# MAVERICK 4x4 VAN

The Maverick is a genuine off road vehicle with a rugged and durable separate chassis frame construction. The Van is a conversion based on the Aspen 3-door model with rear seats and seat belts removed. The specification includes colour-keyed, double-skinned GRP side panels with interior trim and a tailored black semi-rigid loadliner. An all-steel mesh full bulkhead and an anti-slip mat are optional at extra cost.

- Distinctively styled SWB Maverick 4x4 2-Seat Van conversion.
- 2.7 litre turbo charged diesel 74 kW (100 PS) engine.
- 5-speed gearbox.
- Selectable 2-wheel drive, and 4-wheel drive system with high/low ratio.
- Power assisted steering.
- High command driving position.
- Central locking.
- Immobiliser – Safeguard system, with 'armed' display light.
- Driver's Airbag.
- Side impact door beams.
- Electrically-operated and heated door mirrors.
- Electrically-operated front windows with 'one shot' lowering on driver's side.

**Vehicle shown over features the extra cost**

**'One Star' Appearance Pack, consisting of body colour bumpers and alloy wheels with 235 tyres.**
