

2005

DODGE **CARS**
MINIVANS
TRUCKS AND SUVS

DODGE. It's a name that means different things to different people. Some folks are reminded of high-powered muscle car legends like Charger, Challenger and Super Bee. Others associate it with incredibly tough, workhorse pickup trucks. Two generations of families know it as the company that changed the face of transportation forever with a vehicle that still reigns as Canada's favourite minivan. And others are discovering the passion for performance, spirit of innovation and bold attitude that inspired the original Dodge brothers, through a world-class new 2005 lineup. In this brochure, you'll get a taste of what Canada's Hottest Products are all about. From HEMI®-powered muscle machines to the world's most innovative form of family transportation, the 2005 Dodge lineup features vehicles to suit any lifestyle. Once you've had a chance to see them, we invite you to visit one of our retailers and get behind the wheel to experience your favourites first-hand. We appreciate your interest in Dodge and look forward to helping you Grab Life By The Horns with the vehicle that's right for you.

GRAB LIFE BY THE HORNS

1. Just like it did a generation ago, the legendary Road and Track designation tells admirers that the HEMI®-powered Charger R/T brings race-ready muscle and performance to the street.

2. With two spark plugs per cylinder, Electronic Stability Program (ESP™) and a fuel saving Multi-Displacement System (MDS), the 5.7L HEMI® V8 combines tire-melting muscle with cutting-edge technology.

3. Viper-inspired tunneled gauges with Bright Satin Silver rings, white gauge faces and orange pointers highlight the driver-oriented cockpit. Two-tone interiors are available on all models.

**THE ALL-NEW 2006 DODGE CHARGER
IS COMING!**

WELCOME TO THE NEXT MUSCLE CAR ERA.

IT RULED THE STREETS AND RACETRACKS DURING ONE OF THE MOST MEMORABLE ERAS IN AUTOMOTIVE HISTORY. Today, the Dodge Charger returns as a thoroughly modern interpretation of the bold style, awesome performance and move-it-or-lose-it attitude that made the original Charger one of the most revered names in the automotive world. Thanks to DaimlerChrysler Group's international expertise in high-performance engines, the new 5.7L HEMI® V8 delivers a whole new world of fuel-efficient power. World-class rear-wheel-drive technology and suspension architecture combine to deliver all-weather confidence and race-inspired road manners that today's classics can only dream of. 2006 Dodge Charger. Drawing crowds at a showroom near you soon.

1. While SX 2.0 draws a crowd with awesome new exterior colours like Orange Blast and Mineral Grey Metallic, the sizzle continues on the inside with an available leather-wrapped steering wheel, shifter knob and a cool body-colour instrument panel bezel.

2. The standard AM/FM stereo radio with CD player, CD changer controls and six speakers rocks, while an optional six-disc in-dash CD changer lets you enjoy hours of uninterrupted driving tunes.

3. Trunk space expands in seconds with handy "pass-through" space. Just fold down one or both sides of the 60/40 split folding second-row bench seat.

Properly secure all cargo.

SX 2.0 SELECTED OPTIONS AND FEATURES

POWERTRAIN AVAILABILITY

– 2.0L – 5-speed manual; front-wheel drive
– 2.0L – 4-speed automatic; front-wheel drive

INTERIOR/COMFORT/CONVENIENCE

Air Conditioning
Console – Floor, with armrest, storage, four cupholders
Door Locks – Power with central locking and programmable rolling autolock (In Security Group or Driver Convenience Group)
Instrument Cluster – Includes trip odometer, tachometer, fuel and temperature gauges, low-fuel warning light
Map Pockets – Front doors

SX 2.0

Dodge SX 2.0 with available SRT Design Group, shown in Black.

STREET SMART PERFORMANCE RUNS IN THE FAMILY.

IN THE RACE TO OUTRUN BOREDOM, DODGE SX 2.0 PUTS YOU IN FRONT, combining the looks and performance you want with the versatility and value you need. Under the hood, a 2.0-litre SOHC 16-valve four-cylinder engine cranks out 132 horsepower hooked to your choice of a five-speed manual or four-speed automatic. MacPherson strut front with stabilizer bar and multilink independent rear suspension deliver aggressive road manners. And as for your stuff, there's 371 litres (over 13 cubic feet) of room in the trunk alone, plus a 60/40 split-folding rear seat that adapts in seconds to handle longer items. If you're really into performance, you can go for the street rocket Dodge SRT4. It comes factory-equipped with a High-Output 230-horsepower turbocharged 16-valve 2.4-litre DOHC engine and performance tuned everything.

1. Distinctive white gauge-face clusters, available steering wheel-mounted audio controls and leather-wrapped sport shift knob all proclaim the racier side of Dodge Magnum, while an available in-dash GPS Navigation system* keeps you perfectly on course.

2. The new generation of HEMI® not only delivers more power and torque than any other Dodge Passenger-Car engine since the 426 HEMI of the 60's and 70's, it's also up to 20% more fuel efficient than traditional V8 engines, thanks to incredible Multi-Displacement System (MDS) technology that deactivates four of the cylinders when cruising.

3. Magnum offers cloth or leather-faced interiors in sporty two-tone colour schemes.

*Navigation system operates only in certain metropolitan areas. See your retailer for details.

