To our valued Fleet colleagues,

For the 2016 model year, FCA Canada Fleet Operations is offering **the most complete and fuel-efficient lineup in our history**. When you factor in numerous best-in-class accolades, interiors that are both driver-centric and passenger-friendly, it's obvious that our 2016 Fleet portfolio gives you more advantages than ever.

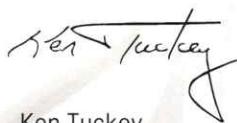

We're kicking off this exceptional model year with ongoing innovations across the board. The breakthrough **Chrysler 200** sedan showed how effectively we can combine style, comfort, safety and value; we're pleased to announce that **the all-wheel drive version is still the most technically advanced all-wheel drive system in its class**<sup>(1)</sup>. Recently introduced models like the versatile **Ram ProMaster City Cargo Van** and **Wagon**, the breakthrough AWD **FIAT 500X** and the Wrangler-inspired **Jeep Renegade** amply demonstrate that we're on the right track in developing vehicles with broad appeal to the individual buyer and the extensive commercial market.

We know Fleet: it's all about the economy and the people who drive this portfolio. Our focus on fuel-efficiency matched with performance pays off in features like our **eight- and nine-speed transmissions**, **MultiAir® technology** and **increasingly popular EcoDiesel engines** – and look for more contributions as the year progresses.

Most important to your success is service. FCA Canada Inc. supports you with the most responsive team in the industry. We are committed to one ideal: provide the quality in service that matches the quality of our vehicles. On that note, each and every one is backed with our **5-Year/100,000-Kilometre Powertrain Limited Warranty**.

**We never take your business for granted.** Please visit [fleetchrysler.ca](http://fleetchrysler.ca) or contact one of our sales representatives listed on pages 4 – 5 with any feedback. Your ideas – and your respect – are critical. As always, *thank you*.

Sincerely,

Ken Tuckey

Senior Manager, National Fleet and Commercial Vehicles  
FCA Canada Inc.

**All specifications and ratings based on preliminary data. All comparisons based on 2015 model year information.**

2015 and 2016 Chrysler, Jeep, Dodge, Ram and FIAT vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance. SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres.\* Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres.\* The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance.\*

\*Whichever comes first. Some conditions may apply. \*The 5-year/100,000-kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

<sup>(1)</sup>Based on WardsAuto Lower Middle Sedan segmentation. \*All specifications and ratings based on preliminary data. All comparisons based on 2015 model-year information.

# POWERTRAIN FACTOR

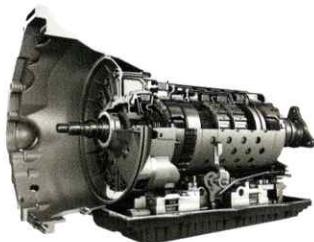

## CONTINUOUSLY VARIABLE TRANSMISSION (CVT)

Unlike conventional transmissions, the Continuously Variable Transmission (CVT) offers the equivalent of "gear changes" that encompass an infinite number of effective gear ratios. The principal effect is flexibility. By allowing the engine to run at the most efficient revolutions per minute (rpm) over a wide range of speeds and conditions, the CVT can provide excellent fuel economy to maximize the overall performance of a vehicle. The CVT is currently applied in Jeep® Patriot Trail Rated™ 4x4 models.

## 8-SPEED AUTOMATIC TRANSMISSION

FCA US LLC was the first manufacturer in North America to implement 8-speed automatic transmissions, which are still class-exclusive in many segments.

Working with ZF, a world leader in innovative transmission engineering, select models in the Chrysler, Jeep, Dodge and Ram lineups offer this exceptional longitudinal transmission. Key features include filled-for-life transmission fluid, nearly imperceptible gear changes and a wide gear ratio spread with close steps allowing for more time at lower engine rpm. The result is an automatic transmission that delivers an exceptional blend of fuel economy and the performance requirements of almost any driving demand.

## 9-SPEED AUTOMATIC TRANSMISSION

Available on the Jeep Cherokee and Chrysler 200, as well as the all-new Ram ProMaster City™, Jeep Renegade and FIAT® 500X, this transmission provides exceptional figures for performance and fuel economy. In each of these critical areas, the ZF 9-speed automatic measures up with brilliant fuel economy figures. Chrysler 200 models with the 9-speed reach up to a 26 percent improvement in fuel economy over previous I-4 iterations; Jeep Cherokee models deliver groundbreaking figures, as good as 7.7 L/100 km (37 mpg) highway.<sup>(1)</sup> Ram ProMaster City delivers top-tier dominance, with best-in-class highway fuel economy.<sup>(2)</sup> This is one powertrain component that will quickly separate FCA Canada Inc. Fleet from the rest of the pack.

## 3.0-LITRE ECODIESEL V6 ENGINE

So innovative that it earned back-to-back honours as a prestigious *Ward's "10 Best Engines"* for 2014 and 2015. The 3.0L EcoDiesel V6 is a turbocharged 60-degree, dual overhead cam (DOHC) 24-valve V6 that delivers 420 lb-ft of V8-like torque at only 2000 rpm. Key features include: a 29,000-psi Common Rail Fuel-Injection System enhanced with Multi-Jet II Shaping Technology; a water-cooled variable-geometry turbocharger; a dual-fuel filtration system, for exceptional separation of water from fuel; a state-of-the-art Selective Catalytic Reduction System to reduce emissions; and the standard engine oil cooler – keeping the oil at peak operating temperatures and contributing to recommended oil change intervals that can stretch up to 16,000 km.

Capable of running environmentally friendly and renewable biodiesel fuels up to a B-20 blend, the EcoDiesel V6 is offered on the 2016 Ram 1500 and Jeep Grand Cherokee.

<sup>(1)</sup>Based on 2015 *EnerGuide* fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Use for comparison purposes only. Ask your retailer for *EnerGuide* information. As good as 10.9 L/100 km (26 mpg) city. <sup>(2)</sup>Based on Class I Small Cargo Vans.

## ALTERNATIVE FUELS

Our insistence on finding effective and efficient means of generating power is amply evident in powertrain design.

FCA US LLC has introduced an advanced, low-emission diesel engine for light-duty vehicles that significantly reduces CO<sub>2</sub> while still meeting strict NO<sub>x</sub> particulate matter emissions requirements.

Flexible-fuel vehicles can run on E85 ethanol, which contains 85% ethanol. In addition, FCA US LLC is the only manufacturer in North America to offer a factory-built natural gas pickup truck, the Ram 2500 Heavy Duty CNG. The truck offers cost and emissions benefits, using an abundant, domestically sourced fuel as its primary fuel source.

## 6.7-LITRE CUMMINS® I-6 TURBO DIESEL ENGINE

Canada's most durable diesel pickup<sup>(1)</sup> and part of Canada's best-selling line of diesel pickups.<sup>(2)</sup>

Cummins powered Ram Trucks boast capabilities and features that include up to 865 lb-ft of torque, segment-exclusive dual-inlet Ram Active Air<sup>TM</sup> intake and "Smart" Diesel Exhaust Brake,<sup>(3)</sup> as well as an unsurpassed 5-Year/160,000-Kilometre Diesel Powertrain Limited Warranty.<sup>(4)</sup> All Cummins Turbo Diesel engines feature a state-of-the-art Diesel Exhaust Fluid/Selective Catalytic Reduction System that helps enhance fuel economy and deliver recommended oil change intervals of up to 24,000 km.<sup>(5)</sup> Available on Ram Heavy Duty and Ram Chassis Cab.

## 3.6-LITRE PENTASTAR™ VVT V6 ENGINE

A three-time winner of *Ward's* "10 Best Engines."

Offering exceptional refinement, impressive fuel economy and responsive power, the 3.6L Pentastar Variable Valve Timing (VVT) V6 engine offers an elegant and simple design without the need for premium fuel. Further advantages are a canister-free oil filter system that eliminates oil spills and contains an incinerable filter element. Long-life spark plugs and a high-energy coil-on-plug ignition system help to reduce maintenance costs, making this a premium engine that runs on unleaded regular, E85 ethanol (most models) or any combination of the two.

## 3.2-LITRE PENTASTAR VVT V6 ENGINE

The first derivative of the celebrated 3.6-litre Pentastar VVT V6, the 3.2-litre Pentastar VVT V6, is a dual overhead cam (DOHC) engine that churns out 271 horsepower and 239 lb-ft of torque – 84.2 hp per litre.

Brilliant technology helps minimize environmental impact and cost of ownership: a centrifugal oil separator to reduce oil consumption and operating costs, with a paper cartridge that can be incinerated. Dual-platinum spark plugs offer a service life of up to 160,000 kilometres without degradation before replacement.

## 5.7-LITRE HEMI® VVT V8 ENGINE

The legendary 5.7-litre HEMI VVT V8 engine generates outstanding horsepower and torque while delivering optimal efficiency under a wide range of conditions. Advantages include a high compression ratio, Variable Valve Timing (VVT) and available FuelSaver Multi-Displacement System (MDS).

VVT opens and closes valves to varying degrees depending on rpm, giving the engine low-speed torque while maximizing fuel efficiency. The FuelSaver MDS technology seamlessly deactivates four of the eight cylinders when cruising, transforming this mighty V8 into a fuel-sipping four-cylinder.

<sup>(1)</sup>Durability based on longevity. Based on IHS Automotive: Polk Canadian Vehicles in Operation data as of July 1, 2014, for 2500/250 and 3500/350 large diesel pickups and model years 1994 – 2014. <sup>(2)</sup>Based on IHS Automotive: Polk Canadian New Vehicle Total Registrations for the entire line of Ram pickups compared to all competitive full-size diesel pickups for 2014 calendar year end (CYE). <sup>(3)</sup>Based on Class 2500/250 and 3500/350 full-size pickups. Specific models and optional equipment may be required to achieve maximum ratings. Please see your retailer for full details. <sup>(4)</sup>See your retailer for complete details and a copy of the 5-Year/100,000-Kilometre or 5-Year/160,000-Kilometre Powertrain Limited Warranty. The Aisin 3-Year or 290,000-Kilometre Warranty is a separate transmission limited warranty. See your Ram retailer for a copy of this limited warranty. <sup>(5)</sup>Based on Class 2500/250 and 3500/350 full-size pickups. Specific models and optional equipment may be required to achieve maximum ratings. Please see your retailer for full details. Oil change intervals will vary based on excessive engine run times, operating conditions, maintenance schedules and driving habits. Excludes biodiesel fuel operation with the Cummins Turbo Diesel engine. See your retailer for full details.

# POWERTRAIN FACTOR

## 6.4-LITRE HEMI® V8 ENGINE

The 6.4-litre HEMI V8 delivers a stunning combination of horsepower, torque and tremendous capability. The 6.4-litre HEMI features an active intake manifold with variable-length runners; switching between short and long runners based on engine speed translates into a wider functional rpm range and optimal peak torque. The standard FuelSaver Multi-Displacement System (MDS) technology seamlessly activates, transforming this mighty V8 into a fuel-sipping four-cylinder at highway cruising speeds. Models that offer the 6.4-litre HEMI V8 include Ram 2500/3500, Ram Chassis Cab, Dodge Charger, Dodge Challenger and Jeep® Grand Cherokee SRT.®

## 1.4-LITRE MULTIAIR® I-4 ENGINE

The ingenuity of our engineering team brings a phenomenally efficient and robust engine to the powertrain portfolio. When compared to naturally aspirated engines, our 1.4-litre MultiAir 4-cylinder demonstrates improved power, torque and fuel economy, with a 10 percent increase in power over similar engines – and a similar 10 percent reduction of emissions. Key engineering features include electrohydraulic valves – technology that offers a greater dynamic for performance, and direct control of air and combustion.

## 2.0-LITRE TIGERSHARK™ I-4 ENGINE

The 2.0-litre Tigershark DOHC I-4 engine generates 160 horsepower and 148 lb-ft of torque. This engine features an aluminum block and cylinder heads, making it lighter and improving vehicle performance and fuel economy. For superior smoothness and high output, this engine incorporates four valves per cylinder with inverted-tooth-timing drive chain technology standard on Dodge Dart. The 2.0-litre engine also employs Variable Valve Timing.

## 1.4-LITRE MULTIAIR I-4 TURBO ENGINE

The 1.4-litre MultiAir I-4 Turbo engine delivers 160 horsepower and 184 lb-ft of torque on the Dodge Dart, FIAT® 500L, and the all-new Jeep Renegade and FIAT 500X (170 lb-ft on FIAT 500 Abarth®). MultiAir is based on the direct control of the intake air supply. This technology is designed to vary the amount of time the intake valves are open and the amount of air/fuel charge that is let into the cylinder, particularly at low speeds or in partial-load driving conditions. This engine also features a low-inertia turbocharger with electric surge valve that further enhances responsiveness and performance.

## 2.4-LITRE TIGERSHARK MULTIAIR I-4 ENGINE

The 2.4-litre Tigershark MultiAir SOHC I-4 engine features an aluminum block and cylinder heads for improved performance and fuel economy, and has a glass-filled nylon intake manifold for low weight, smooth surface and less heat transfer when compared to aluminum. This engine also features a coil-on-plug ignition system delivering high-energy spark and the most precise timing available. Available on the Jeep Renegade and Dodge Dart, and standard on Chrysler 200, Jeep Cherokee, FIAT 500X and Ram ProMaster City.™

## 2.0-LITRE AND 2.4-LITRE WORLD 4-CYLINDER ENGINES

The World Engines found in our Dodge Journey and Jeep® Patriot are the 4-cylinder answer to our customers' demand for affordably priced, high-technology, fuel-efficient and durable engines. In most cases, they combine dual Variable Valve Timing and intake manifold flow-control valves with dual overhead camshafts, four valves per cylinder and high compression ratios. The result of these technologies: exceptional fuel economy and smooth, quiet operation. Other significant features include acoustic cylinder head covers on both displacements plus dual counter-rotating balance shafts and an acoustic oil pan on the 2.4-litre version.

## 3.0-LITRE ECODIESEL I-4 ENGINE

Currently in its sixth generation, this turbocharged, clean-burning and lightweight engine stands out for all the right reasons. This in-line four-cylinder features an oil life sensor, an Oil Coalescent Filter System with high-efficiency filtration, hydraulic valve lash adjusters, cylinder liners with high-wear characteristics, oil jet-cooled pistons and a maintenance-free chain-timed camshaft. High recommended oil changes\* contribute to low total cost of ownership, delivering up to 29,750 km (18,500 miles) between recommended changes. The engine is also mated to a class-exclusive component – the Dual Active Drive automated manual transmission.<sup>(1)</sup> This combination is available exclusively on Ram ProMaster™ models.

