Celebrating 35 years in minivan leadership.

Here's to the moments in between.

As the most innovative minivan in its class,^{1*} the Chrysler Pacifica continues to reinvent from one generation to the next, offering highly efficient fuel and hybrid powertrains, Class-Exclusive Stow 'n Go¹ seating and storage,¹ Uconnect[®] Theatre with built-in games and apps, and Class-Exclusive hands-free power liftgate and dual sliding side doors.¹ With spacious seating for up to eight,[†] over 100 standard and available safety and security features, smart technology and Best-in-Class entertainment,¹ Pacifica is the most family-friendly minivan in its class.¹

Tech-savvy families will embrace the compatible functionality of the available Largest-in-Class 8.4-inch Uconnect touchscreen multimedia centre.¹ This integrated digital hub for media and communication enables Apple CarPlay² and Android Auto^{TM2} to access playlists, maps and more.

*A note about this catalogue: all disclaimers and disclosures can be found on the last page. [†]Eight-passenger seating not available on the Pacifica Hybrid.

Open and airy.

The spacious Pacifica interior is visually expanded with the available Class-Exclusive Tri-Pane Panoramic Sunroof.¹ Passengers will appreciate awe-inspiring views through the overhead glass, as well as take in the breeze and sunlight, or they can close the shades for an instant cool-down effect. The structural design of Pacifica also offers wide-landscape side windows for high-definition panoramic sightseeing.

HYBRID LIMITED INTERIOR IN ALLOY
WITH BLACK ACCENT PIPING

Properly secure all cargo.

INTERIOR 4

The carpool clubhouse.

With the versatility of up to eight-passenger seating* on the Pacifica, you'll appreciate the intuitive interior's ability to help you comfortably run the show like a well-oiled machine. The optional premium, ergonomically designed leather-faced seats on Pacifica and Pacifica Hybrid are available heated and ventilated. Designed-in conveniences, like a standard Rotary E-shift dial in the centre stack and available open centre console with storage, 12-way power adjustable driver's seat, including four-way power lumbar support, memory settings and heated steering wheel, make Pacifica and Pacifica Hybrid built to back up the one in charge.

PACIFICA LIMITED INTERIOR IN ALLOY WITH CRANBERRY WINE ACCENT STITCHING AND PIPING

Comfort zone.

Since temps inside and out are constantly changing, the Pacifica and Pacifica Hybrid cabins offer premium features to keep everyone consistently comfortable. The available heated steering wheel can be operated using controls on the Uconnect® touchscreen, while the available Tri-Zone Automatic Temperature Control includes a rear-seat panel. Remote start-equipped models allow the available heated steering wheel and heated and ventilated front seats to be programmed to activate when the remote start²² feature is used.

*Eight-passenger seating not available on the Pacifica Hybrid.

Unmatched passenger and cargo versatility.

Bring it all.

Your essentials may be many, but Pacifica makes getting settled simple. The available Stow 'n Go® system provides intuitive, easy operation with a smooth, single-motion fold-and-stow process for the fold-in-floor second-* and third-row seats. Hybrid model second-row seats are removable for flat cargo space. With rear seats in the upright position, in-floor bins keep sports equipment, toys and backpacks in their place and easy to get to.

Always within reach.

You'll stay organized and tidy with clever storage like cup holders, pockets and sliding drawers, while your purse or wallet finds the perfect landing spot nearby without getting in the way. The available Super Console and stack drawer allow easy access to smaller items, and inputs for 12-volt and USB charging, while keeping your elbow room clear.

Properly secure all cargo.

Easy does it.

Passengers can easily climb into the third row using the Easy Tilt seat feature. The second-row seats shift forward, with or without a child seat installed, at the pull of a lever. Alternatively, third-row passengers* can simply pull the Stow 'n Go strap before entering the third row (if a child seat is not installed).

*Gas model only.

Properly secure all cargo.

Cargo capacity.

Versatility is virtually endless with the most innovative minivan in its class.¹ Third-row Stow 'n Go offers easy access to rear bins from the liftgate. With all rear seats stowed or removed, 3,979 L (140.5 cu ft) of cargo space means loading up is as easy as loading in.

Where pragmatic meets pure magic.

The ultimate convenience of available power sliding side doors and liftgate with features that promote passenger independence will spark joy all around.

Stress-free key security.

Ideal for families with new drivers, the available KeySense programmable key fob helps promote safe driving habits and limit distractions. Using a four-digit PIN that is programmed through the Uconnect® touchscreen, the KeySense fob can limit vehicle speed and audio volume, and block select SiriusXM satellite radio³ channels. KeySense will also mute the audio when front seat belts are not buckled and prevent disabling of available active safety systems.

Class-Exclusive hands-free power sliding side doors and liftgate.¹

A single kick motion under the sliding side doors or liftgate opens the vehicle when the key fob is with you. Whether you're carrying packages or a sleeping baby, loading has never been smoother.

Uconnect® Theatre: the most advanced entertainment system in its class.¹

Properly secure all cargo.

2ND-ROW UCONNECT THEATRE

Industry-leading rear-seat entertainment.¹

Rear passengers have plenty of options to pass the time with the available Uconnect Theatre, allowing them to watch movies, play built-in games and connect personal devices to stream content throughout the vehicle. The system enables second-row occupants to connect their devices wirelessly or by using USB and HDMI connectivity.

Mobile theatre and game console.

Dual, 10.1-inch, HD rear-seatback-mounted touchscreens include eight built-in games and apps in the second-row Uconnect Theatre, allowing separate media to display simultaneously. Curious minds in the backseat will stay engaged with the convenience of wireless headphones and Bluetooth® touchpad remotes.

First-row content control.

The available Blu-ray™/DVD player with integrated USB port in the first-row centre stack can be used to play movies on the two front-seatback-mounted Uconnect Theatre 10.1-inch touchscreens. Using the Largest-in-Class 8.4-inch touchscreen,¹ parents can mute, turn off and/or lock out content displayed on each rear screen.

Premium acoustics.

The standard built-in Active Noise Cancellation (ANC) technology subdues unwanted noise to enhance cabin quietness. It also allows for premium sound quality to be delivered through the standard 6-speaker audio system, available Alpine® 13-speaker system or available Class-Exclusive harman/kardon® 20-speaker Surround Sound system,¹ creating a mobile soundstage.

Uconnect® is your communication centre.

