1. Based on Ward's Large/Regular car segmentation. See fuel economy chart above for full details. 2. Based on Ward's Large/Regular car segmentation. 3. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. 4. Requires SiriusXM radio subscriptions governed by SIRIUS terms and conditions available at siriusxm.ca. 5. No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 6. Always sit properly with the head restraint properly adjusted. Never place anything in front of the head restraint. 7. The advanced front air bags in this vehicle are certified to the federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 8. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 9. Not compatible with all garage door openers. †Prices as shown are MSRP. Excludes freight (\$1,695), air tax (\$100), insurance, registration, license, retailer administration fees, new tire. Duties in Quebec and dealer accessories are not included. Retailer may sell for less.