## 6.2L SUPERCHARGED HEMI® SRT® HELLCAT V8 ENGINE

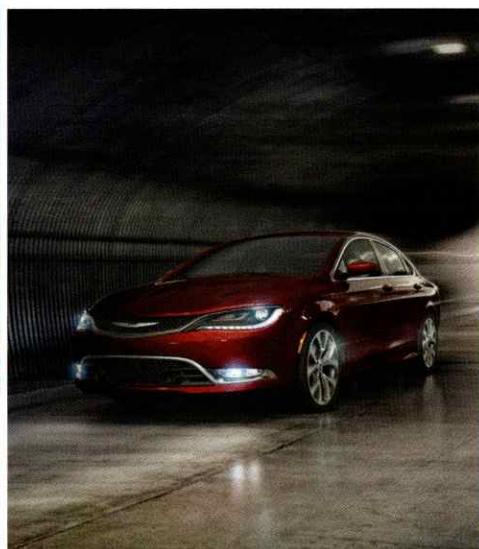

6.2L Supercharged HEMI SRT Hellcat V8 engine with best-in-class 707 horsepower, 650 lb-ft of torque<sup>(2)</sup> and blistering 0 – 100 km/h times on Dodge Charger and Challenger. This breakthrough engine features all-new internals with a forged-steel crankshaft and induction-hardening bearing surfaces, a specially tuned crank damper tested to 13,000 rpm, high-strength forged-alloy pistons coupled to powder-forged connection rods, high-load capacity bushings and diamond-like carbon-coated piston pins. Premium-grade heat-treated aluminum cylinder heads with die-cast aluminum rocker covers are optimized for superior thermal conductivity.

Properly secure all cargo.

Properly secure all cargo.

# INNOVATIONS IN TECHNOLOGY

## 7-INCH FULL-COLOUR CUSTOMIZABLE IN-CLUSTER DISPLAY CENTRE

The premium 7-inch customizable in-cluster display centre is available on select vehicles, and delivers real-time information on performance, navigation\* and vehicle status in full colour. Select features include a digital speedometer, current and average fuel economy, tire pressure monitoring and available turn-by-turn navigation, all using rich graphics.

## ACTIVE GRILLE SHUTTERS

To improve aerodynamics and help optimize fuel economy, active grille shutters automatically open and close depending on the vehicle's speed, engine temperature, engine load and ambient temperature. Available on Chrysler 200, Dodge Dart, Ram 1500 and Jeep® Cherokee.

## ACTIVE-LEVEL™ FOUR-CORNER AIR SUSPENSION

Available on Ram 1500, the segment-exclusive Four-Corner Air Suspension<sup>(1)</sup> helps achieve greater ride comfort, capability and fuel economy by providing five separate modes of suspension operation: two off-road modes; normal driving mode, for city and suburban streets; aero mode, automatically lowering the vehicle at highway speeds; and entry/exit mode, which lowers the vehicle for easier ingress/egress. The Four-Corner Air Suspension is intuitive: when the cargo bed is loaded, Ram 1500 automatically self-levels to keep an even, horizontal profile – and to avoid shining headlights into the eyes of oncoming drivers.

## AUTO-LEVEL REAR AIR SUSPENSION

Available on Ram 2500/3500 Heavy Duty models, the segment-exclusive Auto-Level Rear Air Suspension System<sup>(2)</sup> gives you outstanding ride comfort and unparalleled control, offering two driver-activated operational modes for Payload (for enhanced load-leveelling) and Towing (for enhanced rake appearance).

In Payload mode, the system continually monitors ride heights on both sides of the vehicle and adjusts for load shifting or changes in road surfaces; a level load – even under extreme hauling assignments – is assured. In the Trailer/Tow mode, the system lowers the rear suspension approximately 25 mm (1 inch), ensuring a constant and correct alignment between hitch and trailer tongue; Trailer/Tow ensures a level load and creates a parallel and even rake from the front of the pickup through the rear of the trailer.

## ECO MODE

When driving in a fuel-efficient manner, or when the FuelSaver Multi-Displacement System (MDS) on select V8 models allows the engine to operate on four cylinders, an Eco mode icon will appear in the in-cluster display centre. This feature allows you to monitor fuel-efficient driving, and can be used to modify driving habits to optimize fuel economy. Select vehicles also include a driver-selectable Eco mode that can improve the vehicle's overall fuel economy during normal driving conditions. Activated by pressing the Eco mode switch on the centre stack, this technology modifies powertrain characteristics, including transmission shift schedule and idle speed, and provides more conservative driving performance.

## QUADRA-LIFT® AIR SUSPENSION

This revolutionary suspension system, available on Jeep Grand Cherokee, allows you to easily raise your vehicle for up to 274 mm (10.8 inches) of ground clearance, or to lower it for easier entry, exit and loading. The system also raises the vehicle from back to front to help keep headlights safely focused downward on the road ahead.

## SELEC-TERRAIN® TRACTION MANAGEMENT SYSTEM

In on- or off-road situations, five selectable settings – Auto, Snow, Mud, Sand and Rock – are available in a rotary dial on the centre console. Twelve different vehicle management systems are electronically coordinated to adjust the traction control to match the road or trail ahead and actively manage torque distribution. Standard on Jeep Grand Cherokee Limited, Overland<sup>®</sup> and Summit<sup>®</sup> models. Available on Laredo. On Jeep Cherokee models, the Selec-Terrain system is modified. In this application, it combines the Sand/Mud modes and adds a Rock mode on Trailhawk<sup>®</sup> models. In addition to these modes, drivers can dial in to Auto, Snow or Sport mode.

\*All disclaimers and disclosures can be found on the inside back cover. <sup>(1)</sup>Based on Automotive News Large Pickup segmentation and competitive information available at time of printing. <sup>(2)</sup>Based on 2500/250 and 3500/350 full-size pickups.

On Jeep® Renegade models, the standard Selec-Terrain system in Auto mode will seamlessly match the renowned Jeep engineering capability to any road condition. Turn the dial to any other mode, and 4x4 capability is always engaged.

## STOP/START TECHNOLOGY

This feature is characteristically reserved for hybrid/electric vehicles – but once again, FCA US LLC is changing the rules. During lengthier stops, such as at red lights or busy intersections, Stop/Start technology saves fuel by stopping the engine until the driver pushes the accelerator to instantly re-engage it for seamless acceleration. All interior features remain active (i.e., air conditioner, lights, etc.).

## STOW 'N GO® SEATING AND STORAGE SYSTEM

Available exclusively on Dodge Grand Caravan and Chrysler Town & Country, this ingenious feature is all about maximizing your cargo and passenger-carrying needs. With one simple motion, the seats can be folded into the floor, providing up to 4072 L (143.8 cu ft) of maximum cargo volume and a flat load floor at your disposal in seconds. When seats are upright, your cargo can be secured in the in-floor storage bins.

## UCONNECT® AT A GLANCE

Uconnect seeks to enhance the driver's experience without ever getting in the way of driving or the pure joy of being on the road. That's why our engineers and designers look at every Uconnect feature through the eyes of the driver, and that's why we test and retest every feature until we find the perfect balance of innovation and simplicity.

## CONTROLS

Many of our vehicles allow for three different ways of controlling cabin environment: available **steering wheel-mounted controls** allow drivers to answer the phone,\* change a radio station, change audio volume, set cruise control and view pages on the in-cluster display centre. **Hand controls**, the good-old-fashioned knobs and buttons on the centre stack, give drivers the flexibility to choose how they control many aspects of the cabin environment. **Soft controls** on the touchscreen provide the driver with convenience and ease of use, and allow for a more comprehensive assortment of controls while requiring less space than traditional buttons and knobs.

## MEDIA

**Bluetooth® streaming audio** – Skip the cables and wirelessly stream your phone's music over Bluetooth. Pair up to 10 phones (depending on the model) and prioritize them. **USB port** – Connect a media device through the USB port to play music through the vehicle's sound system, or download compatible music to the available Uconnect internal memory. **Auxiliary input jack** – Passengers can plug in a compatible device and share their favourite music through the sound system. **CD or DVD** – Play CDs and movies in crystal-clear Surround Sound or HD quality.

## NAVIGATION

**Garmin® navigation\*** – Includes maps of most of Canada, the United States and Mexico. **Lane-assist technology\*** makes unfamiliar intersections and highway exits easy to navigate. **Points of interest** help drivers identify and locate restaurants, hospitals, shopping, fuelling stations and more with simple, intuitive directions. **Premium navigation\*** – Enhances the basic navigation with features such as 3D\* landmarks, city models and terrain that help drivers identify points of interest more easily. Dead reckoning ensures your location isn't lost when a satellite connection is cut off. (Example: going through a tunnel.) **Dealer-activated navigation\*** – In many of our new vehicles, customers can now choose to activate their navigation system after their purchase.

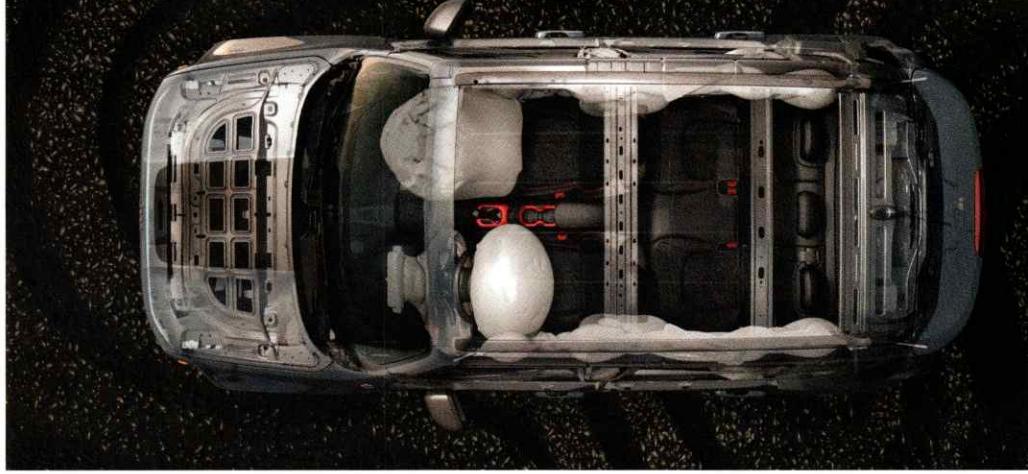

## RADIO AND ENTERTAINMENT

SiriusXM satellite radio\* gives our drivers **over 120 music, news, entertainment, sports and talk channels**. Most automotive manufacturers offer a 3- or 6-month trial of satellite radio. FCA Canada Inc. is one of the few that offers a one-year subscription on new vehicles equipped with SiriusXM satellite radio.

## VOICE COMMAND

**One-step voice destination entry\*** allows simple destination entry on select navigation\* systems by stating the entire address. **Hands-free texting\***: Uconnect can read or send text messages on your compatible MAP-enabled mobile phone. Voice text reply allows you to forward your choice of 18 – 20 (model-dependent) preset SMS messages such as "Be there in 15 minutes;" without touching your phone. **Hands-free calling\*** means answering and making calls with the touch of a button and the sound of your voice. The system syncs with contacts in your compatible phone's address book\* every time you get in your vehicle.

# SAFETY & SECURITY

## ADAPTIVE CRUISE CONTROL WITH STOP\*

The available system helps maintain a safe, driver-selectable distance from the vehicle ahead; under certain traffic conditions, the system can bring the vehicle to a full stop without driver intervention. Available on Chrysler 300, Dodge Charger, Dodge Durango and Jeep® Grand Cherokee.

## ADAPTIVE CRUISE CONTROL WITH STOP AND GO\*

The available Adaptive Cruise Control\* adapts speeds based on traffic movement in front of the vehicle. The Stop and Go functionality brings the vehicle to a complete stop when the car ahead comes to a stop; when traffic resumes motion, the system prompts the vehicle to resume moving forward. This system does not perform panic stops. Available on the Jeep Cherokee and Chrysler 200.

## ADVANCED BRAKE ASSIST

Advanced Brake Assist senses emergency braking by detecting the rate of brake application, then boosting braking power as needed. Under certain conditions, it may activate the antilock brake system more quickly and easily (than in vehicles without the feature), potentially reducing overall stopping distance by eliminating the delay caused by not braking hard enough in time.

## AUTOMATIC HIGH-BEAM HEADLAMP CONTROL/AUTO-LEVELLING FEATURE

This system provides increased forward lighting at night by automating the high beams ("brights") through the use of a digital camera mounted on the inside rearview mirror. This camera detects vehicle-specific light and automatically switches from high beams to low beams until the approaching vehicle is out of view. The result is an intelligent, high-beam headlamp control system that greatly improves nighttime-driving safety. To make the transition from low to high beams and back again less distracting and more aesthetically pleasing, the system is designed to slowly fade the high beams on and off; it also ignores ambient lighting, such as roadside illumination and advertising signage. However, if traffic suddenly appears – such as when cresting a hill or rounding a corner – the system will immediately turn off the high beams. The auto-levelling feature maintains lamp focus down on the road ahead.

## BLIND-SPOT MONITORING WITH REAR CROSS-PATH DETECTION\*

This available system employs dual radar sensors which constantly monitor driver blind spots to assist when changing lanes. The system includes Rear Cross-Path Detection\*, which activates anytime the vehicle is in Reverse and monitors for vehicles and objects in perpendicular relationships to the vehicle while backing out of tight parking spots. Both systems provide notification of an encroaching vehicle via illuminating icons on the sideview mirrors and by an audible chime.

## ELECTRONIC STABILITY CONTROL (ESC)\*

ESC\* is an accident-avoidance and vehicle-control feature designed to electronically detect and automatically assist the driver during critical driving situations and under adverse conditions. ESC\* technology works by constantly comparing the driver's intended course with the vehicle's actual course, detecting differences between the two, and applying the brakes to individual wheels while controlling engine power to help keep the vehicle on its intended path. The ESC\* system found on many FCA Canada Inc. vehicles is further enhanced with varying combinations of supplementary accident-avoidance systems such as Electronic Roll Mitigation, Brake Assist, Rain Brake Support, Ready Alert Braking, Hill Descent Control, Hill Start Assist, All-Speed Traction Control and Trailer Sway Control.

