*Available feature

FIRST AWD IN FIAT LINE UP

- All-New FIAT 500X combines iconic Italian style with functionality, performance and all-wheel drive confidence
- Enjoy peace of mind and full control in all driving conditions
- Disconnecting rear axle allows for reduced parasitic loss when AWD is not needed for improved fuel-efficiency
- Dynamic Selector system allows the driver to choose from three modes (Auto, Sport and Traction+)

ITALIAN DESIGN AND PERSONALITY

- Iconic features of the FIAT 500 were leveraged into a larger and more mature package
- A multitude of customization options—5 Trim levels, 12 bold exterior colours, 8 wheel choices

FUEL ECONOMY Based on 2015 EnerGuide fuel consumption ratings. NEW 5-cycle test method applies to 2015 model year vehicles. Government of Canada test methods used. Your actual fuel consumption will vary based on driving habits and other factors. Use for comparison purposes only. Ask your retailer for EnerGuide information.

	City L/100 km (mpg)	Highway L/100 km (mpg)
1.4L MultiAir® I-4 Turbo with 6-speed manual FWD	9.5L/100km (30)	6.9L/100km (41)
2.4L I-4 TigerShark™ MultiAir® with 9-speed transmission FWD	10.6L/100km (27)	7.6L/100km (37)
2.4L I-4 TigerShark™ MultiAir® with 9-speed transmission AWD	11.0L/100km (26)	7.9L/100km (36)

1. Based on Ward's Auto Small Crossover Utility sub-segmentation of Crossover vehicles including Buick Encore, Chevy Trax, Kia Sportage, Mini Countryman, Mini Paceman. Excludes other vehicles designed and manufactured by FCA US LLC. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require Bluetooth. Compatible Phone: iOS (Never use while driving), Android (Do not use while driving). 2. Hands-free communication requires Bluetooth. 3. Never use while driving. 4. Always use proper tie-up technique. 5. Children 12 years old and younger should always ride buckled in a rear seat. Infants in rear-facing child restraint should never ride in the front seat of a vehicle with a passenger frontal air bag. All occupants should always wear their lap and shoulder belts properly. 6. No system can replace the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 7. This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of their surroundings and be prepared to take corrective action to avoid collisions. 8. Requires SiriusXM radio subscriptions governed by SiriusXM terms and conditions available at siriusxm.ca. †Prices as shown are MSRP. Excludes freight (\$1,745), air tax (\$100), insurance, registration, license, retailer administration fees, new tire. Duties in Quebec and dealer accessories are not included. Retailer may sell for less.
