Maverick

The Maverick Chasseur

Maverick. The best off roader on the road.

Maverick Chasseur

The Maverick Chasseur special model is for people who like their 4x4 to be a marriage between comfort, refinement and versatility. Designed and styled to keep the elements at bay while cossetting you and your fellow travellers in well defined luxury.

The thoughtful balance between brain and brawn gives the Maverick Chasseur a lightness of touch akin to a saloon car backed up by a rugged toughness that is equally at home off the beaten track or in the asphalt jungle.

The Maverick Chasseur's impressive appearance owes much to the skilful blend of inspiration and practicality. For example, the stylish, chunky alloy wheels and tyres, in addition to providing the Chasseur with excellent road gripping characteristics, ideally complement the vehicle's purposeful appearance. And the body coloured bumpers, while providing an effective barrier against the knocks of everyday life, give the Maverick Chasseur a totally integrated look.

Standard exterior features include:

- 3 or 5-door models.
- 2.7 Turbo diesel (EGR) engine.
- Fully-synchromeshed 5-speed gearbox with selectable 2WD and 4WD with high/low ratio.
- Body colour bumpers.
- Tinted glass.
- Electrically-operated and heated door mirrors.
- Central door locking.
- 7x15 dished Alloy wheels with 235/70 R15 tyres.
- Spare wheel mounted on rear door.
- Body colour wheelarch extensions.
- Metallic paint.
- Rear window wiper with electric wash.
- Remote fuel filler flap release.
- Available at extra cost are Preferred Equipment Packs which incorporate trailer couplings, roof rails, and a variety of front guards. See page 5 for details.

| Model | Engine |
|-------------------|-------------------|
| Chasseur 3/5-door | (10) 2.7 TD (EGR) |

The figure in brackets is the insurance group as recommended by the Association of British Insurers. Always check with your insurance adviser for confirmation.

Sit behind the wheel of the Maverick Chasseur and you'll immediately appreciate its unfettered visibility. The elevated high drive command position provides you with an uninterrupted view over and above most other road users enabling you to identify potential hazards and take the appropriate action.

Add that to the Chasseur's car-like driving characteristics and you begin to get an idea about just how easy it is to manoeuvre this 4x4. A great asset when you're battling your way through the hubbub of modern suburbia.

As a special model the Chasseur enjoys an impressive list of luxury and convenience features as standard. Helping you to make the most of fine weather, the Chasseur has an electric

sunroof and electric windows which means you can be at one with nature with finger tip ease. The innovative interior design includes quick release front seats on the three-door version that permit ease-of-access to the rear seating and split rear seats for extra luggage capability. Of course, should you require extra space the five-door version provides you with the flexibility for either excellent load carrying capability or additional passenger accommodation with easy-to-access seating for up to seven people. The Maverick Chasseur's classic good looks, stylish design and impressive interior combines with an exhilarating performance, total capability and car levels of style, safety and comfort.

Standard interior features include:

- Needle-carpeted interior.
- Tachometer.
- Warning lights including low fuel and washer fluid; door ajar and 4WD engaged.
- Seats trimmed in Siena fabric with height adjustable head restraints.
- Steering column adjustable for rake.
- Electrically-operated tilt-or-slide sunroof.
- Electrically-operated front windows with 'one shot' lowering on driver's side.
- Opening rear quarter vents on 3-door and electrically-operated rear windows on 5-door.
- Electronic Self-Seek AM/FM Stereo Radio/Cassette – Model 2006 RDS, 'Keycode' anti-theft coding, four speakers and electric aerial.

Above: The three-door model features tilting front seats with a quick release feature for ease-of-access.

Left: The interior has been ergonomically designed to give the driver clear access to the instrumentation.

Below: The high command driving position provides the driver with excellent visibility.

Ford would like to thank the Epping Forest Golf and Country Club for photographic location facilities.

