

CORTINA

# carousel

Smart new look –  
great new value

# Stands out a mile for looks and value

If you're looking for a car-saloon or estate—that has a distinctive new look outside and in, yet combines superb value with reliability, you've just found it!

For the Carousel is a special edition Cortina. It has sports road wheels and a choice of fashionable two-tone metallic body colours. Either Forest Green and Crystal Green with green trim or Graphite Grey and Strato Silver with grey trim. There will be some available in Roman Bronze and Tuscan Beige with tan trim.

Added to which the Carousel has smart bodyside mouldings, bright bumpers, bright door handles and drip rails and black door window surrounds.

There's a choice of engines for the saloon, 1300 OHV or 1600 OHC. But the 1600 OHC engine only is fitted in the estates.

Inside you'll find a fine array of features. Remote control for both the driver and passenger door mirrors, four spoke steering wheel, simulated wood fascia with instrument light dimmer and tripmeter, centre console with radio and intermittent windscreen wipe.

For your greater comfort the Carousel has the same seats as fitted to our 'L' models, plus 'L' type door panels, both trimmed in 'York' fabric.

Head restraints and seat valances are also fitted.

There's a vanity mirror on the passenger visor and grab handles for rear passengers, and the load compartment in the estate is carpeted.

All this at a price that is equally attractive. So test drive a Carousel before you look at another car.

**Option packs to make the Carousel extra special.**