## ENHANCED ACCIDENT RESPONSE SYSTEM (EARS)

In order to help protect vehicle occupants after an accident occurs, EARS instantly engages after air bags\* deploy. EARS makes it easier for emergency personnel to see and assist occupants in the event of an accident by turning on the interior lighting, unlocking all doors, turning on hazard flashers and shutting off the flow of fuel to the engine.

At FCA Canada Inc., providing our customers with advanced vehicle technologies is part of the process – an emphasis that gives your fleet enormous advantages for the safety and security of drivers and passengers. Our 2016 lineup incorporates improved handling, accident-avoidance and advanced crash-protection features.

Through existing and emerging technologies, we are constantly incorporating and improving the outstanding safety and security features in our vehicles.

## **FORWARD COLLISION WARNING\***

This system uses radar to monitor the roadway in front of the vehicle, discerning distance, horizontal direction and angle, and relative speed between the vehicle and any object or vehicle ahead, and warns the driver of a potential collision risk via an audible chime. No automatic action is taken, and the driver must remain responsible for the safe operation of the vehicle, using steering and braking, if safe to do so, to avoid a crash. Available on Dodge Challenger.

## **FORWARD COLLISION WARNING WITH ACTIVE BRAKING\***

This system on the Chrysler 200, Jeep® Cherokee, Dodge Charger, Chrysler 300, Dodge Durango, Jeep Grand Cherokee, Jeep Renegade and FIAT® 500X models operates in both High-Speed and Low-Speed modes.

**High-Speed** – At speeds above approximately 32 km/h, Forward Collision Warning\* warns the driver of an impending collision and reduces vehicle speed. In the pre-fill stage, it prepares the brakes for emergency braking. The audible and visual warnings of the system include brake jerk, a short deceleration to alert the driver; Collision Mitigation System, up to 2.5 seconds of braking to give the driver additional reaction time; and should the driver not brake enough, Advanced Brake Assist will increase braking force to avoid/mitigate the impact.

**Low-Speed** – If a Forward Collision Warning\* event begins at a speed below approximately 32 km/h, the system may provide the maximum braking possible to mitigate the potential forward collision. If the Forward Collision Warning\* event stops the vehicle completely, the system will hold the vehicle at standstill for two seconds and then release the brakes.

Forward Collision Warning with Active Braking\* actively applies the brakes to avoid accidents, but will not completely stop the vehicle in all scenarios if an impact is imminent – the purpose of the system is to warn and assist the driver. Drivers must remain aware of their surroundings and be prepared to take corrective action.

## **HILL DESCENT CONTROL**

Allows a smooth and controlled hill descent on rough or slippery terrain without requiring the driver to touch the brake pedal. When activated, this system applies the brakes to each wheel individually to reduce forward motion while descending steep grades. Hill Descent Control is intended for low-speed off-road driving while in 4WD low range.

## **LANE DEPARTURE WARNING WITH LANE KEEP ASSIST\***

Lane Departure Warning with Lane Keep Assist\* uses a camera to detect and measure a vehicle's position within the driving lane. If the vehicle drifts to the edge of the lane without the turn signal on, the vehicle interprets this as an unintentional drift. The system then alerts the driver with a visual warning and feedback through the steering wheel. If nothing is done to correct the drift, the system will automatically align the vehicle to its correct lane position. Available on Jeep®, Cherokee, Dodge Charger, Chrysler 200, Chrysler 300, Jeep Renegade and FIAT® 500X.

## **PARALLEL AND PERPENDICULAR PARK ASSIST\***

Using ultrasonic parking sensors on the front and rear bumpers, the system will find and guide the operator into a parking space when the driver initiates a parking manoeuvre. The parking guidance system controls the steering angle automatically; the driver controls the gear position, brake and accelerator. Parallel parking is possible on either side of the car; during perpendicular parking, the vehicle is backed into the available space. Available on Jeep Cherokee, Chrysler 200 and Jeep Renegade.

## **PARK-SENSE® FRONT/REAR PARK ASSIST\***

Park-Sense ultrasonic sensing technology assists you at low speeds when you are backing up your vehicle, or during parking manoeuvres, sensing objects up to 1.83 metres (6 ft) away. Depending on the vehicle, ultrasonic sensors are discreetly integrated into the rear or front and rear bumpers, and serve to activate audible warnings and a visual display in the in-cluster display centre when the vehicle is close to encountering an object. The signals increase in intensity as the vehicle nears the object. On select vehicles, the Active Braking capability can, if imminent collision is detected, provide momentary autonomous brake pulse and, under certain conditions, bring the vehicle to a stop before releasing.

## PARKVIEW® REAR BACK-UP CAMERA\*

This available feature provides a wide-angle view of the area immediately behind the vehicle, giving the driver greater peace of mind before reversing at low speeds. Available active grid lines adjust the guide paths as the steering wheel is turned to aid the driver when manoeuvring into parking spaces or narrow areas, and also aid in lining up a trailer to the vehicle's trailer hitch (when so equipped). The image is displayed on the Uconnect® multimedia centre screen when the transmission is shifted into Reverse.

## READY ALERT BRAKING

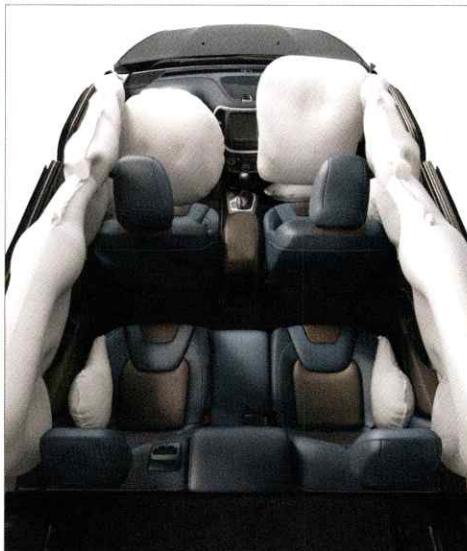

Ready Alert Braking anticipates situations in which the driver may initiate an emergency stop by sensing if the driver lifts his/her foot off the accelerator and applying a slight amount of brake pressure (not enough to slow the vehicle). This sets brake pads against discs, helping to maximize stopping power in a shorter period of time.

## SELEC-SPEED™ CONTROL

Selec-Speed adds Hill Ascent Control to the familiar Hill Descent Control. Hill Ascent Control engages the throttle to help provide stable low-range control when going uphill, where Hill Descent Control uses engine and physical braking to aid in vehicle control when going downhill. Selec-Speed Control is intended for off-road driving while in 4WD low range.

## TRAILER SWAY CONTROL

Trailer Sway Control is part of the ESC\* system and recognizes trailer sway when exposed to adverse towing conditions. Trailer Sway Control applies individual wheel brakes and/or reduces engine power in an effort to eliminate the trailer sway. Using yaw detectors, the system can determine when the increasing yaw amplitude is not a result of the driver steering input, and will apply brake pressure at all four wheels to slow the vehicle, and increase the pressure on one front wheel to counteract the yaw induced by the trailer. As the trailer sways to the other side, Trailer Sway Control will increase brake pressure on the opposite side and will continue to do so until the trailer is under control.

\*All disclaimers and disclosures can be found on the inside back cover.

FEATURE	DESCRIPTION	VEHICLE
Advanced multistage front air bags*	Inflate with a force appropriate to the severity of the impact. Meet federal advanced air bag requirements for smaller occupants and out-of-position occupants.	Chrysler: 200, 300 and Town & Country; Dodge: Challenger, Charger, Dart, Durango, Journey and Grand Caravan; Jeep: Renegade, Grand Cherokee, Patriot, Cherokee and Wrangler; Ram: 1500, 2500 and 3500 pickups, Chassis Cabs and ProMaster City™; FIAT®: 500, 500c, 500 Abarth®, 500L and 500X
Advanced single-stage front air bags*	Driver and front-seat passenger air bags incorporate single-stage technology. When triggered, an inflator releases compressed gas that is rapidly heated to deploy each air bag. A steering-wheel or instrument panel cover is provided for optimal deployment.	Ram: ProMaster™
Supplemental front-seat-mounted side air bags*	Designed to enhance protection of the driver and front outboard passenger in certain impacts. Each side air bag has its own impact sensor in order to autonomously trigger the air bag on the side where the impact occurs. Supplemental side-seat air bags are housed in the outboard side of each front seat.	Chrysler: 200, 300 and Town & Country; Dodge: Challenger, Charger, Dart, Durango, Journey and Grand Caravan; Jeep: Renegade; Ram: 1500 and 3500 pickups, ProMaster and ProMaster City; FIAT: 500, 500c, 500 Abarth, 500L and 500X
Supplemental side-curtain air bags*	Designed to extend protection to both the front and rear outboard passengers. Each side air bag has its own impact sensor in order to autonomously trigger the air bag on the side where the impact occurs. This type of air bag is housed in the headliner just above the side windows.	Chrysler: 200 and 300; Dodge: Challenger, Charger and Dart; Ram: ProMaster and ProMaster City; FIAT: 500, 500c, 500 Abarth, 500L and 500X
Supplemental side-curtain air bags* with roll-sensing technology	Side-curtain air bags with roll-detection system deploy in certain rollover scenarios and side-impact events. They utilize multiple sensors to determine the severity of the impact.	Chrysler: Town & Country; Dodge: Durango, Journey and Grand Caravan; Jeep: Renegade, Grand Cherokee, Patriot and Cherokee; FIAT: 500X; Ram: 1500, 2500 and 3500 pickups
Inflatable driver knee blocker air bag*	The inflatable knee blocker is an air bag for the driver's knees, and deploys whenever the driver's side air bag deploys. The knee blocker increases driver-impact protection by offering upper leg protection, as well as helping position the driver relative to the front air bag.	Chrysler: 200, 300 and Town & Country; Dodge: Charger, Dart, Durango, Journey and Grand Caravan; Jeep: Renegade, Grand Cherokee and Cherokee; Ram: ProMaster City; FIAT: 500, 500c, 500 Abarth, 500L and 500X
Inflatable passenger knee blocker air bag*	The inflatable knee blocker is an air bag for the passenger's knees, and deploys whenever the passenger's side air bag deploys. The knee blocker increases passenger-impact protection by offering upper leg protection, as well as helping position the passenger relative to the front air bag.	Chrysler: 200; Dodge: Dart; Jeep: Cherokee
Rear-seat-mounted pelvic side air bags*	Designed to enhance protection of the rear outboard passengers in certain impacts. Impact sensors trigger the air bag on the side where the impact occurs.	Jeep: Cherokee

## QUADRA-TRAC® SRT®

### STANDARD: GRAND CHEROKEE SRT

The Grand Cherokee SRT uses a full-time SRT 4x4 system for superior driving performance under any conditions. The strongest transfer case ever designed by the Jeep® brand handles the massive horsepower and torque produced by the mighty 6.4-litre V8 engine. The 4x4 system features a mechanical "wet" clutch and Electronic Limited-Slip Differential in the rear which allows 100% of the drive torque to be sent to one rear wheel if required. Management of torque split and suspension damping is accomplished with a dial on the five-mode Selec-Track™ system.

## QUADRA-TRAC I®

### STANDARD: GRAND CHEROKEE LAREDO

Quadra-Trac I 4x4 is always engaged, for all-weather capability. The system is engineered with a Brake-Lock Differential for total "command of the road" confidence.

## QUADRA-TRAC II®

### STANDARD: GRAND CHEROKEE LIMITED, OVERLAND® AND SUMMIT®

### AVAILABLE: GRAND CHEROKEE LAREDO

This sophisticated two-speed transfer case deals with tire slippage by sending as much as 100% of the available torque to the axle with the most traction. Five modes in the Selec-Terrain® System provide superb control: Auto, Snow, Sand, Mud and Rock.

## QUADRA-DRIVE II®

### AVAILABLE: GRAND CHEROKEE LIMITED, OVERLAND AND SUMMIT

The Quadra-Drive II active, full-time 4x4 system is the ultimate for virtually any driving situation. This system uses the Quadra-Trac II transfer case with an Electronic Limited-Slip Differential in the rear axle, offering excellent traction capability. Adding another dimension is the Quadra-Lift® air suspension, raising the vehicle for better off-road capability, or lowering it for improved handling and fuel efficiency on the highway.

## ACTIVE DRIVE

### STANDARD: RENEGADE SPORT, NORTH AND LIMITED

Jeep Active Drive can automatically assess road conditions to deliver incredibly efficient performance. The class-exclusive fully disconnecting rear axle and Power Transfer Unit (PTU) work together to enhance fuel efficiency in Selec-Terrain's Auto mode. Driver confidence is maintained with the ability to seamlessly switch into four-wheel drive at a moment's notice, either automatically or by turning the Selec-Terrain dial to the desired capability mode.

## ACTIVE DRIVE LOW

### STANDARD: RENEGADE TRAILHAWK®

Here's how to get tough on rocks and ridges. The Jeep Active Drive Low system is a one-speed system featuring Hill Descent Control. This system provides an ultra-low and Trail Rated® 20:1 crawl ratio, and is exclusive to Jeep Trailhawk.

## ACTIVE DRIVE I

### STANDARD: CHEROKEE SPORT, NORTH AND LIMITED 4x4

This single-speed Power Transfer Unit (PTU) 4x4 system is fully automatic, balancing torque distribution with brake traction control; includes Selec-Terrain® and a disconnecting driveline system to maximize fuel economy.

## ACTIVE DRIVE II

### AVAILABLE: CHEROKEE NORTH AND LIMITED 4x4

A dual-range 4x4 system that provides a neutral position for flat towing and a 4WD low range, forcing the front and rear tires to rotate at the same speed, resulting in extra traction on loose/slippery road surfaces. While in 4WD low range, the Rear Electronic Locker system can be engaged for further grip. This system also includes Selec-Terrain with Auto, Snow, Sport and Sand/Mud settings.

## ACTIVE DRIVE LOCK

### STANDARD: CHEROKEE TRAILHAWK®

A benchmark for 4x4 technology: the low-range Rear Lock on the electronic rear axle improves traction, backed with Selec-Speed™ Control to drive confidently up or down hills at controlled, steady speeds. Multiple modes to handle virtually any climate and terrain can be dialed in with the Selec-Terrain System; these include Auto, Snow, Sport, Sand/Mud and Rock.

