## FordFusion +

The tough car with the distinctive presence in the city, just got better. With a tougher exterior and a more versatile interior, Fusion + is even better placed to thrive in the real world. You can depend on it to command respect as it confidently tackles the daily challenges of modern city living.

Inside, a DVD in-car entertainment system is standard. The unique system acts as a games console and has CD and MP3 capability. In addition, Ford's versatile new Activity Console with its uniquely flexible stowage, a handy power point and extra stowage pockets, provides superior practicality to suit your individual lifestyle.

Building on Fusion's commanding driving position, to give you the best possible view of your surroundings, Fusion + comes with even greater presence as standard. Outside, a protective and contemporary body kit complements the robust 16" alloy wheels. A host of other special touches complete the Fusion + look, including dark-tinted glass for extra privacy.

Simply put, Fusion + is perfectly adapted to life in the city: tough and tall, it has presence and practicality in one irresistible package.

### Fusion +. Standard features include:

- 7-spoke, 16" alloy wheels with 195/55 tyres. Robust and stylish
- Full perimeter bodystyling kit – protective and contemporary
- Dark-tinted rear glass – for extra style and privacy
- Complete in-car entertainment system with DVD and MP3 capability
- Detachable multi-function rear-seat Activity Console
- Rear power point – one idea, multiple uses
- CFC-free air conditioning with air recirculation
- Perimeter alarm
- Remote central/double locking with illuminated entry

Model Fusion +

The new FordFusion +. Commands respect

The **Government fuel figures** do not express or imply any guarantee of the fuel consumption of any particular car. The cars themselves have not been tested and there are inevitably differences between individual cars of the same model. In addition, a car may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the car has been driven and the standard of maintenance, will affect its fuel consumption. **Descriptions and specifications.** This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Optional Fitment/Pack', etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability.
