

**FORD'S NEW  
CORTINA WAGON. FOR THE  
TIME OF YOUR LIFE.**

**FORD SE NUWE CORTINA  
STASIEWA. VIR VRYHEID  
SOOS NOG NOOIT.**

Ford's new Cortina's the kind of wagon that helps you get a lot more out of life. It turns family outings into adventure. With room for everybody to pile in. And the staunch reliability to get you there without a care. It helps your business run more smoothly, too. On a trip or in town, you'll love its economy — the luxury sedan comfort — and the cavernous loading space. It also makes those holiday breaks real escapes. Tents, sails, saddles, mountain gear, diving gear . . . are all the kind of things you just pack in the back. While you really enjoy getting there. Because, like all Cortinas, the wagon's a driver's car.

Die nuwe Ford Cortina-stasiewa gee u vrye rygenot soos nog nooit tevore. Vir die gesin maak hy elke uitstappie 'n sorgvrye ervaring. Hope ruimte vir almal en alles. En betroubaarheid wat u sonder haakplek laat koers kry. Vir die sakeonderneming is hy 'n regte winswa — spaarsaam, in stadsverkeer én op die oop pad, met die gerief van 'n weeldemotor en die laaivermoë van 'n ruim werkwa. Vakansietyd is hy reg om die pad plesierig te vat . . . met tente, seile, saals, braaigoed, hengelgoed. Soos elke Cortina is hy 'n motor wat gery wil word.

## Cortina 1600 L

If economy and reliability are important in your life, the 1600 L wagon's your car. It's a spacious family wagon, with plenty of room for the whole family and a roof rack to increase the loadability even further. With a 4-cylinder engine geared for economy, the 1600 L's a great performer.

As u op besparing en betroubaarheid ingestel is, is die 1600 L dié wa vir u. 'n Ruim gesinswa vir 'n groot vrag, met 'n dakrak wat selfs meer ruimte binne moontlik maak. Hy't 'n spaarsame 4-silinder-enjin met grootkrag-werkverrigting.

## Cortina 2000 GL

The wagon with executive appeal. An economical, high performance 2 litre engine, combined with generous interior space and luxury appointments make the 2000 GL the ideal smart fleet/business car.

Die wa wat weelde met werk kombineer. Hy het 'n ekonomiese 2-liter-enjin met hoë werkverrigting. Plus groot binneruimte en lieflike binneweelde. Die ideale deftige sake/vlootvoertuig.

## Cortina 3000 GLS

The powerful six cylinder wagon. For the man who insists on power as well as economy. The 3000 GLS is a wagon with real towing guts, with power steering for easy manoeuvrability. And a plush, luxurious interior.

Die kragtige 6-silinder-stasiewa. Vir die man wat baie van sy voertuig vereis, soos groot sleepkrag sonder om brandstofbesparing prys te gee, én grasiouse binneweelde.
