

# 2019 DODGE DURANGO

DODGE //

## 2019 DODGE DURANGO

The SUV market is more crowded than a highway on a long holiday weekend. So, how do you stand out in a sea of sameness? First, veer off the beaten path and leave the pack behind. Second, while the other SUVs concentrate on simply being utilitarian vehicles, hone in on being a *sport* utility vehicle. Don't focus on the number of cup holders; focus on the amount of horses under the hood. In other words, build a Dodge. Compared to other SUVs, only Durango goes all in with Canada's Best-Selling V6 and V8 engines,<sup>1,2\*</sup> all-wheel drive, sport suspension and an incredible amount of horsepower, capable of pulling an equally incredible towing rating of up to 3,946 kilograms (8,700 pounds). For good measure, Durango offers plenty of available technology, like Award-Winning Uconnect<sup>®</sup> multimedia centres, Apple CarPlay,<sup>3</sup> Android Auto<sup>™</sup><sup>3</sup> and a class-exclusive dual Blu-ray<sup>™</sup>/DVD player<sup>4</sup> to keep you entertained and connected.

\*For full fuel economy details, see page 21.

Two powerful, Best-Selling engines,<sup>1,2</sup> strong framework and impressive stability contribute to hefty towing capabilities. Outfit Durango with Canada's Best-Selling engine,<sup>1</sup> the 3.6-litre Pentastar™ V6, for a maximum towing capacity of up to 2,812 kilograms (6,200 pounds), the Best-Selling V8 engine<sup>2</sup> — the 5.7-litre HEMI® V8 — for up to 3,266 kilograms (7,200 pounds) of towing capability, or the 6.4-litre SRT® HEMI V8 engine for up to 3,946 kilograms (8,700 pounds) of towing capacity.

## POWERTRAINS

### 3.6L PENTASTAR V6 WITH VARIABLE VALVE TIMING (VVT): CANADA'S BEST-SELLING ENGINE<sup>1</sup>

Power and efficiency combine to create up to 295 horsepower\* and 260 lb-ft of torque. When the vehicle comes to a complete stop, the Engine Stop/Start (ESS) technology shuts the engine off to help conserve fuel but keeps power flowing to amenities like the radio, gauges and climate control. The engine restarts automatically when the brake is released, allowing for seamless acceleration.

### 5.7L HEMI V8: CANADA'S BEST-SELLING V8 ENGINE<sup>2</sup>

With a combined 360 horsepower and 390 lb-ft of torque, this available engine delivers Best-in-Class power.<sup>8</sup> The impressive fuel economy comes from the 8-speed automatic transmission and the VVT, the FuelSaver Multi-Displacement System (MDS), which turns the engine into a fuel-sipping 4-cylinder at highway cruising speeds.

### 6.4L SRT HEMI V8 ENGINE

Durango SRT is the most powerful three-row SUV on the road,<sup>6</sup> with a mind-blowing 475 horsepower and 470 lb-ft of torque. The 8-speed performance-tuned transmission, Sport-tuned all-wheel drive (AWD), and high-flow dual exhaust with 5-inch outlets take the vehicle's performance to the next level.

## STANDARD AWD

Durango delivers massive control exactly where you need it through a brilliant 50/50 weight distribution and standard AWD. There are two systems — one for the HEMI V8 and one for the Pentastar V6-powered models. Each one boosts the vehicle's traction and handling by delivering a smooth driving experience over a wide range of road conditions. On V8 models, AWD includes a low range on the transfer case for extreme situations.

### CLASS-EXCLUSIVE 8-SPEED AUTOMATIC<sup>4</sup>

The standard 8-speed automatic transmission with Eco Mode provides superior efficiency, quick acceleration and smooth shifting. Available performance-inspired steering wheel-mounted paddle shifters allow for a more personalized driving experience.

### SPORT MODE

Sport Mode changes the steering calibration, pedal calibration and shift pattern, increasing the vehicle's responsive driving experience.

Properly secure all cargo.

\*With dual exhausts; 293 horsepower with single exhaust.

► DUAL REAR BLU-RAY™/DVD ENTERTAINMENT CENTRE

► SEATING FOR UP TO SEVEN

► R/T SHOWN WITH RADAR RED NAPPA LEATHER-FACED SEATS  
WITH PERFORATED INSERTS

# 50+ SEATING CONFIGURATIONS

It doesn't matter if you keep all the seats up ... or down ... or someplace in the middle — with more than 50 different seating configurations, we've got you covered. Whether your group size is seven people or you're headed out on a 10-day road trip, Durango is ready.