Specifications

Model availability – weights and loads

| | Kerbweights (kg)†† | Maverick | GLX | Gross vehicle weight (kg) | Maximum towable weight (kg) | Payload† |
|--------------------------------|-----------------------|----------|-----|------------------------------|--------------------------------|----------|
| 3-door SWB Chasseur | | | | | | |
| 2.7 Turbo diesel (EGR) 5-speed | 1730 | 1730 | | 2300 | 2800 | 495 |
| 5-door LWB Chasseur | | | | | | |
| 2.7 Turbo diesel (EGR) 5-speed | 1850 | 1850 | | 2580 | 2800 | 655 |

Towing limits

Both the 3-door and 5-door Chasseur can tow a braked trailer up to a maximum of 2800 kg. For further guidance, refer to the National Caravan Council's Towing Code.

Roof rack load

For Styled Roof Rails and Crossbars the maximum load is 55kg

For the Detachable Roof Rack the maximum load is 75 kg

†† Represents the lightest kerbweight assuming full fluid levels and fuel levels, subject to manufacturing tolerances and options, etc., fitted.

† Payload = Gross vehicle mass, less kerb mass, less allowance of 75kg for driver.

Technical – Engine data

| | Engine technical features | Maximum power PS | Maximum torque Nm |
|-----------------------------------|---------------------------------|---------------------|----------------------|
| 2.7 Turbo diesel (EGR) 2663 cc | Cylinders – 4 in-line • | 100 at 4000 rpm | 221 Nm at 2200 |

Dimensions

Exterior mm

| | 3-door SWB | 5-door LWB |
|-----------------------|---------------|---------------|
| Overall length | 4105 | 4585 |
| Width without mirrors | 1735 | 1735 |
| Width with mirrors | 1990 | 1990 |
| Unladen height | 1805 | 1810 |
| Wheelbase | 2450 | 2650 |

For interior dimensions and luggage capacity please refer to the Maverick brochure.

Technical – Fuel economy

| | Fuel consumption in mpg (L/100km)† | Simulated urban driving | Constant 56 mph (90 km/h) | Constant 75 mph (120 km/h) |
|--------------------------------|---|----------------------------|------------------------------|-------------------------------|
| 3-door SWB Chasseur | | | | |
| 2.7 Turbo diesel (EGR) 5-speed | 27.4 (10.3) | 37.7 (7.5) | 23.9 (11.8) | |
| 5-door LWB Chasseur | | | | |
| 2.7 Turbo diesel (EGR) 5-speed | 26.6 (10.6) | 37.7 (7.5) | 23.3 (12.1) | |

† All figures in mpg (L/100km) are from officially approved tests under the Passenger Car Fuel Consumption Order 1983. The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption.

All models and options are subject to availability.

Technical – Driving performance

| | Performance (Ford test figs.) | Max. speed mph | 0-62 mph (secs) | 37-50 mph (secs) |
|--------------------------------|----------------------------------|----------------|-----------------|------------------|

Front Guards

Customers are reminded that most insurance companies require that they be notified of any modifications made to vehicles which they insure. Fitting Front Guards constitutes such a modification.

Ford Cares

All the service you expect

Ford Aftercare Services

From the moment your vehicle leaves the showroom, Ford aftercare services can provide total protection throughout its life. Scheduled Ford servicing is available to you through a nationwide network of Dealers, each offering a range of Ford aftercare packages. No one is more committed to customer service and complete motoring confidence than Ford.

36 Month Warranty Care on your new Maverick

Every new Ford vehicle is covered by a 12 month, unlimited mileage Warranty. The Ford Customer Warranty states that if any part of your vehicle becomes defective due to faulty manufacture or materials in the first 12 months from the date you took delivery, the part will be repaired or replaced free of charge without any fuss. In addition your vehicle is protected by Ford Extra Cover for 3 years or 60,000 miles from the date you took delivery. This cover supplements your new vehicle Warranty in the first year by providing additional benefits and then gives Warranty for the majority of components for the second and third year.

