*BODY LANGUAGE
THAT MAKES A STATEMENT.*

Pacifica Pinnacle™ in Diamond Black

Giving sport-utility attitude, the assertive stance of the Chrysler Pacifica starts with the chiseled front fascia and continues with the diamond-style Gloss Black upper grille, Bright Chrome surround, slimmer lower grille and aerodynamic design. Distinctive LED taillamps run the width of the rear fascia, providing an unmistakable rear approach, while LED headlamps and daytime running lamps deliver increased light projection and improve visibility range while turning corners.

The Pacifica Pinnacle model is particularly fluent in its expression of luxury, projecting this vehicle's upscale pedigree. The sculpted body is highlighted by distinctive accents and badging with Chrome exterior finishes, along with 20-inch polished aluminum wheels on the All-Wheel Drive (AWD) gas model and standard 18-inch polished aluminum wheels on the Plug-in Hybrid Electric Vehicle (PHEV) model. Advanced onboard technology, as well as premium interior finishes and storage, take family functionality to a whole new level.

SUPREMELY SERENE.

Pacifica Pinnacle™ with premium quilted Sepia Nappa leather-faced seats and Light Diesel Grey accent stitching

THE MOST LUXURIOUS INTERIOR IN ITS CLASS?

Comfort and style are particularly rewarding in the interior of the premium Pacifica Pinnacle. Loaded with luxury features, the top-of-the-line trim includes durable, quilted Sepia Nappa leather-faced seats in all three rows and unique, matching lumbar pillows in the second-row captain's chairs. The textured, high-quality leather extends to armrests, bolsters and the movable pillows with suede backing for an extra dose of indulgence.

BEST-IN-CLASS STORAGE³

With the versatility of seven-passenger seating, the design of Pinnacle increases overall storage capacity. From the Ultra Console, covered storage and second-row in-floor storage bins, total storage on the gas-powered Pinnacle is a Best-in-Class 227.6 L (8 cu ft)³ You'll also appreciate the heated and ventilated seats along with premium convenience and technology features.

REAR-SEAT ENTERTAINMENT WITH AMAZON FIRE TV BUILT-IN⁴

DUAL-PANE PANORAMIC SUNROOF

NEXT-LEVEL ACCESSIBILITY.

INTUITIVE DESIGN.

Being user-friendly is key to Pacifica's popularity. Every passenger, including the driver, is kept comfortable with ample seating, versatile storage, and ease of entry and exit. Together, with multi-device charging and connectivity, the available Uconnect® Theatre Family Group, including Rear-Seat Entertainment with Amazon Fire TV Built-in⁴, provides the ultimate convenience to make the most of your family's drive time.

Front-seat storage on Pacifica includes dual-level Ultra or Premium Consoles. A pass-through accommodates items such as a purse, tablet or laptop. The available wireless charging pad keeps your phone powered, while up to 12 available USB ports (including Type-C for faster charging) make Pacifica your family's dedicated information technology centre.

BUILT-IN NURTURING ENVIRONMENT.

From the dual-pane panoramic sunroof to sound-absorbing laminated glass, built-in Active Noise Cancellation (ANC) technology and triple-seal doors, Pacifica makes for a peacefully quiet and visually expansive environment.

Properly secure all cargo.

REAR-SEAT ENTERTAINMENT WITH AMAZON FIRE TV BUILT-IN⁴

WIRELESS CHARGING PAD

SECOND-ROW EASY TILT SEATING

Pacifica Limited with Black Nappa leather-faced seats and Light Diesel Grey accent piping and stitching

ROLLING LIFE HACKS.

Properly secure all cargo.

SECOND-ROW STORAGE CONSOLE

HANDS-FREE POWER-SLIDING DOORS AND LIFTGATE

SEATING FOR EIGHT ... WHO DO WE APPRECIATE?

The mobile family room offers available seating for up to eight,* including a lightweight, removable second-row centre seat. Passengers can easily climb into the third row using the Easy Tilt seat feature. The second-row seats shift forward at the pull of a lever, with or without a child seat installed. Alternatively, on models equipped with second-row Stow 'n Go®, third-row passengers can simply pull the Stow 'n Go strap before entering the third row if a child seat is not installed.

THE KEY TO SETTING LIMITS.

Ideal for families with new drivers, the available KeySense™ key fob promotes safe driving habits and limits distractions. Programmed through the Uconnect® touchscreen, the fob can limit driving speed, audio volume and block select radio channels. KeySense will also mute the audio when front seat belts are unfastened and will prevent disabling of available active safety systems.

Properly secure all cargo. *Eight-passenger seating available on Touring-L. Front-Wheel Drive (FWD) models only.

HANDS-FREE DUAL POWER-SLIDING DOORS AND LIFTGATE.

A single kick motion under the available hands-free sliding side doors or liftgate opens the vehicle when the key fob is with you. It makes loading the car a whole lot easier, no matter what you're carrying.

