*Italian style  
that speaks your language.*

Since 1899, the FIAT® brand has been building cars with beautiful styling and exciting engines. Our legacy of fine Italian style continues with the 2012 FIAT 500. It will stir your passion, heighten your joy, and delight you with its well-crafted Italian detailing. The bold curves make it thoroughly modern. The vibrant colour options provide the perfect punctuation. The ways you can customize your FIAT 500 are virtually limitless. All proof that efficient cars don't have to skimp on style.

# Newer technology. Better driving.

The All-Speed Traction Control System on the FIAT<sup>®</sup> 500 limits wheel spin during acceleration so that the wheels have maximum traction. Plus, the FIAT 500 comes with seven standard air bags<sup>(1)</sup> to help make your time in the vehicle as safe as possible.

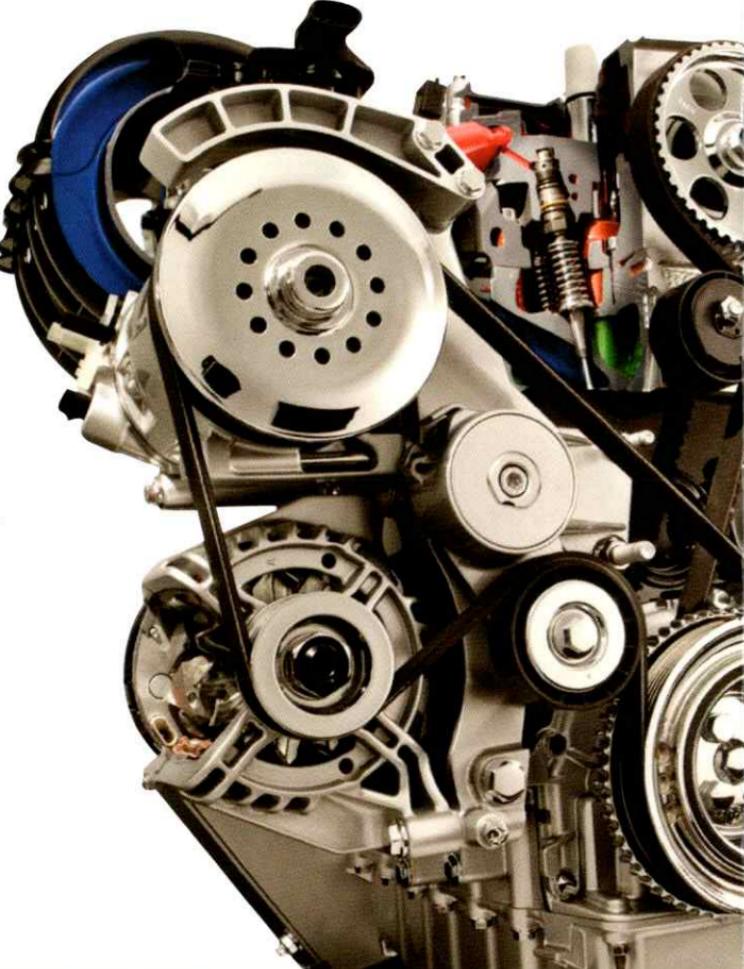

Blue&Me<sup>™</sup> Hands-Free Communication provides communication<sup>(2)</sup> and entertainment functionality using Bluetooth<sup>®</sup> connectivity. It lets you control your phone and radio with voice commands;<sup>(2)</sup> so your hands can stay on the wheel.

The 1.4L MultiAir Engine delivers an increase in power, up to 10 percent, and a reduction in fuel consumption and emissions, up to 10 percent, when compared to similar engines. With 101 hp, 98 lb-ft of torque and exceptional fuel economy, it's simply amazing.

# Fuel efficiency is king.

At FIAT® we want you to drive in style, and we also want you to drive efficiently. That's why we introduced eco:Drive™ – the industry-leading interactive tool that records the way you drive and then shows you what effect your habits make on fuel consumption and CO<sub>2</sub> emissions. eco:Drive works with the available Blue&Me™ Hands-Free Communication System<sup>(2)</sup> and it's FREE. By changing a few of your driving habits, you'll save money and help save the planet.
