| Pacifica Pinnacle™ in Brilliant Black Crystal Pearl

ATHLETIC STYLE MEETS FAMILY UTILITY.

The assertive stance of the Chrysler Pacifica includes a chiseled front fascia, creating a sport-utility appearance with the diamond-style Gloss Black upper grille, Bright Chrome surround, slimmer lower grille and aerodynamic design. A distinctive LED taillamp runs the width of the rear fascia, providing an unmistakable rear approach, while LED headlamps and daytime running lamps deliver increased light projection and improve visibility range while turning corners.

The top-of-the-line Pinnacle™ model speaks volumes about the upscale pedigree of Pacifica. The sculpted body is highlighted by distinctive accents and badging with chrome exterior finishes and 20-inch polished aluminum wheels. Advanced onboard technology, as well as premium interior finishes and storage, take family functionality to a whole new level.

Pacifica Pinnacle™ with Premium Quilted Caramel Nappa Leather-Faced Seats and Light Diesel Grey Accent Stitching

TECH TO TACTILE ACCOMMODATIONS.

INTUITIVE DESIGN.
With more than 115 standard and available safety and security features, Pacifica’s primary purpose is to help keep your family safe and sound along the way. Every passenger, including the driver, is kept comfortable and content with the available seating for eight, versatile storage, and ease of entry and exit. Together with multi-device charging and connectivity, the available Best-in-Class Rear-Seat Entertainment with Amazon Fire TV® Built-In^{1,4} provides the ultimate in convenience to make the most of your family’s drive time.

The Ultra Console on Pinnacle, as well as the more compact Premium Console, provides dual-level front-seat storage, including a pass-through for personal items such as a purse, tablet or laptop. An available wireless charging pad keeps your phone powered, while up to 12 available USB ports, including Type-C for faster charging, make Pacifica your family’s dedicated information technology centre.

BUILT-IN NURTURING ENVIRONMENT.
From the dual-pane panoramic sunroof to sound-absorbing laminated glass, built-in Active Noise Cancellation technology and triple-seal doors, Pacifica makes for a peacefully quiet and visually expansive environment.

UCONNECT® 5 10.1-INCH TOUCHSCREEN

DUAL-LEVEL FRONT-SEAT STORAGE

Properly secure all cargo.

THE PINNACLE OF EVERYDAY LUXURY.

THE MOST LUXURIOUS INTERIOR IN ITS CLASS.²

Immerse yourself and the crew in the comfort and style of the premium Pacifica Pinnacle.[™] Loaded with luxury features and content, the top-of-the-line trim includes durable, quilted Caramel Nappa leather-faced seats in all three rows and unique matching lumbar pillows in the second-row captain's chairs. The textured, high-quality leather extends to armrests, bolsters and the movable pillows with suede backing for an extra dose of indulgence.

BEST-IN-CLASS STORAGE.¹

With the versatility of seven-passenger seating, the Pinnacle design increases overall storage capacity. From the Ultra Console, covered storage and second-row in-floor storage bins, total storage on the gas-powered Pinnacle is a Best-in-Class 227.6 L (8 cu ft).¹ You'll also appreciate the heated and ventilated seats along with premium convenience and technology features.

THE LUXURY OF SPACE AND CONVENIENCE.

Pacifica Limited with Black Nappa Leather-Faced Seats and Light Diesel Grey Accent Piping and Stitching

HANDS-FREE POWER-SLIDING SIDE DOORS AND LIFTGATE. AVAILABLE.

CLASS-EXCLUSIVE SECOND-ROW EASY TILT SEATING¹

POWER LIFTGATE

SECOND-ROW STORAGE CONSOLE

Properly secure all cargo.

GO TIME FOR EIGHT IS AS EASY AS 1-2-3.

The mobile family room offers available seating for up to eight,* including a lightweight, removable second-row centre seat. Passengers can easily climb into the third row using the Easy Tilt seat feature. The second-row seats shift forward at the pull of a lever, with or without a child seat installed. Alternatively, on models equipped with second-row Stow 'n Go®, third-row passengers can simply pull the Stow 'n Go strap before entering the third row if a child seat is not installed.

HANDS-FREE DUAL POWER-SLIDING SIDE DOORS AND LIFTGATE. A single kick motion under the available hands-free sliding side doors or liftgate opens the vehicle when the key fob is with you. Whether you're carrying packages or a child or packing in cargo, loading has never been smoother.

STRESS-FREE KEY SECURITY. Ideal for families with new drivers, the available KeySense key fob promotes safe driving habits and limits distractions. Programmed through the Uconnect® touchscreen, the fob can limit driving speed, audio volume and block select radio channels. KeySense will also mute the audio when front seat belts are unfastened and will prevent disabling of available active safety systems.

Pacifica Limited with Alloy Nappa Leather-Faced Seats and Black Accent Piping and Stitching

240+
WAYS TO BE
EVERYDAY
ADAPTABLE.*

INVENTION BREEDS CREATIVITY.
Quite possibly, the only limit to the 243 seating and storage configurations on fully equipped Pacifica models are what you and your helpers can think of to do with them. With the second- and third-row seats stowed in the floor, an expansive flat cargo space can fit a stack of 4 x 8-foot sheets of plywood, turning virtually any DIY dream into a reality.