MAGNUM SELECTED OPTIONS AND FEATURES

POWERTRAIN AVAILABILITY

– 2.7L V6 with 4-speed automatic, rear-wheel drive (RWD)
– 3.5L V6 with 4-speed automatic, rear-wheel drive (RWD)
– 5.7L HEMI® V8 with Multi-Displacement System and electronically controlled 5-speed automatic transmission with Auto/Stick™, rear-wheel drive (RWD)
– 3.5L SOHC High-Output V6 with 5-speed automatic transmission with Auto/Stick, all-wheel drive (AWD)
– 5.7L HEMI V8 with Multi-Displacement System 5-speed automatic transmission with Auto/Stick, all-wheel drive (AWD)

INTERIOR/COMFORT/CONVENIENCE

S – Standard P – Packaged in Optional Group O – Optional MDS – Multi-Displacement System GPS – Global Positioning System BSW – Black Sidewall ⁽³⁾Navigation System operates only in certain metropolitan areas. See your retailer for details. *Always use seat belts. Children 12 and under should always be in a back seat correctly using an infant or child restraint system, or the seat belt properly positioned, dependent on the child's age and weight. **No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the instrument cluster flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. Always drive carefully, consistent with conditions. Please always wear your seat belt.

MAGNUM

Dodge Magnum RT shown in Inferno Red Crystal Pearl Coat.

TAKE CARE OF YOUR FAMILY AND THE GUY IN THE OTHER LANE.

WHEN DODGE DESIGNERS CREATED THE ALL-NEW MAGNUM, THEY WENT BACK TO THEIR ROOTS. It had to have the awesome power that made cars like Charger and Challenger so legendary. At the same time, it had to be versatile enough to handle today's busy lifestyles. Mission Accomplished. With a 340-horsepower 5.7-litre HEMI® V8 under the hood and advanced all-weather Electronic Stability Program (ESP)™ traction technology, Magnum's muscle-bound predecessors would be proud. Take it to the extreme with the high-performance new Magnum SRT8 and they'll be downright jealous. Whichever Magnum model you choose, you'll also find hardcore practicality like a unique-access liftgate and a surprisingly functional interior with 60/40 split-fold rear seat and a reversible cargo floor.

Only Dodge Grand Caravan makes it possible for you to go from seven seats to two seats and a fully flat floor in seconds. To store a second-row seat, here's all you have to do:

- 1. Slide the front seat forward and tuck in the second-row seat headrest, armrest and cup holder*
- 2. Pull the recliner handle to fold the seatback down, then pull the release strap at the rear of the seat.*
- 3. Tumble the seat into the open bin and close the cover. That's all there is to it. And folding the third-row seats is even easier!*

1.

