

Presenting...

NEW '54 DODGE

Royal
V-8

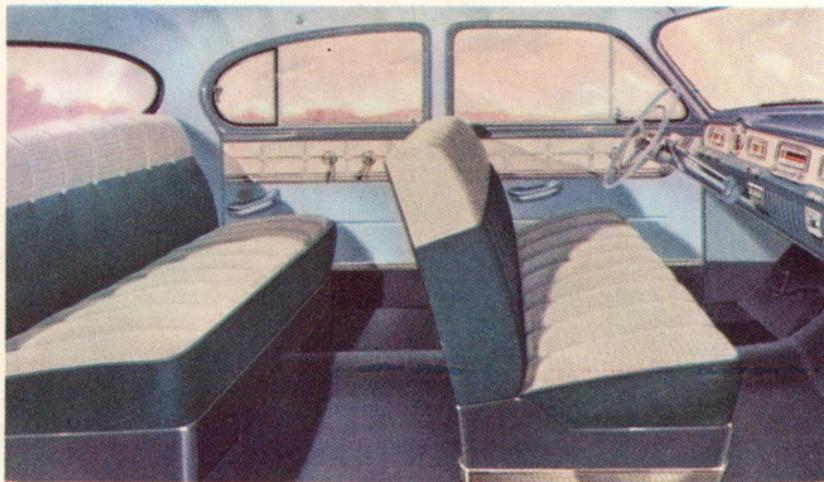

A superb new luxury car!