## FREEDOM DRIVE I®

### STANDARD: PATRIOT 4x4

Hydroplaning can be a terrifying experience: this is when the vehicle's tires are skimming across the road like a skier on water. Thankfully, having a Jeep® 4x4 system like Freedom Drive I helps in situations like this – and can help tackle snow, ice and mud like a champ. This state-of-the-art electronic system anticipates the need for added traction and responds to wheel slippage by transferring power to the rear wheels. Ready, willing and all-weather capable.

## FREEDOM DRIVE II®

### AVAILABLE: PATRIOT 4x4

Tame the terrain. The Trail Rated® Freedom Drive II Off-Road Group helps you maintain traction and control on the toughest terrain. You'll keep moving on steep grades and get through tough conditions like deeper snow, mud and sand. The Off-Road Group features a CVT2 transmission with Off-road mode and a 19:1 crawl ratio provides the torque multiplication needed for water fording,\* steep grades and crawling slowly in off-road events.

## COMMAND-TRAC™

### STANDARD: WRANGLER/WRANGLER UNLIMITED SPORT AND SAHARA®

Made to conquer. If four-wheel power is required, like when off-roading in slick conditions, the Command-Trac 4x4 system with NV241 GII transfer case kicks into action to help you get through with ease. When shifted into 4WD, Command-Trac seamlessly distributes torque 50/50 between the front and rear wheels, and engages the Brake-Lock Differential to ensure wheels are spinning at the same speed. Command-Trac is a proven shift-on-the-fly system with a 2.72:1 low range for rock crawling and neutral for flat towing, and can be conveniently shifted from 2WD to 4WD HI range at speeds up to 88 km/h. A Wrangler with a Command-Trac 4x4 system is purpose-built for fun and the freedom to go wherever adventure begins.

## ROCK-TRAC®

### STANDARD: WRANGLER/WRANGLER UNLIMITED RUBICON®

The Rock-Trac 4x4 system has attained legendary status among off-road circles. And for good reason: Rubicon's tough-as-nails NV241 OR transfer case with 4:1 low-gear ratio, Brake-Lock Differential, Tru-Lok® electronically locking differentials and electronic front sway bar disconnect allows it to crawl at a consistent 0.8 km/h for greater control and increased torque. With these hard-core guts, you have a turnkey Trail Rated rock warrior that can take you to heights others only dream of.

- Comfort/Convenience Group (AFB)
- GPS Navigation (JLN)
- Leather-faced Seats (\*AL)
- Power Sunroof (GWL)
- Rear Park Assist\* (XAQ)

## FIAT 500 ABARTH®:

### THE ULTIMATE HIGH-PERFORMANCE SMALL CAR

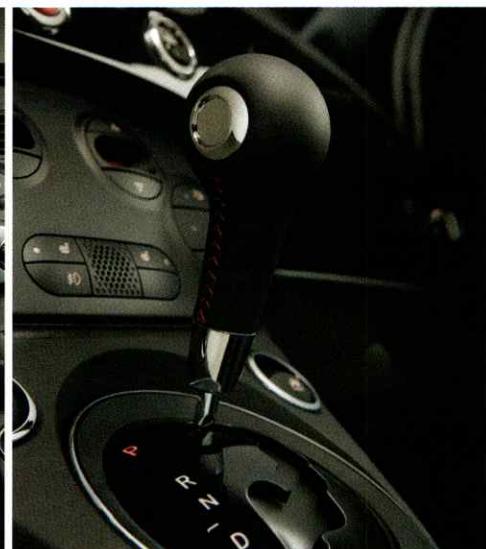

Faithful to the "small but wicked" saying coined for Karl Abarth's cars in the 1960s, the 2016 FIAT 500 Abarth embodies the racing traditions that have made it a success on European roadways and racetracks – world-class performance and precision, purposeful and aggressive styling, and limited-production volume.

With its 160-horsepower 1.4-litre MultiAir 16V I-4 Turbo engine, Abarth-tuned suspension, track-proven brake systems, race-inspired design and technology features not traditionally included on a small car, the 2016 FIAT 500 Abarth unleashes the brand's legendary performance heritage on North American streets.

## PACKAGE DETAILS

### COMFORT/CONVENIENCE GROUP (AFB)

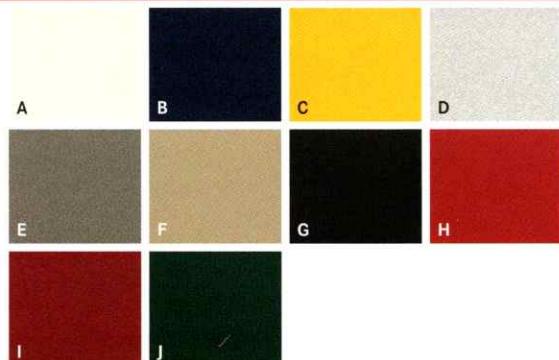

- Automatic temperature control
- Heated front seats
- Security alarm (Turbo)

## SE

### POWERTRAIN

- 3.6L Pentastar™ Variable Valve Timing (VVT) V6 with TorqueFlite® 8-speed automatic (29G)

### SELECT STANDARD EQUIPMENT

#### INTERIOR AMENITIES

- 7-inch full-colour customizable in-cluster display centre
- Air conditioning with dual-zone temperature control
- Cloth seating with power 6-way driver's seat and 60/40 split-folding rear seats
- Dual remote USB ports for charging
- Front reading/map lamps
- Full-length floor console with storage
- Hands-free communication with Bluetooth® streaming audio\*
- Illuminated rear assist handles
- Leather-wrapped steering wheel with audio and cruise controls
- Power windows, front one-touch up and down
- Sun visors with illuminated mirrors
- Tilt/telescoping steering column
- Two 12-volt auxiliary power outlets
- Uconnect® 5.0 multimedia centre with 6 speakers

#### EXTERIOR FEATURES

- Automatic bifunctional halogen headlamps with black treatment
- Body-colour fascia and door handles
- Body-colour power exterior mirrors, manual folding
- Dual bright exhaust tips
- Gloss Black grille with Satin Chrome crosshairs
- Wheels and Tires:
  - 17-inch Satin Silver aluminum wheels
  - P215/65R17 low rolling resistance tires

#### SAFETY & SECURITY

- 4-wheel disc antilock brakes
- 7 air bags\*
- Compact spare tire
- Electronic Stability Control\* with Brake Assist, Rain Brake Support, Ready Alert Braking, Hill Start Assist, All-Speed Traction Control and Trailer Sway Control
- Keyless Enter 'n Go™ with proximity entry and push-button start
- Reactive front head restraints\*

#### CAPABILITY & FUNCTIONALITY

- 160-amp alternator
- 2.62 rear axle ratio and 195 mm rear axle
- 730-amp maintenance-free battery
- Electric power steering
- Engine block heater
- Touring suspension

#### OPTIONAL EQUIPMENT

- All-Wheel Drive (AWD)
- Comfort Seating Group (Fleet only) (AFD)
- Flex Fuel Vehicle (Fleet only) (XKN)
- Leather Interior Group (Fleet only) (AJD)
- Popular Equipment Group (AJY)
- Power Sunroof Group (AD1)
- Security Alarm (Fleet only) (LSA)
- Sport Appearance Group (AGG; RWD model)
- Travel and Safety Group (Fleet only) (AF1)

#### AWD ADDS/ENHANCEMENTS

- 19-inch polished aluminum wheels with Graphite pockets
- Active transfer case with front-axle disconnect
- AWD badge
- Normal-duty suspension; 3.07 rear axle ratio
- P235/55R19 BSW all-season tires
- Performance 4-wheel disc antilock brakes

## SXT

### POWERTRAIN

- 3.6L Pentastar VVT V6 with TorqueFlite 8-speed automatic (29H)

- 10 BeatsAudio premium speakers with subwoofer and 552-watt amplifier
- 20-inch polished aluminum wheels with Black and Satin pockets

# DODGE CHALLENGER

## 2016 PRODUCT HIGHLIGHTS

- Modern-day muscle car offers a complete model lineup loaded with performance, technology and advanced safety features
- 2016 model lineup: SXT, SXT Plus, R/T, R/T Shaker, R/T Scat Pack, R/T Scat Pack Shaker, SRT® 392 and SRT Hellcat

### INTERIOR HIGHLIGHTS:

- Advanced Uconnect® multimedia centres with available largest-in-class 8.4-inch touchscreen<sup>(1)</sup>
- Driver-centric interior and instrument panel with standard 7-inch full-colour customizable in-cluster display centre
- Heritage-inspired "tic-toc-tach" gauges
- Performance seats available in cloth, Nappa leather and Alcantara® suede, and premium Laguna leather
- Race-inspired three-spoke leather-wrapped steering wheel with available heating element and paddle shifters
- Retro interior trim and accent colours including Black and Ruby Red, Pearl, and Sepia

### EXTERIOR HIGHLIGHTS:

- 1971-inspired exterior design with personalization options including a wide range of colours, stripes and wheels
- Available black or body-colour rear spoilers
- Available in retro, high-impact exterior colours including Sublime, B5 Blue and TorRed
- Dual exhaust with bright tips
- LED halo headlamps
- Pronounced power bulge hood with functional air intakes
- Split front grille and rear LED taillamps

## PERFORMANCE

- Four potent available engines, including:
  - 3.6L Pentastar™ VVT V6 with 305 horsepower
  - 5.7L HEMI® VVT V8 with FuelSaver Multi-Displacement System (MDS) and up to 375 horsepower
  - 6.4L SRT HEMI V8 with 485 horsepower
  - 6.2L Supercharged HEMI SRT Hellcat V8 with 707 horsepower
- Performance-inspired fully electronic shifter (automatic models) mimics the feel of a traditional linkage shifter, while providing short throws and low shift efforts
- Standard, class-exclusive TorqueFlite® 8-speed automatic transmission<sup>(1)</sup>
- TREMEC® 6-speed manual – Available

## SAFETY & SECURITY

### OFFERS MORE THAN 70 STANDARD AND AVAILABLE FEATURES, INCLUDING:

- Adaptive Cruise Control\*
- Air bags\* – Advanced multistage front, supplemental front-seat side and supplemental side-curtain
- Blind-Spot Monitoring with Rear Cross-Path Detection\*
- Forward Collision Warning\*
- Park-Sense® Rear Park Assist System\*
- ParkView® Rear Back-Up Camera\* with dynamic grid lines
- Rain-sensing windshield wipers
- Three-mode Electronic Stability Control (ESC)\* with Full Off mode

## PAINT<sup>††</sup>

- A Black Forest Green Pearl
- B Blue Streak Pearl
- C Bright Silver Metallic
- D Bright White
- E Brilliant Black Crystal Pearl
- F Flame Red
- G Granite Crystal Metallic
- H Luxury Brown<sup>‡</sup>
- I Maximum Steel Metallic
- J Pearl White<sup>†</sup>
- K Red Pearl<sup>†</sup>
- L True Blue Pearl
- M White Gold<sup>†</sup>

<sup>†</sup>Lower two-tone on Laramie Longhorn. <sup>‡</sup>Late availability. <sup>††</sup>All paint colours not available on all models. See your retailer for more details.

## FABRIC

- A Heavy-duty vinyl – Diesel Grey Standard on ST, Tradesman<sup>®</sup>, Express and HFE Quad Cab<sup>®</sup>
- B Cloth – Diesel Grey Standard on SXT, HFE Regular Cab, SLT, Outdoorsman<sup>®</sup> and Big Horn; Available on ST, Tradesman and Express
- C Cloth – Canyon Brown Standard on SLT, Outdoorsman and Big Horn
- D Premium cloth – Diesel Grey Available on SLT, Outdoorsman and Big Horn
- E Premium cloth – Canyon Brown Available on SLT, Outdoorsman and Big Horn
- F Sport mesh cloth with vinyl – Black Standard on Sport and R/T
- G Leather-faced with perforated inserts – Black Available on Sport
- H Leather-faced with perforated inserts – Black Standard on Laramie
- I Leather-faced with perforated inserts – Light Frost Standard on Laramie
- J Premium leather with perforated inserts – Canyon Brown with laser etching Standard on Laramie Longhorn (also available in non-laser etching)
- K Premium leather with perforated inserts – Cattle Tan Available on Laramie Longhorn
- L Premium leather with perforated inserts – Black Standard on Laramie Limited
- M High-durability technical grain vinyl with Black embossed seat pattern – Red Standard on Rebel

## WHEELS

- A 17-inch lightweight steel Standard on ST and Tradesman (WFP)
- B 17-inch aluminum Standard on HFE Regular Cab, SXT, SLT and Outdoorsman (WFE)
- C 17-inch cast-aluminum with Black painted pockets Standard on Rebel (WFK)
- D 20-inch aluminum Standard on Express, HFE Quad Cab; Packaged with SLT Décor Group; Available on SLT and Outdoorsman (WHE)
- E 20-inch Chrome-clad aluminum Available on Express (WR2)
- F 20-inch Chrome-clad aluminum Standard on Big Horn (WHK)
- G 17-inch Chrome-clad aluminum Available on Big Horn, SLT and Laramie (WFJ)
- H 20-inch semi-gloss Black aluminum Available on Outdoorsman and Express with Black Appearance Package (WHN)
- I 20-inch polished aluminum with Tech Silver painted pockets Standard on Sport; Available on SLT with SLT Plus Décor Group (WRF)
- J 20-inch Chrome-clad aluminum Standard on Laramie (WRG)
- K 20-inch multi-clad polished aluminum with Gold painted inserts Standard on Laramie Longhorn with two-tone exterior paint (WRH)
- L 20-inch polished aluminum with Silver painted inserts Standard on Laramie Longhorn with monotone exterior paint (WRJ)
- M 20-inch Black aluminum wheels Available on Sport with the Black Appearance Package (WRL)
- N 20-inch polished forged aluminum wheels Standard on Laramie Limited (WRA)
- O 20-inch polished aluminum Available on Laramie Longhorn with monotone exterior paint and Laramie Limited (WRT)

<sup>\*</sup>All disclaimers and disclosures can be found on the inside back cover. <sup>††</sup>Longevity based on entire Ram Pickup lineup compared to competitive pickups. Based on IHS Automotive: Polk Canadian Vehicles in Operation data as of July 1, 2014, for model-years 1988 – 2014 for all large pickups sold and available in Canada over the last 27 years. <sup>‡‡</sup>Based on *Automotive News* Full-size Pickup segmentation. 2015 *EnerGuide* highway fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. 11.3 L/100 km (25 mpg) city and 8.0 L/100 km (35 mpg) highway on Ram 1500 Quad Cab 4x2 HFE model with 3.0L EcoDiesel V6 and 8-speed automatic. <sup>†††</sup>Based on *Automotive News* Full-size Pickup segmentation.

