Make Pleasure Island a Treasure Island
for the Whole Family

Get out the old fish pole, the lunch basket, your camping outfit and camera—you'll need them now that Spring is here again.

Neither stream, nor field, nor mountain park can hide their beauty from you—it's all yours with a Ford.

Dependable, convenient, sturdy and comfortable, the Ford Car represents the lowest first cost, the lowest upkeep, and the highest resale value of any motor car ever built.

Because of the several easy ways through which you may buy a Ford—including the Ford Weekly Purchase Plan—why deprive your family and yourself of the many pleasures and conveniences the ownership of a Ford Car brings to you?

See any Authorized Ford Dealer, who will gladly give you complete information regarding prices and terms. To place your order NOW insures reasonably prompt delivery.