Pacifica Limited S in Red Hot

Pacifica Touring-L with Black Nappa leather-faced seats and Light Diesel Grey accent piping and stitching

UP — AND DOWN — FOR ANYTHING.

MAKE IT A REALITY.

Quite possibly, the only limit to the 243 seating and storage configurations* on fully equipped Pacifica models is what you and your helpers can think of to do with them. With the second- and third-row seats stowed in the floor, an expansive flat cargo space can fit a stack of 4 x 8-foot sheets of plywood, turning virtually any DIY dream into a reality.

Properly secure all cargo. *Maximum configurations available with eight-passenger seating on Touring-L Front-Wheel Drive (FWD) models only.

Pacifica Limited with Black Nappa leather-faced seats and Light Diesel Grey accent piping and stitching

PACIFICA LIMITED WITH BLACK FOLD-IN-FLOOR SECOND-ROW SEATS

STOW HAPPY ... WITH SECOND- AND THIRD-ROW STORAGE.

The Chrysler Pacifica is the Only Minivan in Its Class with Stow 'n Go® fold-in-floor seating and storage for the second and third rows.⁵ There's no struggling to remove seats — simply fold your second- or third-row seats into the floor to make plenty of space for all your cargo.

CONVENIENCE PUTS EVERYTHING WITHIN REACH.

Use the easy-to-access in-floor bins when the seats aren't stowed to get even more storage space for all your belongings, as well as keep your valuables discreetly out of sight.

DISAPPEARING ACT.

Whether it's crumbs, popcorn or a million little spilled pieces, cleanup is a breeze with the available, convenient, built-in Stow 'n Vac, designed to reach every corner.

Properly secure all cargo.

EASY CLEANUP WITH THE STOW 'N VAC VACUUM

IN-FLOOR CARGO STORAGE BIN

PASS-THROUGH STORAGE

REAR-SEAT ENTERTAINMENT WITH AMAZON FIRE TV BUILT-IN.⁴

- Two seatback-mounted, dual, 10-inch, HD touchscreen displays where you can watch content individually or mirror across both displays to watch together
- Download select Prime Video movies and shows with built-in storage
- Includes two Voice Remotes with Alexa: just press and ask Alexa to easily find, launch and control content
- Built-in HDMI input and USB charging

*ARE WE THERE ALREADY?
AN ENTERTAINMENT SYSTEM
THAT MAKES BOREDOM
A THING OF THE PAST.*

Available Uconnect® Theatre Family Group includes Rear-Seat Entertainment with Amazon Fire TV Built-in,⁴ which allows second-row passengers to enjoy a wide variety of content from streaming videos, playing games, watching downloaded Prime Video movies and shows without using data — all while on the road!

TUNE IN AND TURN OUT.

PREMIUM ACOUSTICS.

The standard, built-in Active Noise Cancellation (ANC) technology subdues unwanted noise to enhance cabin quietness. It also allows for premium sound quality to be delivered through the standard six-speaker audio system.

UCONNECT® IS YOUR COMMUNICATION CENTRE.

Your Pacifica serves up a wide range of communication and entertainment features with the standard 10.1-inch Uconnect 5 touchscreen system, including connected services that make it easy to search and navigate. With lightning-fast processing times, the system has the ability to wirelessly connect two phones simultaneously. Additionally, up to six user profiles can be personalized on the home screen, including preferences for music, seat and comfort settings as well as vehicle operation, with the push of a button.

CLEAR-CUT DIRECTIONS.

The available Connected Navigation System⁶ provides Connected Traffic and Travel Services and Maps-Over-the-Air (MOTA) updates. Features like predictive search and natural speech capability help identify your location as you search millions of points of interest to find what you need, wherever you are. The available Uconnect 5 NAV⁶ system includes 3D landmarks, city models, digital terrain maps, enhanced graphics and one-step, voice-destination entry for the ultimate ease-of-use, way-finding experience.

ALEXA AT YOUR SERVICE.

Certain Alexa functionality is dependent on smart home technology.

ALEXA ON THE ROAD.

Uconnect® 5 brings Amazon Alexa Built-in¹⁰ to the Pacifica infotainment system, giving occupants the freedom to interact with Alexa just as they do at home or on an Alexa enabled device. With Alexa, occupants can ask to play music, podcasts and Audible; add items to their to-do or shopping list; check news, weather, traffic, sports and other real-time information; and access tens of thousands of Alexa Skills.¹⁵ Responses and streaming audio are delivered through the vehicle's audio system, allowing anyone in the vehicle to easily interact with Alexa.

ALEXA FROM HOME.

Thanks to Chrysler Connect⁷ connected services and Chrysler Skill¹⁵ for Amazon Alexa, you can use your voice on an Alexa-enabled device to command your Pacifica from the comfort of your home.

