

07 DODGE **NITRO**

NITRO SPECIFICATIONS

NITRO SE

A. ALL NITRO SE MODELS INCLUDE THESE FEATURES: 3.7L Magnum® V6 with 6-speed manual transmission or available 4-speed automatic transmission > Part-time four-wheel drive transfer case (4x4 models) > Air conditioning > Power door locks/windows/exterior mirrors > 115-volt auxiliary and 12-volt front and rear power outlets > Remote keyless entry > Cloth-faced seats > 65/35-split folding reclining rear seats > Fold-down front passenger and rear seats > AM/FM stereo radio with CD player and MP3 capability and 6 speakers > Tilt steering column > Reversible/removable rear cargo floor with shallow tray underneath for additional storage > Advanced multistage front air bags⁽¹⁾ > Side-curtain air bags⁽¹⁾ > Child Seat Anchor System (LATCH) > Sentry Key™ Engine Immobilizer > Tire pressure warning lamp > Rear window defroster > Deep Grey front and rear fascias/fender flares/bodyside mouldings > Bright grille > 16-inch steel wheels with sport suspension > Four-wheel disc brakes with four wheel anti-lock (ABS) > Electronic Stability Program (ESP™)⁽²⁾ with all speed traction control

NITRO SXT

B. SXT INCLUDES THE STANDARD GEAR OF THE SE TRIM LEVEL EXCEPT WHERE ADDITIONS ARE NOTED: 3.7L Magnum V6 with 6-speed manual transmission or available 4-speed automatic transmission > Overhead console with courtesy lamps > HomeLink® Universal Transceiver⁽³⁾ > Floor mats > Speed control > Fog lamps > Deep tint sunscreen side and rear glass > 16-inch cast aluminum wheels with sport suspension

NITRO SLT

C. SLT INCLUDES THE STANDARD GEAR OF THE SXT TRIM LEVEL EXCEPT WHERE ADDITIONS ARE NOTED: 3.7L Magnum V6 with 4-speed automatic transmission > Full-time four-wheel drive transfer case⁽⁴⁾ > Electronic Vehicle Information Centre (EVIC) > Auto-dimming rear-view mirror > LOAD 'N GO™ slide-out rear cargo floor > Two-tone cloth-faced seats with YES Essentials™ seat fabric⁽⁵⁾ > 6-way power driver's seat > Leather wrapped steering wheel with integrated audio controls > Tire pressure monitoring display > Body colour front and rear fascias/fender flares/bodyside mouldings > Heated power exterior mirrors > 17-inch cast aluminum wheels with sport suspension

NITRO R/T

D. R/T⁽⁶⁾ INCLUDES THE STANDARD GEAR OF THE SLT TRIM LEVEL EXCEPT WHERE ADDITIONS ARE NOTED: 4.0L SOHC V6 with 5-speed automatic transmission > Full-time four-wheel drive transfer case > Two-tone Slate Grey cloth-faced seats > R/T logo on front seats > Monochromatic exterior (body colour front and rear fascias/fender flares/bodyside mouldings, sill, air dam, and grille with bright billets) > 20-inch chrome-clad cast aluminum wheels with aggressively tuned performance suspension

⁽¹⁾Always use seat belts. Children 12 and under should always be in a back seat correctly using an infant or child restraint system, or the seat belt properly positioned, dependent on the child's age and weight. ⁽²⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the instrument cluster flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. Always drive carefully, consistent with conditions. Please always wear your seat belt. ⁽³⁾Not compatible with all garage door openers. See your retailer for details. ⁽⁴⁾Late availability. ⁽⁵⁾Not compatible with aftermarket fabric protecting coatings.

NITRO BUYER'S GUIDE

EXTERIOR (CONTINUED)

	SE	ST	SL	R/T ⁽⁶⁾

⁽¹⁾Late availability. ⁽²⁾4x4 only. ⁽³⁾Not compatible with all garage door openers. See your retailer for details. ⁽⁴⁾Must use BluetoothTM compatible mobile phone. ⁽⁵⁾Not compatible with aftermarket fabric protecting coatings. ⁽⁶⁾Navigation system operates only in certain metropolitan areas. See your retailer for details. ⁽⁷⁾Always use seat belts. Children 12 and under should always be in a back seat correctly using an infant or child restraint system, or the seat belt properly positioned, dependent on the child's age and weight. ⁽⁸⁾The passenger occupant classification system (OCS) determines the conditions for activation or deactivation of the passenger side front air bag based on the weight of the occupant. It may not activate the passenger air bag if the occupant has incorrect seating posture or is moving in the seat. Always observe the passenger air bag indicator light to determine if the OCS is deciding properly. Passengers should sit properly in the seat with the seat belt fastened at all times. ⁽⁹⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the instrument cluster flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. Always drive carefully, consistent with conditions. Please always wear your seat belt.