*Maximum configurations available with eight-passenger seating on Touring L FWD models only.

CLASS-EXCLUSIVE STOW 'N GO[®] SEATING AND STORAGE.

The Chrysler Pacifica is the only minivan in its class with Stow 'n Go fold-in-floor seating and storage for second and third rows.³ No more struggling to remove seats. Simply fold your second- or third-row seats into the floor to make plenty of space for all your cargo.

IN-FLOOR SEATING AND STORAGE

EASY CLEANUP WITH THE STOW 'N VAC VACUUM

SUPER CONSOLE STORAGE

ULTRA CONSOLE OFFERS A HOST OF STORAGE COMPARTMENTS

CONVENIENCE PUTS EVERYTHING WITHIN REACH.
Use the easy-to-access in-floor bins when the seats aren't stowed to get even more storage space for all your belongings, as well as keep your valuables discreetly out of sight. Whether it's crumbs, popcorn or a million little spilled pieces, cleanup is a breeze with the convenient built-in Stow 'n Vac, the most powerful integrated vacuum available in its class.¹

EVERYONE GETS
THEIR WAY
WITH THE BEST
FAMILY
ENTERTAINMENT
SYSTEM
IN ITS CLASS.¹

Available Uconnect® Theatre Family Group includes Rear-Seat Entertainment with Amazon Fire TV® Built-In,⁴ which allows second-row passengers to enjoy a wide variety of content from streaming videos, playing games, watching downloaded Prime Video movies and shows without using data — all while on the road!

REAR-SEAT ENTERTAINMENT WITH AMAZON FIRE TV BUILT-IN.⁴

- Two seatback-mounted dual 10-inch HD touchscreen displays where you can watch content individually or mirror across both displays to watch together
- Download select Prime Video movies and shows with built-in storage
- Includes Voice Remote with Alexa¹⁶: just press and ask Alexa to easily find, launch and control content
- Built-in HDMI input and USB charging

NEVER MISS A BEAT OR A TURN.

Uconnect® IS YOUR COMMUNICATION CENTRE.

The standard 10.1-inch Uconnect 5 touchscreen system brings a wide range of communication and entertainment features to your Pacifica, including connected services that make it easy to search and navigate. With processing speeds five times faster than the previous generation, the system has the ability to connect two phones simultaneously with Bluetooth® capability.⁶ Additionally, up to six user profiles can be personalized on the home screen, including preferences for music, seat settings, comfort and vehicle operation, and in-vehicle climate control settings with one push of a button.

NEXT-LEVEL NAVIGATION.⁷

The available TomTom® Connected Navigation System⁷ provides Connected Traffic and Travel Services and Maps-Over-the-Air (MOTA) updates. Features like predictive search and natural speak capability help identify your location as you search millions of points of interest to find what you need, wherever you are. The available Uconnect 5 NAV⁷ system includes 3D landmarks, city models, digital terrain maps, enhanced graphics and one-step, voice-destination entry for the ultimate ease-of-use, way-finding experience.

PREMIUM ACOUSTICS.

The standard built-in Active Noise Cancellation (ANC) technology subdues unwanted noise to enhance cabin quietness. It also allows for premium sound quality to be delivered through the standard six-speaker audio system.

FULL-RANGE TECH COVERAGE.

This available advanced in-vehicle connectivity now offers a Wi-Fi Hotspot⁵ and help when you need it most with Roadside Assistance Call⁸ and SOS Call⁹ from your touchscreen or rearview mirror button. The available mobile app helps to keep you connected by turning your phone into your vehicle’s command centre. The one-year trial subscription includes Remote Vehicle Start¹⁰ to start your car and unlock the doors from virtually anywhere through the Uconnect[®] App, as well as Stolen Vehicle Assistance alerts,¹¹ Send & Go¹² and much more.

SiriusXM with 360L¹³ delivers the most extensive and personalized radio experience on the road. This advanced in-car technology gives you over 300 channels of ad-free music, plus sports, news and talk for a ride that’s uniquely you. The personalization features make discovering on-demand content, including podcasts, exclusive interviews and curated recommendations easier than ever before. You can also listen wherever you go with the SXM App included with your one-year trial. Available.

A smarter, safer way to use an iPhone wirelessly inside your vehicle and seamlessly integrates it with the Uconnect touchscreen and Siri voice control.¹⁴ The compatibility allows you to make calls, access music, send and receive messages, get directions optimized for traffic conditions, and more while staying focused on the road.¹⁵

Designed with your personal safety and convenience in mind, Android Auto^{TM15} gives you the right information for the road ahead. Connect wirelessly to easily access your favourite music with YouTube Music, and get where you need to go with Google Maps. Talk to Google on Android Auto and get things done with your voice so you can keep your focus on driving. Easily send messages, get directions, control media and more. Just say, “Hey Google” or long-press the voice-control button on your steering wheel to get started.