- Activate or cancel remote start¹²
- Remote door lock/unlock¹²
- Activate the horns and lights remotely¹²
- Check tire pressure, fuel level or oil life
- Send destinations to the Connected Navigation System⁶

HIGHLY COMPATIBLE.

Advanced, in-vehicle connectivity is now available with Chrysler Connect.⁷ It offers a Wi-Fi Hotspot⁸ and help when you need it most with Roadside Assistance Call⁹ and SOS Call¹¹ from your touchscreen or rearview mirror button. The available mobile app helps to keep you connected by turning your phone into your vehicle's command centre. The 3-month trial subscription⁷ includes Remote Vehicle Start¹² to start your car and unlock the doors from virtually anywhere through the Chrysler App,⁷ as well as Stolen Vehicle Assistance alerts,¹³ Send & Go¹⁴ and much more.

SiriusXM® with 360L¹⁶ delivers the most extensive and personalized radio experience on the road. This advanced, in-car technology gives you over 300 channels of ad-free music, plus sports, news and talk for a ride that's uniquely you. The personalization features make discovering on-demand content, including podcasts, exclusive interviews and curated recommendations, easier than ever before. You can also listen wherever you go with the SXM app¹⁶ included with your 6-month trial. Available.

A smarter, safer way to use an iPhone wirelessly inside your vehicle, Apple CarPlay seamlessly integrates it with the Uconnect touchscreen and Siri voice control.¹⁷ The compatibility allows you to make calls, access music, send and receive messages, get directions optimized for traffic conditions, and more while staying focused on the road.¹⁸

Designed with your personal safety and convenience in mind, Android Auto™¹⁸ gives you the right information for the road ahead. Connect wirelessly to easily access your favourite music with YouTube Music, and get where you need to go with Google Maps. Talk to Google Assistant on Android Auto and get things done with your voice so you can keep your focus on driving.¹⁹ Easily send messages, get directions, control media and more. Just say, "Hey Google" to get started.

The Connected Navigation System⁶ for Chrysler Pacifica gives you a fully integrated turn-by-turn navigation experience using the most up-to-date maps, combined with traffic and connected services. Also, essential guidance information is displayed neatly on the cluster right in front of you to avoid distraction. Drivers can personalize their Connected Navigation System⁶ by easily creating a list of favourite locations, customizing their route preferences, and choosing which points of interest are displayed on the map and route. The Connected Navigation System⁶ provides accurate and intuitive search results with destination prediction, which offers suggestions like "Going to Work?" while showing the best route options automatically. All these features, and more, are available with an easy-to-use destination entry via voice instructions. Available.

PARALLEL AND PERPENDICULAR PARK ASSIST²⁰

When activated by the driver, the available Parallel and Perpendicular Park Assist can locate a suitable parking spot and manoeuvre the vehicle into a perpendicular or parallel parking space. The automatic system will control steering-wheel manoeuvres as the driver controls the gears, brake and accelerator.

BLIND-SPOT MONITORING²⁰

When driving forward, the Blind-Spot Monitoring continually monitors the vehicle's side blind-spot zones using dual radar sensors. When a side blind spot is encroached, you're notified via an illuminated icon on the appropriate sideview mirror; if the turn signal is activated, an audible notification sounds. This system also includes Rear Cross-Path Detection²⁰ to alert you with an audible warning if vehicles or objects are in your path when driving in Reverse.

PARK-SENSE® FRONT AND REAR PARK ASSIST WITH STOP²⁰

The available network of front and rear sensors sends out ultrasonic waves when driving at low speeds and provides visual and audible alerts about nearby obstacles. Park-Sense Front and Rear Park Assist with Stop can automatically apply the brakes to prevent a potential rear collision in parking situations.

PEDESTRIAN AUTOMATIC EMERGENCY BRAKING²¹

Works in tandem with the forward camera and braking system to activate when a pedestrian is in the vehicle's path and the driver has not taken action to brake. When a pedestrian is detected, the system can provide audible and visual warnings and can assist the driver in avoiding an incident by actively applying the brakes.

ADAPTIVE CRUISE CONTROL WITH STOP AND GO²⁰

By using radar and camera sensors, this system can automatically adjust cruising speed based on preset speed and vehicle distance settings. In certain conditions, such as stop-and-go traffic, the system is able to bring the vehicle to a complete stop without any driver intervention, then prompt the driver to press the Resume button or tap the accelerator to reengage to safe-range speeds as traffic begins to move.

FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING²⁰

Using radar and camera sensors, this system detects if the vehicle is approaching another vehicle or large obstacle too rapidly. When an object is detected, the system can provide audible and visual warnings and can assist the driver in avoiding an incident by actively applying the brakes. The driver is able to adjust the sensitivity and activate brake support using the Uconnect® touchscreen multimedia centre.