Seating for seven includes a 60/40 fold-and-tumble second-row reclining bench seat, featuring a padded centre armrest with cup holders, and a 50/50 split-folding third-row seat. Available seating for six outfit the second row with cloth or available heated leather-faced fold-flat Captain's Chairs and a floor-mounted mini console with charge-only USB ports and 115-volt power outlet.

Just because Durango is powered by brute strength doesn't mean comfort takes a seat on the sideline. Refined materials like premium Nappa or Laguna leather-faced seats with perforated inserts give drivers and passengers alike the MVP treatment as they customize their contentment with tri-zone automatic temperature control.

## CLASS-EXCLUSIVE BLU-RAY™/DVD ENTERTAINMENT CENTRE<sup>4</sup>

Be road trip-ready with available dual rear Blu-ray/DVD players. Rear-seat passengers will be entertained via two nine-inch seatback-mounted screens. Travelling with both movie buffs and gaming fanatics? The rear-seat HDMI/USB ports let passengers tap into the entertainment system and use each screen independently of each other.

# LARGEST-IN-CLASS 8.4-INCH TOUCHSCREEN<sup>4</sup>

## Uconnect<sup>®</sup>

### STAY IN TOUCH

Remain focused on the road with your hands on the wheel as you communicate, navigate, stay entertained and easily manage your Durango power and charging features with the available Largest-in-Class 8.4-inch Uconnect<sup>®</sup> touchscreen.<sup>4</sup>

The system displays climate and multimedia controls and available memory features to save preferred seat, mirror and radio settings. With your compatible phone paired to the system's hands-free<sup>9</sup> Bluetooth<sup>®</sup> technology, Voice Text Reply<sup>10</sup> can announce and read incoming texts, and you can reply with any of the 18 preset responses, such as "yes" and "I'm on my way." Siri<sup>®</sup> Eyes Free<sup>11</sup> allows you to make voice commands<sup>9</sup> with your iPhone<sup>®</sup> and use Do Not Disturb to hold calls and texts or send automated replies.

**SiriusXM Guardian.<sup>12</sup>** This available advanced in-vehicle connectivity offers a WiFi Hotspot<sup>13</sup> and help when you need it most with Roadside Assistance Call and SOS Call from your touchscreen or rearview mirror button. The mobile app helps to keep you connected by turning your phone into your vehicle's command centre. The one-year subscription includes Remote Vehicle Start<sup>†</sup> to start your car and unlock the doors from virtually anywhere, as well as Stolen Vehicle Assistance alerts, Send & Go,<sup>™</sup> and much more.

**SiriusXM Traffic/SiriusXM Travel Link.<sup>14</sup>** This available service provides real-time detailed information about traffic, construction and road closures, and works in tandem with the available GPS Navigation<sup>15</sup> in your vehicle. This service can also display weather forecasts, fuel prices, sports scores and movie schedules. Includes a five-year subscription.

**SiriusXM Satellite Radio.<sup>14</sup>** SiriusXM satellite radio is standard and includes a one-year subscription to a variety of music, news, sports and specialty channels. You can set up alerts for your favourite song, artist or sports team playing on another channel, and Instant Replay lets you pause, rewind and replay programs, songs and sports broadcasts.

**GPS Navigation.<sup>15</sup>** Identifying your whereabouts is an exact science with the available Uconnect 4C NAV multimedia centre's integrated navigation,<sup>15</sup> including 3D landmarks, city models, digital terrain maps, enhanced graphics and one-step voice destination entry.

**Apple CarPlay.<sup>3</sup>** The smarter, safer way to use your iPhone inside your vehicle. Plug in to seamlessly integrate Uconnect. You can use the touchscreen or Siri<sup>11</sup> to make calls, access Apple Music, send and receive messages, get directions optimized for traffic conditions, and more while staying focused on the road. Available.

**Android Auto.<sup>TM3</sup>** This plug-and-play capability provides a safer way to use Android<sup>™</sup> while in your vehicle, sharing information while you easily access the best of Google<sup>TM</sup>. Google Maps with voice-guided navigation and Google Play Music; place phone calls or send and receive messages and ask Google any question by voice command. Available.

## CUSTOMIZE YOUR VIEW

It's Class-Exclusive<sup>4</sup> and standard on every Durango model: a 7-inch, full-colour, customizable in-cluster display centre. Steering wheel buttons allow you to scan through different views, including audio source information, fuel economy, vehicle status and available navigation<sup>15</sup> with rich graphics.