TomTom[®] Connected Navigation⁷ (available) for Chrysler Pacifica gives you a fully integrated turn-by-turn navigation experience using the most up-to-date maps, combined with traffic and connected services. Also, essential guidance information is displayed neatly on the cluster right in front of you to avoid distraction. Drivers can personalize their connected navigation system by easily creating a list of favourite locations, customizing their route preferences and choosing which points of interest are displayed on the map and route. TomTom Connected Navigation provides accurate and intuitive search results with destination prediction, which offers suggestions like “Going to Work?” while showing the best route options automatically. All these features, and more, are available with an easy-to-use destination entry via voice instructions.

YOUR CONNECTED SERVICES SUITE.

ALEXA ON THE ROAD.
Uconnect 5 brings Amazon Alexa Built-In¹⁶ to the Pacifica infotainment system, giving occupants the freedom to interact with Alexa just as they do at home or on an Alexa enabled device. With Alexa, occupants can ask to play music, podcasts and Audible; add items to their to-do or shopping list; check news, weather, traffic, sports and other real-time information; and access tens of thousands of Alexa Skills.¹⁷ Responses and streaming audio are delivered through the vehicle’s audio system, allowing anyone in the vehicle to easily interact with Alexa.

Certain Alexa functionality is dependent on smart home technology.

ALEXA FROM HOME.
Use the available SiriusXM Guardian¹⁸ services to command your Pacifica using your voice with the Chrysler Skill¹⁷ for Amazon Alexa on an Alexa enabled device from the comfort of your home!

- Activate or cancel remote start¹⁰
- Remote door lock/unlock¹⁹
- Activate the horns and lights remotely¹⁹
- Check tire pressure, fuel level or oil life
- Send destinations to your TomTom Connected Navigation System^{7,12}

115+

STANDARD AND AVAILABLE
SAFETY & SECURITY FEATURES.

The Chrysler Pacifica now comes with over 115 standard and available safety and security features, including a host of automatically reactive technologies designed to help enhance your control and visibility even on the busiest of roads, lots and driveways.

PARALLEL AND PERPENDICULAR PARK ASSIST²⁰
When activated by the driver, the Parallel and Perpendicular Park Assist²⁰ can locate a suitable parking spot and manoeuvre the vehicle into a perpendicular or parallel space. The automatic system will control steering-wheel turns as the driver controls the gears, brake and accelerator. Available.

BLIND-SPOT MONITORING²⁰
When driving forward, the Blind-Spot Monitoring²⁰ continually monitors the vehicle's side blind-spot zones using dual radar sensors. When a side blind spot is encroached, you're notified via an illuminated icon on the appropriate sideview mirror; if the turn signal is activated, an audible notification sounds. This system also includes Rear Cross-Path Detection²⁰ to alert you with an audible warning if vehicles or objects are in your path when driving in Reverse. Standard.

PARK-SENSE[®] FRONT AND REAR PARK ASSIST WITH STOP²⁰
The network of front and rear sensors sends out ultrasonic waves when driving at low speeds and provides visual and audible alerts about nearby obstacles. Park-Sense Rear Park Assist with Stop²⁰ can automatically apply the brakes to prevent a potential rear collision in parking situations. Available.

ADAPTIVE CRUISE CONTROL WITH STOP AND GO²⁰
By using radar and camera sensors, this system can automatically adjust cruising speed based on preset speed and vehicle distance settings. In certain conditions, such as stop-and-go traffic, the system is able to bring the vehicle to a complete stop without any driver intervention, then prompt the driver to press the Resume button or tap the accelerator to reengage to safe-range speeds as traffic begins to move. Standard.

PEDESTRIAN AUTOMATIC EMERGENCY BRAKING²⁰
Works in tandem with the forward camera and braking system to activate when a pedestrian is in the vehicle's path and the driver has not taken action to brake. When a pedestrian is detected, the system can provide audible and visual warnings and can assist the driver in avoiding an incident by actively applying the brakes.

LANE DEPARTURE WARNING WITH LANE KEEP ASSIST²⁰
A forward-mounted camera assesses the vehicle's position within a lane. If this system detects the vehicle is drifting out of its lane without the driver using the indicators, it can warn the driver visually and through a vibration in the steering wheel. If the driver does not respond to the warnings, Lane Keep Assist²⁰ can help gently nudge the vehicle back into the lane by adjusting the steering. Standard.

FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING²⁰
Using radar and camera sensors, this system detects if the vehicle is approaching another vehicle or large obstacle too rapidly. When an object is detected, the system can provide audible and visual warnings and can assist the driver in avoiding an incident by actively applying the brakes. The driver is able to adjust the sensitivity and activate brake support using the Uconnect[®] touchscreen multimedia centre. Standard.

ALWAYS ON THE LOOKOUT.

PARKVIEW® REAR BACK-UP CAMERA.²⁰
When driving in Reverse, the standard ParkView Rear Back-Up Camera²⁰ image is shown on the Largest-in-Class 10.1-inch Uconnect® touchscreen.¹ It includes selectable static or dynamic grid lines, adjusting as the steering wheel is turned. The wide-angle view of what is immediately behind provides confidence when backing out of lots and driveways.