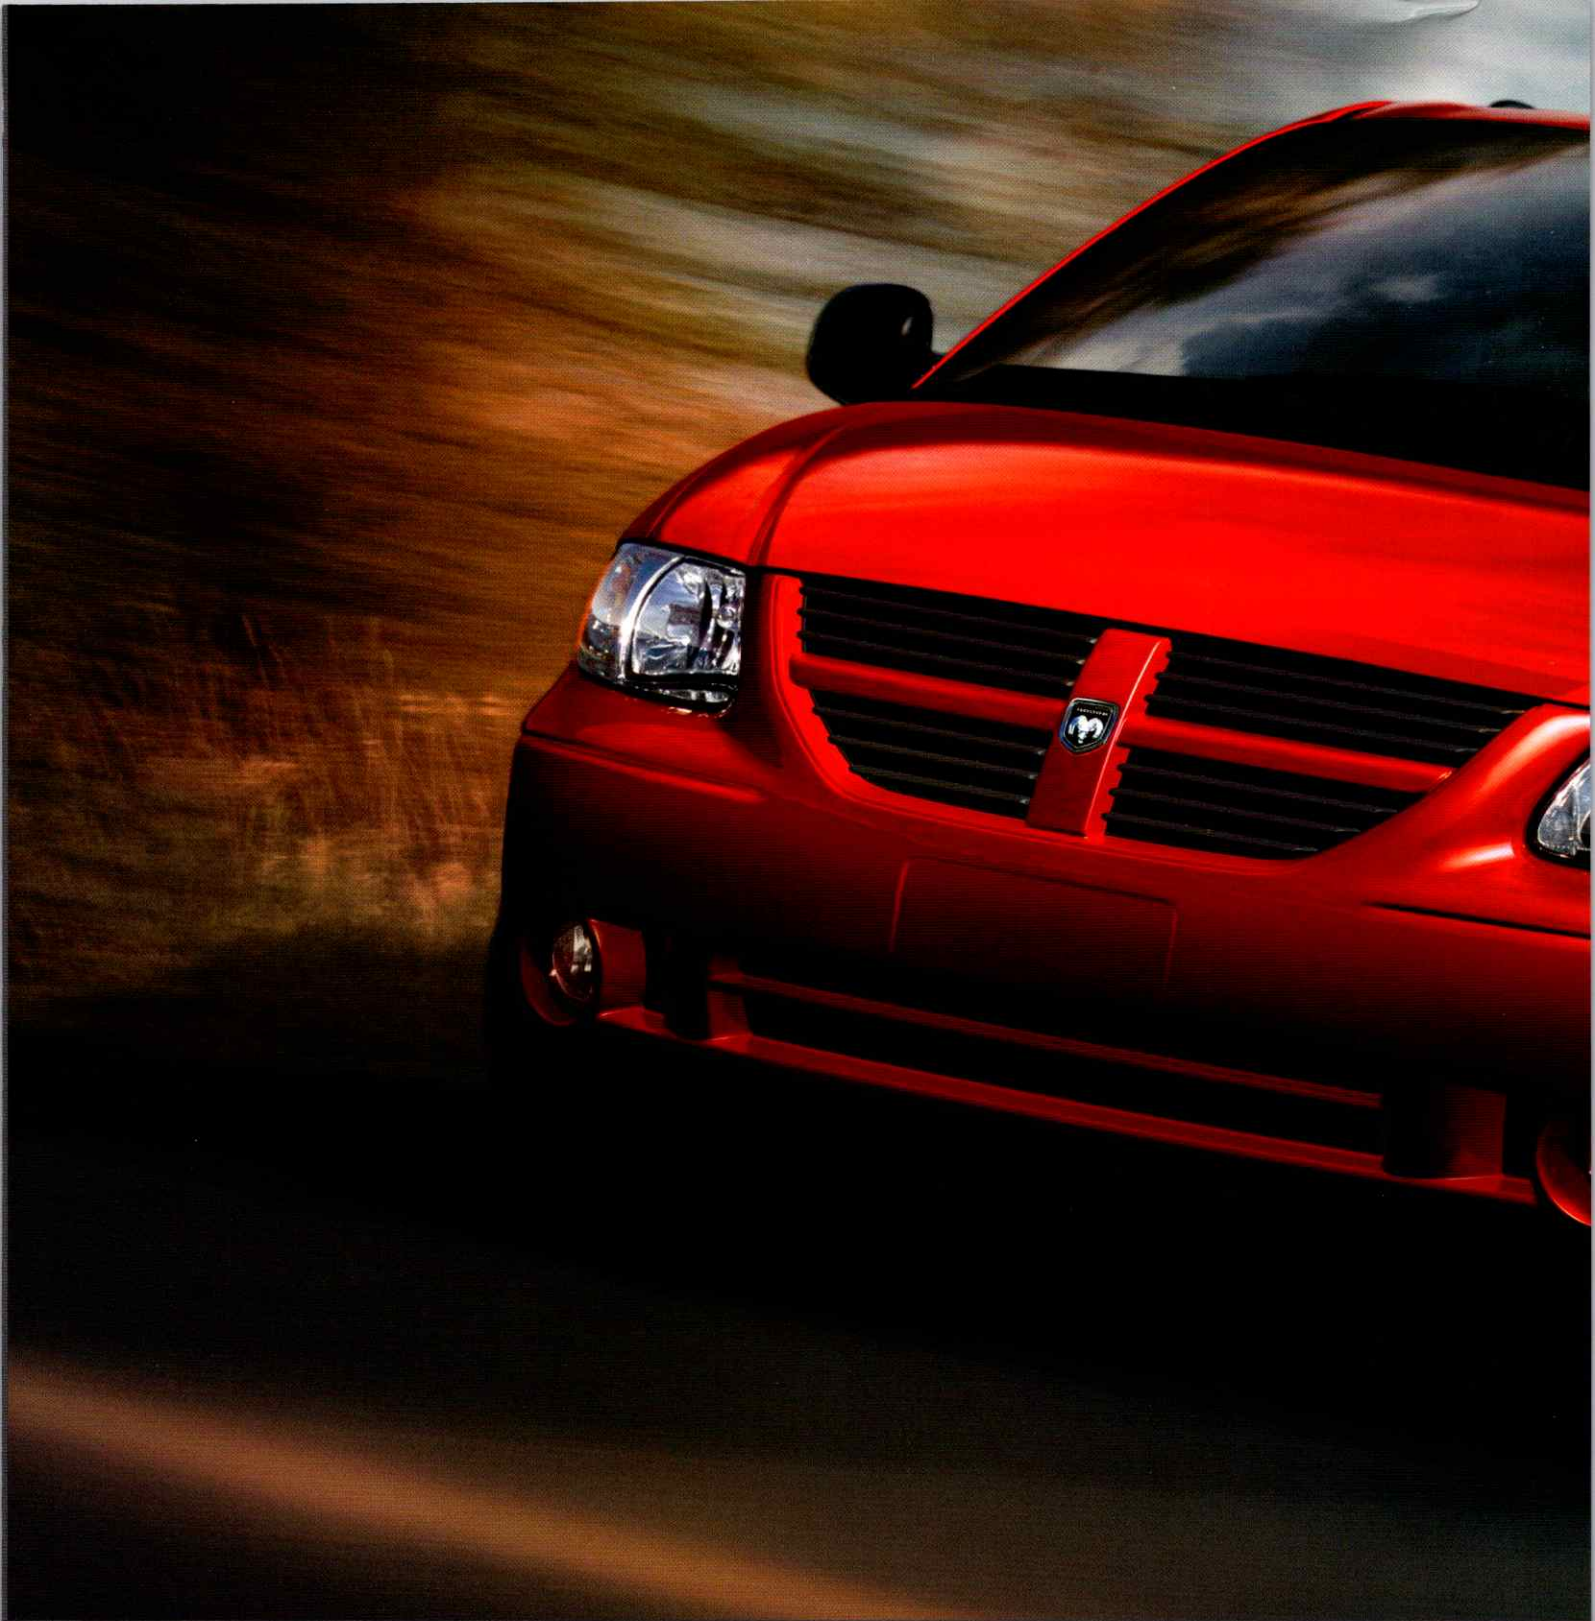

2.