Largest-in-Class 8.4-inch touchscreen.¹

Remain focused on the road, with your hands on the wheel, as you communicate, navigate and stay entertained with the standard 7-inch or the available Largest-in-Class 8.4-inch Uconnect multimedia centre touchscreen.¹ The system displays climate and multimedia controls and an available memory feature to save preferred seat, mirror and radio settings.

With your compatible phone paired to the system's hands-free⁴ Bluetooth® technology, Voice Text Reply⁵ can announce and read incoming texts and reply with preformatted responses. Siri Eyes Free⁶ allows you to make voice commands⁹ with your compatible iPhone, and Do Not Disturb can hold calls and texts or send automated replies.

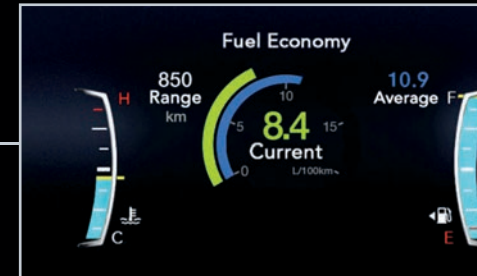

3D navigation imagery.

Identifying your whereabouts is an exact science with the available Uconnect 4C NAV system's integrated navigation,⁷ including 3D landmarks, city models, digital terrain maps, enhanced graphics and one-step voice destination entry.

Infotainment

Your tech menu on demand.

7-inch in-cluster display centre.

This available premium display delivers crisp, configurable graphics integrated between the cluster gauges. A customizable screen allows for a range of driver-assist settings, such as digital speedometer, fuel economy, alerts for available features like Full-Speed Forward Collision Warning with Active Braking⁸ or Parallel and Perpendicular Park Assist,⁸ and turn-by-turn directions if equipped with navigation.⁷

This advanced in-vehicle connectivity offers a Wi-Fi Hotspot¹⁰ and help when you need it most with Roadside Assistance Call¹¹ and SOS Call¹² from your touchscreen or rearview mirror button. The available mobile app helps to keep you connected by turning your phone into your vehicle's command centre. The one-year subscription includes Remote Vehicle Start¹³ to start your car and unlock the doors from virtually anywhere through the Uconnect[®] App, as well as Stolen Vehicle Assistance alerts,¹⁴ Send & Go¹⁵ and much more.

SiriusXM Traffic¹⁶ is an available feature that works with the vehicle's navigation system⁷ to display traffic and accident information to assist in routing around congested areas. The available SiriusXM Travel Link¹⁶ offers real-time local fuel prices, weather conditions, sports scores and movie times.

SiriusXM satellite radio³ includes over 120 music, news, sports and specialty channels and is available with a one-year subscription. It also allows you to receive alerts when your favourite song, artist or team is playing on another channel. Instant Replay lets you pause and rewind programs, songs and broadcasts. SiriusXM Tune Start ensures you never miss a beat by starting songs from the beginning when switching between preset channels.

A smarter, safer way to use an iPhone while plugged in inside your vehicle, and seamlessly integrate it with the Uconnect touchscreen and Siri voice control.⁹ The compatibility allows you to make calls, access music, send and receive messages, get directions optimized for traffic conditions, and more while staying focused on the road.

Designed with safety and convenience in mind, Android Auto^{TM2} gives you the right information for the road ahead. Easily access your favourite music with Google Play Music, and get where you need to go with Google Maps.TM With your Google Assistant on Android Auto,² you can keep your eyes on the road and your hands on the wheel while using your voice to help you with your day. Just say, "Ok, Google."

100+

2019 IIHS TOP SAFETY PICK

When equipped with optional front crash prevention and specific headlights.

Standard and available safety & security features. As an extension of caring for your family, the Chrysler Pacifica and Pacifica Hybrid stand for what matters most: advanced safety and security features that bring you peace of mind, no matter who's behind the steering wheel.

PARALLEL AND PERPENDICULAR
PARK ASSIST[®]

When activated by the driver, the available Parallel and Perpendicular Park Assist[®] can locate a suitable parking spot and manoeuvre the vehicle into a perpendicular or parallel space. The automatic system will control steering-wheel turns as the driver controls the gears, brake and accelerator.

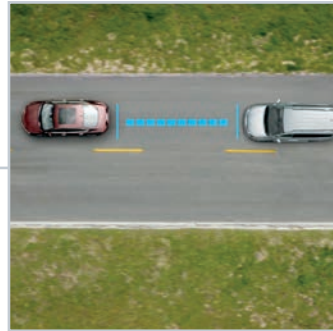

BLIND-SPOT MONITORING[®]

When driving forward, the available Blind-Spot Monitoring[®] continually monitors the vehicle's side blind zones using dual radar sensors. When a side blind spot is encroached, you're notified via an illuminated icon on the appropriate sideview mirror; if the turn signal is activated, an audible notification sounds. This system also includes Rear Cross-Path Detection[®] to alert you with an audible warning if vehicles or objects are in your path when driving in Reverse.

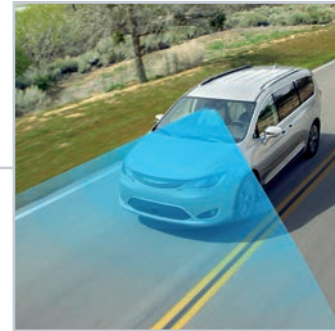

FULL-SPEED FORWARD COLLISION
WARNING WITH ACTIVE BRAKING[®]

Using radar and video sensors, this available system detects if the vehicle is approaching another vehicle or large obstacle too rapidly. When an object is detected, the system can provide audible and visual warnings and can assist the driver in avoiding an incident by actively applying the brakes. The driver is able to adjust the sensitivity and activate brake support using the Uconnect[®] touchscreen multimedia centre.

ADAPTIVE CRUISE CONTROL
WITH STOP AND GO[®]

By using radar and video sensors, this available system can automatically adjust cruising speed based on preset speed and vehicle distance settings. In certain conditions, such as stop-and-go traffic, the system is able to bring the vehicle to a complete stop without any driver intervention, then prompt the driver to press the Resume button or tap the accelerator to reengage to safe-range speeds as traffic begins to move.

