 3 year* warranty package, plus a 12 year anti-corrosion** warranty and a 3 year paint warranty.

Citroën Insurance
Citroën Insurance*** is the only motor insurance designed exclusively for Citroën drivers and offers tailored cover at a competitive price.

When the time comes to renew your insurance cover, call Citroën Insurance on 0870 024 2725. Lines open 8am – 8pm weekdays, 9am-5pm Saturdays. Calls may be recorded.