LANE DEPARTURE WARNING WITH LANE KEEP ASSIST²⁰

A forward-mounted camera assesses the vehicle's position within a lane. If this system detects the vehicle is drifting out of its lane without the driver using the indicators, it can warn the driver visually and through a vibration in the steering wheel. If the driver does not respond to the warnings, Lane Keep Assist can help gently nudge the vehicle back into the lane by adjusting the steering.

STANDARD AND AVAILABLE SAFETY & SECURITY FEATURES.

The Chrysler Pacifica comes with over 115 standard and available safety and security features, including a host of automatically reactive technologies designed to help enhance your control and visibility even on the busiest of roads, lots and driveways.

PROTECTIVE LENSES.

FamCAM™ INTERIOR CAMERA²²

Peace of mind comes in many forms from Pacifica, and keeping an eye on rear-seat passengers — without turning around — is no exception. An available, headliner-mounted camera captures a full interior view behind the front row, including rear-facing child-seat occupants, letting you view the images from a split-view display and zoom-in feature on the standard 10.1-inch Uconnect® touchscreen.

PARKVIEW® REAR BACK-UP CAMERA²⁰

When driving in Reverse, the standard ParkView Rear Back-Up Camera image is shown on the 10.1-inch Uconnect touchscreen. It includes selectable static or dynamic grid lines, adjusting as the steering wheel is turned. The wide-angle view of what is immediately behind provides confidence when backing out of parking spots and driveways.

360° SURROUND-VIEW CAMERA²³ DISPLAY.

During low-speed driving situations like parking or backing out of your driveway, the available 360° Surround-View Camera delivers a new level of technology, providing a bird's-eye perspective of the vehicle and its surroundings on the 10.1-inch Uconnect touchscreen.

Pacifica Pinnacle™ FamCAM Interior Camera²² on the 10.1-inch Uconnect touchscreen

EQUIPPED TO PROTECT.

Eight standard air bags²⁴ include front multistage air bags with adaptive venting technology, side-curtain air bags, driver and front-passenger inflatable knee bolster air bags, and front-seat-mounted side-impact air bags. Based on occupant size and impact severity, the front air bags open at varying levels of inflation. Side air bag inflatable curtains extend over front and rear seating rows.

ELECTRIC PARK BRAKE WITH SAFEHOLD.

Activated by a button located near the Rotary E-shift dial, the standard Electric Park Brake switch eliminates the traditional pull park/emergency brake handle. It includes the additional function of SafeHold, an override feature that can secure the wheels if it detects the driver has exited the vehicle while it's at a standstill but not in the Park gear.

SURROUND YOURSELF WELL.

POWERFUL ATTRIBUTES.

3.6L PENTASTAR™ VARIABLE VALVE TIMING (VVT) V6 ENGINE.

Choosing the gas-powered Pacifica means choosing the 3.6L Pentastar V6, which is both commanding and economical. This proven V6 powerhouse delivers an impressive 287 horsepower and 262 lb-ft of torque. Efficiency can be further enhanced by standard Engine Stop/Start (ESS) technology that automatically shuts off the engine as the vehicle brakes to a stop, then restarts when the brake pedal is released.

SMOOTH OPERATOR: THE 9-SPEED TRANSMISSION.

The Pacifica is equipped with a standard 9-speed automatic transmission — a primary contributor to an unsurpassed gas highway fuel economy rating of 8.4 L/100 km (34 mpg).²⁵ Its unique calibration allows for outstanding vehicle launch characteristics, with quick, smooth transitions between gears. The transmission also enables lower engine rpm while cruising at highway speeds for optimal fuel efficiency.

Pacifica Pinnacle™ in Diamond Black

*BEST-IN-CLASS
3,600-LB TOWING.²⁶*

WHEN BRINGING MORE IS THE BEST OPTION.

Whether it's loading up the trailer with home-improvement supplies or pulling the family camper or boat, you'll easily get it done with an available Best-in-Class towing capacity of up to 1,633 kg (3,600 lb)²⁶ when properly equipped. When you're pulling that much weight, it's nice to know the available Trailer Sway Control (TSC) will help keep you safely on course.

STRUCTURAL INTEGRITY.

The upper body and the frame of the Pacifica structure are designed as a single unit, helping to achieve premium driving agility. This exceptionally solid architecture carries advanced structural applications, optimized proportions and dynamic qualities like the use of high-strength steels. The door design also increases visibility around the front windows and pillars, while sound-absorbing barriers throughout the body and engine area help reduce overall cabin noise, contributing to less driver distraction.

Properly secure all cargo. Always tow within the vehicle's capacity.

Pacifica Pinnacle™ in Diamond Black

ALL-WHEEL DRIVE ... WITH CONVICTION.

Pacifica Pinnacle™ in Diamond Black

CONFIDENCE AND PRECISION.