Extra Cover is Ford's Warranty plan and is provided to you by your Dealer free of charge. Your Dealer has completed the necessary paperwork on your behalf, no additional forms need to be completed by you. As a customer with a vehicle covered by Extra Cover you will receive a 'gold' Ford Customer Assistance card, showing that your vehicle is covered by Extra Cover. This card confirms that your vehicle has RAC cover for three years (without mileage limitation), a major benefit of the Extra Cover Plan.

6 Year Perforation Warranty

The bodywork of all Ford vehicles is covered against corrosion for 12 months, and, in addition, against perforation from 'inside out' caused by faulty manufacture or materials for six years from the day you took delivery. That is defined as originating from the inside section of bodywork, welded or joined sections, sealed edges or seams. For full details and conditions, please ask a Ford Dealer.

The Ford Commitment

The Ford Commitment provides you with a level of customer confidence and assurance that no other motor manufacturer can equal. We value your custom and have structured our three point 'Commitment' to reflect this.

Ford Commitment ① – 30 Day Exchange.

Ford Commitment ② – 24 Hour Roadside Assistance.

Ford Commitment ③ – Replacement or Refund within 12 Months for persistent unresolvable defects.

Ask your Dealer for full details and conditions or leaflet SP 0111A is available for more information.

Customer Order Price Protection Plan

As part of its continuing commitment to customer satisfaction, Ford has a Price Protection Plan. This Price Protection Plan means that the price you pay is the same as the price on your order, as long as you are prepared to accept delivery within 3 months, and in any event, as soon as your vehicle is available. Your Dealer has full details of the Plan.

Ford Barclaycard

Ford and Barclaycard have teamed up to offer what we believe to be the best credit card package for today's motorist. The card provides holders with the opportunity to accumulate rebates of up to £600 per year, over a period of three years, to the maximum rebate value of £1800 off any new Ford vehicle. For further details about this exciting new credit card scheme please ask your local Dealer for a leaflet, or call 0800 111 222.

Finance is provided subject to status to over 18s only, by Barclays Bank PLC. Written quotations are available on request; not available to businesses.

Ford Credit Europe plc

Ford Credit provides finance plans to a wide range of motorists and remains committed to the very highest levels of customer service. When it comes to financing a new Ford vehicle, Ford Credit has the key. Ford Credit Europe plc, PO Box 46, Brentwood, Essex CM13 3AR.

Options

At Ford Credit we believe in providing our customers with the highest level of customer service. Now we have Options, too, an innovative way for customers to drive a new Ford more often. Options has been designed to meet the needs of today's motorist and gives you the opportunity to drive a new vehicle for less than you thought possible. With this choice of plans, full nationwide coverage and the resources of the Ford Dealer network, you can be assured of the highest quality of service from Ford Credit at all times. Ford Credit Europe plc, PO Box 46, Brentwood, Essex CM13 3AR.

Finance is provided subject to status to over 18s only. Written quotations are available on request. Guarantees and indemnities may be required. Certain categories of business users do not qualify for the Options plan.

Ford Contract Motoring

Ford Contract Motoring combines the benefits of contract hire with a national service network that is second to none. It can be structured to allow your business to concentrate on success whilst our Dealers look after your vehicles. Ford Contract Motoring – Servicing Your Success.

Tax Free Sales

Most vehicles in the Ford range are available for Tax Free Personal Export. Details are available from your local Ford Dealer or Ford Motor Company Limited, Tax Free Sales, Wintersells Road, Byfleet, Surrey, KT14 7LF. Tel: 0932 335113. Fax: 0932 335198.

Ford Parts and Accessories

Ford parts and accessories are available from your local Ford Dealer and hundreds of Ford Dealerships nationwide who have the support and back-up of a highly sophisticated parts distribution system.

Illustrations, descriptions and specifications

Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult a Ford Dealer.