LANE DEPARTURE WARNING WITH
LANE KEEP ASSIST[®]

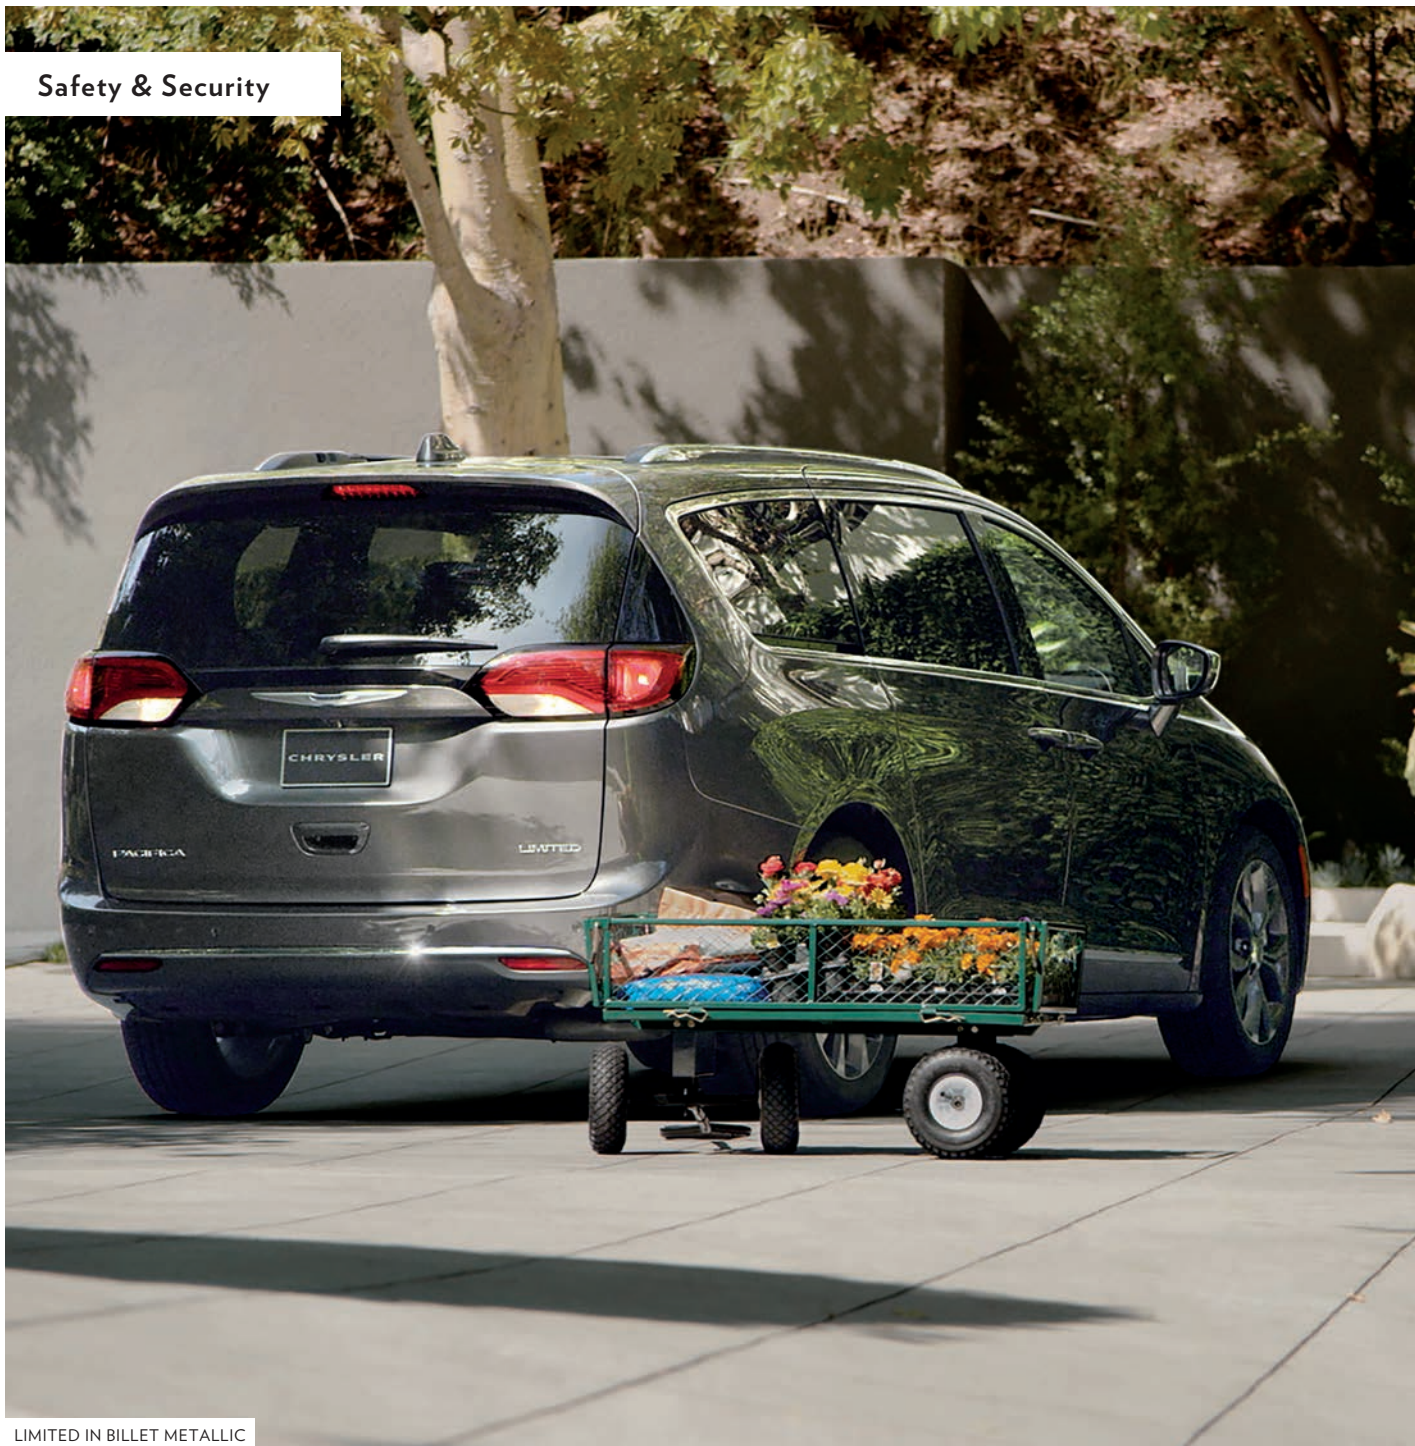

A forward-mounted camera assesses the vehicle's position within a lane. If this available system detects the vehicle is drifting out of its lane without the driver using the indicators, it can warn the driver visually and through a vibration in the steering wheel. If the driver does not respond to the warnings, Lane Keep Assist[®] can help gently nudge the vehicle back into the lane by adjusting the steering.