The Pacifica offers an advanced All-Wheel Drive (AWD)* system, featuring seamless engagement for an efficient drive. It's also the only vehicle to offer AWD along with the second- and third-row Stow 'n Go® seating and storage system³ for enhanced performance with no sacrifice to versatility.

NO MATTER WHAT THE FORECAST.

The fully automatic AWD performance system optimizes traction on sharp road inclines and declines, during inclement weather and under challenging road-surface conditions, including those covered in ice, snow or gravel.

ON-DEMAND FUEL EFFICIENCY.

By activating power and torque to the wheels as needed, the AWD system offers fuel-saving technology, giving you the ultimate performance and traction when needed and optimal fuel efficiency when you don't.

GAINING VALUABLE TRACTION.

The advanced AWD system on Pacifica delivers confidence with its unique capabilities. It applies the brakes to low-traction wheels and transfers 100 percent of the available engine torque to the wheels that have more available traction.

*AWD is available on gas-powered models only.

CHRYSLER PACIFICA *S* APPEARANCE PACKAGE.

Sleek, sporty and a little bit sinister ... the Chrysler Pacifica S Appearance Package enhances Pacifica with stylish, dark accents inside and out. From the embroidered seats to the Black grille, the S Appearance Package's features work together to make one serious statement.

ACTIVELY DRIVING CHANGE.

A SIMPLE CHOICE FOR GOING GREEN.

From maximizing driving range to saving fuel while reducing emissions, the Pacifica Hybrid conserves resources without compromising versatility and space. Working seamlessly together, the gas and battery operations allow drivers to effortlessly gain efficiency with the power that's needed. The Hybrid powertrain offers an astounding 2.9 L_e/100 km (97 MPGe) fuel efficiency rating in city driving;²⁹ enabling it to cover an average daily commute of up to 51 km (32 mi) of all-electric range and a total driving range of up to 835 km (519 mi)³⁰ with a full fuel tank and charge.

EFFICIENT 3.6L PENTASTAR™ V6.

When more power is needed, such as accelerating quickly to merge on the highway, the gas engine is automatically engaged. The powertrain includes a commanding 3.6L Pentastar Variable Valve Timing (VVT) V6 engine that delivers an impressive 260 horsepower. This specially adapted engine works with the electric motor, contributing to Best-in-Class fuel economy ratings of 2.9 L_e/100 km (97 MPGe) city.²⁹

REGENERATIVE BRAKING.

As part of the Hybrid powertrain, the regenerative braking system functions as a generator to redirect power to the battery, extending the electric range every time you apply the brakes. This brake-booster technology automatically shifts into regeneration mode to allow the engine's power to charge the Hybrid battery when the driver engages the brakes.

97²⁹ MPGe

Pacifica Hybrid Pinnacle™ in Fathom Blue

THE UPSIDES TO ITS UPSIDES.

AUTOMATIC POWER EXCHANGE.

Alternating between electric and gas power is seamless, thanks to the Electrically Variable Transmission (EVT), featuring two electric motors — both capable of delivering power to the front wheels. With an electric driving range of up to 51 km (32 mi),³⁰ the Pacifica Hybrid is less dependent on gas, helping lower emissions for a greener environment while increasing savings at the pump and beyond.

GOVERNMENT INCENTIVE PROGRAM.

When purchasing a Pacifica Hybrid, you may qualify for government incentive program rebates by province. Please visit chrysler.ca for more information.

- Gas-powered backup to Hybrid battery
- Internal combustion Atkinson Cycle on V6 engine
- System automatically activates the more efficient power source (either battery or engine), depending on the driving situation
- Regenerative braking helps recharge the battery and helps reduce wear on brake components
- Charge in as little as two hours with the available Mopar® Level 2 Charger³¹
- High-voltage, electrically charged 16-kWh lithium-ion battery
- The battery has a fully transferable 8-Year/160,000-Kilometre Limited Warranty

YOUR HYBRID STATS: PRONTO.

10.1-INCH TOUCHSCREEN.

The Hybrid Electric Pages found in the standard Uconnect® 5 system provides vehicle information for Power Flow, Driving History and Charging Schedule. The system includes the intuitive Connected Navigation System⁶ compatibility along with Dynamic Range Mapping, which can show you how far your charge will get you on your route.

EMPOWERING DETAILS.

DOWNLOAD THE CHRYSLER PACIFICA HYBRID MOBILE APP WITH UPDATED CHARGE STATUS AND CHARGING STATION LOCATOR.

From the Hybrid Electric Pages displayed on the Uconnect® touchscreen to the five-point illuminated charging indicator located on the upper dash, as well as the compatible smartphone app, Pacifica Hybrid features make keeping track of your charge status as simple as a glance.

CHARGING SCHEDULE.

The Charging Schedule screen allows you to set when you want your vehicle to charge. To do so, press the box next to the setting “Enable Schedule” until a check mark appears in the box.

POWER FLOW.

