

2012 **ESCAPE+HYBRID**

Drive one.

**7.1** L/100 km HWY | **40** MPG<sup>1</sup>  
**9.1** L/100 km CITY | **31** MPG<sup>1</sup>

## We believe in lots of fun – and fuel efficiency.

Already dreaming up your next road trip? Perfect. Grab the keys to a Ford Escape and get going. We're serious about fuel efficiency, so this sporty 5-passenger small utility gives you 7.1L/100 km (40 mpg) hwy<sup>1</sup> with its standard 2.5L 4-cylinder engine. Escape Hybrid gets the best fuel efficiency of any SUV in Canada at 5.8L/100 km (49 mpg) city.<sup>1</sup> Escape also fulfills our promise of leading-edge technology. You can take calls and summon songs with both hands on the wheel.<sup>2</sup> It even steers itself into parallel parking spots.<sup>2</sup> And it's available with Intelligent 4WD.<sup>2</sup> The 2012 Ford Escape. Drive one today.

Limited. Black. Available equipment

<sup>1</sup>7.1L/100 km hwy and 9.1L city (40 mpg hwy/31 city) for Escape FWD with 2.5L 4-cylinder and manual transmission. 5.8L/100 km city and 6.5L hwy (49 mpg city/43 hwy) for Escape Hybrid FWD. Fuel consumption ratings based on Transport Canada approved test methods. Actual fuel consumption may vary. Excluding vehicles built for Mazda. See specifications for details. <sup>2</sup>Available feature.

2012 **ESCAPE+HYBRID** [ford.ca](http://ford.ca)

**5.8** L/100 km CITY | **49** MPG<sup>1</sup>  
**6.5** L/100 km HWY | **43** MPG<sup>1</sup>

## Conserves resources like no other SUV.<sup>1</sup>

It doesn't get any better than the most fuel-efficient SUV in Canada! Escape Hybrid doesn't have to use any gas to operate at speeds of up to 70 km/h or when it's stopped in traffic. Plus, the powertrain automatically recharges itself, so it never needs to be plugged in. The 2.5L 4-cylinder Atkinson-cycle engine works with the electric traction motor to create plenty of horsepower: 177 net. When passing or merging, the hybrid drive mode even gives you an extra power boost to ensure a lively performance.

Hybrid Limited. Igot Silver Metallic. Available equipment.

15.8L/100 km city and 6.5L/hwy (49 mpg city/43 hwy) for Escape Hybrid FWD. Fuel consumption ratings based on Transport Canada approved test methods. Actual fuel consumption may vary. Excluding vehicles built for Mazda. See specifications for details.

Drive one.

2012 ESCAPE+HYBRID [ford.ca](http://ford.ca)

## Steers you into the sweet spot.

That's right. First, active park assist<sup>1</sup> uses ultrasonic sensors to help you locate the perfect parallel parking spot. Then, you take your hands off the wheel and your Escape steers itself into place. You simply follow system prompts to shift gears and control the brake and accelerator pedals. The vehicle can be parked in as little as 24 seconds. Available exclusively on Escape Limited and Hybrid Limited.

Limited. White Suede. Available equipment.

<sup>1</sup>Available equipment.

2012 ESCAPE+HYBRID [ford.ca](http://ford.ca)

## Comforts body and mind.

Escape comfortably seats up to 5 with ease. Another reason to feel good in here: The seat cushions contain environmentally friendly soy-based foam that helps conserve limited resources and reduce CO<sub>2</sub> emissions. Supple leather trim (shown) with heated front seats, plus gleaming chrome and black accents, are standard on Escape Limited and Hybrid Limited. No matter which model you choose, Escape is bound to be the perfect fit for your adventures.

### Promotes smart driving.

Our exclusive MyKey™ allows you to program ignition keys with reminders to drive at appropriate speeds, keep the audio volume low and more, including limiting the vehicle's top speed and muting the audio system until front safety belts are fastened.

## Keeps you connected to your world.

### Hands-free calls and music.

No more searching for your phone or media player. No device on your ear. With voice-activated Ford SYNC,<sup>®1</sup> you just touch a button on the steering wheel and say things like "Call Melissa," or "Play genre: Pop." Once paired, the system recognizes your phone and automatically transfers your contacts to support voice calling. SYNC also includes 911 Assist.<sup>™</sup>

### Full-colour travel guide.

The voice-activated Navigation System<sup>2</sup> features a vibrant 6.5" LCD touch screen with interactive maps you can zoom and scroll. Play DVDs while Escape is in Park, store nearly 10 gigs of your digital music and much more with this easy-to-use system.

