Iconic ingenuity dedicated to making a statement.

300S IN VELVET RED PEARL

Commanding characteristics.

The distinguished Chrysler 300 portrays luxury and performance from every perspective. The austere stance framed by bold grilles, wheels and lighting to efficiently robust powertrains, available leather interiors and advanced technologies make this star ready for the limelight. The smooth and dynamic ride and handling are enhanced by the Class-Exclusive All-Wheel Drive (AWD) with front-axle disconnect,^{1*} available on all V6 models, along with Best-in-Class AWD fuel efficiency.²

Demanding performance.

The imposing style of the Chrysler 300 is much more than surface as its premium engineering is ready to perform with Canada's Best-Selling Engine,³ the standard 3.6L Pentastar™ Variable Valve Timing (VVT) V6, and Class-Exclusive TorqueFlite® 8-speed automatic transmission.¹ Additionally, the available 5.7L HEMI® VVT V8 offers surprising power, with the efficiency of a much smaller engine, thanks to its FuelSaver Multi-Displacement System (MDS) Technology.

QUILTED LEATHER INTERIOR

CHROME GRILLE SURROUND

*A note about this catalogue: all disclosures can be found on the last page.

Comfort worth sharing.

The roomy and functional Chrysler 300 interior makes for a ride that's both luxurious and family-friendly, with Best-in-Class passenger volume¹ and seating for five. You'll enjoy comfort in any climate thanks to the available heated and ventilated leather-faced front seats and heated steering wheel. Rear-seat occupants will enjoy amenities like climate control outlets and available heated seats, as well as access to USB ports.

The luxury of convenience.

The available Remote Start System⁵ allows the driver's heated seat and the heated steering wheel to automatically activate based on outdoor temperature. Driver conveniences, like standard Keyless Enter 'n Go™ with proximity entry and push-button start and the smooth, automatic gear selection of the Class-Exclusive electronic Rotary E-shift,¹ are nearly effortless.

300C WITH PREMIUM INDIGO/LINEN NAPPA LEATHER INTERIOR

Craftsmanship you can feel.

Drivers and passengers of the 300C will be immersed in the comfort of premium quilted Nappa leather-faced seats, while the rich interior's matte-finish Mocha real-wood accents offer luxurious craftsmanship. A luxury leather-wrapped, heated steering wheel adds a layer of warmth you can feel, while each detail serves its purpose of functional and elegant design. Distinctive amenities include touchpoints like an available leather-wrapped dash, door bolsters and centre console, as well as the ultimate convenience of Class-Exclusive heated and cooled front cup holders.¹

Largest touchscreen in its class.¹

Uconnect[®] is your communication centre.

Stay entertained and connected while focused on the road with the expansive 8.4-inch touchscreen Media Hub.⁶ The standard Uconnect 4C multimedia centre displays climate and multimedia controls along with radio settings. The standard Drag-and-Drop Menu Bar allows you to keep your favourite Uconnect services on the main screen.

Hands-free communication.

With your compatible phone paired to the Uconnect system, Voice Text Reply⁷ can announce and read incoming texts. Siri Eyes Free⁸ allows you to make voice commands with your iPhone 4s or later, and Do Not Disturb can route incoming calls to voice mail and suppress texts or send automated replies, keeping your hands on the wheel and your eyes on the road.⁶

Infotainment

Apple CarPlay⁹ shown on touchscreen.

Ground-level amenities.

7-inch in-cluster display centre.

This premium display delivers digital graphics integrated between the cluster gauges. A customizable screen allows for a range of driver-assist settings, such as a digital speedometer, fuel economy, alerts for available features like Forward Collision Warning with Active Braking¹⁰ or Park-Sense[®] Front and Rear Park Assist,¹⁰ and turn-by-turn directions if equipped with navigation.¹¹

androidauto

Designed with safety and convenience in mind, Android Auto^{TM9} gives you the right information for the road ahead. Easily access your favourite music with Google Play Music, and get where you need to go with Google Maps. With Google Assistant on Android Auto, you can keep your eyes on the road and your hands on the wheel while using your voice to help you with your day. Just say, "Hey, Google."