FamCAM™ INTERIOR CAMERA.²¹
Peace of mind comes in many forms from Pacifica, and keeping an eye on rear-seat passengers — without turning around — is no exception. An available headliner camera captures a full interior view behind the front row, including rear-facing child-seat occupants, letting you view the images from a split-view display and zoom-in feature on the standard 10.1-inch touchscreen.

360° SURROUND-VIEW DISPLAY.
During low-speed driving situations like parking or backing out of your driveway, the available 360° Surround-View Camera²² delivers a new level of technology, providing a bird's-eye perspective of the vehicle and its surroundings on the Largest-in-Class 10.1-inch touchscreen.¹

Pacifica Limited AWD in Granite Crystal Metallic

YOUR FAMILY’S PROTECTIVE BUBBLE.

EQUIPPED TO PROTECT.
Eight standard air bags²³ include front multistage air bags with adaptive venting technology, side-curtain air bags, driver and front-passenger inflatable knee bolster air bags, and front-seat-mounted side-impact air bags. Based on occupant size and impact severity, the front air bags open at varying levels of inflation. Side air bag inflatable curtains extend over front and rear seating rows.

ELECTRIC PARK BRAKE WITH SAFE HOLD.
Activated by a button located near the Rotary E-shift dial, the standard Electric Park Brake switch eliminates the traditional pull park/emergency brake handle. It includes the additional function of Safe Hold, an override feature that can secure the wheels if it detects the driver has exited the vehicle while it’s at a standstill but not in the Park gear.

CANADA’S BEST-SELLING ENGINE.²⁴

3.6L PENTASTAR™ VARIABLE VALVE TIMING (VVT) V6 ENGINE.
Choosing the gas-powered Pacifica means choosing the 3.6L Pentastar V6, which is both commanding and economical. This proven V6 powerhouse delivers an impressive 287 horsepower and 262 lb-ft of torque. Efficiency can be further enhanced by standard Engine Stop/Start (ESS) technology that automatically shuts off the engine as the vehicle brakes to a stop, then restarts when the brake pedal is released.

SEGMENT-FIRST 9-SPEED TRANSMISSION!
The Pacifica is equipped with a standard 9-speed automatic transmission — a primary contributor to an unsurpassed gas highway fuel economy rating of 8.4 L/100 km (34 mpg).²⁵ Its unique calibration allows for outstanding vehicle launch characteristics, with quick, smooth transitions between gears. The transmission also enables lower engine rpm while cruising at highway speeds for optimal fuel efficiency.

Pacifica Pinnacle™ in Velvet Red Pearl

BEST-IN-CLASS 3,600-LB TOWING.²⁶

WHEN BRINGING MORE IS THE BEST OPTION.

Whether it's loading up the trailer with home-improvement supplies or pulling the family camper or boat, you'll easily get it done with an available Best-in-Class towing capacity of up to 1,633 kg (3,600 lb)²⁶ when properly equipped. When you're pulling that much weight, it's nice to know the available Trailer Sway Control (TSC) will help keep you safely on course.

STRUCTURAL INTEGRITY.

The upper body and the frame of the Pacifica structure are designed as a single unit, helping to achieve premium driving agility. This exceptionally solid architecture carries advanced structural applications, optimized proportions and dynamic qualities like the use of high-strength steels. The door design also increases visibility around the front windows and pillars, while sound-absorbing barriers throughout the body and engine area help reduce overall cabin noise, contributing to less driver distraction.

Pacifica Pinnacle™ in Brilliant Black Crystal Pearl

Properly secure all cargo. Always tow within the vehicle's capacity.

THE MOST ADVANCED ALL-WHEEL-DRIVE SYSTEM IN ITS CLASS.^{1*}

CONFIDENCE AND PRECISION.

The Pacifica offers the Most Advanced All-Wheel-Drive (AWD) System in Its Class¹ with seamless engagement for an efficient drive. It's also the only vehicle to offer AWD along with the second- and third-row Stow 'n Go[®] seating and storage system² for enhanced performance with no sacrifice to versatility.

NO MATTER WHAT THE FORECAST.

The fully automatic AWD performance system optimizes traction on sharp road inclines and declines, during inclement weather and under challenging road-surface conditions. If wheels lose traction on ice, snow or gravel, AWD automatically transfers power to the wheel(s) with more traction.

ON-DEMAND FUEL EFFICIENCY.

By activating power and torque to the wheels as needed, the AWD system offers fuel-saving technology, giving you the ultimate in performance and traction when needed, and optimal fuel efficiency when you don't.

THE MOST CAPABLE AWD IN ITS CLASS.¹

Pacifica's advanced AWD system is capable of applying brakes to low-traction wheels and transferring 100 percent of the available engine torque to the rear wheels, or whichever wheel(s) have more available traction.

Pacifica Pinnacle™ in Fathom Blue

*AWD is available on gas-powered models only.

