

# FORD TELSTAR·TX5 A C C E S S O R I E S

THE CLASSIEST IN THEIR CLASS

Telstar introduces a new standard of individuality. Personalise your car with Ford accessories for greater comfort, convenience and style.

(Pictured right) **Headlamp guards** protect your headlamps from small flying objects like stones.

A **bonnet protector** will clip easily on to your car providing a clear acrylic shield against small stones, tar spatter or insects.

A **weathershield** will help protect you from the rain and wind if you like to drive with the window down. **Rear venetians** help protect back passengers and luggage from the sun, without obstructing the driver's view.

**Ford Selectaire Air Conditioning**  
Keep your Telstar's interior cool and comfortable on hot days with Ford's Selectaire integrated air conditioning. It has been extensively tested to ensure excellent performance in a wide range of conditions.

**Mobile Phone**  
A mobile phone will give you the convenience of communications in your car. The phone is designed for the Telecom Cellular Grid Mobile Phone System. It features hands free operation, last number recall and more. There is a choice of 3 aerials available.

**Bassinet Restraint**  
A safety net which helps keep bassinets and baby safely in place. It also fits cots and pramettes.

**Cruise Control**  
Select the speed you want on long trips and Telstar will keep to it—saving your energy and nerves.

**Hood Ornament**  
Add a touch of elegance to the bonnet.

#### **Car Alarms**

Make sure you can leave your car with peace of mind. There are two alarms available—the 'Auto Arm Car Alarm' for warning of unauthorised opening of the bonnet, boot or any door. The 'Hi-Guard Car Alarm' provides more sophisticated protection and features glass breakage sensor, remote control disarming and independent battery back-up.

**Tow Bar and Goose-neck**  
Designed and manufactured for strength and durability, to enable you to tow up to 600kg. If you need to carry more, Level Ride Bars increase carrying capacity up to 910kg.

**Child Safety Seat**  
The one-piece moulding provides strength and the soft foam padding increases comfort for the toddler. The seat is adjustable for children from 6 months to 4 years and meets Australian Standard 1754.

**High Level Brake Lamp**  
Make sure the car behind you sees you brake. This High Level Brake Lamp attaches to the rear window and connects into existing brake wiring.

**Carpet Mats**  
Durable carpet mats that tone in with your car's interior and protect heavy traffic areas.

**Trailer Wiring**  
The range includes quality brake lamps and turn indicator connectors for trailers and caravans. Round to flat 7-pin wiring adaptors and universal wiring harnesses are also available.

#### Car Care Products

A quality range of products to help maintain your Telstar's condition inside and out, even under the bonnet.

#### Motorist Safety Kit

This kit comes with safety triangles, PVC reflective vest, a range of dressings, scissors and thermal blanket.

(Pictured Above) a **rear louvre** adds a sporty look to your car while shielding rear passengers from the sun. **Number plate frames** add a look of elegance and the perspex cover protects number plates from small stones and grime.

Please Note: About this brochure. This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheets. Because of changes in conditions and circumstances Ford\* reserves the right, subject to all applicable laws, at any time, at their discretion, and without notice to discontinue or change the features, designs, materials, colour and other specifications and the prices of their products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any

prospective purchaser or purchaser. The latest specification sheet should be referred to for information on the availability, ordering and use of optional equipment. Always consult an Authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