## 2016 PRODUCT HIGHLIGHTS

- Canada's longest-lasting pickup<sup>(1)</sup>
- Canada's most fuel-efficient pickup<sup>(2)</sup>
  - As good as 8.0 L/100 km (35 mpg) highway
- Highest customer loyalty of any full-size pickup
- Powerful, fuel-efficient and award-winning engines: 3.6L Pentastar™ VVT V6, 3.0L EcoDiesel V6 and legendary 5.7L HEMI® V8
- The only light-duty pickup to offer<sup>(3)</sup>:
  - Active-Level™ Four-Corner Air Suspension
  - Multilink Coil Spring Rear Suspension
  - Diesel engine
  - RamBox® Cargo Management System

## SAFETY & SECURITY

- Advanced multistage driver and front-passenger air bags\*, front-seat-mounted side air bags\* and supplemental side-curtain air bags\* for front and rear – Standard
- Electronic Stability Control (ESC)\* system with:
  - Antilock brake system – Standard
  - Hill Start Assist – Standard
  - Rain Brake Support – Standard
  - Ready Alert Braking – Standard
  - Traction Control – Standard
  - Trailer Sway Control – Standard
- Park-Sense® Front and Rear Park Assist System\* – Available
- ParkView® Rear Back-Up Camera\* – Available

## POWER AND FUEL ECONOMY

Based on 2015 EnerGuide fuel consumption ratings. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. For EnerGuide information, please ask your retailer or visit the Government of Canada Web site: [www.vehicles.nrcan.gc.ca](http://www.vehicles.nrcan.gc.ca)

ACTIVE-LEVEL™ FOUR-CORNER AIR SUSPENSION WITH FIVE PRESET HEIGHT POSITIONS					
• Off-Road 2 (OR2) – Provides the greatest ground clearance and the best approach, departure and breakover angles					
• Off-Road 1 (OR1) – Provides a good balance between ground clearance and ride comfort					
• Normal Ride Height (NRH) – Normal driving position for the vehicle, designed to have the most comfortable balance of ride and handling					
• Aero Mode – Lowers the vehicle to improve aerodynamics and fuel economy at highway speeds; it also reduces body roll and provides a sportier feel					
• Entry/Exit Mode – Lowers the entire vehicle to make getting in and out of the vehicle easier; also easier loading/unloading of cargo from the cab and pickup bed, and easier trailer hooking/unhooking; for convenience, the truck can be lowered to the entry/exit ride height from outside the vehicle with a button on the key fob					
PRESET VEHICLE HEIGHTS FOR AIR SUSPENSION					
Preset Level	Distance ± from Normal Ride Height (NRH)				
Off-Road (OR2)	+51 (+2.0)				
Off-Road (OR1)	+30 (+1.2) front / +22 (+0.9) rear				
Normal Ride Height (NRH)	0				
Aero Mode	-27 (-1.1)				
Entry/Exit Mode	-53 (-2.1) front / -43 (-1.7) rear

\*Information subject to change. All weights are in kilograms (pounds). Please visit [rambodybuilder.com](http://rambodybuilder.com) for full specifications. Payload and Maximum Trailer Weights are ESTIMATED values. Payload and Maximum Trailer Weight values are rounded to the nearest 10 lb. Payload = GVWR - Base Weight. Trailer Weight Rating and Tow Vehicle Trailering Weight are calculated as specified in SAE J2807. Passenger Weight = 300 lb. Options Weight is option content above 33 percent of sales volume. Trailer Equipment Weight = Class IV hitch receiver is 11.1 lb (if not already included in options weight). Trailer Hitch is 10 lb if TWR is less than or equal to 5,000 lb and 65 lb if TWR is greater than 5,000 lb. Payload and Trailer Weight Rating are mutually exclusive. GAWRs, GVWRs and GCWRs should never be exceeded. The recommended tongue weight for a conventional hitch is 10 percent of the gross trailer weight. The maximum tongue weight for Class IV hitch receiver is limited to 1,100 lb. Weight-Distributing Hitch is recommended for trailers over 5,000 lb. Quad Cab and Crew Cab models with Off-Road Tires (sales code TXN) and/or Steel Wheels (sales code WFP) have 6,800-lb GVWR. All models with 22-inch Tires (sales code TY4) have 6,200-lb GVWR. \*Big Horn equipped with the 3.0L EcoDiesel engine and 3.92 axle ratio have 13,750 lb GCWR.

## 3.0-LITRE ECODIESEL V6 ENGINE

### CANADA'S MOST FUEL-EFFICIENT PICKUP EVER.<sup>(1)</sup>

The EcoDiesel engine combined with the segment-exclusive TorqueFlite™ 8-speed automatic transmission<sup>(2)</sup> delivers up to 8.0 L/100 km (35 mpg) highway – the best fuel economy of any pickup on the market.

### THE ONLY 1/2-TON FULL-SIZE DIESEL PICKUP IN CANADA.<sup>(2)</sup>

The 3.0L EcoDiesel V6 is a silent and clean-burning turbocharged 60-degree engine with dual overhead cam (DOHC) and 24 valves. Refinements include a 29,000-psi Common Rail Fuel-Injection System enhanced with Multi-Jet II Shaping Technology enabling up to eight fuel injections per combustion event. This V6 is so powerful, it actually rivals V8 power and capability. Long proven and built by world-class manufacturer VM Motori, the EcoDiesel is now in its sixth generation of production.

## THE ECODIESEL ADVANTAGE

**LASTING DURABILITY.** The engine is built with a cylinder block and bedplate constructed of high-strength compact graphite iron, forged steel crankshaft and connecting rods, durable aluminum alloy pistons, heat-treated aluminum cylinder heads and oil squirters for each piston.

**TURBO POWER.** An electronically controlled and watercooled variable-geometry turbocharger enhances durability and capability. The system provides critical turbine power at low engine speeds, helping to ensure optimal power and performance at all times.

**STATE-OF-THE-ART SELECTIVE CATALYTIC REDUCTION.** This system reduces emissions and incorporates a unique Diesel Exhaust Fluid (DEF) system that alerts the driver to low DEF levels.

**COOL OIL. LONG LIFE. REDUCED COSTS.** A standard engine oil cooler keeps the oil at peak operating temperatures, contributing to recommended oil change intervals of up to 16,000 km.\*

**DUAL FUEL FILTRATION.** This system enables exceptional separation of water from fuel for enhanced protection.

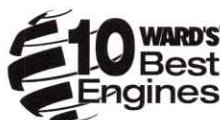

**BEST-IN-CLASS 420 LB-FT OF LOW-END V6 TORQUE.<sup>(3)</sup>** Exceptional low-end torque at a low 2000 rpm ensures maximum towing power at all times. Since the power band is wide and at a low rpm, the EcoDiesel V6 engine has the ability to pull hard without working too hard. This results in greater fuel efficiency.

**V8-LIKE TOWING.** Can tow up to 4173 kg (9200 lb) when properly equipped.

**BIODIESEL FUEL-CAPABLE.** The EcoDiesel is also capable of running on environmentally friendly and renewable biodiesel fuels up to a B-20 blend.

#### AWARD-WINNING:

- 2014/2015 Ward's "10 Best Engines"
- Autobytel® 2015 Truck of the Year
- 2015 Green Truck of the Year™ by Green Car Journal
- 2015 Motor Trend Half-ton Pickup Shootout Winner

## ST REGULAR / CREW

### POWERTRAIN

- 5.7L HEMI® Variable Valve Timing (VVT) V8 with Multi-Displacement System (MDS) and 6-speed automatic (26A)
- 6.4L HEMI V8 with MDS and 6-speed automatic (22A)
- 6.7L Cummins® I-6 High-Output Turbo Diesel with 6-speed AISIN® automatic (28A)
- 6.7L Cummins I-6 Turbo Diesel with 6-speed automatic (2FA)
- 6.7L Cummins I-6 Turbo Diesel with 6-speed manual (2EA)

### STANDARD EQUIPMENT<sup>(1)</sup>

#### INTERIOR AMENITIES

- 3.5-inch Electronic Vehicle Information Centre (EVIC)
- 12-volt auxiliary power outlet
- Air conditioning
- Heavy-duty vinyl 40/20/40 front bench seat
- Media Centre:
  - Media hub with USB port and auxiliary input jack
  - Uconnect® 3.0 multimedia centre with 6 speakers
- Power locks and front windows (Crew Cab)
- Storage:
  - Behind-the-seat storage (Regular Cab/Mega Cab®)
  - Front armrest with storage/cup holders (with automatic)
  - Rear in-floor storage bins (Crew Cab)
  - Rear underseat storage compartment (Crew Cab)

#### EXTERIOR FEATURES

- Automatic quad-halogen headlamps
- Black, 6- x 9-inch mirrors, manual folding (2500 Regular Cab)
- Black, 7- x 11-inch trailer tow mirrors, manual folding with supplemental turn signals and courtesy lamps (3500 Regular Cab)
- Black door handles and black front and rear bumpers
- Black grille with black insert
- Black, power, heated, 6- x 9-inch mirrors, manual folding (2500 Crew Cab)
- Black, power, heated, 7- x 11-inch trailer tow mirrors, manual folding with supplemental turn signals and courtesy lamps (3500 Crew Cab)
- Wheels and Tires:
  - 17-inch styled steel wheels (2500)
  - 18-inch styled steel wheels (3500 SRW)
  - LT245/70R17E BSW all-season tires (2500)
  - LT275/70R18 BSW all-season tires (3500 SRW)

#### SAFETY & SECURITY

- Air Bags\*:
  - Advanced multistage driver and front-passenger
  - Supplemental front-seat-mounted side
  - Supplemental side-curtain
- Brakes:
  - Electronic Stability Control\* with Hill Start Assist, Trailer Sway Control, Electronic Roll Mitigation, Rain Brake Support, Ready Alert Braking and Traction Control
  - Four-wheel disc antilock brakes with Brake Assist
  - “Smart” Diesel Exhaust Brake

#### CAPABILITY & FUNCTIONALITY

- Antispin differential rear axle (3500)
- Class V hitch receiver with 4- and 7- pin wiring harness
- Heavy-duty engine cooling and Single Rear Wheel (SRW)
- Manual shift-on-the-fly transfer case (4x4)
- Ram Active Air™ Intake (diesel)
- Suspension:
  - Five-link coil spring rear suspension (2500)
  - Front/rear heavy-duty shock absorbers
  - Heavy-duty Hotchkiss® rear suspension (3500)

## SLT REGULAR / CREW / MEGA

### POWERTRAIN

- 5.7L HEMI VVT V8 with MDS and 6-speed automatic (26G)
- 6.4L HEMI V8 with MDS and 6-speed automatic (22G)
- 6.7L Cummins I-6 High-Output Turbo Diesel with 6-speed AISIN automatic (28G)
- 6.7L Cummins I-6 Turbo Diesel with 6-speed automatic (2FG)
- 6.7L Cummins I-6 Turbo Diesel with 6-speed manual (2EG)

### ENHANCEMENTS vs. ST

#### INTERIOR AMENITIES

- Carpet floor covering
- Cloth 40/20/40 front bench seat
- Floor mats
- Instrument panel colour-keyed accents
- SiriusXM satellite radio with one-year subscription\*
- Overhead console
- Power rear sliding window (Crew Cab/Mega Cab)
- Premium door trim with map pocket
- Rear sliding window (Regular Cab)
- Temperature and compass display
- Traveller/minikit computer

#### EXTERIOR FEATURES

- Chrome front and rear bumpers
- Chrome grille with black insert
- Wheels and Tires:
  - 18-inch Chrome-clad steel wheels (2500 and 3500 SRW)
  - LT275/70R18 BSW all-season tires (2500 and 3500 SRW)

#### SAFETY & SECURITY

- Remote keyless entry

#### CAPABILITY & FUNCTIONALITY

- Electronic shift-on-the-fly transfer case (4x4)

## OUTDOORSMAN® CREW – 2500 4x4 ONLY

### POWERTRAIN

- 5.7L HEMI VVT V8 with MDS and 6-speed automatic (26T)
- 6.4L HEMI V8 with MDS and 6-speed automatic (22T)
- 6.7L Cummins I-6 Turbo Diesel with 6-speed automatic (2FG)

### ENHANCEMENTS vs. SLT

#### INTERIOR AMENITIES

- Front and rear rubber floor mats

#### EXTERIOR FEATURES

- Antispin differential rear axle
- Black lower two-tone paint, fender flares and front/rear bumpers
- Body-colour grille with black insert
- Fog lamps
- Tow hooks
- Transfer case skid plate
- Wheels and Tires:
  - 18-inch polished forged aluminum wheels
  - LT275/70R18E OWL On-/Off-Road tires

**RAM**

## POWER WAGON® CREW – 2500 4x4 ONLY

### REY/SILVER DECAL PACKAGE\*\* shown with Blue Streak

Also included with True Blue, Maximum Steel, Red Pearl and Flame Red (includes Red billets on Flame Red)

\*\*Also available without exterior decals

### POWERTRAIN

- 6.4L HEMI® V8 with Multi-Displacement System (MDS) and 6-speed automatic (22B, 22P, 22J)

### ENHANCEMENTS vs. SLT

#### POWER WAGON ST (2TB)

- Adds all the Power Wagon features noted to the left with †
- Includes all Ram ST features but replaces the black front/rear bumpers with bright front/rear bumpers

## 2016 PRODUCT HIGHLIGHTS

New for 2016, Ram 2500 CNG is available on ST or SLT, Regular Cab or Crew Cab, and 4x2 or 4x4. Dual-fuel operation is seamless and automatic; no driver operation is required. Legendary 5.7-litre HEMI® V8 is calibrated for dual-fuel operation, with modified internal engine components, hardened valves and valve seats, and specially designed spark plugs, all factory-installed.

