Caravan

**FRONTRUNNER.** *Caravan. Distinctive. Proven. Unequaled.* A breakthrough concept. Five years running. No other vehicle so creatively combines the best attributes of car, family wagon, and van. No other mini van provides the agile feeling of front-wheel drive. Though challenged, it remains unequalled. Caravan adapts to your lifestyle quickly with a wide sliding side door and swing-open liftgate. It's a real crowd pleaser with available eight-passenger seating and plenty of room to enjoy the ride. For extended versatility, there's even a long-wheelbase model. The Grand Caravan. A great notion. The Grand Caravan LE shown is in Radiant Silver/Charcoal Pearl Coat. Caravan and Grand Caravan. The world's best-selling mini vans. The power of original thinking.

2  
Some of the equipment shown or described throughout this catalog is available at extra cost.

About this catalog: Since the time of printing, some of the information you'll find in this catalog may have been updated. Ask your dealer for details.

### **FARSIGHTED**

You don't have to be a contortionist to climb aboard a Caravan. Its low step-up height allows easy entry and exit.

Once you're inside, the standard front bucket seats allow you to relax. They're tailored for comfort's sake.

Settle in. You'll relish the feeling of security offered by Caravan's "above traffic" driving position. The feeling is enhanced by a standard rear window wiper/washer, deluxe intermittent windshield wipers, tinted glass, and

dual remote control outside mirrors.

Behind the new deluxe steering wheel you'll find all controls close at hand. White and black analog gauges speak a simple language.

Turn sideways and you'll notice the absence of the bulky engine compartment cover found in most mini vans.

In Caravan LE models, there's a standard center console—complete with cubbyholes and cup holders—positioned unobtrusively to permit

free passage to rear quarters. A quick glance to the back reveals a realm of surprising spaciousness. The floor is low and flat to ensure exceptional leg room from front to rear.

A closer look at this plush interior reveals even more surprises.

A cloth headliner reduces road noise so you can enjoy the new standard AM stereo\*/FM stereo radio. Tucked under the front passenger seat is a deep storage drawer.

Or spoil yourself with the convenience of an aircraft-inspired overhead console available on SE and LE models. It features map/reading lights; two storage compartments, one for a garage door opener and another for glasses; and on LE models outside temperature and compass readouts as well.

An extra measure of convenience can be found in the longer, more spacious Grand Caravan. Even with

seven passengers, it offers more cargo capacity than any full-size sedan. Exactly 30 cubic feet.

In addition, Grand Caravan offers an optional rear air conditioning/heater unit for rear-passenger comfort.

The Grand Caravan LE interior is shown in Silver/Charcoal.

\*Some AM stereo broadcasting may not be compatible with this radio.

## Head Of Its Class

A mini van that rides and handles like a car? Impossible you say. But Caravan is the great convincer. Just drive it and you'll see.

The key to Caravan's reassuring roadability rests on two engineering features the competition has yet to match. Front-wheel drive and a low center of gravity. The former provides superior traction and stability. The latter, a less "trucky" driving feel than

other mini vans.

Enhancing Caravan's cornering capabilities are its position-sensitive front struts which help reduce road harshness by providing increased damping during suspension travel.

In addition, standard power-assisted brakes and taut power-assisted rack-and-pinion steering enable Caravan to track steadily through the most serpentine

stretches.

Yet agility and stability are only two of Caravan's impressive handling credentials. Confidence behind the wheel is also inspired by power.

Underneath Caravan's hood is the responsiveness of a standard 2.5-liter four-cylinder engine with electronic fuel injection. If, however, you require further motivation, strap yourself in behind Caravan's avail-

able 2.5-liter Turbo I powerhouse. This intercooled turbocharged engine generates 150 wild horses at 4,800 rpm to provide you with all the performance you'll need. Or, you can choose the available Mitsubishi-built 3.0-liter overhead cam V-6 engine. It's available on certain models with the all-new electronically controlled Ultradrive four-speed automatic trans-axle. It's the first and only one in the

world with fully adaptive electronic transmission controls for fast and smooth acceleration, reduced noise, and improved fuel economy.

You'll maneuver through traffic with ease, adapt to a small parking space without worry, and, at day's end, enter your garage with a smile on your face.

It won't be long before you begin thinking of Caravan as a versatile

family wagon that behaves just like a touring sedan.

The Caravan SE is shown below at the right in Medium Suede/Dark Suede. The Caravan LE is shown below at the left in Claret Red.

### STYLED FOR A SMILE

There's an engineering maxim that says, "If it looks right, it is right." One sidelong glance at Caravan tells you the designers listened to their instincts. No wonder that the vehicle that changed everything has changed very little. It has an aesthetic sensibility that's timeless.

