TOWN & COUNTRY FEATURES

SEATING

Extremely versatile is the best way to describe Town & Country's seating configurations. Whether you're carrying passengers, or gear for the entire team, there's plenty of room and enough seating combinations to easily handle the load. In fact, with the availability of Quad Command seats, integrated child seat, movable/removable center console and 50/50 split Fold-and-Tumble rear bench seating combination, 972 interior configurations are possible.

AIR BAGS

Town & Country was designed and engineered with your family in mind, to help make every trip as safe and secure as possible. Next-generation multistage front air bags* are standard on Town & Country. The system inflates with a level of force based on the severity of the impact. Available Supplemental side air bags* offer additional protection to driver and front passenger in the event of a collision.

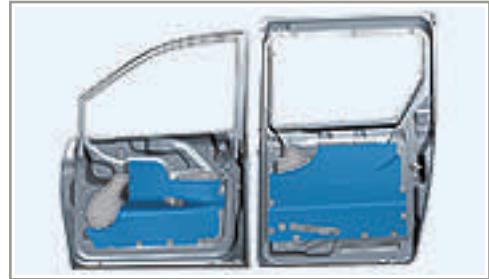

*Always use seat belts. Remember, a back seat is the safest place for children 12 and under.

CHILD SEATS

Gain peace of mind knowing that your smallest passengers are in a properly installed child seat with the optional mid-row bucket seats featuring integrated child seats*. The child seats feature an integrated five-point harness.

Town & Country features lower child seat anchors and upper tether anchors (LATCH) to help ease the installation of compatible aftermarket child seats. These anchors are located at each mid-row bucket seat, as well as the rear bench seat.

*For children at least one year old, weighing between 22 and 50 pounds and no more than 47 inches tall.

QUIET

Town & Country provides a quiet, comfortable ride. Its rigid body structure not only contributes to solid ride and handling characteristics, but also minimizes the transmission of road noise and harshness to the passenger compartment. Front and rear suspension mounts absorb vibration, and Sound-Loc door liners and seals reduce noise inside door cavities. All this quiet lets drivers enjoy the road, while passengers enjoy Town & Country's wide range of available entertainment systems.

7-year or 70,000-mile limited warranty* on the powertrain, the hardest working parts of our vehicles. And that's in addition to our 3-year or 36,000-mile basic limited warranty.

It even includes towing assistance† for the full 7/70. Another nice thing: since it's transferable, it can add extra value at trade-in time. A deductible applies to the 7-year or 70,000-mile powertrain limited warranty.

* See dealer for a copy of this limited warranty. Transferable to second owner with fee. A deductible applies.

† Administered by Cross Country Motor Club, Inc., Boston, MA 02155.

AVAILABLE SEAT TRIM

Choose either Seton Sutton Leather Trim with Preferred Suede®, Seton Sutton Leather Trim or Vegas Cloth. Regardless of your decision, you'll be comfortable in any choice.

1. Seton Sutton leather trim with Preferred Suede inserts is standard on Limited in Medium Slate Gray.
2. High-back front bucket seats with fixed head restraints are standard on short-wheelbase Town & Country. Low-back bucket seats with adjustable head restraints are standard on long-wheelbase Town & Country LX, and included on short-wheelbase Town & Country when equipped with optional supplemental side-impact air bags and/or power driver's seat. Both seat designs feature Vegas Cloth available in Medium Slate Grey or Khaki.

Seton Sutton leather trim available on Touring in Medium Slate Gray and Khaki (not shown).

Seton Sutton leather trim in two-tone Medium Slate Gray and Pastel Slate Gray is included with Town & Country Platinum Series (not shown).

WHEEL OPTIONS

Chrysler Town & Country offers a variety of wheel choices.

1. 15-inch wheels with Solara wheel covers are standard on Town & Country, and Town & Country LX
2. 16-inch Constellation aluminum wheels are standard on Town & Country Touring
3. 16-inch Consul aluminum wheels clad with Platinum-color accents are included on Town & Country Platinum Series
4. 16-inch Consul Chrome-clad wheels are standard on Town & Country Limited

TOWN & COUNTRY CONVENIENCES

SPACE & STORAGE

Town & Country has plenty of room for seven to travel in comfort and style. And when it comes time to carry cargo instead of passengers, the Easy-Out® Roller Seats remove to create 167.9 cubic feet of cargo space.

With an available exclusive rear cargo organizer, available movable/removable center console with a power outlet and lockable underseat storage drawer, you'll have a place for groceries, golf clubs, CDs, cell phones, and more. With all that storage space, you may even be able to fit your gloves in the glove compartment!

Remember to properly secure all cargo.

ERGONOMICS

An ultra-comfortable eight-way adjustable power driver's seat is available

- Limited features a memory system with pre-programmable settings that allows two different drivers to preset radio settings, driver's exterior mirror and the driver's seat
- Convenient easy-entry intermediate bucket seats are standard on long-wheelbase models
- Town & Country's available power-adjustable pedals move the accelerator and brake pedals, helping maintain a safe and comfortable driving position

TRIP COMPUTER

The overhead console with trip computer that is standard on Touring and available on Town & Country features:

- Compass
- Outside temperature
- Trip odometer and much more

Limited adds an Electronic Vehicle Information Center (EVIC) display to the overhead console that features:

- Door ajar warning message
- Perform service indicator
- Low Tire Pressure warning (late availability)
- An interface for several user-programmable settings

Included with the overhead consoles is HomeLink® that you can program for your garage door opener and other household functions.

SOUND & VIDEO

Get ready. This may be the toughest part of your decision. Town & Country offers many options for your on-the-road entertainment:

- An AM/FM stereo radio with integrated CD player and DVD-based GPS navigation system and 6-disc CD/DVD changer is standard on Limited and available on Touring
- Town & Country is available with a Rear Seat Video System with 7-inch fold-down screen. A 6-disc CD/DVD changer is available on long-wheelbase models
- An AM/FM stereo radio with single CD player and CD changer controls and 4 speakers is standard on Town & Country and LX
- An AM/FM stereo radio with cassette and CD player with 6 speakers is standard on Touring and available on Town & Country and LX
- An AM/FM stereo with integrated 6-CD changer is optional on Town & Country and Touring
- Standard on Limited and included with the Luxury Group on Touring is a 10-speaker Infinity™ stereo system
- An AM/FM stereo radio with cassette and CD player with 6 speakers is standard on Touring and available on Town & Country

3 ZONE TEMPERATURE CONTROL

Town & Country features 3-zone air conditioning with rear-seat heat and A/C ducts. It includes separate temperature control for driver, front-seat passenger and rear-seat passengers, allowing them to control the temperature to their comfort. It's an automatic system on Limited and available on Touring, a manual version is included on Touring and available on Town & Country LX.
