

2012 **FUSION+HYBRID**

Drive one.

4.6L/100 km CITY
5.4L/100 km HWY

61 MPG¹
52 MPG¹

We're serious about efficiency, just like you.

Sporty looks and a roomy, 5-passenger interior are only the beginning. With the Ford Fusion lineup, we offer you remarkable fuel efficiency of 4.6L/100 km (61 mpg) city¹ on Fusion Hybrid² and 6.0L/100 km (47 mpg) hwy¹ on the 2.5L 4-cylinder. For thrill-seeking performance drivers, there's Fusion Sport³ with its 263-horsepower 3.5L V6. Fusion also fulfills our promise of leading-edge technology. Imagine taking calls and changing songs with both hands on the wheel.⁴ We even offer systems to help you back out of parking spots,⁴ and more. The 2012 Ford Fusion. Drive one today.

Hybrid. Steel Blue Metallic. Available equipment.

¹4.6L/100 km city and 5.4 hwy (61 mpg city/52 hwy) on Fusion Hybrid. 9.0L/100 km city and 6.0 hwy (31 mpg city/47 hwy) on 2.5L 4-cylinder automatic FWD. Fuel consumption ratings based on Transport Canada approved test methods. Actual fuel consumption may vary. ²Coming Fall 2011. ³Late availability. ⁴Available feature.

Drive one.

2012 **FUSION+HYBRID** ford.ca

6.0L/100 km HWY | **47** MPG¹
9.0L/100 km CITY | **31** MPG¹

Powers both sides of your brain.

I-4 efficiency.

The standard 2.5L 4-cylinder engine paired with the 6-speed automatic transmission² delivers 6.0L/100 km (47 mpg) hwy¹ — that's fuel efficiency similarly equipped Camry and Altima models can't beat. You can also get the 2.5L with the 6-speed manual to have fun putting Fusion through its paces yourself.

V6 authority.

The 240-horsepower 3.0L V6 flex fuel engine² runs on E85, gasoline or any blend of the two. For maximum intensity, the 3.5L V6 on Fusion Sport³ kicks out 263 horsepower and 249 lb.-ft. of torque. Both V6s are mated to our sophisticated 6-speed SelectShift Automatic[®] transmission.

Hybrid ingenuity.

Fusion Hybrid⁴ doesn't have to use any fuel to operate at speeds of up to 76 km/h or when it's stopped in traffic, which helps it get outstanding fuel efficiency and over 1,200 city km per tank.⁵ The clever hybrid powertrain supplies 191 net horsepower and automatically recharges itself. When you're passing or merging, it even provides an extra power boost to ensure a lively performance.

AWD tenacity.

Every Fusion starts with an independent double-wishbone setup in front and a multilink twist-blade suspension in back for tight, responsive handling. AdvanceTrac[®] ESC (electronic stability control) is also standard. Combine it with the Intelligent All-Wheel Drive (AWD) System² and Fusion keeps moving even in the most inclement weather.

SE. Red Candy Metallic Tinted Clearcoat. Chrome Sport Appearance Package. Available equipment.

¹9.0L/100 km city and 6.0 hwy (31 mpg city/47 hwy) on 2.5L 4-cylinder automatic FWD vs. 2011 competitors. Fuel consumption ratings based on Transport Canada approved test methods. Actual fuel consumption may vary. ²Available feature. ³Late availability.

⁴Coming Fall 2011. ⁵4.6L/100 km city and 5.4 hwy (61 mpg city/52 hwy) on Fusion Hybrid with 66-litre tank.

Drive one.

2012 **FUSION+HYBRID** ford.ca

Keeps you connected to your world.

Hands-free calls and music.

No more searching for your phone or media player. No device on your ear. With voice-activated Ford SYNC,^{®1} you just touch a button on the steering wheel and say things like "Call Melissa," or "Play genre: Pop." Once paired, the system recognizes your phone and automatically transfers your contacts to support voice calling. SYNC also includes 911 Assist.[™]

Full-colour travel guide.

The voice-activated Navigation System² features a vibrant 8" LCD touch screen with interactive maps you can zoom and scroll. Play DVDs while Fusion is in Park, store nearly 10 gigs of your digital music and much more with this easy-to-use system.

Boundless entertainment.

Sirius[®] Satellite Radio³ comes with a 6-month prepaid subscription. Surf up to 120 channels including 100% commercial-free music, plus the best sports, news, talk and entertainment – all across Canada.

Sport. Charcoal Black leather trim. Sport Blue perforated inserts. Available equipment.

¹Available feature. Some mobile phones and some digital media players may not be fully compatible. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. SYNC voice recognition available in English, French and Spanish. ²Available feature. Coming Fall 2011. ³Available feature. Sirius Satellite Radio subscriptions sold after prepaid period expires. Subscriptions are governed by Sirius Customer Agreement; see sirius.ca.

2012 **FUSION+HYBRID** ford.ca

Senses what you may not see.

Back it out.

Say goodbye to parking lot stress. With cross-traffic alert,¹ Fusion lets you know if its radar sensors detect a vehicle approaching while you're slowly backing out of your spot. It sounds a warning, alerts you in the message centre, and flashes a light in your sideview mirror.

