## AWARDS

## 2011 FUEL ECONOMY \*

Fuel Economy – L/100 KM (MPG)	City	Highway
2.4L I-4 with 4-speed automatic	9.9(29)	6.7(42)
2.4L I-4 with 6-speed automatic	10.5(27)	6.4(44)
3.6L Pentastar V6 with 6-speed automatic	11.0(26)	6.8(42)

\* 2012 ratings not available at time of printing

(1)Based on Ward's 2011 Mid-size Sedan segmentation. (2) Top Safety Pick is an award issued by the Insurance Institute for Highway Safety. (3) No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. (4) Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. (5) Always use seat belts. Children 12 and under should always be in a back seat correctly using an infant or child restraint system, or the seat belt properly positioned, dependent on the child's age and weight. (6) Requires SIRIUS Radio. Subscriptions governed by SIRIUS Terms and Conditions available; at siriuscanada.ca. (7) Must use Bluetooth® compatible phone. (8) Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. Navigation function uses part of the 30 GB capacity. Visit [chrysler.ca](http://chrysler.ca) for complete details. † Prices as shown are MSRP. Excludes freight (\$1,400), air tax (\$100), insurance, registration, license, retailer administration fees, new tire. Duties in Quebec and dealer accessories are not included. Retailer may sell for less. Printed June 2011.