The smarter, safer way to use your iPhone inside your vehicle. Plug in to seamlessly integrate with Uconnect.[®] You can use the touchscreen or Siri⁸ to make calls, access Apple Music, send and receive messages, get directions optimized for traffic conditions, and more while staying focused on the road.⁶

The advanced standard in-vehicle SiriusXM Guardian¹² connectivity provides help when you need it most with Roadside Assistance Call¹³ and SOS Call¹⁴ from your touchscreen or rearview mirror button. The Uconnect mobile app helps to keep you connected by turning your phone into your vehicle's command centre. The one-year trial subscription includes Remote Vehicle Start¹⁵ to start your car and the ability to lock or unlock the doors from virtually anywhere, as well as Stolen Vehicle Assistance¹⁶ alerts, Send & Go¹⁷ and much more.

A one-year SiriusXM¹⁸ subscription is standard and includes over 140 channels of ad-free music, sports, news and exclusive content. It also allows you to receive alerts when your favourite song, artist or team is playing on another channel. Instant Replay lets you pause and rewind programs, songs and broadcasts. Tune Start ensures you never miss a beat by starting songs from the beginning when switching between preset channels.

SiriusXM TRAFFIC PLUS SiriusXM TRAVEL LINK

SiriusXM Traffic Plus¹⁹ works with the vehicle's navigation¹¹ system to display traffic and accident information to assist in routing around congested areas. SiriusXM Travel Link provides real-time local fuel prices, weather conditions, sports scores and movie times. SiriusXM Traffic Plus and SiriusXM Travel Link include a five-year trial subscription. Available with the Uconnect 4C NAV¹¹ system.

Surround Sound.

The harman/kardon® Premium Audio System, available on 300 Limited and 300C, gives a powerful and perfectly tuned audio experience. The 19-speaker multichannel Surround Sound immerses you and your passengers in optimum music playback realism.

harman kardon®

The ultimate in essential compatibility for communication and entertainment.

Always online.

Uconnect® 4G LTE Wi-Fi²⁰ makes securing the perfect location to get online simple with a built-in hotspot that connects to your personal Wi-Fi account. With a trusted nationwide network, you're always connected for up to eight devices — within 15 metres (50 feet) of your vehicle.

SiriusXM Guardian.¹²

- Remote start your engine or cancel remote start¹⁵
- Lock or unlock your vehicle doors
- Vehicle Finder²¹
- Activate the horns and lights remotely
- Check tire pressure, fuel level or oil life
- Send destinations to your vehicle's navigation¹¹ system

Alexa skill²² for Chrysler.

With Uconnect services, now you can command your vehicle using your voice. Just ask your Uconnect registered Alexa device from the comfort of your home!

Best-in-Class V6 fuel efficiency⁴ – 7.8 L/100 km (36 mpg) hwy.

Canada's Best-Selling Engine.³

The standard 3.6L Pentastar™ Variable Valve Timing (VVT) V6 yields a Best-in-Class V6 fuel efficiency rating⁴ of 7.8 L/100 km (36 mpg) highway* while producing a robust 292 hp and 260 lb-ft of torque (300 hp and 264 lb-ft on 300S). All-Wheel-Drive (AWD) models benefit from an active transfer case with front-axle disconnect, helping to make it the most technologically advanced AWD system in its class.¹ Achieving a Best-in-Class AWD fuel efficiency² rating of 8.7 L/100 km (32 mpg) highway,* the system seamlessly transfers from Rear-Wheel Drive (RWD) to AWD as needed, returning to RWD when driving conditions warrant to maximize fuel economy.

*Based on 2020 *EnerGuide* ratings. See page 14 for full details.

Legendary 5.7L HEMI® VVT V8 with FuelSaver Technology.

Canada's Best-Selling V8 Engine,²⁵ the available 5.7L HEMI VVT V8 with FuelSaver Multi-Displacement System (MDS) Technology, delivers an impressive combination of V8 horsepower and a remarkable fuel efficiency rating of 9.4 L/100 km (30 mpg) highway.* The engine is optimized by the Class-Exclusive TorqueFlite® 8-speed automatic transmission.¹ FuelSaver MDS seamlessly alternates between four-cylinder mode — when less power is needed — and all eight cylinders when required. The result with all eight cylinders activated is acceleration that meets your demands with 363 hp and 394 lb-ft of torque.

Cue the Sport effects.

Sport mode amplifies the ride and handling experience on 300S and 300C models by selecting the S gear on the Rotary E-shift dial. It enables more aggressive engine and transmission response, increased accelerator-pedal engagement, manual shifting controlled by the steering wheel-mounted paddle shifters, and Sport-tuned Electric Power Steering for enhanced handling. Sport mode can also be activated by the Sport button on the centre stack.

