

AUGUST 2006

The C2's eye catching and individual good looks are set to cause more than a few waves. The distinctive and contemporary styling convey an individualistic and adventurous little character. The C2 is Citroën's contender in the 3 door supermini market.

Of course, groundbreaking design is about more than just good looks. You will be impressed to see how clever the C2 is. The emphasis on the intelligent application of innovation has created a modular interior with a split opening tailgate and independent sliding and folding rear seats, that are supremely adaptable to your every need.

Compact, easy to handle, and very much at ease in the city, the C2 offers much more space than you would ever have expected.

In terms of safety, the C2 is a front runner in its segment with ABS, ESP and up to 6 airbags available.

The model range features three advanced petrol engines and the highly acclaimed HDi diesel engine for unprecedented efficiency.

And, of course, every model comes with the exceptional standards of quality and reliability you've come to expect from Citroën.

Resolutely Modern

Clear cut and modern design reign in the cabin with bright and original colour trim. The world of C2 is unique and unlike any other.

The clever use of space means there's ample elbow room, while the elevated roofline creates an ambience of roominess.

The SensoDrive sensation

SensoDrive allows you a choice of driving style – manual or fully automatic. Reacting in just a fraction of a second, the manual gear change can be operated either by fixed column mounted paddles located behind the steering wheel or by the floor mounted gear lever. The SensoDrive gearbox is fitted as standard on the 1.4i 16V 90hp and on the 1.6i 16V 110hp engines.

Door mirrors on SX, Furio, VTR and VTS are electrically adjustable. Heated and power-folding mirrors are also available as part of the Luxury Pack on SX models and Convenience Pack on VTS models.

Effective simplicity at last! The Citroën C2 caters to your every need with an innovative split opening tailgate. The boot is easily accessible even when space is at a premium. Ideal for loading up on those shopping trips to town.