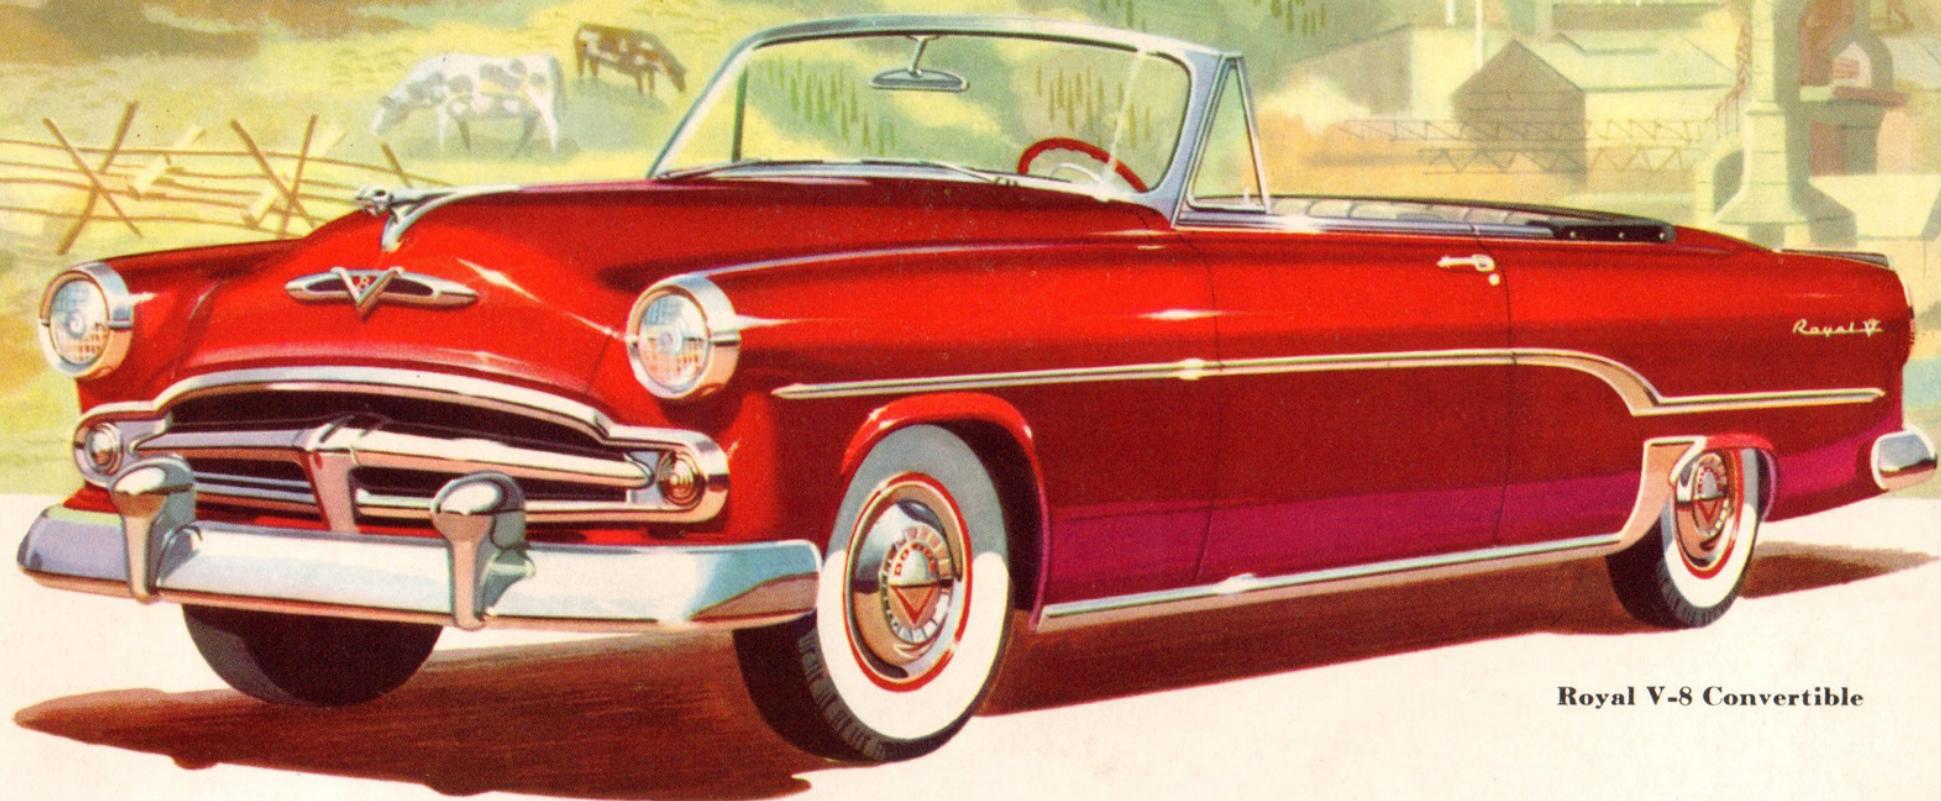

Royal V-8 4-door Sedan

New '54 Dodge Royal V-8 . . .

Elegant "Color Harmony" Interiors in Lustrous Jacquard Fabrics

The interior of the new Dodge Royal V-8 is as beautiful and inviting as the finest of modern homes. Lustrous new Jacquard fabrics—loomed in the manner of most exquisite tapestries—create a sense of gracious living. And fabric, carpeting, headlining and paneling material are all color-mated for a pleasing "Color Harmony" effect. There's new satin-tone styling of the instrument panel, that lends an added touch of beauty—and serves, as well, to cut distracting glare and reflections.

Royal V-8 Convertible

Captures the essence of fine car luxury

Distinctive Jet Air-Flow Hood

Chrome air scoop adds a smart touch of distinction. Functional, as well as decorative. Directs extra quantities of air into the carburetor for more power, better performance.

