

# Ford Cortina.

The lively medium  
for today's way of driving.

## '76 Cortina-more features, better value-for-money.

Cortina is getting better all the time. With sporty blackout grille and co-ordinated interior colour schemes. The economy Cortina L and the superbly appointed Cortina XL now have more legroom for rear seat passengers than before. Even the luxurious Cortina XLE has been improved!

Cortina can be whatever you make it. With a thrifty 2 litre four, or smooth 3.3 and 4.1 litre six cylinder engines. With sporty 4 on the floor manual or convenient T-Bar automatic transmission. What's more, you have the convenience of national Ford Dealer back-up service.

### Cortina XL. True car comfort in a size for today.

If you can't afford to buy big,

yet you can't shoehorn your family into something small... Cortina XL is your logical choice! Cortina XL's high level of standard equipment has made it the most popular Cortina. There's carpets, reclining bucket seats, deluxe push-button radio, electric clock. Convenient steering column control stalks put turn indicators, lane change, high-low beam, head-light flasher, horn and windscreen wiper/washer action at your fingertips.

And for '76, Cortina XL has rectangular quartz halogen headlamps, radial ply tyres and electrically heated rear window. How's that for features?

Other Standard Equipment items are: 2 litre 4 cylinder overhead cam engine, 4 speed floor shift, front power disc brakes, inertia reel front seat belts, centre console with armrest, folding centre armrest in rear, full wheel covers.

Printed March 1976

# Cortina L and XL Wagons.

## The medium-sized Wagons that are big on features.

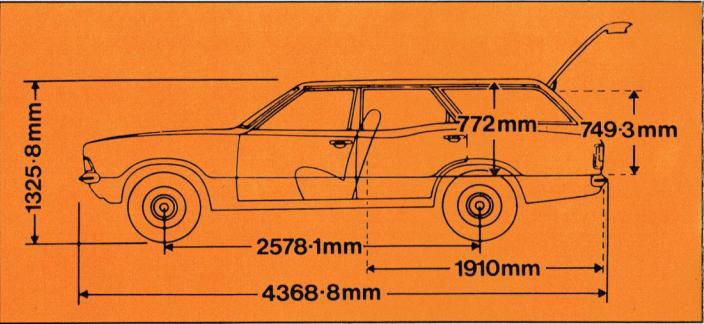

Cortina wagon is the most accommodating in its class. There's ample room for a family and almost 1 cubic metre of load space.

Fold the rear seat down and the load space increases to 1.8 cubic metres. For easy-opening convenience, Cortina wagon has a one-piece counter-balanced rear door.

Now, '76 Cortina Wagons look classier than ever. With sporty grille and co-ordinated interior colour combinations. '76 Cortina L and XL Wagons have quartz halogen headlamps. Inside, the 'L' model has bigger armrests and '76 Cortina XL Wagon has radial ply tyres, a rear window demister plus all the comfort and convenience features of the XL sedan!

Standard Equipment highlights common to L and XL Wagons:  
2 litre overhead-cam four teamed with 4 on the floor transmission and power front disc brakes . . . front inertia reel seat belts . . . steering column stalk controls for turn indicators, lane change, high/low beam, headlight flasher, horn, 2-speed windscreen wipers and washers . . . Contoured and reclining, high-backed front bucket seats . . . Carpeting Ventilation system with individual ball vent controls, separate foot level vents . . . 2 speed heater/demister . . . Cigarette lighter . . . Courtesy lights . . . Reversing lights . . . Right hand exterior rear vision mirror. Additional XL Wagon highlights:  
. . . Push button radio . . . electric clock . . . carpeted load space . . . rear window demister . . . radial ply tyres . . . styled wheel covers . . . console with storage bin and package tray between front seats . . . glove box light.

# Cortina L.

## A "Rallye" Pack turns it into a sporty-looking machine.

You'll have trouble convincing your friends that '76 Cortina L is the low-priced model. Look what you get - carpets, reclining bucket seats, European style steering column control stalks, power front disc brakes and the lusty 2 litre OHC four cylinder engine matched with a slick four speed floor shift. Of course, you can specify '76 Cortina L with either of the big sixes, and T-Bar automatic.

Cortina L is getting better all the time, too. For '76, there's rectangular quartz halogen headlamps, sporty black-out grille and colour keyed interior combinations. The optional "Rallye" pack comprises: 8 spoke sports road wheels, rocker panel blackouts, black door handles and bumpers, leather-bound steering wheel, tachometer, simulated leather

gear shift knob, quartz halogen driving lights.

Sports handling suspension is optional too. Of course, you can specify the "Rallye" pack with the '76 Cortina XL sedan and wagon too.

**L Standard Equipment Highlights:**  
Contoured, cushioned high-backed reclining bucket seats . . . Carpeting . . . Rectangular quartz halogen headlights . . . Power front disc brakes . . . Steering column control stalks for turn indicators, lane change, high/low beam, headlight flasher, horn, 2-speed windscreen wipers and washers . . . Ventilation system with individual ball vents and separate foot level vents . . . Front inertia reel seatbelts . . . Interior courtesy lights operated by front doors . . . Cigarette lighter . . . Styled right hand exterior rear view mirror.

*Illustrated right: Cortina L interior with optional T-Bar automatic transmission (Available at extra cost).*

*Illustrated below: Cortina L with optional "Rallye" pack and 4.1 litre 6-cylinder engine (available at extra cost).*

## Cortina XLE. Your own special world of luxury.

A car with as many standard features as Cortina XLE had seemed very hard to improve. But we did, for '76. Cortina XLE is getting better all the time.

The 2 litre OHC four cylinder engine is now optional at reduced cost. Similarly you can specify four on the floor manual gear at reduced cost, in lieu of the standard T-Bar automatic. '76 Cortina XLE includes cut-pile carpeting and keyed interior colour combinations. XLE Standard Equipment Highlights:

4.1 litre "six" . . . 3-speed, T-Bar Automatic transmission . . . Power assisted front disc brakes . . . Radial ply tyres . . . Deep-cushioned, high backed reclining bucket seats . . . Centre console with armrest, storage bin, electric clock . . . Push button radio . . . Special cloth and vinyl upholsteries . . . Deep cut-pile

carpeting . . . "Woodgrain finish" instrument panel . . . Ventilation system with individual ball vent controls, separate foot level vents . . . Electrically heated rear window demister . . . Boot light, interior courtesy lights operated by all doors . . . tachometer, metric speedometer/odometer, trip meter, fuel, oil and temperature gauges . . . Quartz halogen headlights . . . Rubber bumper over riders front and rear . . . Rear seat map pockets . . . Vinyl roof . . . Steering column stalk controls, right hand for turn indicators, lane change, high/low beam, headlight flasher and horn, left hand for 2-speed windscreen wipers and 4 jet washers . . . Remote control right hand exterior mirror . . . Leather bound steering wheel . . . Seat belt warning light . . . Full length body side mouldings . . . XLE emblem on rear pillar . . . Cigarette lighter . . . Dual-tone horns.
