FAIRLANE CONCORDE

## The new limited edition Fairlane Concorde.

A Tickford modified engine should be more than enough reason to check out Ford's new Fairlane Concorde. Capable of delivering 162kW at 4900 rpm, the 4 litre,

*Tickford modified 6 cylinder engine.*

6 cylinder engine is exceptionally smooth and powerful. Of course for the ultimate in

power, Concorde buyers have the option of a V8 engine at a specially reduced price.

Whichever you choose, the Concorde also features a Tickford modified suspension. Complete with special springs, linkages, stabiliser bars and shock absorbers, it ensures a first class ride and astounding handling.

Of course these impressive extras aren't merely

confined to the performance aspects of the car. Look inside the Concorde and you'll

*Leather-trimmed seats.*

discover uniquely styled leather-trimmed seats, special door trim, unique 'Concorde' floor mats and a Momo woodrim steering wheel. Together with the Ford Fairlane's

impressive array of standard luxury features, they create an atmosphere of true comfort and refinement.

*Woodrim steering wheel.*

Available in Sparkling Burgundy, Navy Blue, Alaskan Frost, Silhouette and Oxford Green, the new Ford Fairlane Concorde also features 16 inch performance tyres and distinctive alloy wheels.

And just to complete the look, 'Concorde' badges and pinstriping adorn the bodywork.

It all adds up to a \$4500 upgrade for just \$1000 above the recommended retail price of a standard Ford Fairlane.\*

However, very few have made. So make a reservation at your nearest Authorised Ford Dealer now. Because they're apt to move rather quickly.