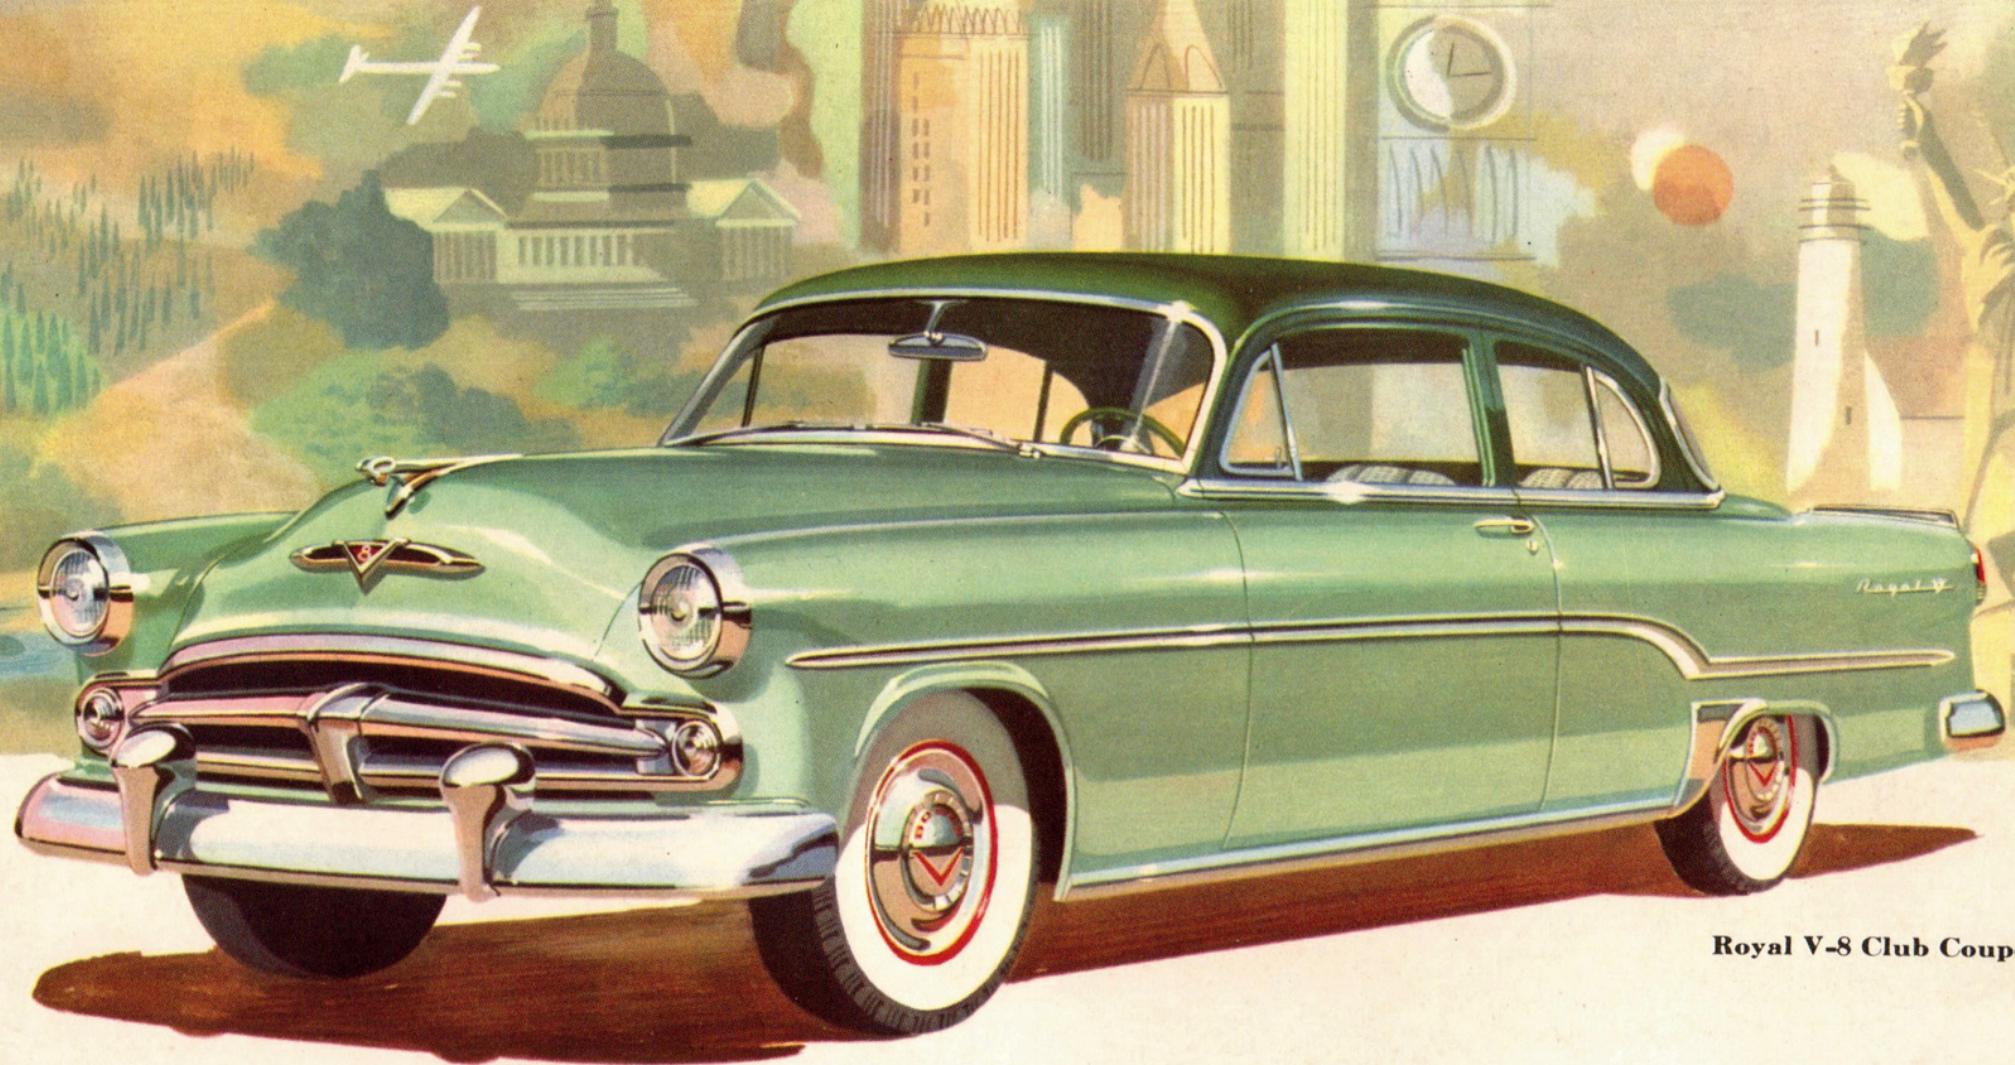

Decorative Royal V-8 Crest

Featured on Sport Coupe models is this beautiful new Dodge crest, reserved exclusively for the Royal V-8 Series. This mark of quality designates "The most luxurious Dodge ever built."

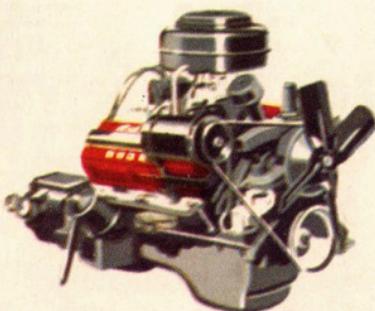

Sleek Rear Fender Styling

There's new gracious beauty everywhere in the Royal V-8 . . . in the smart flair of chrome on the rear fender . . . the massive chrome housing for the tail lamp . . . and the stylish nameplate.