PARK-SENSE[®] FRONT AND
REAR PARK ASSIST WITH STOP[®]

The available network of front and rear sensors sends out ultrasonic waves when driving at low speeds and can provide visual and audible alerts about nearby obstacles. Park-Sense Rear Park Assist with Stop[®] can automatically apply the brakes to prevent a potential rear collision in parking situations.

Safety & Security

LIMITED IN BILLET METALLIC

Available 360° eyes on the ground.

Surround-view display.

During low-speed driving situations like parking or backing out of your driveway, the available 360° Surround-View Camera[®] delivers a new level of technology, providing a bird's-eye perspective of the vehicle and its surroundings on the available Largest-in-Class 8.4-inch touchscreen.¹

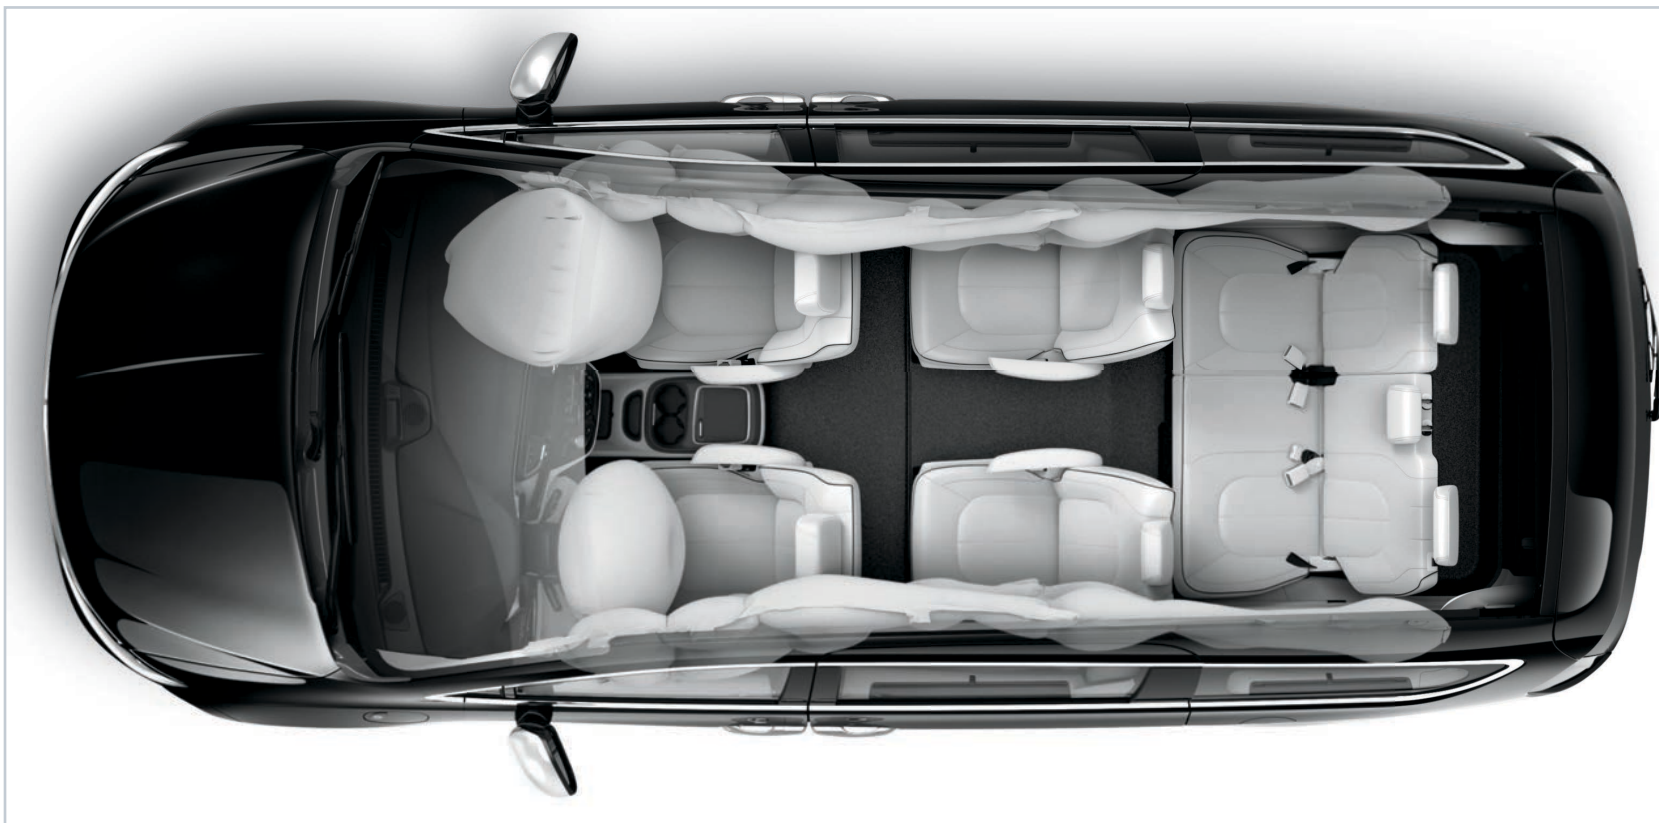

ParkView[®] Rear Back-Up Camera.⁸

When driving in Reverse, the standard ParkView Rear Back-Up Camera⁸ image is shown on the 7-inch or available Largest-in-Class 8.4-inch Uconnect[®] touchscreen.¹ It includes selectable static or dynamic grid lines, adjusting as the steering wheel is turned. The wide-angle view of what is immediately behind your vehicle allows you to better access a clear path for backing out of parking spots.

Safety & Security

Equipped to protect.