- Ram 2500 CNG features two specialized, ultra-strong 130-litre CNG tanks contained in a 50,000-psi steel box; combined they hold the equivalent of 68 litres of gasoline with a projected range of operation estimated at up to 484 kilometres<sup>(1)</sup>
- Range of operation from all fuels with the available 121-litre gasoline tank is estimated at up to 1555 kilometres<sup>(1)</sup>

### ST REGULAR/CREW

### SLT REGULAR/CREW

### PACKAGE DETAILS

#### HEAVY DUTY SNOWPLOW PREP GROUP (4x4) (AHD)

- 180-amp alternator
- Transfer case skid plate shield

#### LUXURY GROUP (ADA)

- Auto-dimming rearview mirror
- Black, heated, power folding, auto-dimming 6- x 9-inch mirrors with courtesy lamps and supplemental turn signals
- Glove box, underhood lamp
- Leather-wrapped steering wheel
- Overhead console with universal garage door opener\*
- Premium 7-inch customizable in-cluster display centre
- Rear dome lamp
- Sun visors with illuminated vanity mirrors

#### POPULAR EQUIPMENT GROUP (FLEET ONLY) (AJY)

- Cloth 40/20/40 bench seat
- Floor carpet and floor mats
- Remote keyless entry (Crew Cab only)
- SiriusXM satellite radio with one-year subscription\*

#### PREMIUM CLOTH 40/20/40 FRONT BENCH SEAT (CREW CAB) (\*M9)

- 115-volt auxiliary power outlet
- Fold-flat load floor storage
- Front armrest with cup holder
- Front centre-seat-cushion storage
- Power 10-way driver's seat including 4-way lumbar adjust
- Rear 60/40 split-folding bench seat
- Remote USB port (charging only)
- Storage tray

#### PREMIUM CLOTH FRONT BUCKET SEATS (CREW CAB) (\*M9)

- 60/40 split-folding rear seat
- 115-volt auxiliary power outlet
- Fold-flat load floor
- Full-length floor console
- Power 10-way driver's seat including 4-way lumbar adjust
- Remote USB port for charging

#### PROTECTION GROUP (4x4) (ADB)

- Tow hooks
- Transfer case skid plate

#### SLT PLUS DÉCOR GROUP (CREW CAB) (ATK)

- 18-inch polished forged aluminum wheels
- Antispin rear differential
- Chrome grille with Chrome inserts
- Electronic trailer brake controller
- Fog lamps
- Luxury Group (ADA)

#### SXT APPEARANCE GROUP (AGR)

- 18-inch Chrome-clad steel wheels
- Bright grille, bright front/rear bumpers
- LT275/70R18E BSW all-season tires
- Popular Equipment Group (AJY)

#### POWERTRAIN

5.7L HEMI CNG V8 with 6-speed automatic (27A)

#### STANDARD EQUIPMENT

#### INTERIOR AMENITIES

3.5-inch Electronic Vehicle Information Centre

Air conditioning

Media Centre:

- Media hub with USB port and auxiliary input jack
- Uconnect® 3.0 multimedia centre with 6 speakers
- Power locks/front windows with one-touch up and down (Crew Cab only)
- Seating:
  - Heavy-duty vinyl 40/20/40 split-bench seat
  - Rear folding bench seat
- Storage:
  - Rear in-floor storage bins
  - Rear storage underseat (Crew Cab only)

#### EXTERIOR FEATURES

- Automatic, quad-halogen headlamps
- Black, power, heated, 6- x 9-inch mirrors, manual folding
- Black grille, door handles and bumpers
- Wheels and Tires:
  - 17-inch styled steel wheels
  - LT245/70R17E BSW all-season tires

#### SAFETY & SECURITY

- Air Bags\*:
  - Advanced multistage driver/front-passenger air bags
  - Supplemental front-seat-mounted side air bags
  - Supplemental side-curtain air bags
- Electronic Stability Control (ESC)\*
- Four-wheel disc antilock brakes

#### CAPABILITY & FUNCTIONALITY

- 4- and 7-pin trailer tow wiring harness
- 30-litre (6.6-imp gal) gasoline fuel tank
- Class V hitch receiver
- Heavy duty engine cooling
- Manual shift-on-the-fly part-time transfer case
- Suspension:
  - Front/rear heavy-duty shock absorbers
  - Multilink coil spring rear suspension
  - Three-link front suspension

#### OPTIONAL EQUIPMENT<sup>(2)</sup>

- 121L (26.6-imp gal) Gasoline Fuel Tank (NG9)
- Cloth 40/20/40 Bench Seat (\*V9)
- Fifth-Wheel/Gooseneck Prep Group (AHU)
- Heavy Duty Snowplow Prep Group (4x4 only) (AHD)
- Popular Equipment Group (Fleet only) (AJY)
- SiriusXM Satellite Radio with One-year Subscription\* (RSD)
- SXT Appearance Group (AGR)
- Uconnect 3.0 Multimedia Centre with Hands-free Communication and Bluetooth® Streaming Audio\* (Late availability) (UA1)
- Uconnect 5.0 Multimedia Centre (RA2)
- Work-grade Vinyl 40/20/40 Front Bench Seat (\*SX)

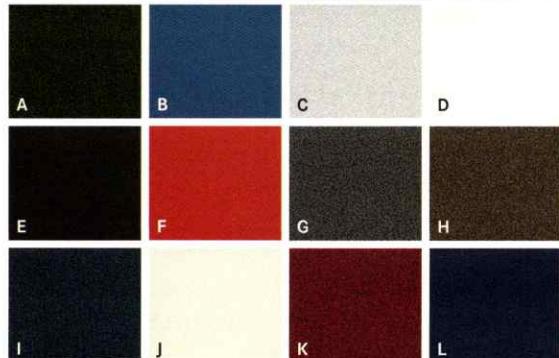

\*All disclaimers and disclosures can be found on the inside back cover. <sup>(1)</sup>Based on FCA internal estimates, your actual kilometrage can vary depending on driving habits, regularly scheduled maintenance and other factors.

<sup>(2)</sup>See your retailer for a complete list of all optional equipment.

- I Maximum Steel Metallic
- J Pearl White<sup>†</sup>
- K Red Pearl<sup>†</sup>
- L True Blue Pearl

<sup>†</sup>Not all colours available on all models. Specialty paint colours available on Ram Chassis Cab. See page 19 for more details.

<sup>‡</sup>Late availability.

## FABRIC

- A Heavy-duty vinyl – Diesel Grey Standard on ST
- B Work-grade vinyl – Diesel Grey Available on ST
- C Cloth – Diesel Grey Standard on SLT; Available on ST
- D Cloth – Canyon Brown Standard on SLT
- E Premium cloth – Canyon Brown Available on SLT
- F Premium cloth – Diesel Grey Available on SLT
- G Leather-faced with perforated inserts – Black with Light Slate Grey accent stitching Standard on Laramie
- H Leather-faced with perforated inserts – Light Frost Standard on Laramie

## WHEELS

- A 18-inch argent steel Standard on 3500 ST SRW (WBN)
- B 18-inch Chrome-clad steel Standard on 3500 SLT SRW; Available on 3500 ST SRW and 3500 ST SRW with SXT Appearance Group (WBH)
- C 18-inch polished aluminum Standard on 3500 Laramie SRW; Available on 3500 ST and SLT SRW (WBL)
- D 17-inch argent steel Standard on 3500 ST DRW (WFU)
- E 17-inch steel with Chrome covers Standard on 3500 SLT DRW; Available on 3500 ST DRW and 3500 ST DRW with SXT Appearance Group (WD4)
- F 17-inch polished aluminum Standard on 3500 Laramie DRW; Available on 3500 SLT DRW (WF7)
- G 19.5-inch steel Standard on 4500/5500 ST and SLT (WP3)
- H 19.5-inch polished forged aluminum Standard on 4500/5500 Laramie; Available on 4500/5500 ST and SLT (WP4)

## UCONNECT<sup>®</sup> MULTIMEDIA CENTRES

### Uconnect 3.0 (RA1)

- 4-line text display
- AM/FM/MP3
- iPod<sup>®</sup> integration
- Media hub including auxiliary input jack and remote USB port

### Uconnect 3.0 (RA1) features plus:

- Hands-free communication with Bluetooth<sup>®</sup> streaming audio\*

### Uconnect 3.0 (UA1) features plus:

- 5-inch hi-definition full-colour touchscreen display
- HVAC control integration
- Preset text reply and incoming voice text message reader\*
- SiriusXM satellite radio with one-year subscription\*

### Uconnect 5.0 features plus:

- 8.4-inch full-colour touchscreen display
- NAV-ready\*
- Remote SD card slot

### Uconnect 8.4A features plus:

- Premium navigation\*

### Uconnect 8.4A (RA3)

### Uconnect 8.4AN (RA4)

\*All disclaimers and disclosures can be found on the inside back cover.

## 016 PRODUCT HIGHLIGHTS

### New Ram 3500 with 4491 kg (9900 lb) Gross Vehicle Weight

#### Rating (GVWR)

Available in Regular Cab/Crew Cab models, 3500/4500/ 5500 series, 4x2/4x4, SRW/DRW and 60-inch/84-inch/108-inch/120-inch cab-to-axle lengths

Available with the 6.4L HEMI® Variable Valve Timing (VVT) V8 engine or the 6.7L Cummins® High-Output Turbo Diesel engine with up to 750 lb-ft of torque

Upfitter-friendly design:

- All components located below top of frame rail
- Auxiliary Power Distribution Center located under hood
- Built-in tandem Power Take-Off (PTO) capability – Available

### CAPABILITY

- Best-in-class<sup>(1)</sup>
  - Dual fuel tanks providing 197L and 83L tanks for 280 litres total – Available
  - Front GAWR up to 3289 kg (7250 lb)
  - Gross Combined Weight Rating up to 17,010 kg (37,500 lb) (Ram 5500)
  - Gross Vehicle Weight Rating up to 8845 kg (19,500 lb) (Ram 5500)
  - Towing up to 13,427 kg (29,600 lb) (Ram 5500)
- Payload capability of up to 5661 kg (12,480 lb) (Ram 5500)

## CAPABILITY HIGHLIGHTS<sup>†</sup>

All dimensions are in kilograms (pounds). Maximum ratings based on properly equipped vehicles. Visit [www.rambodybuilder.com](http://www.rambodybuilder.com) for the latest specifications.

## PACKAGE DETAILS

**AMBULANCE PREP GROUP (AH2)**

- 220-amp alternator
- Upfitter electronic interface module
- Voltage monitoring auto idle-up system

**CHROME APPEARANCE GROUP (AMP)**

- 17-inch steel wheels with Chrome wheel covers (DRW)
- 18-inch Chrome-clad steel wheels (SRW)
- Chrome front bumper
- Chrome grille with black insert

**COMFORT GROUP (AGF)**

- Air conditioning with dual-zone automatic temperature control (Crew Cab)
- Heated front seats
- Heated leather-wrapped steering wheel
- Leather-wrapped steering wheel
- Remote start system (automatic)

**CONVENIENCE GROUP (ADC)**

- Automatic high-beam headlamp control
- Auto-dimming rearview mirror
- Rain-sensing windshield wipers
- Remote Keyless Enter 'n Go™ with proximity entry and push-button start

**EMERGENCY/FIRE/RESCUE SPECIAL EMISSIONS GROUP (FLEET ONLY) (AH6)**

- Dual 220-amp alternator
- Special emissions-emergency vehicle
- Upfitter electronic interface module
- Voltage monitoring auto idle-up system

**HEAVY DUTY SNOWPLOW PREP GROUP 4x4 (AHD)**

- 220-amp alternator
- Transfer case skid plate shield

**LEATHER-FACED HIGH-BACK FRONT BUCKET SEATS (\*GJ)**

- 6-way power passenger seat including 2-way power lumbar adjust
- 10-way power driver's seat including 2-way power lumbar adjust and memory
- 60/40 heated rear seat
- 115-volt auxiliary power outlet
- Fold-flat load floor
- Full-length floor console
- Heated and ventilated front seats

**LUXURY GROUP (ADA)**

- Glove box and underhood lamps
- Leather-wrapped steering wheel with audio and cruise controls
- Overhead console with mini trip computer and universal garage door opener\*
- Premium 7-inch full-colour customizable in-cluster display centre
- Rear dome lamp with on/off switch
- Rear power sliding window (Crew Cab)
- Sun visors with illuminated vanity mirrors

**MAX TOW GROUP (AHQ)**

- 4.10 (3500), 4.44 (4500), 4.88 (5500) axle ratio
- Aluminum rear axle differential cover (3500)
- Dual transmission oil cooler (3500)
- Special transmission software calibration
- Underbody thermal protection

**PAYOUT UPGRADE PACKAGE (5500) (AH5)**

- 4.88 rear axle ratio
- 8618 kg (19,000 lb) GVWR – Regular Cab with 60" CA
- 8845 kg (19,500 lb) GVWR – Regular with 84", 104" and 120" CA and Crew Cab

**POWER TAKE-OFF (PTO) PREP GROUP – LEFT SIDE (4x2 AISIN®) (LBV)**

- Hard-wired remote start system
- Split-shaft capability (diesel)

**POWER TAKE-OFF (PTO) PREP GROUP – RIGHT SIDE (AISIN) (LBN)**

- Hard-wired remote start system
- Split-shaft capability (diesel)

**PREMIUM CLOTH 40/20/40 FRONT BENCH SEAT (\*M9)**

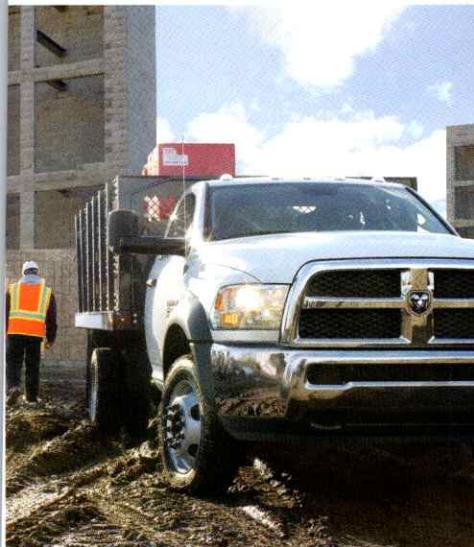

- 10-way power driver's seat including 2-way power lumbar adjust
- 60/40 split-folding rear seat
- 115-volt auxiliary power outlet
- Front armrest with 3 cup holders (automatic)
- Front centre-seat-cushion storage
- Remote USB port for charging

**PREMIUM CLOTH FRONT BUCKET SEATS (\*MJ)**

- 10-way power driver's seat including 2-way power lumbar adjust
- 60/40 split-folding rear seat
- 115-volt auxiliary power outlet
- Full-length floor console
- Remote USB port for charging

**ROLLBACK CARRIER GROUP (5500 REGULAR CAB) (AH1)**

- Voltage monitoring auto idle-up system

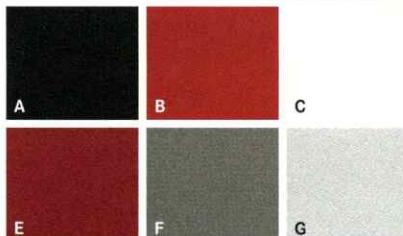

Properly secure all cargo.

