

• NEW EVEREST
• COURAGE BUILT IN.

**“I could finally drive further
than I've ever driven before.”**

Shift-On-The-Fly

Shift-On-The-Fly is available on the Limited model. This allows you to switch between different off-road modes through turning a simple rotary switch, which engages the electromagnetic clutch to change accordingly.

Take it off-road

The new **EVEREST** comes packed with technology that makes it one of the most capable SUVs off road. The 4x4 derivatives have high ground clearance, a high trail suspension and Limited Slip Diff (LSD), while wider side impact beams gives the **EVEREST** better weight distribution and stability on the ground .

Take on anything the road throws at you

The new EVEREST is built to ensure that in whatever terrain, it lives up to the challenge. Get used to the feeling of authority with the perfect combination of power, style, comfort and safety.

“I knew I could take on anything the moment I took the wheel”

Distinctive tough style

Rugged front grille and fog lamp housing with sleek modern finishes give you a superior driving feel.

A better driving feel on and off the road

Better grip, better performance and stability with the 18" alloy wheels.

Increased illumination

Streamlined headlamps and a refined fog lamp design to provide maximum driving safety.

Extra space for more of my adventures

The comfort inside the new EVEREST contrasts with the harsh terrain outside. With innovative storage and slick interiors, the ride will be as relaxing as can be.

Impressive craftsmanship

Fine aesthetic interior with silver decorative dashboard and door inlays.

Taking on roads in total comfort and security

Sit on exquisite charcoal leather seats. Pre-tensioning seatbelts will keep you safe in hard braking conditions.

Staying in control

Have complete authority over the vehicle with the refreshed instrument panels.

Colour

The design of the EVEREST communicates a commanding road presence, with no compromise on great looks. Choose from a blend of colours that will enhance your EVEREST.

or visit our website www.ford.co.za/buying/fleet
or alternatively email us at fleetsa@ford.com.

Ford Protect

Ford **Protect** offers a holistic suite of service, maintenance, warranty and roadside-assistance products aimed at keeping your new **EVEREST** in perfect working condition.

New vehicle 4yr/120 000km Warranty – Every **EVEREST** comes with a 4yr/120 000km Comprehensive Warranty.

Service Plan – Every **EVEREST** comes standard with a 5yr/90 000km Service Plan, which covers all scheduled servicing except friction materials, i.e. brake pads and wiper blades.

Corrosion Warranty – Cover lasts for 5yr/unlimited km.

Roadside Assistance – Cover lasts for 3yr/unlimited km for mechanical, electrical, flat tyres, batteries, medical emergencies and towing, if needed, to the nearest Ford dealership.

New vehicle Extended Warranty – An Extended Warranty may be purchased prior to the expiry of the 4yr/120 000km Warranty, giving owners an extra 2yr/80 000km of worry-free driving.

Consult the vehicle handbook, Ford dealer or www.ford.co.za for more info regarding Ford **Protect** plans.

Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully too.

Green

Using advanced Ford technology, we're committed to creating vehicles with improved fuel economy, reduced CO₂ emissions and a lower overall cost of ownership.

Safe

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to protect you.

Smart

Vehicles with smart intuitive technologies designed to connect your world and many clever solutions from Ford that make life a little easier.

Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specifications either temporarily or permanently, which will be communicated to the Ford Dealer Network. Printed June 2013.
