GLS 4x4

THE SPECIAL EDITION SIERRA GLS

Extra grip, extra power and personality in plenty give this special edition Sierra GLS 4x4 a special kind of charisma.

All-wheel-drive and the prodigious power of Ford's fuel-injected 2.9-litre V6 engine accentuate the highly sporting appeal of the Sierra GLS 4x4. A host of purposeful interior features and a stylish exterior add up to a new kind of motoring satisfaction.

Standard features include:

- High performance 2.9 EFI engine with EEC IV management system.
- Uprated braking system with discs at front and rear.
- Distinctive black tailgate spoiler.
- Headlight wash/wipe.
- Advanced four-wheel-drive transmission giving superb traction and stability.
- Power assisted steering.
- Tri-coat white wheel covers.
- Four-door operated courtesy lights with delay function.
- Variable internal intermittent wipers.
- Tilt-or-slide glass sunroof with louvred blind.
- Convenient electrically operated front windows.
- Electrically operated and heated door mirrors with body-colour housings.
- Motorised central locking.
- Powerful integral front fog lamps.
- Two-spoke sports steering wheel and tachometer.
- New electronic self-seek AM/FM stereo radio/cassette — 2005 with anti-theft coding and aerial incorporated in rear windscreen.
- Key optional features, available at extra cost, include heated front windscreen and an electronically controlled anti-lock braking system.