363 HP
394 LB-FT Torque

Class-Exclusive TorqueFlite 8-speed automatic transmission.¹

The standard TorqueFlite 8-speed automatic transmission provides world-class shift quality, outstanding fuel efficiency and commanding performance thanks to a wide gear-ratio spread. A low first gear ensures quick takeoff, while close fifth- through eighth-gear ratios deliver smooth shifting and a lower cruising RPM for refined performance and optimal fuel efficiency.

300S IN BRIGHT WHITE

A blue Chrysler 300 is shown from a front-three-quarter view, driving on a snow-covered city street. The car is in motion, as indicated by the blurred background and the snow spray from the tires. The background features historic city buildings with arched windows and doorways. The overall scene is set in a winter environment.

Seamless All-Wheel Drive for all-weather confidence.

The most technologically advanced All-Wheel-Drive (AWD) system in its class.¹

Available on all 3.6L V6 engine models, the AWD system automatically engages based on driving conditions. It activates when wheel-slip is detected, wipers are activated, Sport mode is engaged or the steering wheel-mounted paddle shifters are activated. This advanced AWD system also activates when the outside temperature dips below approximately 4 °C (40 °F) or when road slope significantly changes. The system's design provides a seamless transition between RWD and AWD, resulting in optimum all-weather performance while delivering Best-in-Class AWD fuel economy.²

300 LIMITED IN OCEAN BLUE METALLIC

300S

Street savvy style.

Make a bold and distinctive statement on 300S with the new Red S Appearance Package, offering new Red S Black Noise exterior badging, Red insert on the Chrysler wing badge and new 20-inch Black Noise aluminum wheels. Opt for a vivid interior with Radar Red Nappa leather-faced Sport bucket seats on Red S to bypass basic on a daily basis.

300S IN GLOSS BLACK

Designed to illuminate.

The 300S adds unique Black bezels to the headlamps and taillamps, along with LED fog lamps and a Gloss Black daylight opening surround moulding, presenting an illuminated attitude. The available High Intensity Discharge headlamps and Auto High-Beam Headlamp Control automatically adjust to optimize the driver's view of the road ahead.

Performance appearance.

The unequivocal 300S exterior demeanour displays a Black Chrome surround with the Gloss Black "S" grille, a Black Chrome lower front-fascia accent strip, 20-inch Black Noise aluminum wheels on Rear-Wheel-Drive models and an available Black roof to make a bold statement.

A perfect match.

Equipping the 300S with the forceful 5.7L HEMI® Variable Valve Timing V8 engine mates to the S Model Appearance Package, also available on V6 models, including body-colour rear spoiler and fascia accent, sculpted side sills, lower grille close-out panels and premium LED fog lamps, boosting the road-hugging style.

Switch it to Sport mode.

Black or Black/Smoke two-tone Nappa leather-faced performance seats contrasted with Light Diesel stitching are the marque of the 300S interior style. The leather-wrapped steering wheel with paddle shifters and accent stitching further display this model's performance attributes as inspired drivers turn to Sport mode and turn up the dynamic driving experience. Optional Radar Red interior is available with the Red S Appearance package.*

*Late availability.

80 +

Standard and available safety and security features.

The Chrysler 300 offers a host of automatically reactive safety and security features to enhance your control and visibility even on the busiest of roads, lots and driveways.

PARK-SENSE® FRONT AND REAR PARK ASSIST¹⁰

When driving at low speeds, the available Park-Sense Front and Rear Park Assist¹⁰ uses ultrasonic sensors in the front and rear of the vehicle to detect stationary objects in front of and behind the vehicle. The system alerts you with an audible chime and visual icon in the instrument panel if your vehicle approaches another object too closely.

BLIND-SPOT MONITORING (BSM) WITH REAR CROSS-PATH DETECTION¹⁰

Continually monitoring the vehicle's side blind spots using radar sensors when driving forward, the available BSM¹⁰ system alerts you of detected objects. An indicator illuminates in the appropriate sideview mirror, and if the turn signal is activated, an audible notification sounds. When in Reverse, Rear Cross-Path Detection¹⁰ automatically monitors for objects and vehicles perpendicular to the vehicle — ideal when backing out of tight parking spaces.