Eight standard air bags¹⁷ include front multistage air bags¹⁷ with adaptive venting technology, side-curtain air bags,¹⁷ driver and front-passenger inflatable knee bolster air bags,¹⁷ and front-seat-mounted side-impact air bags.¹⁷ Based on occupant size and the severity of impact, the front air bags¹⁷ open at varying levels of inflation. Side air bag inflatable curtains¹⁷ extend over both front and rear seating rows.

SafetyTec™ packages.

Two package options bundle advanced safety features to enhance driver and passenger safety and security.

The SafetyTec Group content includes Park-Sense® Rear Park Assist with Stop⁸ and Blind-Spot Monitoring⁸ with Rear Cross-Path Detection⁸.

The Advanced SafetyTec Group includes Full-Speed Forward Collision Warning with Active Braking⁸, Adaptive Cruise Control with Stop and Go⁸, Lane Departure Warning with Lane Keep Assist⁸ and more.

Advanced lighting technology.

Providing a bright spot in any lane, the available automatic quad-halogen projector headlamps and premium fog lamps offer controlled illumination for increased visibility. Available High Intensity Discharge (HID) headlamps, LED daytime running lamps (DRLs) and LED fog lamps provide enhanced road presence, while LED taillamps produce a distinctive and highly refined illuminated halo. Available Auto High-Beam Headlamp Control adjusts brightness based on ambient light and oncoming traffic.

Electric Park Brake with SafeHold.

Activated by a button located near the Rotary E-shift dial, the standard Electric Park Brake switch eliminates the traditional pull park/emergency brake handle. It includes the additional function of SafeHold, an override feature that can secure the wheels if it detects the driver has exited the vehicle while it's at a standstill but not in the Park gear.

Chrysler Pacifica S Appearance Package.

Bypass basic on a daily basis.
The athletic S Appearance Package offers an extra dose of attitude for Pacifica gas and hybrid models.

S Appearance Package

- Unique 18- or available 20-inch* Black Noise aluminum wheels

CHRYSLER PACIFICA ENGINE

Canada's Best-Selling engine¹⁸:
3.6L Pentastar™ V6.

BEST-IN-CLASS TOWING – 3,600 LB (1,633 KG)¹⁹

Best-in-Class towing — 3,600 lb (1,633 kg)¹⁹

Whether it's loading up the trailer with home improvement supplies, loading in garage sale finds or pulling the camper, you'll easily get it done with a towing capacity of up to 3,600 lb (1,633 kg).¹⁹ When you're pulling that much weight, it's nice to know the available Trailer Sway Control (TSC) will help keep you safely on course.

Properly secure all cargo.

LIMITED IN VELVET RED PEARL

3.6L Pentastar™ V6 engine.

Choosing the gasoline-powered Pacifica means choosing the 3.6L Pentastar V6, which is both commanding and economical. This proven V6 powerhouse delivers an impressive 287 horsepower and 262 lb-ft of torque. Efficiency is further enhanced by standard Engine Stop/Start (ESS) technology that automatically shuts off the engine as the vehicle brakes to a stop, then seamlessly restarts it when the brake pedal is released.

287 HP
262 LB-FT
Torque

**Segment-First
9-speed transmission¹**

The Pacifica is equipped with a standard 9-speed automatic transmission — a primary contributor to an unsurpassed highway fuel economy rating of 8.4 L/100 km (34 mpg).²⁰ Its unique calibration allows for outstanding vehicle launch characteristics, with quick, smooth transfers between gears. The transmission also enables lower engine rpm while cruising at highway speeds and, in turn, optimal fuel efficiency.

240+ ways to be everyday adaptable.

Room to go in bulk, with seating for up to eight passengers.*

The mobile family room offers up to 243 different seating configurations, with available seating for eight* on properly equipped models, including a lightweight, removable second-row centre seat. With the second- and third-row seats stowed in the floor and the eighth seat removed, an expansive flat cargo space can fit several 4 x 8-foot sheets of plywood. With the seatback folded forward, the eighth seat offers an additional armrest, cup holder and storage bin for the second-row passengers.

Properly secure all cargo.

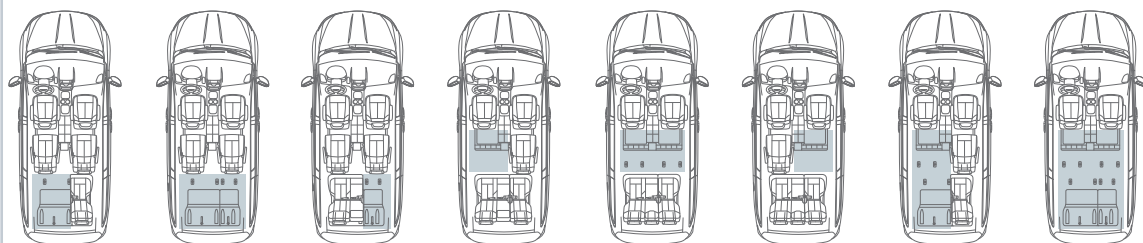

LIMITED INTERIOR IN DEEP MOCHA

Auto Advance'n Return.

The available Class-Exclusive Auto Advance 'n Return feature¹ makes stowing gear or the seats in second-row in-floor bins* as simple as pressing a button that automatically slides power-equipped front seats forward to allow for bin access. Press the button again, and the front seat returns to its original position, including recline.

Seating solution.

The available one-touch power-folding* third-row 60/40 split-folding bench seat folds directly into the floor. This feature also includes obstacle detection⁸ to automatically pause if something is detected in its path of motion, as well as an automatic headrest-folding function that can be operated through the front-row Uconnect[®] touchscreen.

*Not available on Pacifica Hybrid models.

Convenience

Easy cleanup with Stow 'n Vac.*

Real life is messy, so the convenience of an available built-in vacuum by RIDGID® makes cleanup fast and simple. Accessed from the second row, Stow 'n Vac easily reaches all corners of the Pacifica. It's the highest powered in-vehicle vacuum in its class¹ and includes a crevice tool, fabric brush and dishwasher-safe debris drawer located in the rear cargo area.

*Available on Pacifica Gas models.

Keyless Enter'n Go.™

This available passive entry system allows you to open doors as well as start the vehicle with a keyless, push-button ignition via a personalized fob. With the fob on or near you, simply pull the door handle or rear liftgate latch to unlock the vehicle. The available power sliding side doors and rear liftgate can also be opened with the touch of a button.

