

BUILT FOR YOUR WORK. AND FOR YOUR LIFE.

Ask it a lot: it will give you all it's got... and more. **FULLBACK IS THE FIAT PROFESSIONAL PICK-UP.** Agile, versatile and powerful, Fullback does not know the meaning of words like "rest" or "too much." That is because it was designed to take on even the biggest task with its **OVER 4 TONNES OF TOTAL LOADING CAPACITY: UP TO 3.1 TONS OF TOWING CAPACITY AND 1 TONNE OF PAYLOAD.** Furthermore, with its distinctive style and **SMALL STEERING CIRCLE (5.9M)**, Fullback is perfect in town as well.

FULL
STYLE
WORK
WITH STYLE.

FULLBACK attracts attention owing to its muscular and aggressive and at the same time soft and elegant lines. Its style reveals all the care and passion of Fiat Professional, resulting in a design conceived to be serviceable to your work.

BI-XENON PROJECTOR HEAD LAMPS

17" ALLOY RIMS

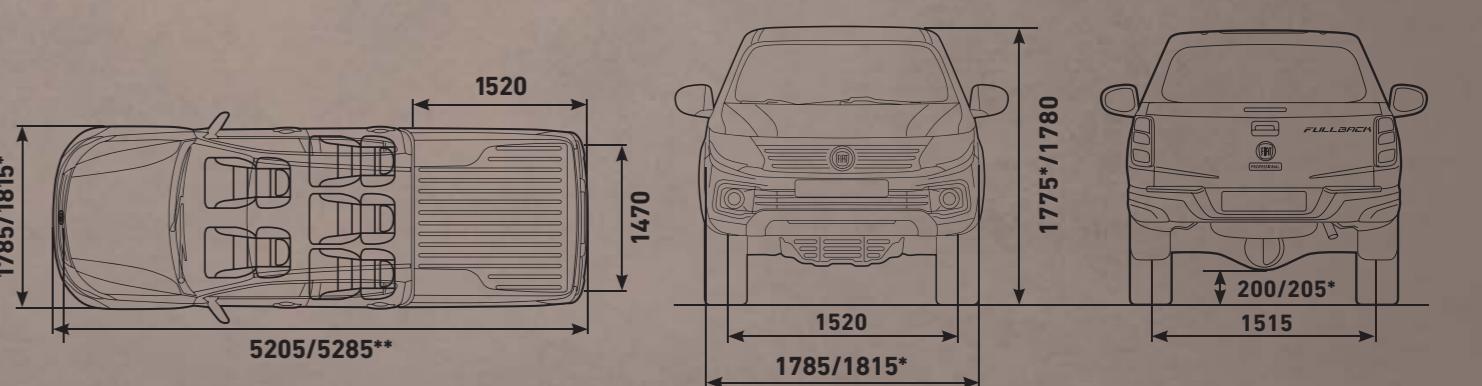

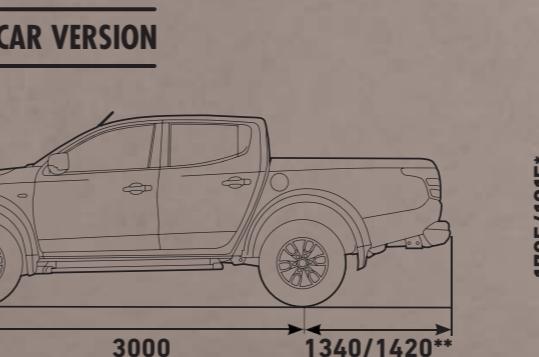

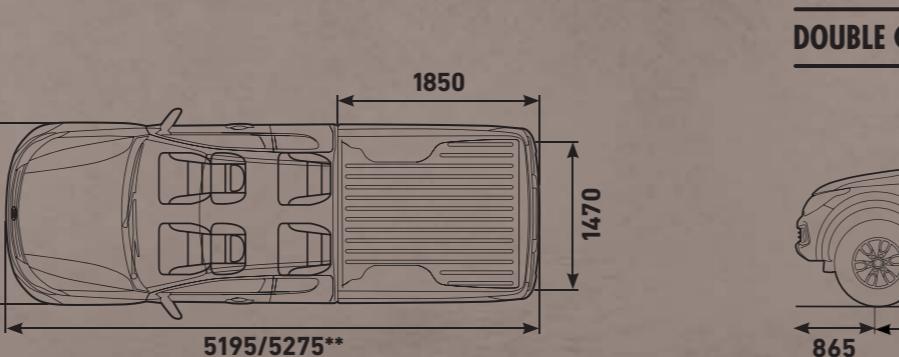

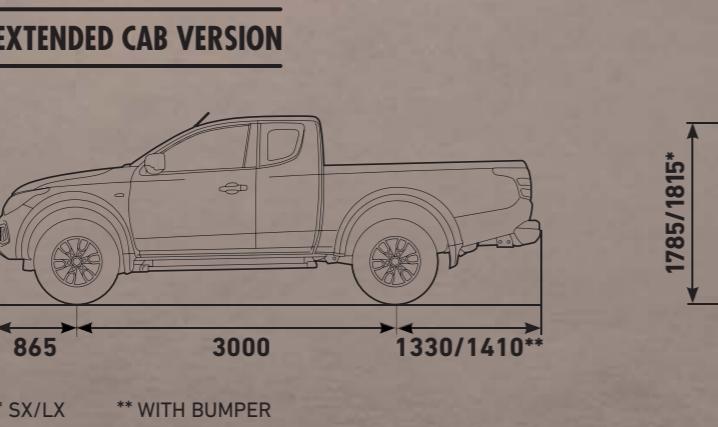

REARVIEWCAMERA

Rugged, reliable and useful down to the finest detail because that is what you look at when you assess a work vehicle. **FULLBACK** offers you up to one tonne of loading capacity and a **CARGO BED UP TO 1.85 M LONG** in the extended cab version. Its overall dimensions (**5.2 M LONG, 1.8 M WIDE**), also make Fullback the ideal pick-up for your everyday lifestyle. Even after work.

* SX/LX

** WITH BUMPER

FULL COMFORT

DISCOVER THE PLEASURE OF WORKING HARD.