Contemporary looks begin with aerotype halogen headlights that supply whiter, brighter light. Integrated bumpers blend smoothly into the dis-

inct lines of its body. The result: an overall eye-pleasing experience as line follows line in subtle transition.

For those seeking to turn heads as well as corners, Caravan's charisma can be accentuated with the available ES Decor Package, shown below in Cloret Red. It includes sporty road wheels, a front and rear fascia for aerodynamic flair, wide lower body-side appliques, bright dual exhaust tips, and a red tape stripe that sweeps

lower bodyside and liftgate.

While you're at it, you may want to consider the new 2.5-liter Turbo I engine that's included with the ES Decor Package and available on all models. Well-mannered and agile, Caravan lets you handle the 150-horsepower turbo boost with confidence.

With its improved ability to accelerate comes a new way to exhilarate. Catch a breath of fresh air with the all-

new optional sun roof. This power-operated glass panel even includes an automatic pop-up air deflector to reduce wind noise as you cruise along. Available power-operated rear quarter windows offer yet another convenient open-air option whether you're taking a short jaunt or a trip across the continent.

Style. Performance. Comfort. Convenience. They're all here. And so is dependability. Structural integrity is

provided with welded body panels and full-stamped doors. Fit is flawless. Clear Coat paint creates a lustrous finish. The lower bodyside is primed with chip-resistant urethane for extra protection. Extensive corrosion protection helps prevent outer body rust as stubbornly as Caravan's standard stainless steel exhaust system helps reduce underbody rust.

## STYLE. EFFICIENCY. AND FUN.

As you've already seen, Caravan superbly combines style and efficiency. But above all, it generously allows that elusive factor many automakers seem to shy away from: fun.

Caravan's unique design is not just one of effective use of space but rather one of fulfilling flexible family transportation needs.

Its versatility is virtually unsurpassed. Van owners envy its nimble size. Sedan owners envy its roominess. And, as anyone who drives it can tell you, there's nothing else like it on the road, hardly a situation it can't effortlessly handle.

Suppose, for instance, you're loading luggage on a rainy night. Simply swing Caravan's wide rear liftgate open and out of the way, to protect you like a canopy. All LE models provide standard liftgate-mounted dual floodlights to illuminate the area. Just pack your cares and go.

On that occasion when you help a friend move and need extra hauling space, just disengage the quick-release rear bench seats and remove them.

When you're done easing that last box into place, you can close the liftgate with the standard assist handle thoughtfully positioned within arm's easy reach. And if you want to carry a lot of flat pieces, Caravan's 48.2 inches between the wheel-housings of flat cargo floor make it flat-out easy.

No matter how tight the parking space, a group of guests can sleep inside through Caravan's sliding side

door, an entrance over 29 inches wide that glides open and shut.

Caravan's comfort inevitably beckons a road trip. But along the way even the most adventuresome traveler starts to yawn. Here again Caravan SE and LE models come through with an optional Converta-Bed.

For the physically challenged, there's an available lift device that can be adopted to help make entering and exiting the vehicle easier (shown below at left).

The more you use Caravan, the more you realize that there's room for just about everything, except, perhaps, improvement. Some advantages are obvious, like its cavernous cargo space. Other more subtle, like the rear armrests... on seven- and eight-passenger models ...that cover the storage bins for

handheld items that would otherwise remain loose. This ingenious engineering of space prevents time wasted searching for storage.

Fill Caravan with the varsity basketball team, a playground of kids, or a beachload of buddies. Soon you'll think of it as practically family.

And if your family's needs happen to grow a little faster than you expected, Grand Caravan provides even more room for comfort and convenience. Its wheelbase has been stretched seven inches, and the passenger compartment has been made a full 14 inches longer than on standard-size models. With the rear seats removed the cargo capacity increases from 125 to 150 cubic feet. You can pack up picnic supplies, camping equipment, and countless grocery bags. Loading is easy. Filling this

loadspace, however, can be quite a challenge. But you'll have a surprisingly lot of fun trying.

In addition to interior cargo space, Caravan can pull its own weight. When you team the potent Mitsubishi-built V-6 engine with the Heavy-Duty Towing Package, Caravan/Grand Caravan SE and LE models can tow up to 3,350 pounds of boat/trailer, utility trailer, or even a recreational camper.

Of course all Caravans supply ample power with a 2.5-liter balance-shaft engine. But for the ultimate get-up-and-go, there's the available 2.5-liter Turbo I engine. It generates 150 hp at 4,800 rpm. It's optional on all Caravan models. And on Grand Caravan models, you will enjoy the standard performance of the Mitsubishi-built 3.0-liter V-6 power

plant.