Pacifica Touring L with S Appearance Package in Fathom Blue

CHRYSLER PACIFICA S APPEARANCE PACKAGE.

- Leather-wrapped steering wheel
- Sporty Black leather-faced seats with embroidered S logo

THE MOST VERSATILE AND SPACIOUS PLUG-IN HYBRID MINIVAN.

AUTOMATIC POWER EXCHANGE.

Alternating between electric and gas power is seamless, thanks to the Electrically Variable Transmission (EVT), featuring two electric motors — both capable of delivering power to the front wheels. With an electric driving range of up to 51 km (32 mi),²⁷ the Pacifica Hybrid is less dependent on gas, helping lower emissions for a greener environment while increasing savings at the pump and beyond.

GOVERNMENT INCENTIVE PROGRAM.

When purchasing a Pacifica Hybrid, you may qualify for government incentive program rebates by province. Please visit chrysler.ca for more information.

- Automatic system seamlessly transfers between battery and engine power
- The battery has a fully transferable 10-Year/160,000-Kilometre Limited Warranty

Pacifica Touring L Hybrid with S Appearance Package in Bright White

105²⁹MPG_e

ALIGN WITH YOUR ECO-CONSCIOUS MISSION.

A SIMPLE CHOICE FOR GOING GREEN.

From maximizing driving range to saving fuel while reducing emissions, the Pacifica Hybrid conserves resources without compromising versatility and space. Working seamlessly together, the gas and battery operations allow drivers to effortlessly gain efficiency with the choice of power as needed. The Hybrid powertrain offers an astounding 2.7 Le/100 km (105 MPG_e) fuel efficiency rating in city driving,²⁹ easily covering an average daily commute of up to 51 km (32 mi) of all-electric range and a total driving range of up to 835 km (519 mi)²⁷ with a full fuel tank and charge.

EFFICIENT 3.6L PENTASTAR™ V6.

When more power is needed, such as accelerating quickly to merge on the highway, the gas engine is automatically engaged. The powertrain includes a commanding 3.6L Pentastar Variable Valve Timing (VVT) V6 engine that delivers an impressive 260 horsepower. This specially adapted engine works with the electric motor, contributing to Best-in-Class fuel economy ratings of 2.7 Le/100 km (105 MPG_e) city/3.1 Le/100 km (91 MPG_e) highway.²⁹

REGENERATIVE BRAKING.

As part of the Hybrid powertrain, the regenerative braking system functions as a generator to redirect power to the battery, extending the electric range every time you apply the brakes. There is no need for driver action to achieve this benefit; the brake-boost technology automatically shifts into regen mode to allow the engine's power to charge the Hybrid battery when the driver engages the brakes.

Pacifica Touring L Hybrid with S Appearance Package in Bright White

TAKE CHARGE OF YOUR RESOURCES.

PACIFICA HYBRID LARGEST-IN-CLASS UCONNECT® 10.1-INCH TOUCHSCREEN.¹

The Hybrid Electric Pages found in the standard Uconnect 5 system provides vehicle information for Power Flow, Driving History and Charging Schedule. The system includes the intuitive TomTom® Connected Navigation⁷ compatibility along with Dynamic Range Mapping, which can show you how far your charge will get you on your route.

CHARGING SCHEDULE.

The Charging Schedule screen allows you to set when you want your vehicle to charge. To do so, press the box next to the setting “Enable Schedule” until a check mark appears in the box.

DRIVING HISTORY.

The Driving History screen within the Hybrid Electric Pages shows the kilometres driven in both Full-Electric and Hybrid modes for current and previous weeks.

POWER FLOW.

The Hybrid Electric Pages Power Flow screen displays the current power readings and the flow of power as it returns to the vehicle systems.

FIVE-POINT CHARGE LEVEL INDICATOR.

The convenient charge level indicator, positioned on top of the dash, is visible at a glance and from outside the vehicle, so it's easy to identify the battery's charge level from a distance.

DOWNLOAD THE CHRYSLER PACIFICA HYBRID MOBILE APP WITH UPDATED CHARGE STATUS AND CHARGING STATION LOCATOR.

EASY-TO-TRACK HYBRID STATS.

From the Hybrid Electric Pages displayed on the Uconnect® touchscreen to the five-point illuminated charging indicator located on the upper dash, as well as the compatible smartphone app, Pacifica Hybrid features make keeping track of your charge status as simple as a glance.

FULLY CHARGED IN AS LITTLE AS TWO HOURS.

THE POWER OF SAVINGS AND CHOICE.
The Hybrid battery may be charged with a standard Level 1 (120-volt) home outlet or an available Mopar® Level 2 (240-volt) Charger, which can restore full power in as little as two hours.²⁸ The port is located above the driver's-side front fender for convenient access.

Pacifica Pinnacle™ Hybrid in Velvet Red Pearl

EFFICIENCY COACH.
The in-cluster display centre on the Pacifica Hybrid includes a coaching feature to help optimize fuel efficiency by showing a small green light to let you know when you're driving efficiently. When driving beyond the eco-friendly range, the light turns white so you can always be aware of your performance-to-efficiency operation.