## PROMASTER STANDARD EQUIPMENT

## PACKAGE DETAILS

### POWERTRAIN

- 3.0L EcoDiesel I-4 with 6-speed automated manual
- 3.6L Pentastar™ Variable Valve Timing (VVT) V6 with 6-speed automatic

### INTERIOR AMENITIES

- Air conditioning
- Cargo area lamp (Cargo and Window Vans)
- Cloth bucket seats
- Media Centre:
  - AM/FM/MP3 radio with four speakers
  - Media hub
  - Remote USB port for charging
- Power door locks and front windows with one-touch down
- Telescoping steering column
- Trip computer
- 12-volt auxiliary power outlet

### EXTERIOR FEATURES

- Dark grey grille and front fascia
- Dark grey rear bumper (Cargo and Window Vans)
- Extended mirrors, manual folding – Vehicle width of 96 inches (Chassis Cab and Cutaway models)
- Manual folding mirrors
- Wheels and Tires:
  - 16-inch steel wheels
  - 225/75R16C BSW all-season tires (1500 models)
  - LT225/75R16E BSW all-season tires (2500 and 3500 models)

### SAFETY & SECURITY

- Air Bags\*:
  - Advanced multistage driver and front-passenger
  - Supplemental front-seat-mounted side
  - Supplemental side-curtain front
- Electronic Stability Control\* with Hill Start Assist, Brake Assist, Brake-Lock Differential, Trailer Sway Control, Drift Compensation, Electronic Roll Mitigation and All-Speed Traction Control
- Four-wheel disc antilock brakes
- Full-size spare tire
- Remote keyless entry
- Tire pressure monitoring display

### CAPABILITY & FUNCTIONALITY

- 90.8-litre fuel tank
- 95-amp battery (gas engine)
- 100-amp battery (diesel engine)
- 180-amp alternator (Cargo and Window Vans)
- 220-amp alternator (Chassis Cab and Cutaway models)
- 260-degree-opening rear hinged doors
- Heavy-duty suspension (2500 and 3500 Cargo Van, Chassis Cab and Cutaway models)
- Light-duty suspension (1500 Cargo Van, 118-inch wheelbase)
- Medium-duty suspension (1500 Cargo Van, 136-inch wheelbase)
- Rear stabilizer bar (3500 Cargo Vans; 2500 and 3500, Chassis Cab and Cutaway models)
- Touring suspension (Window Van)

### OPTIONAL EQUIPMENT

- 2 Additional Key Fobs (GXK)
- 12-volt Rear Auxiliary Power Outlet (JKP) (Cargo and Window Vans)
- 16-inch Aluminum Wheels (WDN)
- 16-inch Steel Wheels with Covers (W6A)
- 220-amp Alternator (Cargo Van with V6 engine) (BAJ)
- Air Conditioning Delete (HCD)
- Ambulance Prep Group (3500 Cargo Vans) (AH2)
- Auxiliary Battery Prep (BC1)
- Auxiliary Upfitter Switches (LHL)
- Cargo Convenience Group (Cargo and Window Vans) (AWF)
- Cargo Partition, without Window (Cargo Van) (CWC)
- Cargo Partition with Sliding Window (Cargo Van) (XJ1)
- Cruise Control (NHM)
- DOT-certified Roadside Safety Kit (ACL)
- Driver Suspension Seat (CXX)
- Driver Swivel Seat (CEA)
- Electronic Parking Brake (diesel) (XC4)
- Front and Rear Mud Flaps (Cargo and Window Vans) (MEP)
- Front Mud Flaps (Chassis Cab and Cutaway models) (MEJ)
- GPS Navigation\* (JLN)
- Heated Driver Seat (CMB)
- Heated Passenger Seat (CMC)
- Interior Convenience Group (AJV)
- Leather-wrapped Steering Wheel (SCC)
- Left Sliding Door with Fixed Glass (Cargo Van; N/A on 1500 with 118-inch wheelbase) (GKD)
- Left Sliding Door without Glass (Cargo Van; N/A on 1500 with 118-inch wheelbase) (GKE)
- Lower Side-wall Panelling (Cargo Van) (CMG)
- Manual Driver and Passenger Lumbar Adjust (CDU)
- Manual Driver Lumbar Adjust (CDL)
- Mopar® Assist Handle – B-pillar (Cargo and Window Vans) (CSZ)
- Mopar Cargo Area LED Lighting (Cargo and Window Vans) (LCP)
- Mopar Heater Washer Solvent Kit (XPD)
- Mopar Premium Floor Mats (CLQ)
- Mopar Spray-on Floor Liner (Cargo and Window Vans) (XMF)
- Park-Sense® Rear Park Assist System\* (Cargo and Window Vans) (XAA)
- ParkView® Rear Back-Up Camera\* (Cargo and Window Vans) (XAC)
- Passenger Double Seat (Cargo Van and Chassis Cab models) (CAA)
- Passenger Swivel Seat (CHR)
- Power folding, Heated Mirrors (Cargo and Window Vans) (GTR)
- Premium Appearance Group (ALU)
- Rear Auxiliary Heater and Air Conditioning Prep (HDG)
- Rear Hinged Doors with Fixed Glass (Cargo Van) (GLB)
- Rear Speaker Wiring Prep (RED)
- Rear Window Defroster (Cargo and Window Vans) (GFA)
- Right Sliding Door with Fixed Glass (Cargo Van) (GKB)
- Security Alarm (LSA)
- SiriusXM Satellite Radio with One-year Subscription\* (RSD)
- Suspension – Heavy-duty (Window Van) (SDB)
- Suspension – High Centre of Gravity (3500 only; N/A on 136-inch extended wheelbase) (SDD)
- Tire Sealant and Air Compressor (XAH)
- Uconnect® 3.0 Multimedia Centre with Hands-free Communication and Bluetooth® Streaming Audio\* (Late availability) (UAT)
- Uconnect 5.0 Multimedia Centre (RA2)
- Vinyl Bucket Seats (\*B7)
- Wood Floor (Cargo and Window Vans) (CME)

### AMBULANCE PREP GROUP (3.6L ENGINE) (AH2)

- 220-amp alternator
- Cruise control
- Rear auxiliary and air conditioning prep
- Right sliding door and rear hinged door with glass
- Upfit Interface Connectors
- Wood floor

### CARGO CONVENIENCE GROUP (CARGO AND WINDOW VANS) (AWF)

- Cargo net
- Side-wall cargo tie-down rings

### CARGO PARTITION WITHOUT WINDOW (CWC)

- Delete rearview mirror

### INTERIOR CONVENIENCE GROUP (AJV)

- Locking glove box
- Shelf above roof trim
- Underseat storage tray
- Windshield document holder

### PREMIUM APPEARANCE GROUP (ALU)

- Chrome grille (late availability)
- Fog lamps

### TRAILER TOW GROUP (AHT)

- 4- and 7-pin wiring harness
- Class V hitch receiver

## 016 PRODUCT HIGHLIGHTS

New Electric Power Steering (EPS) system on RWD models  
5-year/160,000-kilometre Powertrain Extended Service Plan  
All-wheel drive (AWD) with active transfer case and front-axle disconnect – Available with 5.7L HEMI® Variable Valve Timing (VVT) V8

Driver-centric cockpit includes police-duty upgrades and state-of-the-art technologies

Modified front end with fascia and bumper treatments

Police upfit packages – Available

Projector headlamps with LED daytime running lamps

Rear-wheel-drive architecture for enhanced manoeuvrability, handling and acceleration

## SAFETY & SECURITY

- New Fleet Park Assist Group includes ParkView® Rear Back-Up Camera\* and Park-Sense® Rear Park Assist\* for enhanced rearward manoeuvrability – Available
- Electronic Stability Control\* system with heavy-duty four-wheel disc antilock brakes, All-Speed Traction Control, Ready Alert Braking, Brake Assist, Hill Start Assist and Rain Brake Support
- Larger 370-mm (14.5-inch) front and 350-mm (13.8-inch) rear brake package for improved stopping power – Standard
- Safety cage construction and side-guard door beams
- Segment-unique, factory-installed Secure Park system prevents idling vehicle from being driven when key fob is not present

## SIMPLY CHARGER ENFORCER EQUIPMENT

3.6L Pentastar™ VVT V6 engine with 5-speed Auto/Stick™ automatic transmission

12-volt centre console power outlet

18-inch steel wheels with bright hub caps

2.62 rear axle ratio with 195-mm rear axle

220-amp alternator

800-amp maintenance-free battery

Acoustic windshield and front-door glass

Advanced multistage driver and front-passenger air bags\*

Air conditioning with dual-zone temperature control and air filtering

Automatic bifunctional projector headlamps with black surrounds and LED daytime running lamps

Black interior accents

Black vinyl floor covering with vinyl trunk liner and cover

Body-colour door handles and lower body-side cladding

Body-colour, power exterior mirrors, manual folding

Brake/Park interlock

Capless fuel filler

Column-mounted automatic shift lever

Compass gauge and outside temperature display

Speed control

Dual rear exhaust

Electric Power Steering (RWD models)

Electronic Stability Control\* with All-Speed Traction Control and Hill Start Assist

Engine hour meter

Engine oil cooler and block heater

- Front and rear solar-control glass
- Front height-adjustable shoulder belts
- Full-size spare tire
- Gloss Black grille and crosshairs
- Hands-free communication with Bluetooth® streaming audio\*
- Heated washer fluid nozzles
- Heavy-duty suspension
- Heavy-duty cloth front bucket seats and fixed rear bench seat
- Heavy-duty four-wheel disc antilock brakes with Brake Assist, Ready Alert Braking and Rain Brake Support
- High-speed engine controller
- Hydraulic Assist Brake Booster
- Instrument cluster including 7-inch customizable in-cluster display, tachometer and 260-km/h speedometer
- Integrated window antenna
- Keyless Enter 'n Go™ with proximity entry and push-button start
- Lamps – front dome, glove box, under-hood, trunk and Centre High-Mounted Stop Lamp (CHMSL)
- Leather-wrapped steering wheel with mounted audio and cruise controls
- Load-leveling and height control
- Mini floor console
- P225/60R18 BSW Goodyear® performance tires
- Passenger assist handles
- Power 6-way driver's seat
- Power accessory delay
- Power front windows, one-touch up and down
- Reactive front head restraints\*
- Rear-door child protection locks
- Rearview day/night mirror with microphone
- Rear-window defroster
- Remappable steering wheel controls
- Remote fuel door release
- Remote USB port
- Secure Park system
- Sentry Key® antitheft engine immobilizer
- Severe-duty engine cooling
- Speed-sensitive power locks
- Spot lamp prep
- Sun visors with illuminated vanity mirrors
- Supplemental side-curtain and front-seat-mounted side air bags\*
- Tilt/limited telescoping steering column
- Tire pressure monitoring display
- Uconnect® 5.0 multimedia centre with 5-inch touchscreen, AM/FM and 6 speakers

## AWD DIFFERENCES/ENHANCEMENTS

- 3.07 rear axle ratio with 230-mm rear axle
- 5.7L HEMI VVT V8 Engine with FuelSaver Multi-Displacement System (MDS)
- Active transfer case with front-axle disconnect
- AWD badge
- Performance electro-hydraulic power steering with power steering cooler

## OPTIONAL EQUIPMENT

18-inch Wheel Covers (RWD) (W8A)

18-inch Wheel Covers (AWD) (W8B)

P245/55R18 BSW Goodyear Performance Tires (TYL)

3.07 Rear Axle Ratio (RWD) (DMM)

  - Roof (M3G)

## PACKAGE DETAILS

### 5.7L HEMI VVT V8 ENGINE WITH FUELSAVER MDS (EZH) (available on RWD and AWD models)

• 220-mm rear axle

• Performance exhaust

### BASE POLICE PREP PACKAGE (AYE)

• Front and rear wire harness

• Power Distribution Centre

• Siren speaker and bracket

• Trunk tray and cooling fan

### CONVENIENCE GROUP I (AHM)

• Power driver and front-passenger seats including 4-way lumbar adjust

• Power adjustable pedals

\*All disclaimers and disclosures can be found on the inside back cover.