The Hybrid Electric Pages Power Flow screen displays the current power readings and the flow of power as it returns to the vehicle systems.

DRIVING HISTORY.

The Driving History screen that is within the Hybrid Electric Pages shows the kilometres driven in both Full-Electric and Hybrid modes for current and previous weeks.

FIVE-POINT CHARGE LEVEL INDICATOR.

The convenient charge level indicator, positioned on top of the dash, is visible at a glance and from outside the vehicle, so it's easy to identify the battery's charge level from a distance.

EFFICIENCY COACH.

The in-cluster display centre on the Pacifica Hybrid includes a coaching feature to help optimize fuel efficiency by showing a small green light to let you know when you're driving efficiently. When driving beyond the eco-friendly range, the light turns white so you can always be aware of your performance-to-efficiency operation.

MAX REGEN FEATURE.

The standard Hybrid Max Regen-On/-Off cluster message indicates increased energy efficiency while operating in low-gear range (L on shifter) as the electric battery charges during braking and certain driving dynamics — letting you know when you're optimizing Pacifica's Hybrid powertrain.

THE POWER OF SAVINGS AND CHOICE.

The Hybrid battery may be charged with a standard Level 1 (120-volt) home outlet or an available Mopar® Level 2 (240-volt) Charger, which can restore full power in as little as two hours.³¹ The port is located above the driver-side front fender for convenient access.

BECOME FULLY PLUGGED-IN.

Pacifica Hybrid Pinnacle™ in Baltic Grey

SELECT

POWERTRAIN

- 3.6L Atkinson Cycle V6 plug-in Hybrid engine with Electrically Variable Transmission (EVT)

STANDARD EQUIPMENT

MECHANICAL FEATURES

CHRYSLER GRAND CARAVAN.

THE HOUSEHOLD CONCIERGE.

THERE TO SMOOTH OUT THE DAY.

To keep things rolling, families benefit from a reliable resource. Chrysler invented the minivan and continues to innovate with the Chrysler Grand Caravan, which offers over 100 standard and available safety and security features. This home away from home gives access to space, efficiency, connectivity and sophisticated design — all aimed to help families thrive every day.

Grand Caravan SXT in Diamond Black

IT THINKS OF EVERYTHING.

READY. SET. GO.

Count on Chrysler Grand Caravan to make you look good in every way. Genius touches smooth out the day's transitions. This highly adaptable family vehicle carries seating for seven with expansive storage and Stow 'n Go® seating. The sleek, sporty and functional exterior includes dual power-sliding side doors and 17-inch wheels. As one of Canada's top-selling engines, the standard 3.6L Pentastar™ Variable Valve Timing (VVT) V6 engine offers an optimal combination of power and efficiency.

SMART TECHNOLOGY.

With the available SafetyTec™ Group, including Pedestrian Automatic Emergency Braking (PAEB)²¹ and Full-Speed Forward Collision Warning with Active Braking²⁰ features, Grand Caravan applies smart technology to an abundance of passive and active standard and available safety and security features. Drivers will embrace the compatible functionality of the 7-inch Uconnect® 5 touchscreen multimedia centre. This integrated digital hub for media and communication enables wireless Apple CarPlay¹⁸ support and Android Auto^{TM18} compatibility to access playlists, maps and more.

Properly secure all cargo.

Grand Caravan SXT with Black cloth seats, Black Ravine inserts and Sepia accent stitching

QUICK-CHANGE ARTIST.

Virtually limitless storage setups can be configured with the expansive seating and storage space. When third-row seats are stowed in the floor and second-row seats are removed or stowed with the standard second-row Stow 'n Go® seating, an expansive flat cargo space can fit a stack of 4 x 8-foot construction sheets.

The mobile family room offers in-floor storage bins as well as four LATCH-installed child seats. The intuitive interior includes the standard Rotary E-shift dial in the centre stack and an available open centre console with storage. The standard 12-way-adjustable driver's seat with four-way power lumbar support, plus the memory settings, plus the standard heated steering wheel make Grand Caravan built for driver comfort as well as convenience.

CLASS-EXCLUSIVE STOW 'N GO® SEATING AND STORAGE.³

STANDARD SECOND-ROW
IN-FLOOR STORAGE BINS

EVERYTHING IN ITS PLACE.

The Chrysler Grand Caravan brings the innovative convenience that the Chrysler minivan lineup is known for, with second- and third-row Stow 'n Go fold-in-floor seating and storage. Simply fold the seats into the floor to make plenty of space for all your cargo. Use the easy-to-access in-floor bins to get even more capacity to store your gear and valuables for safekeeping.

Properly secure all cargo.

READY-TO-ROLL STORAGE

THIRD-ROW STOW 'N GO

INFINITELY APPROACHABLE.

DUAL POWER-SLIDING SIDE DOORS AND LIFTGATE.