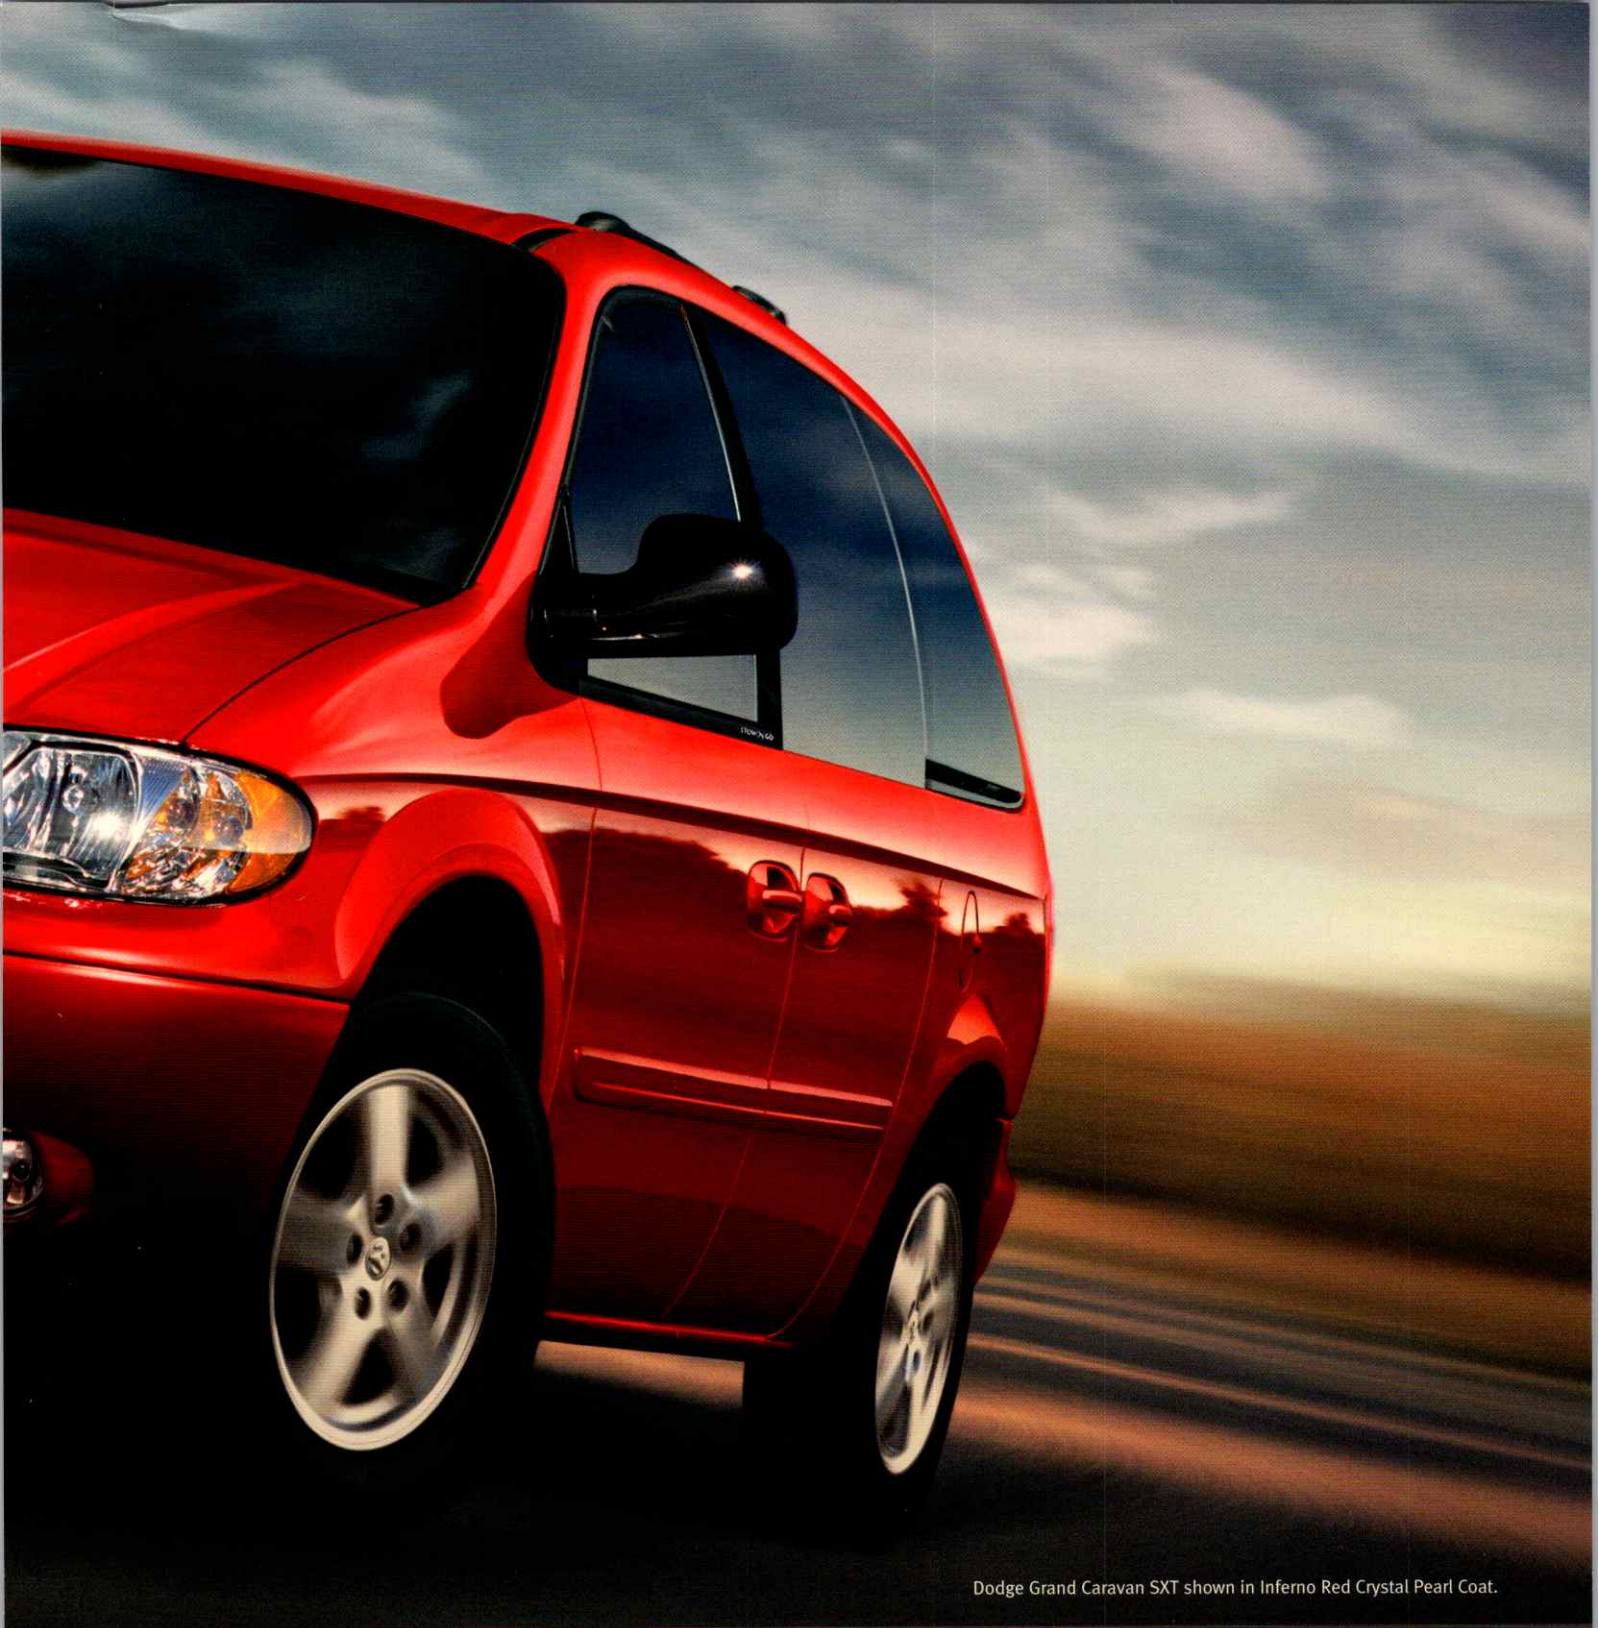

3.

1. The new available Overhead Rail Storage System lets you attach up to three movable/removable bins. It's the perfect place for those on-the-road essentials like games, toys and snacks.
2. This year, there are two available DVD Rear Seat Video™ choices. With Grand Caravan SXT, front-seat occupants can listen to their favourite music, while rear passengers enjoy DVD videos on a flip-down seven-inch LCD screen, heard through wireless headphones.
3. Personalized comfort behind the wheel is at your fingertips with Caravan's available power adjustable pedals.

CARAVAN/GRAND CARAVAN

Dodge Grand Caravan SXT shown in Inferno Red Crystal Pearl Coat.

FLAT-OUT THE MOST INNOVATIVE MINIVAN IN THE WORLD.

WHEN DODGE DESIGNERS CREATED THE MINIVAN MORE THAN TWENTY YEARS AGO, it was everything a busy family could hope for. A generation later, needs and expectations have grown. And Canada's favourite minivan has grown right along with them. In fact, 2005 Dodge Grand Caravan sets a new standard of versatility, offering not one – but two rows of seats that fold completely flat into the floor, so you can go from seven-seating comfort to class-leading cargo readiness in about 30 seconds. You'll also find a quieter interior, advanced new safety systems, powerful and efficient engines and a huge list of standard features that make Caravan one of the best values on the road today.

1. Advanced "virtual vehicle" technology lets Dodge engineers ensure everything is comfortably within reach before interior designs are finalized.

2. Unique two-valve hemispherical combustion chambers, high-flow aluminum heads and dual spark plugs per cylinder make the 5.7L HEMI V8 a marvel of modern engine technology.

3. All new for Ram is an available power sunroof, available on 1500 Quad Cab Short Box models as well as 2500/3500 Quad Cab models with Short or Long Box.

3.

2.

1.

The available 60/40 split-folding rear seat in Ram Quad Cab quickly adapts to reveal a tough-as-nails rear fold-flat steel floor that's capable of holding up to 272 kg (600 lb) of in-the-cab cargo.

With a comfort level to match its Best-in-Class* interior space, it's no wonder the guys prefer riding in your Ram Quad Cab. The incredible list of options include sumptuous leather-faced seating with Preferred Suede™ inserts, power adjustable pedals,† AM/FM stereo with six-disc in-radio CD changer, heated front seats and more.