FORWARD COLLISION WARNING WITH ACTIVE BRAKING¹⁰

Using radar and camera technology, this available system alerts you when your vehicle gets too close to a preceding vehicle. If you don't react, the system can automatically activate your brakes, slowing and stopping your vehicle to help prevent a collision.

ADAPTIVE CRUISE CONTROL (ACC) WITH STOP¹⁰

Utilizing radar and video sensors, this available feature identifies vehicles in the forward path and maintains a safe, driver-selectable distance. Under certain traffic conditions, ACC with Stop¹⁰ has the ability to bring the vehicle to a full stop without driver intervention. After bringing the vehicle to a stop, the system will hold the brakes for two seconds before releasing, which requires the driver to take control and manually apply the brakes if a longer stop is required.

LANE DEPARTURE WARNING (LDW) WITH LANE KEEP ASSIST¹⁰

With a forward-facing camera mounted inside the rearview mirror, this available system can gauge the vehicle's position and movement between the road lines. If the LDW¹⁰ system detects the vehicle drifting out of its lane without turn signal activation, the driver is warned through a slight nudge in the steering wheel. If the drift is not manually corrected, the Electric Power Steering system can realign the vehicle to its correct lane position.

ELECTRONIC STABILITY CONTROL (ESC)²⁴

In adverse conditions, ESC²⁴ and Brake Assist work with an All-Speed Traction Control System to help maintain vehicle stability, limit oversteer or understeer, and selectively apply brake force when needed.

300 TOURING

POWERTRAIN

- 3.6L Pentastar™ Variable Valve Timing (VVT) V6 with TorqueFlite® 8-speed automatic transmission
- Rear-Wheel Drive (RWD)
- All-Wheel Drive (AWD) (includes 19-inch wheels) — Available

DISCLAIMERS: 1. Based on the latest available competitive information and *WardsAuto* Large/Regular Car segmentation. Excludes other vehicles designed and manufactured by FCA US LLC. 2. Based on *WardsAuto* Large/Regular Car segmentation and *EnerGuide* fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. 12.8 L/100 km (22 mpg) city and 8.7 L/100 km (32 mpg) highway on Chrysler 300 AWD with 3.6L Pentastar VVT V6 engine and 8-speed automatic transmission. Ask your retailer for *EnerGuide* information. 3. Based on IHS Markit Automotive Canadian New Vehicle Total Registrations for CY 2014 to CYTD September 2019. 4. Based on *WardsAuto* Large/Regular Car segmentation and *EnerGuide* fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. 12.4 L/100 km (23 mpg) city and 7.8 L/100 km (36 mpg) highway on Chrysler 300 RWD with 3.6L Pentastar VVT V6 engine and 8-speed automatic transmission. Ask your retailer for *EnerGuide* information. 5. Only available with automatic transmissions. 6. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 7. Preset voice-to-text messaging and incoming text message reading require a MAP-enabled phone. 8. Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 9. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. Android Auto requires the Android Auto App on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates may apply. 10. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. 11. Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 12. All SiriusXM Guardian equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. 13. Roadside Assistance Call provides direct calling to Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. 14. In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's location. 15. Remote Vehicle Start is not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. You must have an active subscription to SiriusXM Guardian in order to use remote services. See Terms of Service for service limitations. 16. Stolen vehicle police report required. Always notify law enforcement if your vehicle is stolen and do not attempt to recover it on your own. 17. Send & Go requires a vehicle equipped with Navigation. To use Send & Go, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 18. Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. 19. SiriusXM Traffic Plus and SiriusXM Travel Link require a subscription, sold separately or as a package, by SiriusXM Radio Inc. **If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.ca for complete terms and how to cancel, which includes calling SiriusXM at 1-866-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. 20. Three-month/1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. WiFi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 21. To use Vehicle Finder, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 22. Compatible with properly equipped Uconnect systems on eligible vehicles. Requires registration of vehicle to SiriusXM Guardian connected services and fulfillment of minimum subscription requirements. Late availability. Amazon, Alexa and all related logos and marks are trademarks of Amazon.com, Inc. or its affiliates. 23. Based on IHS Markit Total Canadian New Vehicle Registrations with 8-cylinder engines for the combined years CY 2014 to CYTD August 2019. 24. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 25. The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 26. Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 27. Not compatible with all garage door openers.