ALL-NEW MAX REGEN FEATURE.
The standard, new Hybrid Max Regen-On/-Off cluster message indicates increased energy efficiency while operating in low-gear range (L on shifter) as the electric battery charges during braking and certain driving dynamics — letting you know when you're optimizing Pacifica's Hybrid powertrain.

CHRYSLER GRAND CARAVAN.

HELPING FAMILIES LIVE THEIR BEST LIVES.

As families' lives evolve, so do their demands for a vehicle that offers convenience and versatility. Chrysler invented the minivan and continues to innovate with the Chrysler Grand Caravan. This home away from home gives access to space, efficiency, connectivity and sophisticated design — to help families thrive through every day with the help of over 100 standard and available safety and security features.

| Grand Caravan SXT in Velvet Red Pearl

SEATING FOR SEVEN. STANDARD.

BUILT-IN MULTIMEDIA CENTRE

7-INCH TOUCHSCREEN

Grand Caravan SXT in Velvet Red Pearl

Properly secure all cargo.

WELL-EQUIPPED TO BE ON-OUR-WAY READY.

The Chrysler Grand Caravan provides a stylish and well-equipped family vehicle, prioritizing safety and security combined with spacious versatility. This highly adaptable family vehicle carries seating for seven with expansive storage and Stow 'n Go® seating. The sleek, sporty and functional exterior includes dual power-sliding side doors and 17-inch Tech Silver aluminum wheels. As Canada's Best-Selling Engine;²⁴ the standard 3.6L Pentastar™ Variable Valve Timing (VVT) V6 engine offers an optimal combination of power and efficiency.

SMART TECHNOLOGY.

With the available SafetyTec™ Group, including Pedestrian Automatic Emergency Braking (AEB)²⁰ and Full-Speed Forward Collision Warning with Active Braking²⁰ features, the Grand Caravan applies smart technology to an abundance of passive and active standard and available safety and security features. Drivers will embrace the compatible functionality of the new Uconnect® 5 7-inch touchscreen multimedia centre. This integrated digital hub for media and communication enables the wireless compatibility of Apple CarPlay¹⁵ and Android Auto™¹⁵ to access playlists, maps and more.

The mobile family room offers in-floor storage bins as well as four LATCH-installed child seats. The intuitive interior includes the standard Rotary E-shift dial in the centre stack and available open centre console with storage. The standard 12-way adjustable driver's seat with four-way power lumbar support and memory settings, as well as the standard heated steering wheel, make Grand Caravan built for driver comfort as well as convenience.

A MULTITUDE OF WAYS TO BE EVERYDAY ADAPTABLE.

Virtually limitless storage setups can be configured with the expansive seating and storage space. When third-row seats are stowed in the floor and second-row seats are stowed with the standard second-row Stow 'n Go® seating, an expansive flat cargo space can fit a stack of 4 x 8-foot construction sheets.

CLASS-EXCLUSIVE STOW 'N GO SEATING AND STORAGE.¹

THERE'S A PLACE FOR THAT.

The Chrysler Grand Caravan brings the innovative convenience that the Chrysler minivan lineup is known for, with second- and third-row Stow 'n Go fold-in-floor seating and storage. Simply fold the seats into the floor to make plenty of space for all your cargo. Use the easy-to-access in-floor bins to get even more capacity to store your gear and valuables for safekeeping.

EASY ACCESS.

DUAL POWER-SLIDING SIDE DOORS AND LIFTGATE.

Getting passengers along with their belongings in and out quickly and smoothly is made simple with the touch of a button from the driver's seat to open and close the sliding side doors and liftgate.

KEYLESS ENTER 'N GO.™

This standard passive entry system allows you to open doors as well as start the vehicle with a keyless, push-button ignition via a personalized fob. With the fob on or near you, simply pull the door handle or rear liftgate latch to unlock the vehicle.

Grand Caravan SXT in Brilliant Black Crystal Pearl

Properly secure all cargo.

THE UPSIDE OF DOWNTIME.

PREMIUM ACOUSTICS.

The standard built-in Active Noise Cancellation (ANC) technology subdues unwanted noise to enhance cabin quietness. It also allows for premium sound quality to be delivered through the standard six-speaker audio system.

Properly secure all cargo.

KEYSENSE.

Ideal for families with new drivers, the available KeySense fob promotes safe driving habits and limits distractions. Easily programmed through the Uconnect® touchscreen, KeySense can limit driving speed and audio volume, block select SiriusXM¹³ channels, mute the audio when front seat belts are unfastened and prevent disabling of available active safety systems.

7-INCH IN-CLUSTER DISPLAY CENTRE.

This available premium display delivers crisp, configurable graphics integrated between the cluster gauges. A customizable screen allows for a range of driver-assist settings, such as digital speedometer, fuel economy, alerts for available features like Full-Speed Forward Collision Warning with Active Braking²⁰ and turn-by-turn directions if equipped with navigation.⁷

AT YOUR FINGERTIPS.

UCONNECT® IS YOUR COMMUNICATION CENTRE.