Once you've decided on the appropriate amount of power to suit your needs, you'll want to explore the wide array of seating possibilities. In this respect Caravan is a real crowd pleaser. Caravan models offer standard five-passenger seating, with optional seven-passenger accommodations available. Grand Caravan offers standard seven-passenger seating, with eight-passenger seating available on the SE model. You'll find each configuration perfectly practical.

Despite Caravan's practical traits, however, you'll feel a twinge of excitement behind its wheel. The reason is delightfully simple. Caravan's creative design provides you with the carefree enjoyment of getting from here to there in an enjoyable atmosphere.

A. Cargo area of 125 cubic feet in Caravan with rear seats removed and 150 cubic feet in Grand Caravan with rear seats removed.

B. Caravan's standard five-passenger seating.

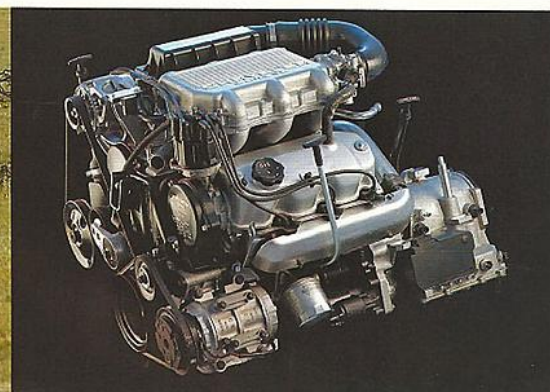

C. Grand Caravan SE, with optional eight-passenger seating with the center seat removed and the rear seat moved forward.

D. Grand Caravan's standard seven-passenger seating.

E. Grand Caravan SE with available eight-passenger seating.

## OPTIONAL PACKAGES

**Deluxe Convenience Package.**  
Includes • Electronic speed control • Tilt steering column.\*  
(\*See dealer for availability.)

**Power Convenience Package.**  
Includes • Power door locks • Power windows, front doors only.\*  
(\*See dealer for availability.)

**Value Wagon Package.**  
(Available on Caravan and Caravan SE with 2.5-liter engines only.)

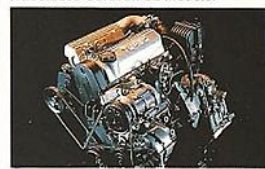

Includes electric rear window defroster; five-speed manual overdrive transaxle (standard on all Caravans) or automatic transaxle; dual note horns (standard on SE); Light Package; deluxe sound insulation; air conditioning; cloth seat trim, and driver and front passenger high-back reclining bucket seats (standard on SE).

### Sport Road Wheel Package.

Features sporty 14-inch cast aluminum road wheels, combined with P205/70R14 all-season tires for added security (set of four).

### Turbo Sport Package For Short-Wheelbase Caravan SE Models.

Includes 2.5-liter Turbo I engine; engine oil pressure and engine temperature gauges with gauge alert; tachometer; trip odometer with pushbutton reset; 125 mph speedometer; 15-inch cast aluminum road wheels; P205/70R15 black sidewall all-season tires; bright dual exhaust tips; turbo decal.

### Popular Equipment Discount Package. (Caravan/Grand Caravan SE and LE.)

Since its introduction, sales have indicated that Caravan models are completely equipped with the standard features that most owners desire. However, there is also some very popular optional equipment that owners want to fit more comfortably within their individual lifestyles. This package represents these items at a big savings and includes power-operated quarter vent windows; carpeted accessory floor mats, front and rear; deluxe sound insulation (standard on LE); conventional spare tire; engine oil pressure gauge and engine temperature gauge with check gauge warning light; electronic speed control; forward storage console (standard on LE); illuminated visor vanity mirrors, left and right sides (LE models only); lights (standard on LE) for ash receiver, door ajar warning, headlight switch time delay cutoff, ignition switch time delay, liftgate dual flood, low fuel and washer fluid warning, map/reading (front), storage drawer, overhead console; power door locks (LE models only); tachometer; tilt steering column; trip odometer with pushbutton reset.

### Heavy-Duty Trailer Towing Preparation Package. (Caravan/Grand Caravan SE and LE.)

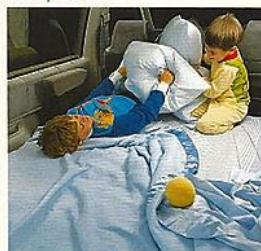

For worry-free trailering, this package includes 120-amp alternator; heavy-duty brakes; heavy-duty radiator and fan; heavy-duty suspension; heavy-duty transaxle oil cooler; heavy-duty variable load turn signal flasher; P205/70R15 radial black sidewall tires with conventional spare tire; special trailer tow wiring harness; 15-inch by 6-inch styled steel road wheels (set of four).