SELECT PACKAGE DETAILS

8-PASSENGER SEATING & 20-INCH WHEEL GROUP

- 8-passenger seating with removable second-row centre seat
 - 20-inch polished aluminum wheels with Tech Grey pockets
 - 245/50R20 BSW all-season tires
- Note: Deletes Tri-Pane Panoramic Sunroof

ADVANCED SAFETYTEC™ GROUP

- 7-inch full-colour customizable in-cluster display centre (Touring and Touring-L)
- 360° Surround-View Camera⁸
- Acoustic windshield (Touring and Touring-L)
- Adaptive Cruise Control with Stop and Go⁸
- Advanced Brake Assist
- Automatic High-Beam Headlamp Control
- Blind-Spot Monitoring⁸ with Rear Cross-Path Detection⁸ (Touring and Touring-L)
- Full-Speed Forward Collision Warning with Active Braking⁸
- Lane Departure Warning with Lane Keep Assist⁸
- Parallel and Perpendicular Park Assist⁸
- Park-Sense[®] Front and Rear Park Assist⁸
- Rain-sensing windshield wipers

COLD WEATHER GROUP

- Heated front seats
- Heated leather-wrapped steering wheel
- Remote start²²
- Security alarm²³

INFLATABLE SPARE TIRE KIT

- 17-inch inflatable spare tire
 - Air compressor
 - Puncture sealant
- Note: Deletes Stow 'n Vac integrated vacuum on Limited

PREMIUM AUDIO GROUP

- 12-way power passenger seat, including 4-way lumbar adjust
- 13 Alpine[®] speakers
- 506-watt amplifier
- Third-row USB charging port

S APPEARANCE PACKAGE

- 18-inch Black Noise aluminum wheels
- Black badging
- Black daylight opening surround moulding
- Black grille with Black Chrysler wing badge
- Black leather-faced or cloth seats with S logo
- Black Stow 'N Place[®] roof rack system (Touring-L, Touring-L Plus and Limited only)
- Body-colour door handles

S APPEARANCE PACKAGE continued

- Body-colour exterior mirrors
- Optional 20-inch Black Noise aluminum wheels

RED S APPEARANCE PACKAGE

- 20-inch Black Noise aluminum wheels
- 20-speaker harman/kardon[®] Sound Group
- Advanced SafetyTec Group
- Black Chrysler wing badge with Red accent
- Black daylight opening surround moulding
- Black Stow 'N Place roof rack system
- Body-colour door handles and power exterior mirrors
- KeySense programmable key fob
- Piano Black interior accents
- Red S rear badging
- Rodéo Red Nappa Leather-faced seats with embroidered S logo

SAFETYTEC GROUP

- Blind-Spot Monitoring⁸ with Rear Cross-Path Detection⁸
- Park-Sense Rear Park Assist with Stop⁸
- Power front windows with 1-touch up-and-down (L)

TIRE & WHEEL GROUP

- 18-inch Satin Silver aluminum wheels with 235/60R18 BSW all-season tires
- 20-inch polished aluminum wheels with Tech Grey pockets and 245/50R20 BSW all-season tires (Limited only)

TRAILER TOW GROUP

- 4- and 7-pin trailer tow wiring harness
- 220-amp alternator (Touring, Touring-L, Touring-L Plus and Limited)
- Class II hitch with 2-inch receiver
- Heavy-duty radiator
- Trailer Sway Control

UCONNECT[®] THEATRE GROUP

- 2 Bluetooth[®] touchpad remote controls
- 2 wireless headphones
- 115-volt auxiliary power outlet
- 220-amp alternator
- Blu-ray™/DVD player with video USB port
- Dual 10-inch front-seatback-mounted touchscreens
- HDMI and USB charging ports
- Power 12-way front-passenger seat, including 4-way lumbar adjust (Touring and Touring-L)
- Super Console (Touring-L Plus)

UCONNECT MULTIMEDIA CENTRES

UCONNECT 4 WITH 7-INCH DISPLAY

- 7-inch full-colour, high-resolution touchscreen display
- AM/FM radio
- Apple CarPlay² and Android Auto™² with plug-and-play capability
- Do Not Disturb feature to route incoming calls to voice mail and suppress texts or send automated replies
- Drag-and-drop menu bar
- Hands-free communication⁴ with Bluetooth streaming audio
- HVAC control integration
- Media Hub, including USB port and auxiliary audio input jack
- Preset text reply and incoming voice text message reader⁵
- Siri Eyes Free⁶ for iPhone 4S and later
- SiriusXM satellite radio with 1-year subscription³ including Tune Start, replay and alert settings for favourite songs, artists and sports teams (optional on L)

UCONNECT 4 WITH 8.4-INCH DISPLAY

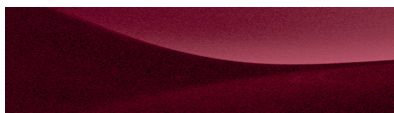

- Uconnect 4 features plus:
- 8.4-inch full-colour, high-resolution touchscreen display
 - HD radio⁷

UCONNECT 4C NAV⁷ WITH 8.4-INCH DISPLAY

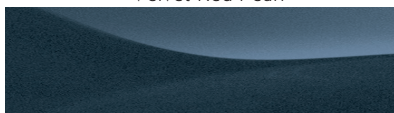

- Uconnect 4 features plus:
- 4G Wi-Fi Hotspot¹⁰
 - Premium navigation with pinch-and-zoom multi-touch gestures, 1-step voice destination entry and 3D landmarks, city models and terrains⁷
 - SiriusXM Guardian, including a 1-year subscription²⁵
 - SiriusXM Travel Link and SiriusXM Traffic, including a 5-year subscription¹⁶

CHRYSLER PACIFICA HYBRID:

Canada's first-ever hybrid minivan.¹

105
MPG_e²⁶

Drive farther while reducing emissions.

From maximizing driving range and saving fuel while reducing emissions, the Pacifica Hybrid conserves resources without compromising versatility and space. Increasing your options for less dependence on gas, the Pacifica Hybrid offers an astounding 2.7 L_e/100 km (105 MPG_e) fuel efficiency rating in city driving,²⁶ easily covering an average daily commute up to 51 km (32 mi) of electric range and a total driving range of up to 835 km (519 mi).²⁷

The best of both worlds.