Remain focused on the road as you communicate, and stay entertained with the standard 7-inch Uconnect multimedia centre touchscreen, including a SiriusXM one-year trial subscription.¹³ With your compatible phone paired to the Uconnect 5 system's hands-free technology, the Grand Caravan features integrated voice command⁶ with Bluetooth®, voice text reply,³⁴ Apple CarPlay¹⁵ and Android Auto,^{TM15} allowing you to access playlists, maps and more.

NEW 10.1-INCH UCONNECT 5 TOUCHSCREEN SYSTEM.

The ultimate in convenience comes from technology that makes every day easier. The available 10.1-inch Uconnect 5 touchscreen system brings connected services that make it easy to search and navigate. The 10.1-inch system adds available 4G LTE Wi-Fi Hotspot,⁵ TomTom® Connected Navigation⁷ and Connected Travel and Traffic services, as well as SiriusXM Guardian¹⁸ and SiriusXM with 360L¹³ with one-year trial subscriptions. With processing speeds five times faster than the previous generation, the system has the ability to connect two phones simultaneously with Bluetooth capability.⁶ Additionally, up to six user profiles can be personalized on the home screen for comfort, convenience and entertainment preferences. Available.

SiriusXM¹³ delivers over 150 channels of ad-free music in every genre, exclusive interviews and performances from our studios plus world-class news, live play-by-play sports and the biggest names in comedy. Listen in your car or using the SXM App included in your one-year trial. Available.

Display your favourite iPhone apps right on your Uconnect touchscreen. Access your iTunes library, call anyone in your contacts list or just ask Siri¹⁴ to help you out while you drive. Get directions, make calls and send messages, and connect to Apple Music, all without pausing your drive.¹⁵ Standard.

Connect your AndroidTM phone to bring the best of Google with you in your Uconnect system. Talk to Google on Android Auto¹⁵ and send messages, get directions, control media and more with your voice so you can keep your focus on driving. Just say, "Hey Google" or long-press the voice-control button on your steering wheel. Standard.

ENHANCED CONTROL AND VISIBILITY.

BLIND-SPOT MONITORING.²⁰

When driving forward, the Blind-Spot Monitoring²⁰ continually monitors the vehicle's side blind-spot zones using dual radar sensors. When a side blind spot is encroached, you're notified via an illuminated icon on the appropriate sideview mirror; if the turn signal is activated, an audible notification sounds. This system also includes Rear Cross-Path Detection²⁰ to alert you with an audible warning if vehicles or objects are in your path when driving in Reverse. Available.

PEDESTRIAN AUTOMATIC EMERGENCY BRAKING.²⁰

Works in tandem with the forward camera and braking system to activate when pedestrians are in the vehicle's path and the driver has not taken action to brake. In situations such as stop-and-go traffic, the available system is able to bring the vehicle to a complete stop without any driver intervention, then prompt the driver to press the Resume button or tap the accelerator to reengage once the path is clear.

EIGHT PASSENGER AIR BAGS.²³

Eight standard air bags include front multistage air bags with adaptive venting technology, side-curtain air bags, driver and front-passenger inflatable knee bolster air bags, and front-seat-mounted side-impact air bags. Based on occupant size and impact severity, the front air bags open at varying levels of inflation. Side air bag inflatable curtains extend over front and rear seating rows.

PARK-SENSE® REAR PARK ASSIST WITH STOP.²⁰

When driving in Reverse at low speeds, the rear sensors send out ultrasonic waves and provide visual and audible alerts when nearby obstacles are detected, helping to prevent a potential rear collision in parking situations. Available.

FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING.²⁰

Using radar and camera sensors, this available system detects if the vehicle is approaching another vehicle or large obstacle too rapidly. When an object is detected, the system can provide audible and visual warnings and can assist the driver in avoiding an incident by actively applying the brakes. The driver is able to adjust the sensitivity and activate brake support using the Uconnect® touchscreen multimedia centre.

ADVANCED BRAKE ASSIST.

Applies maximum braking power in emergency braking situations, minimizing stopping distance. This system detects the rate and amount of brake application, then automatically applies optimum pressure to the brakes to help reduce braking distances and prevent a potential collision.

PARKVIEW® REAR BACK-UP CAMERA.²⁰

When driving in Reverse, the standard ParkView Rear Back-Up Camera²⁰ image is shown on the 7-inch Uconnect touchscreen. It includes selectable static or dynamic grid lines, adjusting as the steering wheel is turned. The wide-angle view of what is immediately behind the vehicle provides confidence when backing out of lots and driveways.

ELECTRIC PARK BRAKE WITH SAFE HOLD.

Activated by a button located near the Rotary E-shift dial, the standard Electric Park Brake eliminates the traditional pull park/emergency brake handle. It includes the additional function of Safe Hold, an override feature that can secure the wheels if it detects the driver has exited the vehicle while it's at a standstill but not in the Park gear.

CANADA'S BEST-SELLING ENGINE: 3.6L PENTASTAR™ V6.²⁴

3.6L PENTASTAR VARIABLE VALVE TIMING (VVT) V6 ENGINE.