### ES Decor Package. (On short-wheelbase Caravan LE models only.)

Includes 15-inch aluminum road wheels (set of four); black liftgate handle, locks and Pentastar; bodyside and liftgate tape stripe; bright dual exhaust tips; radial black sidewall all-season tires; seven-passenger seating; red "Dodge" and "Caravan ES" nameplates; warm silver bodyside and sill appliques; warm silver painted front and rear fascias; 2.5-liter Turbo I engine (luggage rack and two-tone paint exterior are deleted).

### Five-Passenger Seating With Convert-a-Bed Option.

Caravan SE and LE offer five-passenger seating that can be changed into a comfortable bed.

### Luxury Equipment Discount Package. (Caravan/Grand Caravan SE and LE.)

Includes the Popular Equipment Discount Package plus: AM stereo/FM stereo radio with cassette tape player, seek-and-scan, and Infinity sound system; sport steering wheel (standard on LE); illuminated visor vanity mirrors, left and right sides (SE models); power door locks (SE models); power dual remote control outside mirrors (standard on LE); power driver's bucket seat (LE only); power windows (front doors).

\*Some AM stereo broadcasting may not be compatible with this radio.

### Eight-Passenger Seating Package. (Grand Caravan SE.)

For even more passenger accommodations, this package includes a wide, three-passenger front 40/60 bench seat; second seat—a two-passenger bench with fixed back, side armrests, and quick-release attachments; third seat—three-passenger bench with folding back, adjustable feature (slides front to rear on tracks), and quick-release attachments; other amenities include ash receiver in right C-pillar below belt; dual rear storage bins and armrest covers incorporated into wheel wells; 15-inch tires and wheels (set of four); heavy-duty brakes.

## AVAILABLE OPTIONS

### Air Conditioning.

No matter what the weather, your home away from home will always be travel-comfortable. Five adjustable air outlets, bi-level ventilation, and a four-speed blower adapt the interior environment to outside conditions quickly and efficiently (standard on LE models). Grand Caravan even offers an air conditioning/heater in the rear compartment.

### Radios.

### Chrysler Infinity II Sound System.

It takes a big sound from a dynamic sound system to fill a big space, and with this system you can convert Caravan into a vibrant concert hall or a movin' rock concert. Your choice is only a fingertip away. The Chrysler Infinity II system includes AM stereo/FM stereo radio: electronically tuned; with memory scan, up-and-down seek-and-scan, Dynamic Noise Reduction; five-band graphic equalizer, electronic cassette tape player with automatic reverse, true fast forward and rewind, automatic metal tape sensor, tape program music search, Dolby B Noise Reduction; joystick balance/center speaker control, Chrysler Infinity vehicle-equalized speaker system; integral digital clock.

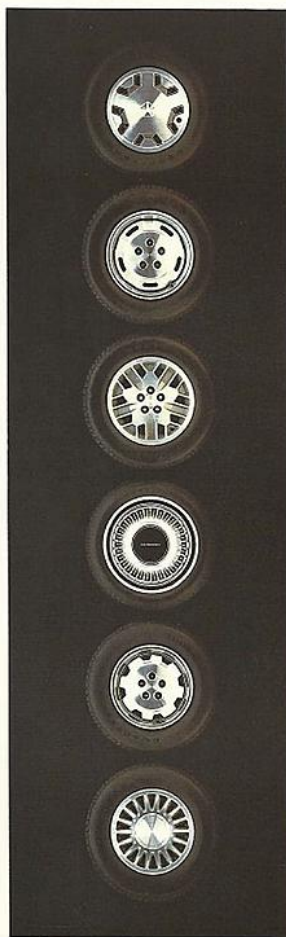

### Chrysler Infinity I Sound System.

This dynamic sound system includes all the features found in the Infinity II Sound System, with the exception of the five-band graphic equalizer.

\*Some AM stereo broadcasting may not be compatible with this radio.

Dynamic Noise Reduction (DNR) is a trademark of the National Semiconductor Corporation.

Dolby B is a trademark of Dolby Laboratories.

### Road Wheels and Covers (set of four).

Choices include (from top to bottom): 14-inch deluxe wheel covers (standard on Caravan) • 15-inch styled steel road wheels • 15-inch cast aluminum road wheels • 14-inch wire wheel covers • 14-inch styled steel road wheels (standard on Caravan/Grand Caravan SE and LE) • 14-inch cast aluminum road wheels (available on Caravan/Grand Caravan SE and LE). (Some wheels available in package only. See your dealer for details.)