### Boundless entertainment.

Sirius<sup>®</sup> Satellite Radio<sup>3</sup> comes with a 6-month prepaid subscription. Surf up to 120 channels including 100% commercial-free music, plus the best sports, news, talk and entertainment – all across Canada.

Limited. Charcoal Black leather trim. Available equipment.

<sup>1</sup>Available feature. Some mobile phones and some digital media players may not be fully compatible. Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. SYNC voice recognition available in English, French and Spanish. <sup>2</sup>Available feature. Coming Fall 2011. <sup>3</sup>Available feature. Sirius Satellite Radio subscriptions sold after prepaid period expires. Subscriptions are governed by Sirius Customer Agreement; see sirius.ca.

## Powers your adventures efficiently.

### Gas engines sip and zip.

The standard 2.5L Duratec® 4-cylinder engine delivers a remarkable 7.1L/100 km (40 mpg) hwy and 10.0L/100 km (28 mpg) city<sup>1</sup> when paired with the 6-speed automatic transmission<sup>2</sup> and front-wheel drive. It also supplies a spirited 171 horsepower and 171 lb.-ft. of torque. Since the 3.0L Duratec V6 engine<sup>2</sup> is flex fuel capable, you can run it on gasoline, E85 (85% ethanol and 15% gasoline), or any blend of the two. Mated to the efficient 6-speed automatic, it cranks out 240 horsepower and tows up to 1,588 kg (3,500 lbs.) when properly equipped. You can tow with confidence thanks to trailer sway control.<sup>2</sup> When trailer sway is detected, it automatically reduces engine speed and selectively applies the brakes to help you maintain control of both the vehicle and the trailer.<sup>3</sup>

### Easy Fuel keeps it clean.

Our industry-first Easy Fuel® capless fuel filler, standard on all models, automatically seals shut when you remove the fuel nozzle. There's no messy cap to deal with or lose – just gas up and go. It also helps reduce evaporative emissions.

XLT. Toreador Red Metallic. Available equipment.

<sup>1</sup>Fuel consumption ratings based on Transport Canada approved test methods. Actual fuel consumption may vary. See specifications for details. <sup>2</sup>Available feature. <sup>3</sup>Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

2012 ESCAPE+HYBRID [ford.ca](http://ford.ca)

## Transports you to places others only imagine.

Every Escape is naturally nimble thanks to a fully independent suspension and outstanding ground clearance. Add our Intelligent 4WD<sup>1</sup> and let the all-terrain adventures begin. Always on and always working, it automatically monitors traction 200 times per second (much faster than any person could) and adjusts torque distribution as needed.

Escape XLT. Ingot Silver Metallic. Available equipment.

<sup>1</sup>Available feature.

Drive one.

2012 ESCAPE+HYBRID [ford.ca](http://ford.ca)

## Takes a comprehensive approach to safety.

### Masters challenging moments.

Our standard AdvanceTrac® with RSC®(Roll Stability Control™) uses 2 gyroscopic sensors to help keep all 4 wheels firmly planted.<sup>1</sup> It automatically enhances vehicle control in wet or slippery conditions.

### Personalizes your protection.

The advanced Personal Safety System™ uses sophisticated sensors to optimize deployment of the dual-stage front airbags in certain frontal collisions. Front-seat side airbags deploy in certain side-impact collisions. And our Safety Canopy® System increases protection with a rollover sensor and side-curtain airbags.

### Clears up blind spots.

Each standard sideview mirror features an integrated convex blind spot mirror that helps identify vehicles and objects nearby so you can avoid them.

### Sends an SOS for you.

So that you and your passengers can be easily located, our SOS Post-Crash Alert System™ will automatically flash the hazard lights and sound the horn after an airbag has deployed or a safety belt pretensioner has activated in certain collisions.<sup>2</sup>

### Directly contacts 911.

Ford SYNC®<sup>3</sup> with 911 Assist™ uses your paired mobile phone to call 911 in the event of a crash that results in airbag deployment or fuel pump shutoff.<sup>4</sup> If needed, it can even give the operator an urgent message for you.

Limited. Black. Available equipment.