The 3.6L Pentastar V6 is both commanding and economical. This proven powerhouse delivers an impressive 287 horsepower and 262 lb-ft of torque. Efficiency is further enhanced by standard Engine Stop/Start (ESS) technology that automatically shuts off the engine as the vehicle brakes to a stop, then restarts when the brake pedal is released.

SEGMENT-FIRST 9-SPEED TRANSMISSION.¹

The Grand Caravan is equipped with a standard 9-speed automatic transmission — a primary contributor to a Best-in-Class gas highway fuel economy rating of 8.4 L/100 km (34 mpg).²⁵ Its unique calibration allows for outstanding vehicle launch characteristics, with quick, smooth transitions between gears. The transmission also enables lower engine rpm while cruising at highway speeds for optimal fuel efficiency.

DISCLAIMERS: 1. Based on the latest available competitive information for minivans in the *WardsAuto* Small Van segment. Based on standard and available features. Excludes other vehicles designed and manufactured by FCA US LLC. 2. Based on the latest available competitive information for minivans in the *WardsAuto* Small Van segment. Most luxurious claim based on Chrysler Pacifica Pinnacle model. Excludes other vehicles designed and manufactured by FCA US LLC. 3. Based on the latest available competitive information for minivans in the *WardsAuto* Small Van segment. Second-row Stow 'n Go not available on Hybrid or Pinnacle models. Excludes other vehicles designed and manufactured by FCA US LLC. 4. Vehicle must be in an active and usable cellular range and properly equipped with a Uconnect 5 or Uconnect 5 NAV system and Rear-Seat Entertainment Amazon Fire TV Built-In. Requires a mobile device with Wi-Fi Hotspot service and a linked Amazon account. Wi-Fi data plan and streaming service subscriptions are not included; data charges and overage fees may apply. 5. Three-month/1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 6. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 7. Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 8. Roadside Assistance Call connects you with an agent who will provide Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. 9. In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's GPS location. 10. Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. 11. Stolen vehicle police report required. 12. Send & Go requires a vehicle equipped with Navigation. To use Send & Go, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 13. Your service will automatically stop at the end of your trial subscription. If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services. Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at siriusxm.ca/privacy. 14. Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 15. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. To wirelessly use Android Auto on your car display, you need a compatible Android smartphone with an active data plan. You can check which smartphones are compatible at g.co/androidauto/requirements. 16. Vehicle must be properly equipped with a Uconnect 5 NAV system. Requires a Wi-Fi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. 17. Compatible with properly equipped Uconnect systems on eligible vehicles. Requires registration of vehicle to SiriusXM Guardian connected services and fulfillment of minimum subscription requirements. 18. All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States, Puerto Rico and Canada. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. 19. Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. You must have an active subscription to SiriusXM Guardian in order to use remote services. See Terms of Service for service limitations. 20. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 21. Driving while distracted can result in loss of vehicle control. Only use the FamCAM interior camera when it is safe to do so. 22. Always check entire surroundings visually before proceeding. 23. Always sit properly in designated seating positions with seat belts securely fastened at all times. 24. Based on IHS Markit Automotive Canadian New Vehicle Total Registrations for combined years CY 2015 to CYTD September 2020. 25. Based on *EnerGuide* highway fuel consumption ratings and fuel tank options. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Ask your retailer for the *EnerGuide* information. 8.4 L / 100 km (34 mpg) highway and 12.4 L / 100 km (23 mpg) city on Chrysler Pacifica non-Hybrid models equipped with the 3.6L Pentastar VVT V6 engine and 9-speed automatic transmission. Miles per gallon (MPG) ratings based on imperial gallon. 26. Based on the latest available competitive information for minivans in the *WardsAuto* Small Van segment. Excludes Hybrid models and other vehicles designed and manufactured by FCA US LLC. When properly equipped. 27. Electric range based on *EnerGuide* combined fuel consumption ratings, full battery charge and Hybrid mode. Driving range based on *EnerGuide* combined fuel consumption ratings, fuel tank capacity, full battery charge and Hybrid mode. Your actual driving range will vary based on driving habits and other factors. 28. Requires purchase and professional installation. See Chrysler retailer for details. 29. Based on *EnerGuide* fuel consumption ratings for minivans in the *WardsAuto* Small Van segment. 3.1 L_e/100 km (91 MPG_e) highway. 2021 Chrysler Pacifica Hybrid with 3.6L Pentastar VVT V6 Hybrid engine and eFlite Electrically Variable Transmission. L_e/100 km is an equivalent measure of gasoline fuel consumption for electric energy consumed by Plug-in Hybrid Electric Vehicles (PHEV) operating in electric mode. Miles per gallon equivalent (MPG_e) ratings based on imperial gallon. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. 30. Always drive carefully, consistent with conditions. Always wear your seat belt and obey traffic laws. 31. Only available with automatic transmissions. 32. Vehicle must be locked and system activated for alarm to sound. 33. Not compatible with all garage door openers. 34. Preset voice-to-text messaging and incoming text-message reading require a MAP-enabled phone.
