

# FORD IMPORTED CARS

The key to a different world.

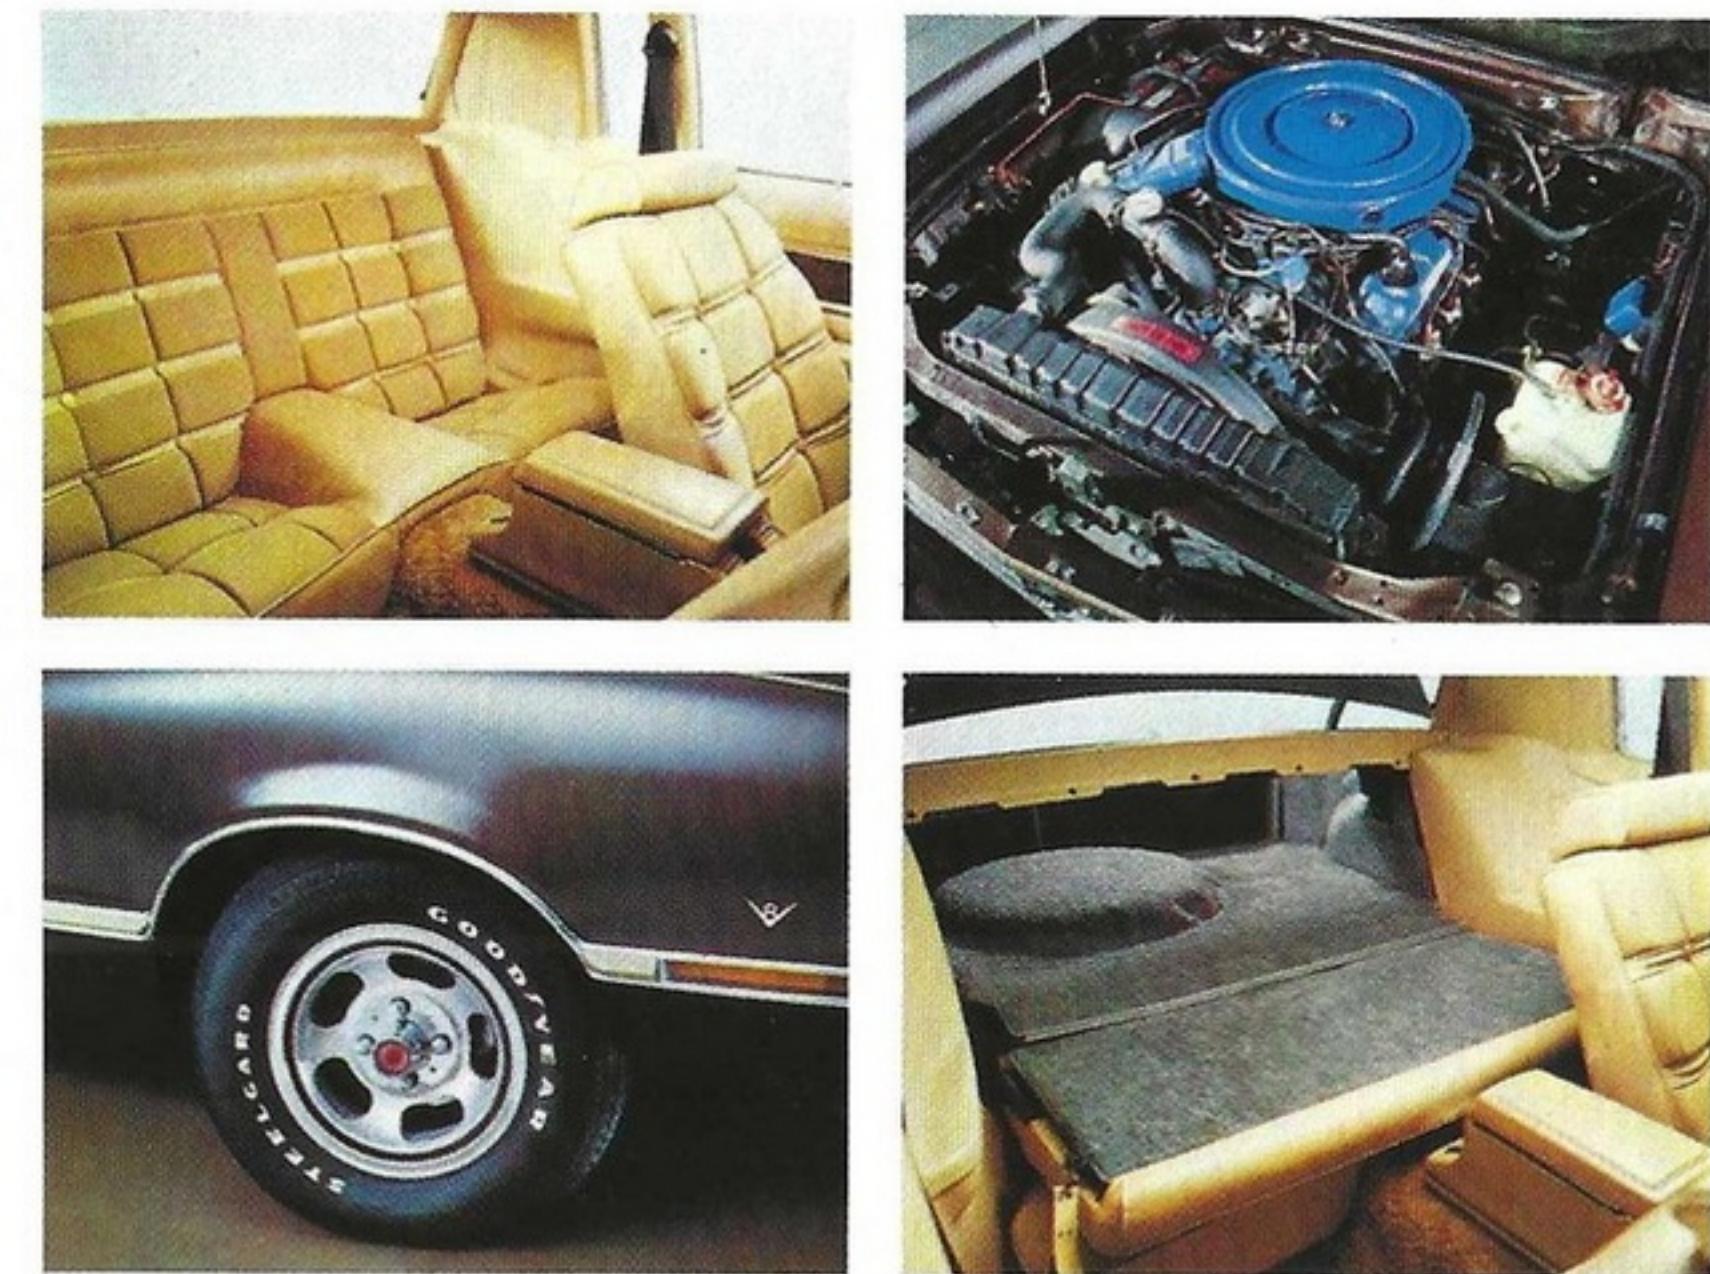

# Mustang II

The legendary Ford Mustang. A unique combination of sophistication and sheer motoring excitement. The Mustang gives you driving that is as calm and controlled as it is powerfully distinctive.

## Mustang II Ghia

With its smooth 4.9 litre V8 engine, its powered steering and brakes, its thick sound-absorbing cut-pile carpeting the Mustang Ghia creates a driving

environment that sets you apart from the world. Unmistakable Ghia styling features a half-vinyl roof, Ghia badges, and opera windows for rear passengers.

The features of the Mustang Ghia combine elegance with versatility. The tireless V8 engine unit gives you relaxed, controlled long-distance motoring while your passengers are accommodated in style in the individually contoured rear seats. Alternatively by folding the rear seats forward, you have extra loadspace for your luggage, with fitted carpeting extending all the way from the boot-section. Forged aluminium sports wheels are fitted as a standard specification.