We at Fiat Professional know how much time you spend in your work vehicle. That is why we have made **FULLBACK** so comfortable and welcoming. To make sure that you never get tired of using it, not even when your working day has come to an end. Nothing is left to chance: **ERGONOMIC SEATS, SPACIOUS INTERIORS THAT ARE PERFECTLY AIR-CONDITIONED AND SOUNDPROOFED** and a driving position with optimal visibility. Everything is built to make it even more comfortable.
Yours.

DOUBLE CAB WITH LEATHER INTERIORS

EXTENDED CAB WITH FABRIC INTERIORS

DOUBLE CAB WITH LEATHER

ADJUSTABLE SPEED LIMITER

FULL TECHNOLOGY

INNOVATION. ANOTHER STRONG POINT.

In recent years, technology has revolutionised the world of work.

FULLBACK has not been left behind. Its equipment is all state of the art so you can always stay connected to your work, your customers and your appointments, at any time of day or night, wherever you go, and on any terrain. If work never stops, why should you?

TOUCHSCREEN RADIO WITH NAVIGATOR

User-friendly, beautiful toolkit, practical to use. It is the navigation and audio control system with a large touchscreen available on Fullback.

REARVIEW CAMERA

The ideal tool for parking with ultimate ease and safety, even in the tightest of places.

BLUETOOTH®

Allowing you to answer incoming calls after seeing them on the touchscreen without ever taking your hands off the wheel or your eyes off the road.

CLIMATE CONTROL SYSTEM

You can choose Dual Zone Automatic Air Conditioning for more comfort.

USB CONNECTIVITY

Starting today you can listen to the music that you always carry with you in your player, also onboard. Fullback by selecting it directly from the touchscreen or steering wheel controls.