A new entry-level Laramie "J" package brings together some of the most popular Ram features in a convenient and surprisingly affordable new model.

*Late availability with 5.9L TD I-6 engine.
†Best-in-Class and Largest-in-Class claims are based on 2005 model year competitive information available at time of printing.

Properly secure all cargo.

RAM 1500

Dodge Ram 1500 Quad Cab Laramie 4x2 shown in Bright Silver Metallic.

EASY TO LOOK AT. TOUGH TO BEAT.

REAL LIFE INVOLVES WORK, PLAY, AND LOTS OF IN-BETWEEN STUFF. No truck lets you do it all with style and attitude like Dodge Ram 1500. Under the hood is your choice of a 3.7-litre Magnum® V6, 4.7-litre Magnum V8 or the awesome 5.7-litre HEMI® V8. There's also a choice of two cargo box lengths, and on Quad Cab® models, four full-size doors. The rear doors feature full drop windows and they open an inviting 85 degrees for easy access and cargo loading. From innovative in-cab storage to luxuries that'll make you forget you're actually in a truck, Dodge Ram 1500 has everything on your pickup wish list. Even an 8.3-litre 500-horsepower Viper V10 engine stuffed under the scooped hood of the radical Dodge Ram 1500 SRT10 – the fastest production pickup truck in the world.*

*According to Guinness Book of World Records on February 2, 2004, for Dodge Ram SRT10 Regular Cab model.

⁽¹⁾When properly equipped. ⁽²⁾Maximum trailer weight ratings include the weight of the cargo in the trailer and 68 kg (150 lb) for the driver, but must be decreased by the weight of any optional equipment, trailer hitch, cargo in the truck and passengers.

⁽³⁾Ratings shown are with Dual Rear Wheel models. ⁽⁴⁾Ratings shown are with Single Rear Wheel models TD – Turbo Diesel GCWR – Gross Combined Weight Rating For more detailed job rating information visit [dodge.ca](#) or go to your Dodge Retailer.

1. Serious workhorse engineering like 353-mm (14-in.) brake rotors, limited-slip differential and an available new six-speed manual transmission* let Ram 3500 handle up to 2359 kg (5200 lb) of payload and tow up to 7394 kg (16,300 lb) when properly equipped.

2. A wide centre seat console is like having an office on wheels with loads of specialized storage and handy power outlets for cell phones, laptop computers and more.

3. The reengineered 5.9L Cummins® Turbo Diesel I-6 with advanced Common-Rail Direct Injection puts out a whopping 610 lb-ft of torque and is the quietest diesel engine ever offered in a Ram.

*Late availability.