Royal V-8 Club Coupe

and performance

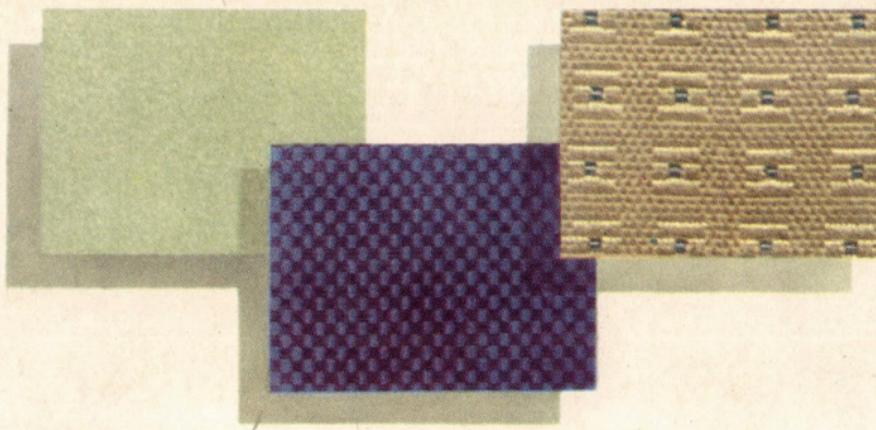

Stepped-Up Red Ram 150 V-Eight Engine

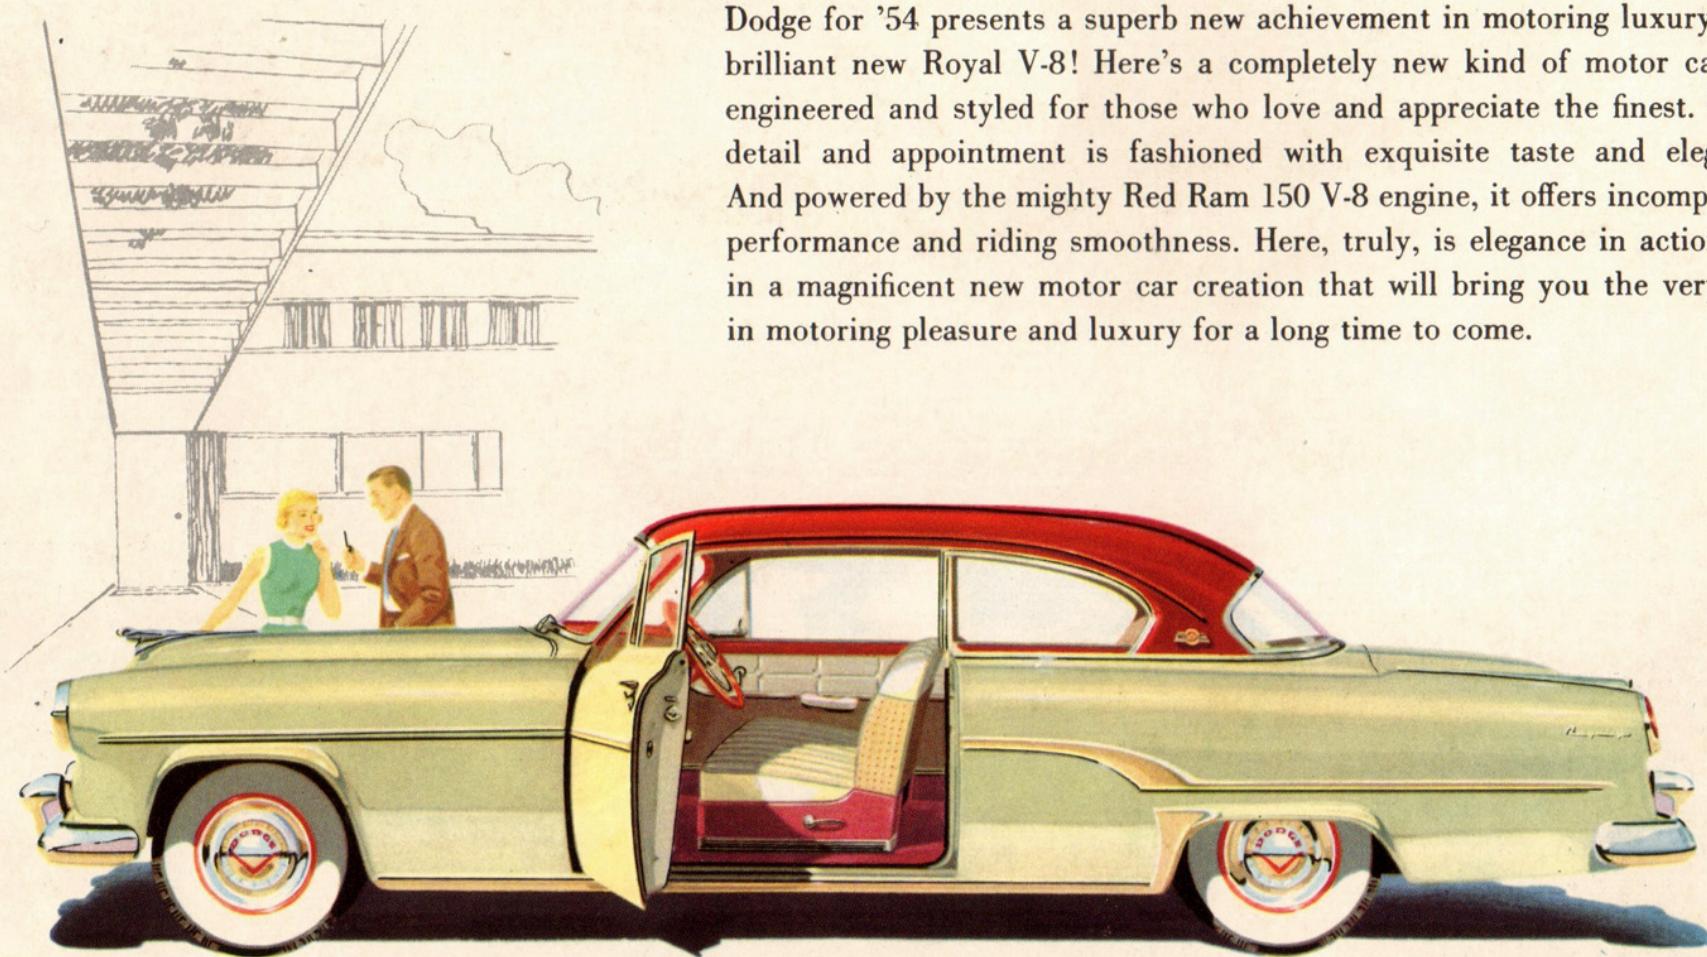

Here's an engineering achievement in power—smooth, responsive, economical power—that will bring you new safety, new mastery of the miles. The Red Ram V-eight is the *most efficient engine design in any American car* . . . and officially proved as the top economy 8 of all 8's! Now stepped-up in power, performance and economy.

Truly a magnificent motor car in every respect is the new Dodge Royal V-8. Yet styled like a "show car", it is engineered like a true "road car." You conquer hill and highway with effortless ease—and enjoy a tremendous reserve of power for greater safety. And its advanced suspension engineering and famous Oriflow shock absorbers give you a stability of control and smoothness of ride that can be compared only with the finest of cars! Now, take the wheel of this superb new Royal V-8 yourself . . . and discover motoring at its best!

Fashioned in the fine car tradition!

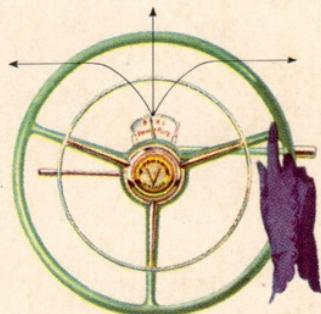

Dodge for '54 presents a superb new achievement in motoring luxury—the brilliant new Royal V-8! Here's a completely new kind of motor car . . . engineered and styled for those who love and appreciate the finest. Every detail and appointment is fashioned with exquisite taste and elegance. And powered by the mighty Red Ram 150 V-8 engine, it offers incomparable performance and riding smoothness. Here, truly, is elegance in action . . . in a magnificent new motor car creation that will bring you the very best in motoring pleasure and luxury for a long time to come.

Royal V-8 Sport Coupe

New Standards of Driving Ease!

NEW FULL-TIME Power Steering

Makes guiding the car easy as a gesture! Hydraulic "muscles" do the work. You park, take turns with effortless ease. No "wheel fight" on rutted roads.

NEW DODGE FULLY-AUTOMATIC

PowerFlite Drive

Here's the newest, smoothest, most powerful of all automatics—Dodge PowerFlite! Delivers *more* accelerating power *more* smoothly than any other transmission. It's fully automatic, too. No clutch. No shifting. Merely slip the selector lever into "Drive" position—touch the gas, and you are off in one smooth, silky flow of power. Try Dodge PowerFlite soon!