<sup>1</sup>Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions. <sup>2</sup>SOS hardware may become damaged or the battery may lose power in a crash, which could prevent operation. Not all crashes will activate an airbag or safety belt pretensioner. <sup>3</sup>Available feature. <sup>4</sup>The vehicle's electrical system (including the battery), the wireless service provider's signal and a connected mobile phone must all be available and operating for 911 Assist to function properly. These systems may become damaged in a crash. The paired mobile phone must be connected to SYNC, and the 911 Assist feature enabled, in order for 911 to be dialed.

2012 ESCAPE+HYBRID [ford.ca](http://ford.ca)

## Lots of ways to make it yours.

Take advantage of versatile standards to make your life easier. Store your stuff out of sight. Even transport your bike inside. You can also add options to let more sunshine in, show off your style, warm up your vehicle from afar and so much more. Create the Escape you want, just the way you want it.

Centre floor console  
Power moonroof<sup>1</sup>  
17" chrome-clad aluminum wheels<sup>1</sup>  
Power Code™ Remote Start System<sup>1</sup>  
1,903 litres (67.2 cu. ft.) of cargo space

<sup>1</sup>Available feature.

Create a more meaningful driving experience: Connect with Ford Custom Accessories for authentic personalization possibilities. The cost of select accessories – ordered and paid for at the time you buy or lease your Escape – can be rolled into your monthly payment. And coverage for select accessories falls under the New Vehicle Limited Warranty. See your Ford of Canada Dealer for details.

XLT in Toreador Red Metallic customized with smoked hood and side window deflectors, moulded front and rear splash guards, roof-mounted crossbars, roof-mounted cargo box by THULE<sup>®</sup> and rear spoiler

# QUALITY, GREEN, SAFE AND SMART.

 [ford.ca](http://ford.ca)

#### Our commitment to you... Peace-of-Mind Protection

● Basic Coverage: 3 years/60,000 km ● Powertrain Limited Warranty: 5 years/100,000 km ● Corrosion Warranty: 5 years/unlimited distance ● Roadside Assistance: 5 years/100,000 km  
Certain conditions apply. For more information on these warranties and coverages, ask your local Ford of Canada Dealer or visit [ford.ca](http://ford.ca).

**Ford Extended Service Plan.** Help protect your investment and add to your peace of mind by complementing your vehicle purchase or lease with a Ford Extended Service Plan (ESP). Ford ESP protects you against unexpected repair costs after your New Vehicle Basic Warranty expires by covering many vehicle components. Enjoy the drive even more by complementing your ESP with a prepaid maintenance plan, which covers all required scheduled maintenance for your vehicle, plus 8 wear items. See your Ford of Canada Dealer for details.  **Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your local Ford of Canada Dealer for details or check us out at [fordcredit.ca](http://fordcredit.ca).  **Genuine Ford Accessories.** Ford of Canada warrants that its authorized Dealers will repair or replace any Genuine Ford Accessory that is properly installed by the authorized Dealer that sold the accessory and found to be defective in factory-supplied materials or workmanship. The accessory will be warranted for whichever provides you the greatest benefit: 12 months/20,000 km (whichever occurs first), or the remainder of your 36-month/60,000-km (whichever occurs first) Basic Coverage in the New Vehicle Limited Warranty. Contact your local Ford of Canada Dealer for details.  **Ford Licensed Accessories (FLA)** are warranted by the accessory manufacturer's limited warranty. The warranty coverage will vary by accessory manufacturer. Ford Licensed Accessories are fully designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your local Ford of Canada Dealer for details regarding the accessory manufacturer's limited warranty and/or for a copy of the FLA product limited warranty offered by the accessory manufacturer.  **For prompt, courteous answers to your questions: Ford Customer Relationship Centre 1-800-565-3673; Ford Credit Customer Service Centre: 1-877-636-7346.**

Competitive comparisons are based on 2011/2012 competitive models, publicly available information and Ford data at the time of printing of the 2012 original printed version. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following publication of the 2012 original printed brochure, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford of Canada Dealer is your best source for up-to-date information. Ford Motor Company of Canada, Limited, reserves the right to change product specifications at any time without incurring obligations. Colours may not be exactly as illustrated. Please see your sales consultant for specific colour and model availability. Please visit your local dealer or [ford.ca](http://ford.ca) for complete vehicle details.