Back it up.

See what's back there with the rear view camera.¹ A full-colour image and handy guidelines display on the large navigation screen^{1,2} or in your rearview mirror whenever you shift into Reverse.

Change lanes.

Always check your surroundings before making a move. With BLIS[®] (Blind Spot Information System),¹ an amber light in your sideview mirror³ indicates that the system senses a vehicle in your way.

¹Available feature. ²Coming Fall 2011. ³BLIS replaces standard integrated blind spot mirrors.

Drive one.

2012 **FUSION+HYBRID** ford.ca

Takes a comprehensive approach to safety.

Masters challenging moments.

Our standard AdvanceTrac® ESC (electronic stability control) with brake-actuated traction control¹ automatically enhances vehicle control in wet or slippery conditions.

Personalizes your protection.

The advanced Personal Safety System™ uses sophisticated sensors to optimize deployment of the dual-stage front airbags in certain frontal collisions. Front-seat side airbags and 2-row side-curtain airbags help protect both head and chest in certain side-impact collisions.

Clears up blind spots.

Each standard sideview mirror features an integrated convex blind spot mirror that helps identify vehicles and objects nearby so you can avoid them.

Promotes smart driving.

Our exclusive MyKey™ allows you to program ignition keys with reminders to drive at appropriate speeds, keep the audio volume low and more, including limiting the vehicle's top speed and muting the audio system until front safety belts are fastened.

Sends an SOS for you.

So that you and your passengers can be easily located, our SOS Post-Crash Alert System™ will automatically flash the hazard lights and sound the horn after an airbag has deployed or a safety belt pretensioner has activated in certain collisions.²

Directly contacts 911.

Ford SYNC^{®3} with 911 Assist™ uses your paired mobile phone to call 911 in the event of a crash that results in airbag deployment or fuel pump shutoff.⁴ If needed, it can even give the operator an urgent message for you.

Sport. Blue Flame Metallic. Available equipment.

¹Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. ²SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner. ³Available feature. ⁴The vehicle's electrical system (including the battery), the wireless service provider's signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed.

2012 FUSION+HYBRID ford.ca

Lots of ways to make it yours.

Take advantage of versatile standards to make your life easier. Store often-used items within easy reach. Transport long cargo inside. Encourage smart habits like buckling up and driving at appropriate speeds. Add options to change the mood, let more sunshine in and so much more. Create the Fusion you want, just the way you want it.

In-dash storage
60/40 split-fold rear seat (non-Hybrid)
Ambient lighting¹
MyKey™ owner controls
Power tilt-and-slide moonroof¹

¹Available feature.

2012 **FUSION+HYBRID** ford.ca

QUALITY, GREEN, SAFE AND SMART.

Our commitment to you: Peace-of-Mind Protection

● Basic Coverage: 3 years/60,000 km ● Powertrain Limited Warranty: 5 years/100,000 km ● Corrosion Warranty: 5 years/unlimited distance ● Roadside Assistance: 5 years/100,000 km

Certain conditions apply. For more information on these warranties and coverages, ask your local Ford of Canada Dealer or visit ford.ca.

Ford Extended Service Plan. Help protect your investment and add to your peace of mind by complementing your vehicle purchase or lease with a Ford Extended Service Plan (ESP). Ford ESP protects you against unexpected repair costs after your New Vehicle Basic Warranty expires by covering many vehicle components. Enjoy the drive even more by complementing your ESP with a prepaid maintenance plan, which covers all required scheduled maintenance for your vehicle, plus 8 wear items. See your Ford of Canada Dealer for details. □ **Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your local Ford of Canada Dealer for details or check us out at fordcredit.ca. □ **Genuine Ford Accessories.** Ford of Canada warrants that its authorized Dealers will repair or replace any Genuine Ford Accessory that is properly installed by the authorized Dealer that sold the accessory and found to be defective in factory-supplied materials or workmanship. The accessory will be warranted for whichever provides you the greatest benefit: 12 months/20,000 km (whichever occurs first), or the remainder of your 36-month/60,000-km (whichever occurs first) Basic Coverage in the New Vehicle Limited Warranty. Contact your local Ford of Canada Dealer for details. □ **Ford Licensed Accessories (FLA)** are warranted by the accessory manufacturer's limited warranty. The warranty coverage will vary by accessory manufacturer. Ford Licensed Accessories are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your local Ford of Canada Dealer for details regarding the accessory manufacturer's limited warranty and/or for a copy of the FLA product limited warranty offered by the accessory manufacturer. □ **For prompt, courteous answers to your questions: Ford Customer Relationship Centre 1-800-565-3673; Ford Credit Customer Service Centre: 1-877-636-7346.**

Competitive comparisons are based on 2011/2012 competitive models, publicly available information and Ford data at the time of printing of the 2012 original printed version. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following publication of the 2012 original printed brochure, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford of Canada Dealer is your best source for up-to-date information. Ford Motor Company of Canada, Limited, reserves the right to change product specifications at any time without incurring obligations. Colours may not be exactly as illustrated. Please see your sales consultant for specific colour and model availability. Please visit your local dealer or ford.ca for complete vehicle details.