Getting passengers (along with their belongings) in and out quickly and smoothly is made simple with the touch of a button from the driver's seat to open and close the sliding side doors and liftgate.

KEYLESS ENTER 'N GO.™

This standard passive entry system allows you to open doors as well as start the vehicle with a keyless, push-button ignition via a personalized fob. With the fob on or near you, simply pull the door handle or rear liftgate latch to unlock the vehicle.

Properly secure all cargo.

Grand Caravan SXT in Diamond Black

SET THE TONE AND TENOR.

PREMIUM ACOUSTICS.

The standard, six-speaker audio system delivers premium sound quality, enhanced by standard built-in Active Noise Cancellation (ANC) technology. ANC works to subdue unwanted noise and creates a level of cabin quietness that encourages a superior acoustic experience.

KEYSENSE™

Ideal for families with new drivers, the available KeySense fob promotes safe driving habits and limits distractions. Easily programmed through the Uconnect® touchscreen, KeySense can limit driving speed and audio volume, block select SiriusXM®¹⁶ channels, mute the audio when front seat belts are unfastened and prevent disabling of available active safety systems.

Uconnect® IS YOUR COMMUNICATION CENTRE.

Remain focused on the road as you communicate, and stay entertained with the standard 7-inch Uconnect multimedia centre touchscreen that includes a SiriusXM® 6-month trial subscription.¹⁶ With your compatible phone paired to the Uconnect 5 system's hands-free technology, the Grand Caravan features wireless integrated voice command,¹⁹ voice text reply,³³ Apple CarPlay¹⁸ and Android Auto,¹⁸ allowing you to access playlists, maps and more.

THE 10.1-INCH UCONNECT 5 TOUCHSCREEN SYSTEM.

The ultimate in convenience comes from technology that makes every day easier. The available 10.1-inch Uconnect 5 touchscreen system brings connected services that make it easy to search and navigate. This system adds available 4G LTE Wi-Fi Hotspot,⁸ Connected Navigation System⁶ and Connected Travel and Traffic Services, as well as Chrysler Connect⁷ with 3-month trial subscription and SiriusXM with 360L¹⁶ with 6-month trial subscriptions. With blazing processing speeds, the system has the ability to wirelessly connect two compatible phones simultaneously. Additionally, up to six user profiles can be personalized on the home screen for comfort, convenience and entertainment preferences.

SiriusXM with 360L¹⁶ delivers a combination of satellite and on-demand streaming. This next-generation platform gives you over 300 channels, plus a library of exclusive interviews, events and podcasts. You'll get ad-free music, personalized listening recommendations, listener profiles, customized artist stations and live sports feeds that bring you closer to everything you love. You can also listen wherever you go on your portable devices with the SiriusXM app¹⁶ included with your 6-month trial. Available.

Display your favourite iPhone apps right on your Uconnect touchscreen. Access your iTunes library, call anyone in your contacts list or just ask Siri¹⁷ to help you out while you drive. Get directions, make calls and send messages, and connect to Apple Music, all without pausing your drive.¹⁸ Standard.

Connect your Android™ phone to bring the best of Google with you in your Uconnect system. Talk to Google Assistant on Android Auto¹⁸ and send messages, get directions, control media and more with your voice so you can keep your focus on driving. Just say, "Hey Google" or long-press the voice-control button on your steering wheel. Standard.

WELL-CONNECTED.

7-INCH IN-CLUSTER DISPLAY CENTRE.

This premium display delivers crisp, configurable graphics integrated between the cluster gauges. A customizable screen allows for a range of driver-assist settings, such as digital speedometer, fuel economy, alerts for available features like Full-Speed Forward Collision Warning with Active Braking²⁰ and turn-by-turn directions if equipped with navigation.⁶

POWER ON DEMAND: THE 3.6L PENTASTAR™ V6.

3.6L PENTASTAR VARIABLE VALVE TIMING (VVT) V6 ENGINE.

The 3.6L Pentastar V6 is both commanding and economical. This proven powerhouse delivers an impressive 287 horsepower and 262 lb-ft of torque. Efficiency can be further enhanced by standard Engine Stop/Start (ESS) technology that automatically shuts off the engine as the vehicle brakes to a stop, then restarts when the brake pedal is released.

THE EASE OF A 9-SPEED TRANSMISSION.

The Grand Caravan is equipped with a standard 9-speed automatic transmission — a primary contributor to a Best-in-Class gas highway fuel economy rating of 8.4 L/100 km (34 mpg)³⁴. Its unique calibration allows for outstanding vehicle launch characteristics, with quick, smooth transitions between gears. The transmission also enables lower engine rpm while cruising at highway speeds for optimal fuel efficiency.

