THE NEW TIPO MIRROR

CONNECT TO THE WORLD WITH A TOUCH OF A FINGERTIP

THE MIRROR FUNCTION

Mirror the phone's screen onto the Uconnect™ 7" infotainment in a more intuitive and driver friendly interface, allowing usage of your favourite apps. You can get directions, listen to music and make/receive calls safely whilst on the move. Features can be easily controlled via the touch interface, steering wheel controls or voice recognition. Compatible with Apple CarPlay®* and Android Auto™**.

android
auto

Works with
Apple CarPlay

Download the Uconnect™ LIVE mobile app and stay remotely connected to your car.

* To enjoy Apple CarPlay® connect your iPhone to the specific USB port in your car. Apple CarPlay® is a trademark of Apple Inc. Use of the Apple CarPlay® logo denotes that a vehicle user interface meets Apple performance standards. Apple is not responsible for the operation of this vehicle or its compliance with safety and regulatory standards. Please note that the use of this product with iPhone may affect wireless performance.

** To use Android Auto on your phone screen, you'll need an Android phone running 5.0 (Lollipop) or higher and the Android Auto app. Android and Android Auto are trademarks of Google LLC.

THE NEW MOPAR® CONNECT

ALWAYS IN TOUCH WITH YOUR TIPO

Mopar® Connect has arrived. Available on request across the New Típo Mirror Family, the new Mopar® Connect is the first official feature set of connected services dedicated to Safety&Security and Vehicle Remote Control.

**MOPAR
CONNECT**

MY:CAR

Check the vehicle's status from your smartphone.

Check the vehicle's status: the fuel level, battery level, tyre pressure, current mileage and door status can all be viewed remotely.

MY:REMOTE CONTROL

Multi-functional including: Find Car; Speed Alert and Area Alert.

FIND CAR

Quickly locate the vehicle. The system provides a map with directions to its exact location.

AREA ALERT / SPEED ALERT

The system automatically sends a notification if the vehicle is trespassing into a pre-set area setting or exceeding a speed limit established by the customer.

MY:ASSISTANT

Provides timely assistance in the event of an accident, breakdown, or stolen vehicle.

CRASH ASSISTANCE

In the event of heavy impact, the system sends your position to an operations center. A my:Assistant operator will contact you and will be able to request help on site.

ROADSIDE ASSISTANCE

In the event of a breakdown, you can talk to a my:Assistant operator who will locate you and send help at your position.

THEFT ASSISTANCE

It will alert you when unauthorized towing or device tampering is detected and will enable you to receive support and assistance for recovery of the vehicle.

GIVE YOUR LIFE THAT EXTRA TOUCH

TIPO

The practical and ergonomic interiors of the Tipo Mirror range are further enhanced by the availability of the latest features to make every journey more comfortable and pleasurable. Get comfortable behind the height adjustable leather steering wheel, from where features of the 7" touchscreen with Android Auto™ and Apple Carplay® connectivity can be easily controlled. Set the desired speed and allow cruise control to manage the throttle and enjoy every drive in the air conditioned cabin of the New Mirror.

* The specification (B) indicates the value of CO₂ and fuel consumption determined on the basis of the measurement / correlation method referring to the NEDC cycle as per Regulation (EU) 2017/1152-1153.

The specification (C) indicates the value of fuel consumption determined on the basis of the new WLTP test procedure as per Regulation 2017/1347.

The CO₂ and fuel consumption values obtained according to applicable regulation are indicated in order to allow the comparison of vehicle data.

The homologation values of CO₂ and fuel consumption may not reflect the actual values of CO₂ and fuel consumption, which depend on

many factors related, by way of example but not limitation, to the driving style, the route, the weather and road conditions, the condition,

use and equipment of the vehicle. The indicated value of CO₂ and fuel consumption refers to the versions of the vehicle with the

highest and the lowest values. Those values may change with the subsequent configuration depending on equipment selected

and/or size of tires selected. The indicated values of CO₂ and fuel consumption are not definitive and may evolve as a result

of changes in the production cycle; more up-to-date values will be available at the selected official dealer of the FCA

network. In any case, the official values of CO₂ and fuel consumption of the vehicle purchased by the customer will be

provided with the documents accompanying the vehicle. In cases where the values of CO₂ and fuel consumption

are relevant for the purposes of calculating taxes and duties related to the vehicle, reference should be made

to the applicable laws in each country.

Trim levels of models and options may vary due to specific market or legal requirements. The data, descriptions and illustrations contained in this brochure are for illustrative purposes and are valid at the date of publication (04/2019). Some equipment described and/or illustrated in this brochure is optional. Refer to the price list for full information. FCA may change the models described in this brochure at any time for technical or commercial reasons.
