The description and specifications contained herein were in effect at the time this publication was approved for printing. The Ford Marketing Corporation whose policy is one of continuous improvement reserves the right to discontinue models at any time, or to change specifications or design without incurring obligation.

Exterior and interior color combinations shown have been established as most attractive to the average customer. Orders for combinations not shown may be submitted provided the original order carries a notation stating the exterior and interior selection has been verified and is definitely desired. This procedure does not apply to orders specifying two-tone paint combinations or vinyl roof colors.

The description and specifications contained herein were in effect at the time this publication was approved for printing. The Ford Marketing Corporation whose policy is one of continuous improvement reserves the right to discontinue models at any time or to change specifications or design without incurring obligation.

Exterior and interior color combinations shown have been established as most attractive to the average customer. Orders for combinations not shown may be submitted provided the original order carries a notation stating the exterior and interior selection has been verified and is definitely desired. This procedure does not apply to orders specifying two-tone paint combinations or vinyl roof colors.