KEYLESS ENTRY SYSTEM

By just keeping the key in your pocket and simply pressing a button, you can open and close the doors from the outside and start the engine from the inside.

**FULL
POWER**
**YOU CAN ALWAYS
COUNT ON IT.**

When the road gets tough is when **FULLBACK** delivers its very best and starts to make the difference. Its strength lies in its rugged and flexible chassis and in its engines, which are more reliable, efficient and powerful than ever. Fullback is powered with **AN ALL-ALUMINIUM ENGINE**.

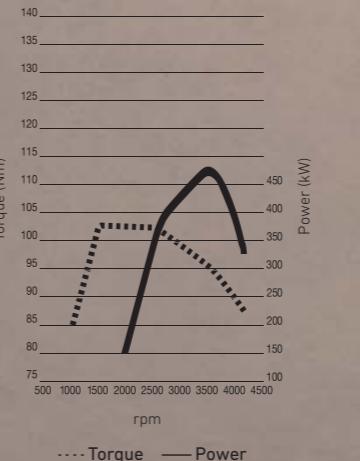

It is a **2.4 LITRE DIESEL** engine and is available in the **150 HP** or **180 HP** versions, with a **TOWING CAPACITY of up to 3100 KG**. Fullback is also fitted with both the **MANUAL 6-SPEED TRANSMISSION** and the **5-SPEED AUTOMATIC TRANSMISSION**.

The ideal is what you want. Fullback also ensures you will get extremely low fuel consumption and CO₂ emissions. In fact, both versions deliver all the power, torque and efficiency demanded of every pick-up.

DIESEL 2.4 150 HP

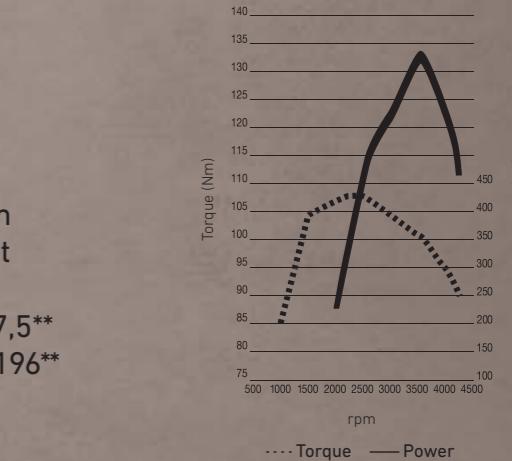

Displacement: 2.442 cm³
Emissions standard: Euro 6
Power: 150 HP @ 3.500 rpm
Torque: 380 Nm @ 1.500/2.500 rpm
Injection: Common Rail direct
Traction: 2WD or 4WD
Consumption* (l/100km): 6,9*/7,5**
CO₂ emissions* (g/km): 180*/196*

