# GRANADA LS

The tailgate wiper will operate automatically when reverse gear is engaged and the windscreen wipers are in use (top).

A conveniently located handle enables the driver's seat to be raised or lowered (above).

Like all Granadas, the new Special Edition LS is an exceptionally comfortable and well-equipped car, coming complete with one of the world's most advanced anti-lock braking systems.

Sleek styling, aerodynamic efficiency combined with all the problem-solving advantages of a versatile, five-door hatchback, make the new Granada LS ideal for everything from business travel to family holidays.

- 2.0-litre EFi engine.
- Electronically controlled anti-lock braking system.
- Remote control door mirrors.
- Reverse gear-linked tailgate wash/wipe.
- Central locking with 'torch' key.
- Driver's seat with height adjustment.
- Tinted glass.
- Central armrest for split-folding back seat.
- Tilt-or-slide screened glass sunroof.
- Electrically operated front windows.
- Passenger sunvisor vanity mirror.
- Self-Seek FM Cassette (ESRT 32 PS) sound system with six speakers, 'joystick' balance control, and radio aerial in rear window's heating element.

Superb all-round visibility is enhanced by remote control door mirrors (top).

An added touch is the convenience of a vanity mirror in the passenger's sunvisor (above).