DISCLAIMERS: 1. Based on standard and available features and the FCA US LLC Premium Minivan segment. Based upon the latest available competitive information. 2. Based on the Pinnacle model with standard and available features and the FCA US LLC Premium Minivan segment. Based upon the latest available competitive information. 3. Based on available features and the FCA US LLC Premium Minivan segment. Based upon the latest available competitor information. 4. Vehicle must be in an active and usable cellular range and be properly equipped with a Uconnect 5 or Uconnect 5 NAV system and Rear-Seat Entertainment Package. Requires a mobile device with Wi-Fi Hotspot service and a linked Amazon account. Wi-Fi data plan and streaming service subscriptions are not included; data charges and overage fees may apply. 5. Based on FCA US LLC Premium Minivan segment. Second-row Stow 'n Go not available on Hybrid or Pinnacle models. Based upon the latest available competitor information. 6. Never program while driving. GPS mapping and 3D navigation may not be detailed or available in all areas or reflect current road regulations. 7. All vehicles properly equipped to receive connected services come with a three-month trial of Assistance Package or Assistance + Navigation Package (if equipped), five years of Vehicle Performance Package and 10 years of Safety and Security Package effective from the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive services. Upon expiration of trial period, purchase of a subscription is required to continue or renew services. Services are available on equipped vehicles purchased within the United States, Canada and Puerto Rico. Services can only be used where cellular coverage is available. See the applicable Terms of Service for complete terms and conditions, including service limitations. 8. Three-month/1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 9. Roadside Assistance Call connects you with an agent who will provide Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. 10. Vehicle must be properly equipped with a Uconnect 5 NAV system. Requires a Wi-Fi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. 11. In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's GPS location. Your vehicle may be equipped with emergency services such as SOS Call, ASOS+ and Stolen Vehicle Assistance that will be active in the vehicle before enrolling in the Connected Services. **These emergency services will remain active in your vehicle for a period of 10 years from the time the vehicle was originally purchased or leased prior to enrolment in other services.** During that time, emergency data such as location, crash data including air bag deployment, seat belt status, number of passengers and ignition status will not be collected unless the emergency services are engaged. **If you do not want any Emergency Data to be collected, used or shared by FCA US, FCA CA or SiriusXM, you must request the emergency services be deactivated together with the services by calling 1-844-796-4827 and ask to cancel the Connected Services for privacy reasons.** 12. Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Services are dependent upon an operative telematics device, a cellular connection, navigation map data and GPS satellite signal reception, which can limit the ability to reach the response centre or reach emergency support. Terms of Service of the Chrysler Connect Subscriber Agreement apply. See Terms of Service for complete service limitations. Remote Vehicle Start and Send & Go are only available on select models. You are responsible for using all remote features in effect in your vehicle's location. 15. Vehicle must be enrolled with Chrysler Connect, be in an active and usable cellular range, have an active subscription and be properly equipped with a Uconnect 5 or Uconnect 5 NAV system. Certain Alexa functionality is dependent on smart home technology. 16. **If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services.** Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at www.siriusxm.ca/privacy. 17. Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 18. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. Wireless use of Android Auto requires a compatible Android 11.0+ phone and a compatible, active data plan. Check g.co/androidauto/requirements for compatibility. 19. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. 20. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 21. This system is an alert system for the front of the vehicle. It is not a substitute for active driver involvement. The driver must remain aware of traffic conditions and be prepared to use the brakes to avoid collisions. 22. Driving while distracted can result in loss of vehicle control. Only use the FamCAM interior camera when it is safe to do so. 23. Always check entire surroundings visually before proceeding. 24. The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a front-passenger air bag. All occupants should always wear their lap and shoulder belts properly. 25. Based on *EnerGuide* highway fuel consumption ratings and fuel tank options. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Ask your retailer for the *EnerGuide* information. 8.4 L/100 km (34 mpg) highway and 12.4 L/100 km (23 mpg) city on Chrysler Pacifica non-hybrid models equipped with the 3.6L Pentastar VVT V6 engine and 9-speed automatic transmission. Miles per gallon (MPG) ratings based on imperial gallon. 26. Based on the FCA US LLC Premium Minivan segment. Excludes Hybrid models and other FCA US LLC vehicles. Based upon the latest available competitor information. 27. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 28. Not compatible with all garage door openers. 29. Based on *EnerGuide* fuel consumption ratings for minivans in the *WardsAuto* Small Van segment. 2.9 L/100 km (97 MPGe) highway, 2024 Chrysler Pacifica Hybrid with 3.6L Pentastar VVT V6 Hybrid engine and eFlite Electrically Variable Transmission. L/100 km is an equivalent measure of gasoline fuel consumption for electric energy consumed by Plug-in Hybrid Electric Vehicles (PHEV) operating in electric mode. Miles per gallon equivalent (MPGe) ratings based on imperial gallon. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. 30. Electric range based on *EnerGuide* combined fuel consumption ratings, full battery charge and hybrid mode. Driving range based on *EnerGuide* combined fuel consumption ratings, fuel tank capacity, full battery charge, and hybrid mode.