<sup>†</sup>When equipped with remote start.

**GT** From the stylish exterior touches to premium details found inside, Durango GT gives drivers copious amounts of confident swagger. It starts with 20-inch Satin Carbon aluminum wheels, Black halogen headlamp bezels and dual bright exhaust tips. The bold body-colour wheel lip moulding, sill moulding, and rear fascia, along with the new performance front fascia, offer a monochromatic look that is sure to get you noticed. The standard Park-Sense® Rear Park Assist System,<sup>16</sup> ParkView® Rear Back-Up Camera<sup>16</sup> and Remote Start System keep you surrounded by technology that not only offers convenience, but also helps make the drive more secure. And the ride? The heated front- and second-row leather-faced seats with perforated suede inserts, heated leather-wrapped steering wheel, and memory settings for exterior mirrors, driver's seat position and radio make it completely comfortable.

**R/T** The monochromatic exterior with a race-oriented design — performance hood, performance front fascia and Black accents surrounding the High Intensity Discharge (HID) headlamps, 20-inch Satin Carbon aluminum wheels wrapped in all-season tires and a 20-mm-lower ride height on Durango R/T — is enough to redline your senses.

The heart-pounding performance that comes from the standard 5.7-litre HEMI® V8 engine and unique Sport-tuned suspension takes your heart rate to the next level. Inside, the details are equally as impressive, with a standard Uconnect® 4C NAV<sup>15</sup> multimedia centre featuring a Largest-in-Class 8.4-inch touchscreen,<sup>4</sup> premium navigation,<sup>15</sup> Apple CarPlay<sup>3</sup> and Android Auto,<sup>TM3</sup> and leather-faced seats with perforated suede inserts.

► R/T SHOWN IN REDLINE PEARL

## DURANGO CUSTOM-FEEL PACKAGES

There's more than one way to give your Durango an even more distinctive look. Regardless of where you travel, available appearance packages offer stand-apart style.

**Brass Monkey Appearance Package.** The striking 20-inch aluminum wheels are coated in an eye-catching Burnished Bronze finish for a bold look. Special Gloss Black badging lets others know you're driving something special. Available on GT and R/T.

## CITADEL IMMERSE YOURSELF IN LUXURY

Designed for uncompromising refinement, Durango Citadel takes luxury to the next level. The exterior is dressed with a bright grille, bright exterior accents, chrome touches on the mirrors and door handles, and 20-inch Platinum Chrome aluminum wheels. The interior boasts finely appointed Nappa leather-faced seating, a large 8.4-inch Uconnect® touchscreen radio and a power sunroof.

► CITADEL SHOWN IN DB BLACK

**Blacktop Package.** Gloss Black details like 20-inch aluminum wheels, exterior badging, mirrors and grille give Durango's muscular SUV stance a polished facade. Available on SXT, GT and R/T.

#### DURANGO SRT®

This is what it looks like when you combine everything great about Durango and everything extreme about SRT. The Dodge Durango SRT boasts a 6.4-litre SRT HEMI® V8 engine.

The numbers are staggering — 475 horsepower, 470 lb-ft of torque, plus a wicked-fast time on the drag strip: 0 – 60 mph in 4.4 seconds and a National Hot Rod Association (NHRA) certified quarter-mile cover in 12.9 seconds.<sup>7</sup>

Add in an 8-speed performance-tuned transmission, Sport-tuned all-wheel drive, high-flow dual exhaust with 5-inch outlets, beefy 295 Pirelli® Scorpion Verde all-season tires on 20-by 10-inch wheels and massive red Brembo® brakes, and you have one street-savvy SUV.

The performance isn't the only thing that will get you noticed. The wide-body exterior design with functional performance hood, front fascia/lower valance that houses the cold air duct and LED fog lamps give Durango unique curb appeal.

# 60+

## STANDARD AND AVAILABLE SAFETY & SECURITY FEATURES

### LANE DEPARTURE WARNING (LDW) WITH LANE KEEP ASSIST<sup>16</sup>

The vehicle's lane position is monitored by a camera mounted near the rearview mirror, and should the system detect that the driver drifts outside of lane boundaries and no turn signal is applied, a visual warning is given along with a slight jerk of the steering wheel. If no corrective action is taken, the system will help realign the vehicle back to the correct lane position.

### PARK-SENSE® FRONT AND REAR PARK ASSIST SYSTEM<sup>16</sup>

When the vehicle is in Reverse, standard rear sensors detect the presence of objects within two metres of the rear pathway and provide both an audible chime and a visual warning. Available sensors in the front bumper detect obstacles from a distance of up to 1.6 metres in front of the vehicle to notify the driver of objects within range.

