

the new ford**focus**

Your car can say a lot about you.

Ford Focus says that you no longer have to accept
compromise. You don't have to sacrifice style
for space or performance for economy.

It says that you don't have to be big to be safe.

shouldn't you expect **more** from life?

A comfortable car can be dynamically exciting.

Ingenious design can also be remarkably functional.

If you expect more out of life,
you can have more, with Ford Focus.

one ford**focus**

Whether you favour the smart and practical
CL or the refined and sporty Zetec,
the stylish LX or the luxurious Ghia, Ford
Focus gives you the opportunity to express
yourself. To choose the model that's right for
you – free**choice**. There is only one you.
There is only one, very versatile, Ford Focus.

ford**focus** CL

If you expect more from CL, you
won't be disappointed with
standard features including central
locking, electric front windows,
power steering, driver's and front
passenger's airbags* and
Safeguard engine immobiliser.

ford**focus** LX

With LX you'll find as standard a sunroof, remote control central, double locking and remote control tailgate release and an RDS stereo radio/cassette with ergonomically-designed steering column remote controls.

ford**focus** Ghia

If you expect more luxury, take a closer look at Ghia. Standard features include air conditioning, 'Quickclear' heated windscreen, driver's power seat height adjust, and electrically-operated and heated door mirrors with body colour surrounds.

ford**focus** Ghia 2.0i

Anti-lock brakes and traction control, 15" alloy wheels, CD autochanger and power front and rear windows with global close, adds an extra dimension to Ghia.

ford**focus** Zetec

With its dynamic image, Zetec offers remote central, double locking and sporting cues including firmer suspension, alloy wheels and front fog lights.

***Note:** A rear-facing child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with a front passenger's or side airbags.

amparo**blue**

colour with**style**

With eleven paint finishes to choose from, including three metallics and five mica metallics, it has never been easier to create a lasting impression.

bright**blue**

Imagine a car built around you from the inside out.

A car which delivers space, comfort and versatility in equal measure.

This is the new thinking that shaped the Ford Focus interior.

We call it freespace. You'll call it space to be yourself, whoever you are.

freespace

ford**focus** Zetec

why settle for less?

- Striking New Edge design
- Independent rear suspension delivering outstanding driving dynamics
- Class-leading head and leg room
- Low-friction engine design delivers excellent fuel economy without compromising on responsiveness

Information Service on **0845 600 3000**,
or visit the Ford Dealer locator at **www.ford.co.uk**

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular car.

The cars themselves have not been tested and there are inevitably differences between individual cars of the same model.

In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption.

Illustrations, descriptions and specifications.

This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer.

Optional Equipment. Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary.