Working seamlessly together, the gas and battery operations allow drivers to effortlessly gain efficiency with the worry-free choice of power and charging, designed for simplicity. You'll easily monitor your driving history and real-time results on the unique Pacifica Hybrid information screens, allowing for optimized efficiency. With the capability to perform highway cruising or city driving on battery power, you'll also have peace of mind knowing the gas engine is always ready to take over as needed.

Seamless & stress-free hybrid power.

Efficiency coach.

The in-cluster display centre on the Pacifica Hybrid includes a coaching feature to help optimize fuel efficiency by showing a small green light to let you know when you're driving efficiently. When driving beyond the eco-friendly range, the light turns white so you can always be aware of your performance-to-efficiency operation.

The standard Largest-in-Class Uconnect® 8.4-inch touchscreen system¹ with available navigation⁷ and voice command⁴ includes Hybrid Electric Pages, providing vehicle information screens for Power Flow, Driving History and Charging Schedule.

Charge ahead with confidence.

HYBRID LIMITED IN BILLET METALLIC

Power Flow.

The Hybrid Electric Pages Power Flow screen displays the current power readings and the flow of power as it returns to the vehicle systems.

- Engine — Displays the amount of power the engine is generating to charge the battery or providing to the drive wheels
- Electric — Shows the power level the battery is currently providing/absorbing; a negative kW reading indicates the vehicle battery is charging through regenerative braking
- Climate — The amount of power the climate control system is using to maintain the current interior temperature

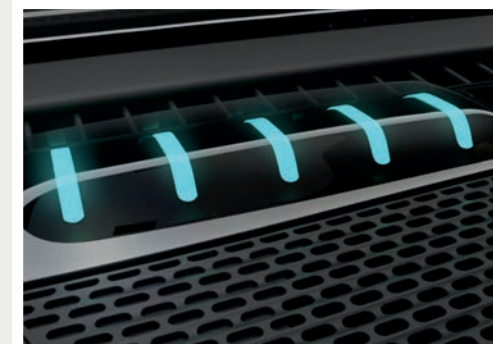

Charging Schedule.

The Charging Schedule screen allows you to set when you want your vehicle to charge. To do so, press the box next to the setting “Enable Schedule” until a check mark appears in the box; from there, you can set the schedule. In addition to scheduling the charge at regular times that you’re home or able to utilize a public or workplace charging station, this feature allows you to take advantage of available lower off-peak electricity rates. For vehicles equipped with the Uconnect® 4C NAV⁷ multimedia centre, the Charging Schedule can also be set using the downloaded SiriusXM Guardian²⁵ App on your smartphone.

Driving History.

The Driving History screen within the Hybrid Electric Pages shows the kilometres driven in both Full Electric and Hybrid modes for current and previous weeks. The data is displayed in a bar graph: Electric Mode kilometres in teal and Hybrid Mode kilometres in blue help you to clearly differentiate and observe performance levels at a glance to see how much of one system or the other you’re using on a regular basis. Most Hybrid drivers will find that their efficiency increases as they become familiar with these tools.

Five-Point Charge Level Indicator.

The convenient charge level indicator, positioned on top of the dash, is visible at a glance and from outside the vehicle so it’s easy to identify the battery’s charge level from a distance. Each of the five brightly coloured bars represents a 20% charge level; two illuminated bars indicate a 40% charge and so on, up to five illuminated bars, or a 100% fully charged battery.

Up to 835-km total driving range.²⁷

Going farther on less.

The core power source of the Pacifica Hybrid is the 16-kWh lithium-ion battery, delivering up to 51 km (32 mi) solely on zero-emission electric power from a single charge,²⁷ allowing maximum efficiency at lower city speeds. If more power is needed, the gasoline engine is automatically engaged. As you slow the vehicle, Pacifica Hybrid's regenerative braking system and motor function as a generator by redirecting power to the battery to extend the electric range. The Hybrid technology provides up to a 835-km (519-mi) total driving range²⁷ with a full fuel tank and charge.

Efficient 3.6L Pentastar™ V6.

When more power is needed, such as accelerating quickly to merge on the highway, the Pacifica Hybrid meets the demand. The powertrain includes a commanding 3.6L Pentastar VVT V6 engine that delivers an impressive 260 horsepower and 236 lb-ft of torque. This specially adapted engine uses a reduced air/fuel compound, compared to that of conventional engines, for advanced fuel efficiency. It works with the electric motor, contributing to Best-in-Class fuel economy ratings²⁶ of 2.7 L_e/100 km (105 MPG_e) city / 3.1 L_e/100 km (91 MPG_e) highway.²⁶

 **51 km**
WITHOUT ANY GAS

ACCESS HYBRID OWNERSHIP BENEFITS BY PROVINCE: LICENCE PLATE DESIGNATION AND AVAILABLE ROAD, FERRY AND TOLL PRIVILEGES

Mobile app with charge status and charging station locator.

- Gasoline-powered backup to Hybrid battery
- Internal combustion Atkinson Cycle on V6 engine
- System decides and activates for you which power is more efficient for the driving situation
- Regenerative braking helps recharge the battery and helps reduce wear to brake components
- Charge in as little as two hours with the available Mopar® Level 2 Charger²⁸
- High-voltage electrically charged 16-kWh lithium-ion battery
- Automatic system seamlessly transfers between battery and engine power

Automatic power exchange.

Alternating between electric and gas power is seamless, thanks to the Electrically Variable Transmission (EVT), featuring two electric motors — both capable of delivering power to the front wheels. With an electric driving range of up to 51 km (32 mi),²⁷ the Pacifica Hybrid is less dependent on gas, helping lower emissions for a greener environment while increasing savings at the pump and beyond.

The power of savings and choice.

The Hybrid battery may be charged with a standard Level 1 (120-volt) home outlet or an available Mopar Level 2 (240-volt) Charger,²⁸ which can restore full power in as little as two hours.²⁸ The port located above the driver's-side front fender allows easy charging access after exiting the vehicle.