*MANUAL TRANSMISSION 4WD WITH START&STOP
**AUTOMATIC TRANSMISSION 4WD

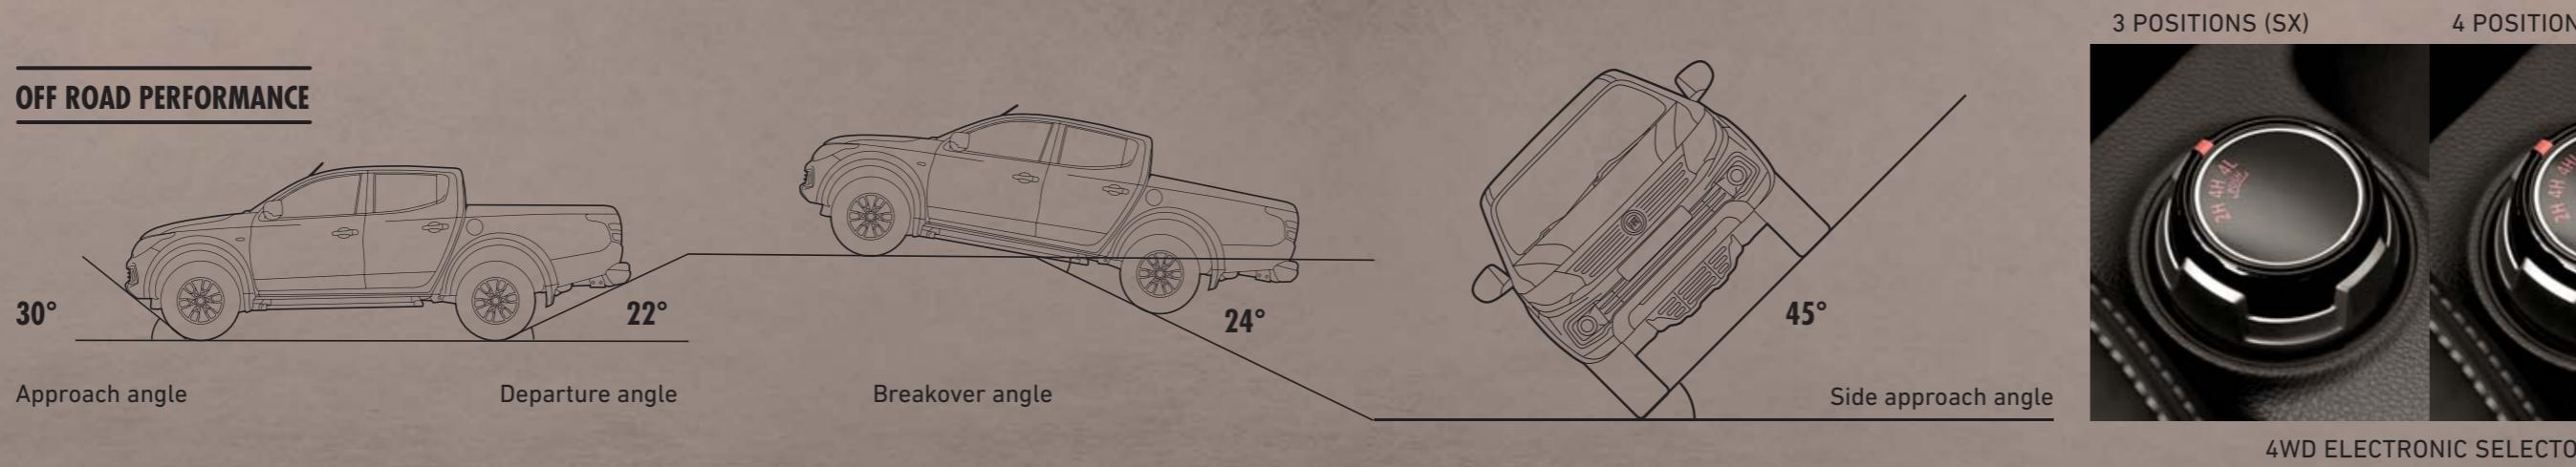

DIESEL 2.4 180 HP 4WD

Displacement: 2.442 cm³
Emissions standard: Euro 6
Power: 180 HP @ 3.500 rpm
Torque: 430 Nm @ 2.500 rpm
Injection: Common Rail direct
Traction: 4WD
Consumption* (l/100km): 6,9*/7,5**
CO₂ emissions* (g/km): 180*/196*

FULLBACK is created to be the linchpin of your team. On all terrains. Merit for this goes to its **4WD**, today even more efficient and easy to control with the exclusive **4WD ELECTRONIC SELECTOR** to deliver maximum torque to each wheel, and the **DIFFERENTIAL LOCK** (central as standard equipment on LX versions, rear and optional on all other versions). A strength you'll find handy in your leisure time too, when it's time for a break from work.

2WD HIGH RANGE
Gives quiet running and better fuel consumption during normal on-road driving.