### BLIND-SPOT MONITORING (BSM) WITH REAR CROSS- PATH DETECTION<sup>16</sup>

This technology includes dual radar sensors that constantly monitor driver blind spots, providing notification of an encroaching vehicle via illuminated icons on sideview mirrors and by an audible chime if the turn signal is activated. When the vehicle is in Reverse, rear sensors warn the driver with an audible chime if cross-traffic approaches.

### ADAPTIVE CRUISE CONTROL (ACC) WITH STOP<sup>16</sup>

This system maintains a driver-selected distance between your vehicle and the one in front of it by automatically decreasing the preset cruise control speed when approaching another vehicle in the same lane or when another vehicle that is travelling at a slower speed pulls into your lane. The system will accelerate back to the preset speed when space permits. At low speeds, ACC can bring Durango to a controlled stop.

### FORWARD COLLISION WARNING (FCW) WITH ACTIVE BRAKING<sup>16</sup>

Sensors detect when Durango may be approaching another vehicle too quickly and send an audible and visual alert to the driver, followed by 1.5 seconds of brake assistance if the driver does not react in time.

### AIR BAGS<sup>17</sup>

Your sense of security is fully met with Durango's all-around air bag system. These seven standard air bags — full-length side-curtain, front seat-mounted side, driver-side knee blocker and advanced multistage front — all work together to help provide protection when you need it most.

### ELECTRONIC STABILITY CONTROL (ESC)<sup>18</sup>

A standard vehicle-wide network of safety sensors provides instant aid when it detects the driver veering off the intended path. This robust system includes Electronic Roll Mitigation (ERM), Antilock Brake System (ABS) with Brake Assist, all-speed traction control and Trailer Sway Control (TSC).

### PARKVIEW® REAR BACK-UP CAMERA<sup>16</sup>

When the vehicle is in Reverse, the standard ParkView Rear Back-Up Camera<sup>16</sup> is designed to assist the driver in detecting obstacles out of his/her line of sight during parking manoeuvres. When equipped with the 8.4-inch touchscreen, view-at-speed functionality is added, allowing you to monitor your rear view while driving with the touch of a button. Great for checking on trailers.

## SXT

### POWERTRAIN

- 3.6L Pentastar™ Variable Valve Timing (VVT) V6 with Engine Stop/Start (ESS) technology and 8-speed automatic transmission
- All-Wheel Drive (AWD)

### INTERIOR AMENITIES

- 2 USB ports and auxiliary audio input jack

**WARRANTIES:** 2019 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance! SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres.\* Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres.\* The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty\* with \$0 deductible plus 24-hour roadside assistance.\*

\*Whichever comes first. Some conditions may apply. \*The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

**MOPAR VEHICLE PROTECTION:** FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call 800-465-2001.

**DISCLAIMERS:** 1. Based on IHS Markit Automotive Canadian New Vehicle Total Registrations with V8 Engines of all fuel types overall from 2012 to CYTD September 2017. 2. Based on IHS Markit Automotive Canadian New Vehicle Total Registrations with V8 Engines of all fuel types overall from 2012 to CYTD September 2017. 3. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Apple CarPlay requires a compatible iPhone connected via USB cable to the Uconnect system. Android Auto requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates may apply. 4. Based on *WardsAuto* Mid-size Sport Utility segmentation. Excludes other vehicles designed and manufactured by FCA US LLC. 5. Based on *WardsAuto* Mid-size Sport Utility segmentation. When properly equipped. Excludes other vehicles designed and manufactured by FCA US LLC. 6. Based on horsepower and torque. Excludes low-volume production vehicles. 7. Based on quarter-mile time and towing capacity. Excludes low-volume production vehicles. Obey the rules of the road. 8. Based on *WardsAuto* Mid-size Sport Utility segmentation and combined horsepower and torque ratings. Excludes other vehicles designed and manufactured by FCA US LLC. 9. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 10. Preset voice-to-text messaging and incoming text message reading require a MAP-enabled phone. 11. Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 12. All SiriusXM Guardian-equipped vehicles come with a 12-month trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. 13. WiFi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See dealer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 14. Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at [siriusxm.ca](http://siriusxm.ca). 15. Never program while driving. GPS mapping and available 3D navigation may not be detailed or available in all areas or reflect current road regulations. 16. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 17. The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 18. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 19. Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 20. Not compatible with all garage door openers.