# Mustang II Mach I

The Mustang Mach I fastback incorporates a folding rear seat and a lift-up tailgate, giving access to 22.8 cubic feet of loadspace.

The Mach I's styling features black lower-body panels with colour-keyed remote-controlled door mirrors and sporty forged aluminium road wheels.

A car that really stands out from the crowd.

## Mustang Specifications

# Fairmont Estate

The Fairmont is a true Estate, possibly the finest estate car in the world. It is designed by Ford of Australia to seat up to eight passengers in comfort, or to provide a massive 82.6 cubic feet of loadspace with the rear seat folded down.

The Fairmont Estate offers more space, combined with more power than any European car. Its tireless low-revving 4.9 litre V8 engine has power to spare, even under full load conditions. Its handling characteristics are superb, and with its progressive-feel power steering it requires only 2.6 turns of the steering wheel from lock to lock.

With its two-way rear door that opens both sideways and downwards the Fairmont offers versatility, comfort and control unmatched by any other estate car.

The vehicle shown is fitted with the third seat option.

## Fairmont Wagon Specifications

# Mercury Monarch Ghia

Most prestigious of America's new 'European' generation of luxury automobiles, the Mercury Monarch Ghia has created a style of sophisticated elegance that retains all the traditional qualities Americans demand from their luxury saloons.

The flagship of Lincoln Mercury's new range, the Monarch Ghia offers the highest standards of American design in a car no larger than most European luxury saloons.

The Monarch's interior is fully colour-keyed with real leather or soft cloth upholstery available as an option. Reclining front bucket seats with fitted head rests, soundproofing throughout, deep cut-pile carpeting, tinted glass and a quartz-crystal digital clock complete the sensation of luxurious all-enveloping comfort.

## Mercury Monarch Ghia Specifications

### Standard Features:

European ride suspension.  
Solid state ignition.  
Through-flow ventilation.  
Steel-belted radial-ply tyres.  
Impact-resistant bumper system.  
Seat-back map pockets.  
Dual-tone horn.  
Vanity mirrors.  
Day/night interior mirror.  
Deep, cut-pile carpet.  
Twin remote-control door mirrors.  
Power windows.  
Tinted glass.  
Reclining front bucket seats.  
Vinyl roof.  
Heated rear window.  
Interval windscreens wipers.  
Digital clock.  
Inertia-reel front seat belts.  
De-luxe sound insulation.  
Carpeted luggage compartment.  
Complete courtesy light system.  
Quartz Halogen headlamps.

### Optional Equipment – available at extra cost:

Glamour paint.  
Powered glass Moon roof.  
Half-vinyl Roof (2 door only).  
Centralised door locking system.  
4-way power driver's seat (non-reclining).  
In-car entertainment – refer to your Imported Car Dealer.

### Technical Specifications:

**Transmission:** Automatic transmission with T-bar floor-mounted shift.

**Steering:** Power-assisted. Re-circulating ball and nut with transfer gear. Safety steering column with anti-theft lock.

# Ford Imported Cars

Ford Imported Cars are marketed by Ford Personal Import Export Ltd., a subsidiary of Ford Motor Company Limited.

Ford Personal Import Export have a network of specialist Imported Car Dealers throughout the country, whose staff and technicians are experts in the maintenance and servicing of all Ford Imported Models.

They also maintain a large and comprehensive stock of spare parts at their international parts depot just outside London, and have direct links with the manufacturing countries.

When you own a Ford Imported Car you get the same high standard of servicing and parts supply that you would expect with any Ford product.

This catalogue applies only to vehicles supplied for the UK domestic market. Ask your Ford Imported Car Dealer for further information if you should wish to purchase one of these vehicles for Export.

## **Illustrations, Descriptions and Specifications**

Ford policy is one of continuous improvement. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. Where possible, any such changes which may be introduced after publication of this booklet but before it is supplied will be incorporated herein or announced by means of a notice prominently displayed in Ford Imported Car Dealerships at the point of supply. For the latest details, always consult your Ford Imported Car Dealer.