4WD HIGH RANGE
Selectable at speeds up to 100 Km/h, distributes torque between front and rear axles via a central differential (C/D), the latter permits aero-on-road driving in slippery conditions.

4WD HIGH RANGE WITH C/D LOCKED
Centre differential locked power is evenly distributed between front and rear wheels, improves traction and manoeuvrability on snow and on-road.

4WD LOW RANGE WITH C/D LOCKED
Lower gear ratio provides greater torque for extreme off-road conditions: Climbing gradients, ascending steep inclines and powering through deep snow and sand.

FULL SAFETY

SAFETY IS A GUARANTEE.

FULLBACK is equipped with a wide range of safety devices designed to guarantee maximum protection and safety of the driver and passengers.

REINFORCED SUSPENSIONS AND BODYSHELL, 7 AIR BAGS (ON DOUBLE CAB) AND PRE-TENSIONERS. What's more, Fullback offers you the **HILL HOLDER** system for starting off easily even on an uphill road. That is because among all your work tools, safety cannot be lacking. Never.

AIRBAGS

In case of an accident, the 7 airbags with which Fullback (double cab) is fitted contribute to absorbing the impact when opening. In addition to the front airbags, there are also the side and curtain airbags plus one at the driver's knees.

PRE-TENSIONERS

In the case of front impact, the pre-tensioners automatically tighten the seat belts around the driver and passengers to minimise any impact with the opening of the front airbags.

REINFORCED BODYSHELL

The bodyshell was built with many components in special lightweight steel and with high tensile strength while keeping the safety level unaltered.

SUSPENSION

The front suspension with double A-arm and stabilizer bar ensure excellent stability both on and off the road. The rigid rear axle with elongated multi-layer leaf springs withstand the maximum stresses of the road surface and ensure stability and comfort, whether empty or with a full load.

SPEED LIMITER

The adjustable Speed Limiter helps you not to exceed the speed you have pre-set. If this happens, a visual signal associated with an auditory signal warns you and prompts you to brake.

TSA

The Trailer Stability Assist system guarantees perfect stability even when towing. If the vehicle skids, the TSA automatically modulates the engine's power and the braking force on each wheel to give stability back to the vehicle and its trailer.

LDW

When travelling at speeds of over 65 km/h, the Lane Departure Warning system automatically warns you when the vehicle is dangerously veering from the lane with both visual and acoustic signals.

ESC

The Electronic Stability Control offers you exceptional grip and stability by independently managing the braking force on the wheels when taking a curve. It prevents the wheels from skidding, minimises the risk of the vehicle skidding and guarantees perfect traction in all conditions.

HILL HOLDER

Hill Holder is ideal for uphill with ultimate ease, even with a full load. It automatically blocks the vehicle for several seconds without you having to press the brake pedal.

Without TSA

With TSA

With Hill Holder

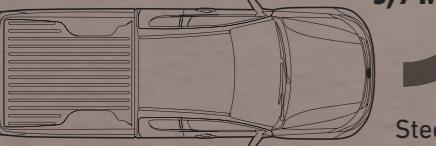

Without Hill Holder

Two diagrams on the right side of the page illustrate the effectiveness of the TSA and Hill Holder systems. The first diagram, 'Without TSA', shows a vehicle and a trailer skidding uncontrollably on a curve. The second diagram, 'With TSA', shows the vehicle and trailer maintaining a stable, controlled path. The third diagram, 'With Hill Holder', shows a vehicle on an incline remaining stationary when the brake is released, while the 'Without Hill Holder' diagram shows the vehicle sliding down the hill.

FULL
VERSATILITY
MAKES WAY FOR
ALL YOUR NEEDS.

There is another field in which Fullback is unbeatable: versatility. Fullback has been expressly designed to offer you the most solutions. By adapting its cargo bed and cabin to your requirements, Fullback can play any role you and your work may need. Turn the page to see what it is capable of.