### FLEET PARK ASSIST GROUP (AMV)

• Park-Sense Rear Park Assist System\*

• ParkView Rear Back-Up Camera\*

### MAX FLOW PACKAGE (AYJ)

• Lower police grille texture

### POLICE WIRING PREP PACKAGE (AYW)

• Front and rear wire harness

• Power Distribution Centre

### STREET APPEARANCE GROUP (AEB)

• 18-inch wheel covers

• Dual remote USB ports for charging

• Floor carpet with front and rear floor mats

• Front and rear climate control outlets

• Front reading/map lamps

• Full-length floor console

• Illuminated front console cup holders

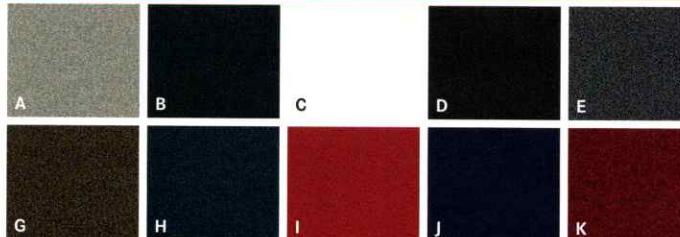

• Media hub including SD card slot, USB port and auxiliary input jack

• Power, heated mirrors, manual folding

Acoustic laminated windshield and front-door glass  
Air Bags\*:

- Advanced multistage driver and front-passenger
- Driver's knee blocker
- Supplemental front-seat-mounted side
- Supplemental side-curtain

  
Auto-dimming rearview mirror with microphone  
Automatic headlamps with chrome headlamp accents  
Body-colour, power heated exterior mirrors; manual folding  
Capless, power-locking fuel filler door  
Deep-tint sunscreen glass  
Dual battery system (650-/130-amp)  
Electric power steering  
Electronic Stability Control\* with All-Wheel Traction Control, Hill Start Assist, Rain Brake Support, Ready Alert Braking and Trailer Sway Control  
Engine block heater  
Front and rear floor mats  
Full-length floor console and overhead console

• Heavy-duty 4-wheel disc brakes  
• Heavy-duty engine cooling  
• Illuminated entry  
• Interior LED lamps and illuminated cup holders  
• Keyless Enter 'n Go™  
• Leather-wrapped steering wheel with audio and cruise controls  
• LED taillamps  
• Low-beam daytime running headlamps  
• Media Centre:

- Hands-free communication with Bluetooth® streaming audio\*
- Uconnect® 5.0 multimedia centre with 5-inch touchscreen, USB port, SD card slot and auxiliary input jack

  
• Power accessory delay  
• Power locks and power front windows with one-touch up and down  
• Powertrain:

- 3.6L Pentastar VVT V6 engine with new Stop/Start technology
- 8-speed automatic transmission with rotary dial E-shifter

  
• Projector fog lamps  
• Rear load-levelling suspension

• Rear window wiper/washer/defroster  
• Seating:

- Active front head restraints\*
- Cloth low-back bucket seats
- Fold-flat front-passenger seat
- Power 8-way driver's seat with power 4-way lumbar adjust
- Second-row 60/40 split-folding seat

Note: no 3rd-row seat

  
• Sentry Key antitheft engine immobilizer  
• Single-speed transfer case  
• Spot-lamp wiring prep  
• Steering wheel-mounted paddle shifters  
• Tilt/telescoping steering column  
• Tire pressure monitoring display  
• Tri-zone automatic temperature control  
• Two 12-volt auxiliary power outlets  
• Variable/intermittent windshield wipers  
• Wheels and Tires:

- 18-inch painted aluminum wheels
- P265/60R18 BSW On-/Off-Road tires

## OPTIONAL EQUIPMENT & PACKAGE DETAILS

### 5.7L HEMI VVT V8 (EZH)

3.09 rear axle ratio  
230-mm rear axle  
800-amp maintenance-free battery  
Dual exhaust with bright tips  
Eight-speed automatic transmission  
Two-speed on-demand transfer case

### PARKVIEW® REAR BACK-UP CAMERA\* (XAC)

Park-Sense® Rear Park Assist System\*

### SKID PLATE GROUP (ADL)

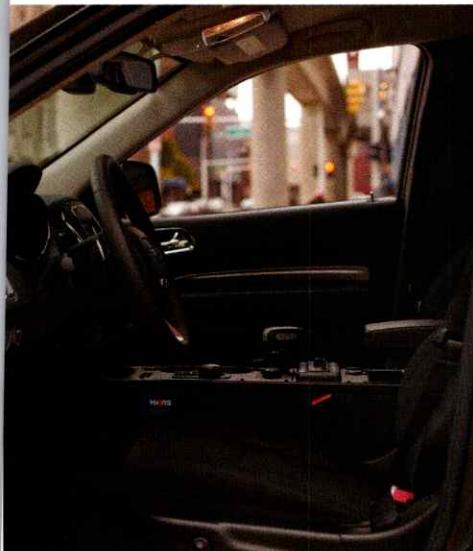

• Front-suspension skid plate  
• Fuel tank skid plate shield  
• Transfer case skid plate shield  
• Underbody skid plate

### TRAILER TOW GROUP IV (AHX)

• 4- and 7-pin wiring harness  
• Class IV hitch receiver  
• Full-size spare tire

### STAND-ALONE OPTIONS

• Full-size Spare Tire (TBB)  
• Single-disc Remote CD Player (RH1)  
• SiriusXM Satellite Radio with One-year Subscription\* (RSD)

# GOVERNMENT VEHICLES

The wide variety of vehicles offered by FCA Canada Inc. is ideal for the needs of federal, provincial and local government, and large-scale business and industrial fleets, with everything from sub-compacts to sedans, crossovers, SUVs, trucks, commercial vans and minivans.

## POLICE AND SAFETY VEHICLES: BUILT FOR DECADES OF TOUGH SERVICE AND COMFORT FOR EVERYDAY NEEDS.

FCA Canada Inc. offers a comprehensive line of vehicles to meet the needs of the law enforcement community.

### SEDANS: GENEROUS INTERIOR SPACE, WITH BENCHMARK CONNECTIVITY AND TELEMATICS.

**Dodge Dart** sets the stage, blending Alfa Romeo DNA with classic Dodge performance – and from there, we just keep improving the portfolio. Today, we're offering the most affordable mid-size sedan in Canada;<sup>(1)</sup> distinguishing itself with roomy seating that generously accommodates 5 occupants, and available telematics that include hands-free communication\* and audio systems that leave nothing to be desired. The **Chrysler 200** delivers exceptional comfort with the welcome addition of available all-wheel drive (AWD) for stellar handling and road manners. Best-in-class advantages abound in our sedan lineup: the elegant **Chrysler 300** and the legendary **Dodge Charger** deliver best-in-class V6 highway and AWD fuel economy;<sup>(2)</sup> to your fleet. The combination of power, comfort and styling is brilliantly reflected in two performance-centric Dodge vehicles: the new **Dodge Charger** sedan and the redesigned 2-door coupe that benchmarks the segment, the trend-setting **Dodge Challenger**.

### MINIVANS/CROSSOVERS/SUVs: UNCOMPROMISING LEADERSHIP THAT DEFINES AN ENTIRE AUTOMOTIVE SEGMENT.

We started the segment – and we've excelled, with minivan dominance now achieving over 31 years of leadership. Our innovations – like the industry-exclusive Super Stow 'n Go® seating on **Dodge Grand Caravan** and **Chrysler Town & Country** – exemplify unmatched passenger and cargo flexibility. **Dodge Journey** – Canada's favourite crossover;<sup>(3)</sup> – is a rare combination of value, versatility and performance, offering a choice of 4- or 6-cylinder engines, front- or all-wheel drive, and 5- or 7-passenger seating. The 6- or 7-passenger, all-wheel drive **Dodge Durango** is the "no-compromise" SUV offering intuitive technology, modern style and legendary performance. In the **Jeep®** family, **Patriot** brings best-in-class off-road capability;<sup>(4)</sup> to the most affordable SUV in Canada;<sup>(5)</sup> **Jeep Wrangler** is the epitome of fun, with its open-air freedom and iconic Trail Rated® off-road capability. **Jeep Grand Cherokee** has luxurious capability infused with modern technology in an exquisitely designed package. **Jeep Cherokee** stands out through style, capability, more than 70 standard and available safety and security features, and a class-exclusive 9-speed automatic transmission.<sup>(6)</sup> Anticipate even more – with the **Jeep Renegade**. Introduced in 2015 as an all-new addition to the Jeep lineup, **Jeep Renegade** gives every fleet uncommon capability. The class-exclusive Selec-Terrain® Traction Management System;<sup>(7)</sup> augments an outstanding roster of standard features that include the 2.4L Tigershark™ engine and 9-speed automatic transmission, best-in-class towing<sup>(4)</sup> and best-in-class 4x4 capability.<sup>(4)</sup> In every respect, **Jeep Renegade** commands respect – and amply demonstrates our drive to be the best.

### TRUCKS/COMMERCIAL: AN EVER-EXPANDING PORTFOLIO WITH UNMATCHED FUEL ECONOMY, POWER AND CAPABILITY.

**Ram 1500** features an award-winning 3.0L EcoDiesel Turbo V6 that generates 420 lb-ft of best-in-class low-end torque with segment-leading fuel-efficient performance;<sup>(7)</sup> a 3.6L Pentastar™ V6 with Variable Valve Timing (VVT), a segment-first 8-speed automatic transmission;<sup>(7)</sup> legendary 5.7L HEMI® V8 and available class-exclusive Active-Level™ Four-Corner Air Suspension System;<sup>(7)</sup> **Ram 2500** and **3500 Heavy Duty** give you a 6.4L HEMI V8 with best-in-class 410 gasoline engine horsepower;<sup>(8)</sup> best-in-class towing of up to 13,608 kg (30,000 lb);<sup>(8)</sup> the 6.7L Cummins® Turbo Diesel, Canada's most durable diesel pickup;<sup>(9)</sup> with up to 865 lb-ft of torque, an unsurpassed 5-Year/160,000-Kilometre Diesel Powertrain Limited Warranty\* and an available segment-exclusive dual-mode Auto-Level Rear Air Suspension System.<sup>(8)</sup> **Ram 3500/4500/5500 Chassis Cabs** feature best-in-class towing of up to 13,427 kg (29,600 lb);<sup>(10)</sup> and best-in-class Gross Combined Weight Rating (GCWR) of up to 17,010 kg (37,500 lb).<sup>(9)</sup> The Ram family boosts versatility with the **Ram ProMaster™** models – offering an upfit-friendly and configurable design, with a host of best-in-class features including standard cargo capacity, load floor height and width between the wheel wells.<sup>(11)</sup> Add in **ProMaster City™** with best-in-class payload and cargo capacity<sup>(12)</sup> and FCA Canada Inc. delivers capability and versatility at their finest.

### INFORMATION CENTRE AND WEB SITE.

You can reach the Fleet Information Centre at 1-800-463-3600, Monday – Friday, from 8 a.m. to 6 p.m. ET. For information 24/7, visit our web site at [fleetchrysler.ca](http://fleetchrysler.ca) or email us at: [fleetinfo@chrycan.com](mailto:fleetinfo@chrycan.com)

\*All disclaimers and disclosures can be found on the inside back cover. <sup>(1)</sup>Based on WardsAuto Lower Middle Sedan segmentation. <sup>(2)</sup>Based on WardsAuto Large Regular Car segmentation and 2015 EnerGuide ratings. When properly equipped with 3.6L engine and 8-speed automatic. Excludes other vehicles designed and manufactured by FCA Group LLC. <sup>(3)</sup>Based on IHS Automotive: Polk Canadian Vehicles in Operation data available as of July, 2014 for Crossover segments as defined by Chrysler Canada Inc. <sup>(4)</sup>Based on WardsAuto Small Cross/Utility segmentation, when properly equipped with Freedom Drive II. <sup>(5)</sup>Based on WardsAuto Sport Utility segmentation and MSRP of base vehicles. <sup>(6)</sup>Based on WardsAuto Middle Cross Utility segmentation. <sup>(7)</sup>Based on Automotive News Full-size Pickup segmentation and 2015 EnerGuide ratings. <sup>(8)</sup>Based on 2500/250 and 3500/350 full-size pickups. Based on IHS Automotive: Polk Canadian Vehicles in Operation data as of July 1, 2014, for model years 1994 – 2014 for all large pickups sold and available in Canada over the last 21 years. <sup>(10)</sup>Based on Class 3 – 5 conventional Chassis Cab Pickup. When properly equipped. <sup>(11)</sup>Based on 2015 WardsAuto Large Van segmentation. <sup>(12)</sup>Based on Class I Small Cargo Vans.

## DISCLAIMERS AND DISCLOSURES

**All specifications and ratings based on preliminary data. All comparisons based on 2015 model year information.**

**ABOUT THIS CATALOGUE** | Since the time of printing, some of the information you'll find in this catalogue may have been updated. Ask your retailer for details. Some of the equipment shown or described throughout this catalogue is available at extra cost. Specifications, descriptions, illustrative materials and all competitive comparisons contained herein are as accurate as known at the time this publication was approved for printing. FCA Canada Inc. reserves the right to make changes at any time without notice and without incurring obligation. For the price of the model with the equipment you desire, or verification of specifications contained herein, see your Chrysler, Jeep, Dodge, Ram, FIAT and SRT retailer.

**Adaptive Cruise Control | Forward Collision Warning | Lane Departure Warning with Lane Keep Assist | Adaptive Cruise Control with Stop and Go | Parallel and Perpendicular Park Assist | Blind-Spot Monitoring | Park-Sense Rear Park Assist | Forward Collision Warning with Active Braking | ParkView Rear Back-Up Camera | Rear Cross-Path Detection | Park-Sense Front and Rear Park Assist** | This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his/her surroundings and be prepared to take corrective action to avoid collisions.

**Address Book** | Phone must support Bluetooth Phone Book Access Profile (PBAP).

**Dealer-activated Navigation | Uconnect 8.4A Multimedia Centre** | Additional fees will apply for dealer-activated navigation.

**Electronic Stability Control (ESC)** | No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions.

**Water Fording (Patriot)** | Do not attempt water fording unless depth is known to be less than 51 centimetres (20 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.

**Water Fording (Wrangler)** | Do not attempt water fording unless depth is known to be less than 51 centimetres (20 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.

**Front, Side-curtain, Front-seat-mounted Side and Driver's Knee Blocker Air Bags** | The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger-front air bag. All occupants should always wear their lap and shoulder belts properly.

**Hands-free Communication with Bluetooth® Streaming Audio\*** | Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth-compatible phone.

**Integrated Booster Seats** | Integrated booster seats are only for children between 120 and 145 centimetres (47 and 57 inches) in height, weighing between 22 and 38 kilograms (48 and 85 pounds). Always fasten seat belts properly.

**Navigation** | Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations.

**Obstacle Detection** | Detects most obstacles. Always use care.

**Oil Change Intervals** | Oil change intervals will vary based on excessive engine run times, operating conditions, maintenance schedules and driving habits. See your retailer for full details.

**Preset Voice-to-text Messaging** | Preset voice-to-text messaging and incoming text message reading require a MAP-enabled phone.

**Reactive/Active Front Head Restraints** | Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint.

**SiriusXM Satellite Radio with One-year Subscription** | Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at [siriusxm.ca](http://siriusxm.ca)

**Towing** | When properly equipped.

**Universal Garage Door Opener** | Not compatible with all garage door openers.

**Warranty disclaimer** | 2015 and 2016 Chrysler, Jeep, Dodge, Ram and Fiat vehicles are backed by a 5-Year or 100,000-Kilometre\* fully transferable Powertrain Limited Warranty with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres\*. Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres\*.