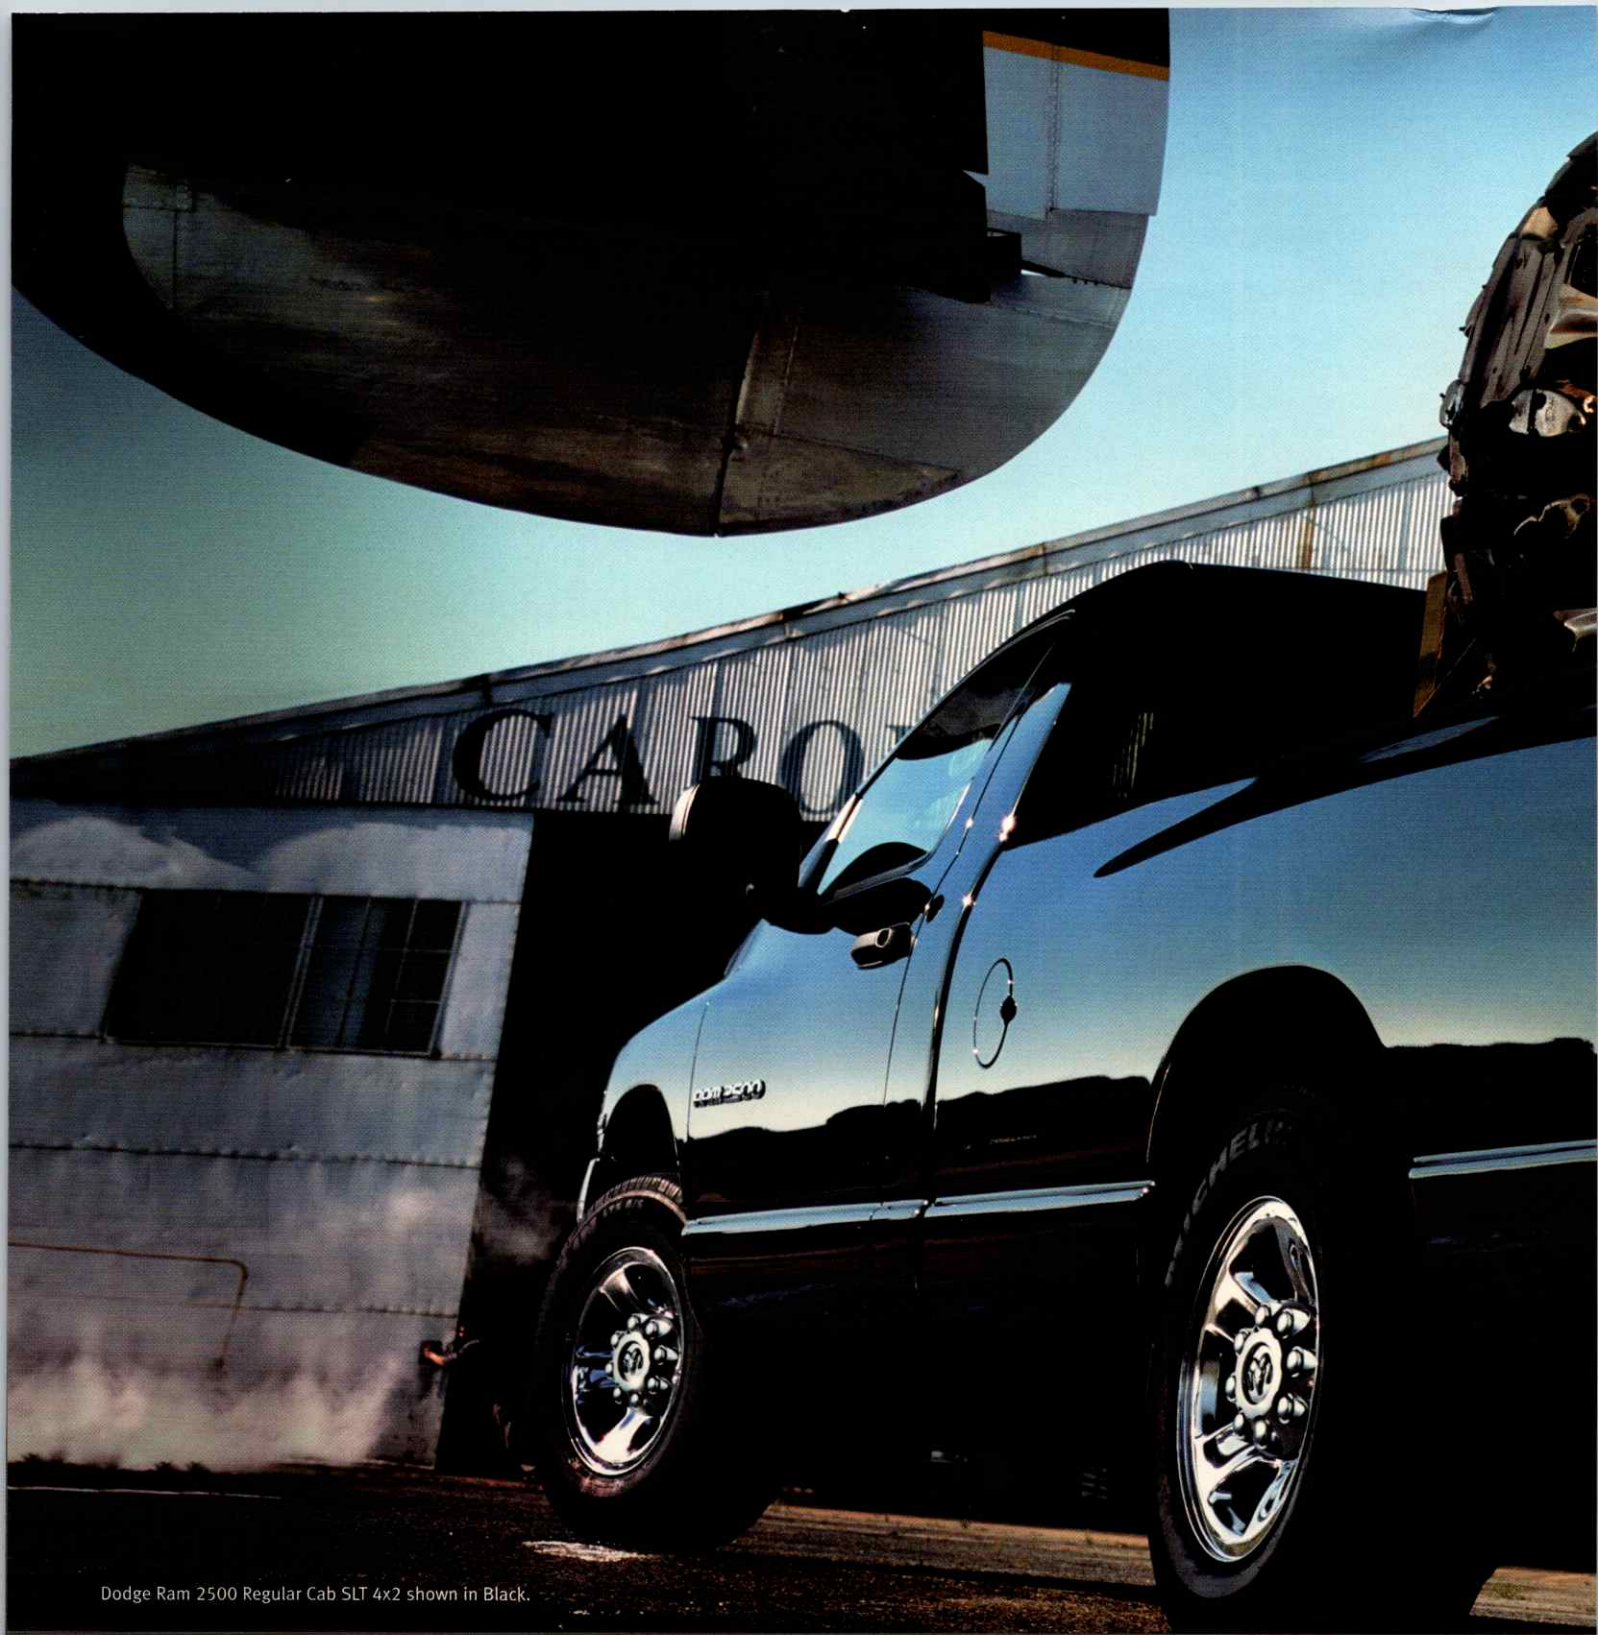

Properly secure all cargo.