REFRIGERATED BODY*

* Examples of vehicles not converted by the manufacturer

Fullback Refrigerated Body is the ideal vehicle for daily distribution of frozen foods at cold temperature. The cold is accumulated while parking at night by an electrically operating refrigeration unit that freezes an eutectic solution contained in plates or tubes arranged inside the body. By defrosting the eutectic solution releases the previously accumulated cold for approximately 10 hours of service with an outside temperature of +30°C.

ROAD ASSISTANCE*

Specific roadside rescue workshop outfit of the rear part of the vehicle for transporting equipment and towing a vehicle using a forklift.

MOBILE WORKSHOP*

Fullback Mobile Workshop is a modular and reconfigurable outfit consisting of a transport system for equipment and spare parts fitted onto the chassis of Fullback to provide maintenance services on the field. The three elements of the module can be combined and equipped according to needs. The aluminium section bar structure is complete with synthetic material elements.

FULL
CARE
**ALL SUPPORT
TO YOUR NEEDS.**

FULLBACK is not just a work vehicle. It is also the vehicle that connects you to the large **FIAT PROFESSIONAL** network that is widespread, efficient and always willing to meet your needs and requirements. In short, choosing **FULLBACK** also means climbing on board a world of full-range services. Because Fiat Professional knows that work never stops.

VEHICLE WARRANTY

The purchase price of your new Fiat Professional commercial vehicle includes a 24 month Warranty that starts on the handover date and has no mileage limits. The Warranty ensures coverage for the vehicle against manufacturing defects, which will be resolved free of charge using original or reconditioned parts. Operations under Warranty are carried out by Fiat Dealerships and include:

- repair or replacement of the faulty component;
- manpower needed for the replacement or repair;
- supply of consumable materials needed to carry out the repair under Warranty.

You have the benefit of roadside assistance for the duration of the Warranty.

Paintwork Warranty

The vehicle is guaranteed against manufacturing defects in the paintwork for a period of 36 months from the handover date. The Warranty provides for the total or partial repainting of the vehicle to eliminate any ascertained fault, according to the Manufacturer's standard conditions.

Perforating Corrosion Warranty

The structural elements of the vehicle bodywork are guaranteed against perforation caused by corrosion, when it occurs from the inside out. The Warranty provides for the repair and/or replacement of any original, bodywork structural element damaged by perforating rust and is valid for eight years from the handover date. Please check the specific conditions of the coverages in your warranty booklet.

CUSTOMER CARE CIAO FIAT

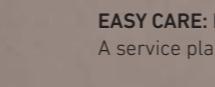

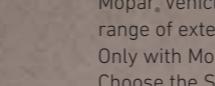

You can contact Fiat Professional by calling the dedicated Toll Free Number 0080034280000* reachable from all over Europe. We are at your disposal to provide Road Assistance services, active 365 days a year, 24 hours a day. By contacting Fiat Customer Care you can also request info on our models, services, dealer network and, lastly, book a test drive on a vehicle of your choice. Fiat Professional is at your disposal to satisfy every necessity or request linked to the use of your vehicle or our assistance services.

*Remember to check the call costs with your phone provider when calling from abroad or mobile phones.

FIAT PROFESSIONAL MOBILE

Download FIAT PROFESSIONAL MOBILE, Fiat Professional's original app dedicated to motorists. You can have the services and help you need with you at all times.

FINANCE PACKAGES AND INSURANCE SERVICES*

Find out how to get hold of your Fullback with the innovative financing solutions of FCA BANK. Whether you are a retail customer, self-employed or run your own business, FCA BANK offers you the best and most flexible financial tools to facilitate your forthcoming purchase of a Fullback so that you can drive it away. With FCA BANK you can combine your finance loan with high value-added insurance services tailored to meet your every requirement. For more information, visit www.fcabank.it. However you choose to travel, FCA BANK can meet your needs with financial and leasing packages combined with exclusive services.

Instalment plans Classic loan plan that allows you to spread the payment of all or part of your new vehicle for a period ranging from 12 to 72 months or part of your used vehicle for a period ranging from 1 to 60 months.