When purchasing a Pacifica Hybrid, you may qualify for government incentive program rebates by province. Please visit chrysler.ca for more information. The battery has a fully transferable 10-Year/160,000-Kilometre Limited Warranty.²⁹

INTERIOR AMENITIES

- Active Noise Cancellation
- Air conditioning with Tri-Zone Automatic Temperature Control
- Auto-dimming rearview mirror
- Deluxe Insulation Group with acoustic windshield
- Door handle LED lamps
- Front and rear floor mats
- Interior observation mirror
- Media Centre:
 - Apple CarPlay² and Android Auto™²
 - First-row USB charging port
 - Hands-free communication⁴ with Bluetooth® streaming audio
 - Media Hub, with USB port and auxiliary audio input jack
 - SiriusXM satellite radio with 1-year subscription⁵
 - Uconnect® 4 multimedia centre with 8.4-inch touchscreen and 6 speakers
- Overhead ambient surround lighting with LED courtesy lamps
- Power door locks
- Power front- and second-row windows with front 1-touch up/down
- Premium instrument panel with 7-inch, full-colour, customizable in-cluster display centre
- Rear reading/courtesy lamps
- Rotary E-shift dial
- Seating:
 - 7-passenger seating with easy-entry sliding second-row seat
 - Power 12-way driver's seat, including 4-way power lumbar adjust
 - Removable second-row cloth bucket seats

- Third-row Stow 'n Go® fold-in-floor 60/40 split-folding bench seat
- Second-row sunshades
- Steering-wheel-mounted audio and cruise controls
- Storage:
 - Floor tray and console
 - Front-seatback map pockets
 - Lower instrument-panel cubby bin
- Sun visors with illuminated vanity mirrors
- Sunscreen glass
- Tilt and telescoping steering column
- Two 12-volt auxiliary power outlets

EXTERIOR FEATURES

- 17-inch polished aluminum wheels with 235/65R17 BSW all-season tires
- Automatic quad-halogen headlamps
- Body-colour front fascia with Black upper grille and Chrome accents
- Body-colour power, heated exterior mirrors; manual foldaway
- Body-colour rear fascia, shark-fin antenna and lower bodyside sill appliqué
- Bright door handle inserts
- Chrome daylight opening surround moulding
- Chrysler wing grille badge and rear deck lid Pacifica badge
- Dual power sliding side doors
- Hybrid badge
- LED taillamps
- Premium fog lamps with Chrome accent bezels

SAFETY & SECURITY

- 4-wheel antilock disc regenerative brakes with Rain Brake Support and Ready Alert Braking
- 8 air bags¹⁷, including advanced multistage driver and front-passenger, driver and front-passenger inflatable knee blocker, supplemental front-seat-mounted side, and supplemental

- side-curtain air bags¹⁷ for all rows
- Child Seat Anchor System (LATCH-ready)
- Electric Park Brake with SafeHold
- Electronic Stability Control (ESC)²¹ with Hill Start Assist
- Keyless Enter 'n Go™ with proximity entry and push-button start
- ParkView® Rear Back-Up Camera⁸
- Security alarm²³
- Sentry Key® antitheft engine immobilizer
- Tire Pressure Monitoring Display
- Tire Service Kit, including puncture sealant and portable air compressor
- Universal garage door opener²⁴

CAPABILITY & FUNCTIONALITY

- 5-point instrument-panel charging indicator
- 6.6-kW onboard charger
- 16-kWh lithium-ion battery
- 650-amp maintenance-free battery
- Active grille shutters
- Capless fuel filler
- Cruise control
- Electric power steering
- Front quarter-panel charging port
- Heavy-duty suspension

DISCLAIMERS: (1) Based on the latest available competitive information for minivans in the *WardsAuto* Small Van segment. Excludes other vehicles designed and manufactured by FCA US LLC. (2) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. Android Auto requires the Android Auto App on Google Play and an Android compatible smartphone running Android 5.0 or higher. Data plan rates may apply. (3) Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. (4) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. (5) Preset voice-to-text messaging and incoming text message reading require a MAP-enabled phone. (6) Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. (7) Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. (8) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions. (9) Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. (10) Three-month/1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. (11) Roadside Assistance Call provides direct calling to Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. (12) In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's location. (13) Remote Vehicle Start is not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect wherever you operate your vehicle. You must have an active subscription to SiriusXM Guardian in order to use remote services. See Terms of Service for service limitations. (14) Stolen vehicle police report required. Always notify law enforcement if your vehicle is stolen and do not attempt to recover it on your own. (15) Send & Go requires a vehicle equipped with Navigation. To use Send & Go, you must have the Uconnect App with SiriusXM Guardian installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. (16) SiriusXM Traffic and SiriusXM Travel Link require a subscription, sold separately or as a package, by SiriusXM Radio Inc. **If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.ca for complete terms and how to cancel, which includes calling SiriusXM at 1-866-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. (17) The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. (18) Based on IHSMarkit Automotive Canadian New Vehicle Total Registrations for combined years 2014 to CYTD September 2019. (19) Based on the latest available competitive information for minivans in the *WardsAuto* Small Van segment. Excludes other vehicles designed and manufactured by FCA US LLC. When properly equipped. (20) Based on *EnerGuide* highway fuel consumption ratings and fuel-tank options. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Ask your retailer for the *EnerGuide* information. 8.4 L/100 km (34 mpg) highway and 12.4 L/100 km (23 mpg) city on Chrysler Pacifica non-hybrid models equipped with the 3.6L Pentastar™ VVT V6 engine and 9-speed automatic transmission. Miles per gallon (MPG) ratings based on imperial gallon. (21) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. (22) Only available with automatic transmissions. (23) Vehicle must be locked and system activated for alarm to sound. (24) Not compatible with all garage door openers. (25) All SiriusXM Guardian equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. (26) Based on *EnerGuide* fuel consumption ratings for minivans in the *WardsAuto* Small Van segment. 3.1 L_e/100 km (91 MPG_e) highway. 2019 Chrysler Pacifica Hybrid with 3.6L Pentastar VVT V6 Hybrid engine and eFlite Electrically Variable Transmission. L_e/100 km is an equivalent measure of gasoline fuel consumption for electric energy consumed by Plug-in Hybrid Electric Vehicles (PHEV) operating in electric mode. Miles per gallon equivalent (MPG_e) ratings based on imperial gallon. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. (27) Electric range based on *EnerGuide* combined fuel consumption ratings, full battery charge and hybrid mode. Driving range based on *EnerGuide* combined fuel consumption ratings, fuel-tank capacity, full battery charge and hybrid mode. Your actual driving range will vary based on driving habits and other factors. (28) Requires purchase and professional installation. See Chrysler retailer for details. (29) See your retailer for complete details and a copy of the warranty.