ALL-NEW DODGE RAM 2500 POWER WAGON™

FOUR WHEELER MAGAZINE'S 2005 PICKUP TRUCK OF THE YEAR

1. A tubular steel underbody, special skid plates and fully boxed, square, steel mounting crossmembers are just a few of the extreme off-road features you'll find.
2. Electronically locking front and rear differentials and an electronically disconnecting front stabilizer bar take on the toughest obstacles. A factory-installed 5443-kg (12,000-lb) WARN® winch is ready to help you get others out of trouble.
3. Specially selected massive 33-in. All-Terrain off-road tires mounted on 17-in. forged aluminum wheels stand up to the most severe off-road punishment.

Dodge Ram 2500 Regular Cab SLT 4x2 shown in Black.

RAM 2500/3500

Properly secure all cargo.

BUILT TO MAKE EVERY JOB A HAUL OF FAME.

WITH HEAVY-DUTY TRUCKS, IT'S ALL ABOUT STRENGTH. Ram 2500 delivers with big-rig presence and all the tough heavy-duty features you've come to expect from Dodge. You have the choice of the 5.7-litre HEMI® V8 or the ultra beefed-up 5.9-litre Cummins® Turbo Diesel I-6 engine. Plus you get the stiffest frame in Ram history and the fastest steering ratio of any heavy-duty pickup – for that extra edge in handling and manoeuvrability. Whether you work or play off-road, check out the all-new 2005 Dodge Ram 2500 Power Wagon™ (see photos at left). It's the only pickup specifically designed and equipped for severe off-road conditions.

1. Boasting the most overall interior room of any pickup in its class,⁽¹⁾ the all-new 2005 Dodge Dakota Quad Cab® has enough room to fit six people comfortably.
2. Dakota's easy-to-read instrument panel features three large white-faced electroluminescent gauges that turn a cool shade of blue-green in the dark for easy-on-the-eyes night-time driving visibility.
3. With the largest and longest standard cargo bed of any Club Cab™ in its class⁽¹⁾, Dakota can handle up to 785 kg (1730 lb) of payload. Wide-opening new rear doors provide easy access to 850L (30 cu. ft) of available interior cargo space.

⁽¹⁾Based on competitive model information available at time of printing.

in 12 and under should only be in the front seat with the passenger air bag turned off, correctly using an infant or child restraint system, or the seat belt properly positioned, dependent on the child's age and weight. †Late availability CID – Cubic Inch Displacement SOHC – Single Overhead Camshaft ⁽¹⁾4x2 only. ⁽²⁾Not compatible with all garage door openers. See your retailer for details. ⁽³⁾Dodge Trucks and trailers over 454 kg (1000 lb) loaded weight must be equipped with Trailer-Tow Group (AHC), see your retailer for details.

DAKOTA

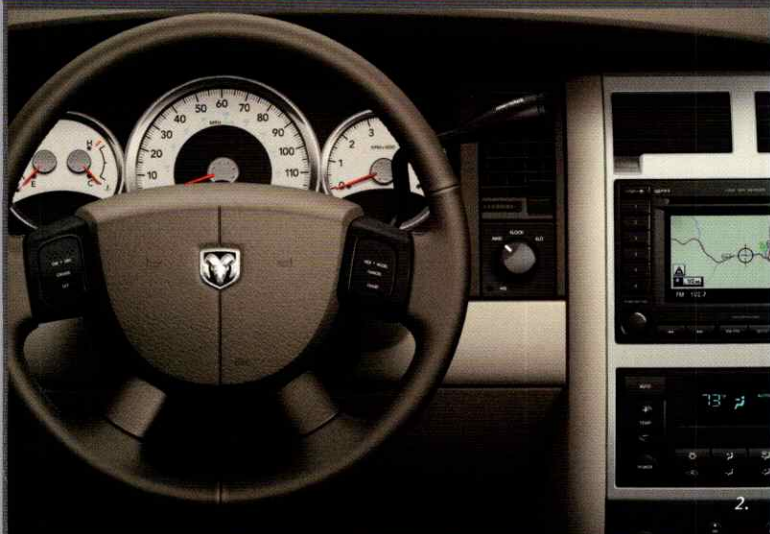

Dodge Dakota Club Cab™ Laramie 4x2 shown in Bright Silver Metallic.

WHOEVER SAID YOU CAN'T TAKE IT WITH YOU HASN'T DRIVEN A DAKOTA YET.

WHETHER YOU DECIDE TO LEND THIS POWER TOOL TO YOUR NEIGHBOUR OR KEEP IT ALL TO YOURSELF, you'll find every job is easier with a partner like Dakota. The all-new fully boxed frame uses hydroformed technology for increased stiffness, strength and durability, while a standard rear stabilizer bar reduces body roll under load conditions. It all adds up to a great-looking truck that not only delivers some of the largest payload numbers in its class, but great ride and handling too.