## MOPAR ACCESSORIES

### Ski Carrier.

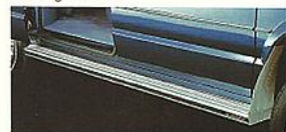

Product Features: • Holds four pairs of skis and poles • Lockable, compact • An economical alternative to stand-alone racks • Mounts easily without tools to roof rack crossbars.

### Halogen Fog Lights.

Product Features: • Offer twice the visibility of ordinary lights; 108-degree beam undercuts inclement weather, minimizes glare. • Convenient O.E.M.-style illuminated push-on/push-off switch for quality feel, operation. • Glass-fiber-reinforced nylon housing is impact-resistant and rustfree. • AVIMA-approved for use in all 50 states (check local regulations).

### Running Boards.

Product Features: • Heavy-duty bright finish aluminum with black side rub strip and vehicle logo plate—a MOPAR exclusive. • Hidden fasteners for a clean look on board surface—no unsightly bolt heads in view. • Mini van boards allow normal vehicle jacking without cumbersome adapters. • Washerless fasteners resist vibration, won't back out, are treated to resist corrosion. • Center support brace; won't sag under load.

### E.V.S.—Electronic Vehicle Security

• The ultimate in protection, designed specifically for Chrysler Motors vehicles. Microchip technology offers deterrence against theft of vehicle or contents. • Available with remote control operation, electronic shock sensor, hood lock, and starter interrupt features.

 \*Built by Mitsubishi Motors Corporation. <sup>1</sup>Includes 20-gallon fuel tank.

# Consider Leasing

Many of today's new car prospects are wisely considering leasing as an alternative to buying. Leasing a new Dodge Caravan usually involves a small security deposit and a first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

# Chrysler Credit Financing

Chrysler Credit offers a variety of finance programs that will help make your new Dodge even more affordable. These special finance and leasing programs are designed to meet the needs of today's automotive buyer. They include Gold Key Lease, America's Choice Payment Plan, College Graduate Plans, Retail Financing, and more. Ask your salesperson for details.

Caravan/Grand Caravan LE. Standard luxury cloth trim high-back reclining front bucket seats with integral head restraints, armrests, and seatback storage pocket. Rear bench seat in matching trim is included. Available in seven-passenger seating only. Available in Bordeaux, Almond. (Extra-cost Luxury Equipment Discount or ES Decor Package required.)

**Engine Companion**

# Chrysler Purchase Assistance Program for the Physically Challenged

Cash reimbursements of up to \$500 are available for qualified adaptive driving devices on 1989 Chrysler Motors cars and trucks. For further information, contact your dealer or the PHYSICALLY CHALLENGED RESOURCE CENTER at 1-800-265-9877.

MOPAR parts are engineered by Chrysler Motors for use in your new Dodge. Chrysler Motors equipment is necessary to ensure proper fit and function. See your dealer for the latest information.

*"There is a new spirit at Dodge. A rededication of the teamwork necessary to fulfill a commitment made 75 years ago to the American automotive buying public. A rededication to providing the excellence and total performance automobiles you demand. High quality automobiles that surpass contemporary standards and satisfy even future needs right now.*

*Building on the remarkable achievements of the past, Dodge is constantly redefining automotive concepts with exciting new approaches in transportation. This spirit is also reflected in the complete confidence we have in the products we sell. Our unprecedented 7/70 Limited Warranty is testimony that our ultimate goal is to satisfy you with our products, our attitudes, and our service.*

*If you are a person who enjoys the driving experience, there is a whole new spirit of excitement awaiting you behind the wheel of a 1989 Dodge automobile."*

*Lee A. Iacocca*

**7/70 Power Train Limited Warranty**

Upon expiration of the basic 12-month or 12,000-mile limited warranty, coverage is extended on power train components to seven years or 70,000 miles. A deductible applies. See your dealer for a copy of the warranty.

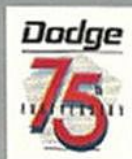

**7/100 Anticorrosion Limited Warranty**

Your dealer will repair or replace at no charge outer body sheet metal panels found to have developed perforation (rust-through) in normal use up to seven years or 100,000 miles. See your dealer for a copy of the warranty.

**Optional Service Contract**

Chrysler Service Contracts provide you with additional peace of mind protection for your new vehicle. Chrysler Motors offers a variety of plans to meet your needs. Plan coverage begins after your vehicle's basic warranty expires. A deductible applies. Allowances for car rental and towing are also included.

**Buckle Up For Safety.**