Leasing If you are a professional, self-employed or run your own business, this solution offers you the option of using your vehicle without tying up your capital. You have a choice of contract duration (up to 60 months) and own payments, plus a flexible final redemption value.

In addition to financing plans, FCA BANK offers a wide range of services designed to protect you from unexpected events: indelible marking on key vehicle components as a maximum deterrent against theft, the special Fiat Theft Protection.

* Within the limits laid down by policy conditions and with the exception of the exclusions indicated. For more information call Contact Centre on 199.818.203 (from Monday to Friday from 9 a.m. to 5 p.m.) or go to the website www.fcabank.it

RENTAL SERVICES

Long-term rental is the ideal solution for companies, professionals and private individuals who want to benefit from a new vehicle without the burden of ownership and the dues that this involves. Long-term rental offers a number of tangible advantages: • **No initial investment** to purchase the vehicle • **No unexpected costs**, the fixed rate is defined according to the duration of the contract, the estimated mileage and any additional services. Routine and non-routine servicing costs are included • **No risk of depreciation**, at the end of the contract the vehicle is simply returned, thus eliminating the concern related to the sale • **No waste of time**, mobility is always guaranteed. For information contact your Dealership or visit the www.leasys.com website, or call the 800334422 freephone number.

MOPAR® VEHICLE PROTECTION

Mopar® Vehicle Protection offers a series of service contracts that are designed to give all our customers the pleasure of driving their vehicle without any hitch's and concerns. Our product portfolio consists of a wide and flexible range of extended warranty and maintenance plans endorsed by Fiat Professional. Each with a series of different coverage tiers, in terms of durability and mileage, built to accommodate your driving needs.

Only with Mopar® Vehicle Protection you are ensured that all service operations are performed by highly qualified and specialized technicians in authorized Fiat Professional repair facilities, using original parts, all over Europe. Choose the Service Contract that suits your driving habits best.

MAXIMUM CARE: 100% PEACE OF MIND, WHEREVER YOUR JOURNEY TAKES YOU

Assured confidence, by extending the vehicle warranty, beyond the factory warranty, for up to a maximum of +3 years. The protection plan built to cover all mechanical and electrical components. Designed to supplement the standard manufacturer warranty and ensure that you get the best value for money.

EASY CARE: FIX THE PRICE OF YOUR REGULAR SERVICING

A service plan designed to be a simple way to budget for your vehicle's servicing requirements, ensuring your vehicle never misses a vital service interval and guarantees you get the maximum life out of your vehicle.

Mopar® Vehicle Protection service contracts can be subscribed directly when purchasing a new vehicle and be included (if desired) in the FCA Bank financial offer. Easy Care can be subscribed to any time before the first service, whereas MAXIMUM CARE can be subscribed to within 24 months after vehicle registration.

FULL
RANGE

A PRO LIKE YOU.

Recognizing a real pro is simple: just look at the equipment he has chosen for himself. Real pros work with pro tools only. That's why **FIAT PROFESSIONAL** is the best partner you could have, whatever your needs are. Its full **RANGE IS THE FIRST AND ONLY ONE BRANDED "PROFESSIONAL"** and it has been especially designed for specific purposes: yours.

FIORINO

The vehicle that invented the category. Unequalled in agility and capability. Cities love it. And so do the pros.

TALENTO

Agile, capable and ingenious. It's got the unique talent of transforming problems into solutions and challenges into opportunities. Day by day.

DUCATO

It's the undisputed leader in the world of work: the ground it's based upon. Strong, versatile and indispensable to everyone.

FULLBACK

There's no terrain that can scare it. There's no challenge it can't win. At work. And after.

DOBLÒ

You couldn't ask for a better way to work. You couldn't ask for a better business card. Simply unique. Just like you.

THE NEW FIAT PROFESSIONAL RANGE. WORK NEVER STOPS.

THE ONLY ONE BRANDED PROFESSIONAL. BUILT TO WORK 24/7.
